To Whom It May Concern,

On behalf of the Ledyard Farmers Market, I write in support of Ledyard's request for STEAP Grant funding to improve playgrounds in both Ledyard and Gales Ferry.

In the last couple of years, the town has updated the market space to make it very handicapped accessible. Because our market is so accessible to wheelchairs, strollers and the like, quite a few families with children attend each week. In fact, the market was voted the second most popular in Connecticut in 2024, due in part to its ease of access for those of all abilities.

The market is held on the Town Green and is adjacent to a playground that is in need of an upgrade. Each market, the playground is filled to capacity with children. We estimate that between 50 -100 children visit the market each week and use the swings and other equipment.

Not only is the equipment at the play area outdated, it is not accessible to children of all abilities. The town has identified new and interesting play structures that would be safer and more accessible for all children.

A large, inclusive, and fun playscape for the Town Green would be well used and greatly appreciated by hundreds of families each summer and market season.

Thank you for considering our application.
