Dear Mr. Gardner,

Re: Ready to Serve – Water Utilities at proposed subdivision, 5 Lorenz Industrial Parkway, Ledyard, Connecticut

Groton Utilities, Contract Operator of the Ledyard WPCA, currently serves Lorenz Industrial Parkway in Ledyard with adequate pressure and flow rates. Flow data and water main record plans are available upon request.

The water that we supply meets all established Federal and State drinking water standards. The Groton Utilities 2020 Annual Water Quality Report is available at [www.grotonutilities.com](http://www.grotonutilities.com)

Please contact me with any additional information that you may need as you progress with the projects.

Sincerely,

GROTON UTILITIES
