Re: SB-940 - AAA bonds of the state for Brownfield remediation at a site in the town of Ledyard

I hope this letter finds you well at the start of the 2025 legislative session.

I am writing to respectfully request that you hold a public hearing for authorizing bonds in principle amounts not exceeding in the aggregate $750,000 for the purpose of brownfield remediation at the site of a contaminated garage in the town of Ledyard.

Thank you for your kind consideration of this request. Please don't hesitate to contact me with any questions. I look forward to working with you again this session.

Sincerely,

Catherine A. Osten
State Senator, 19th District
