Dear Mr. Wood:

Upon receiving your June 15, 2026, resignation from the Planning and Zoning Commission, the Town Council would like to sincerely thank you for your eight years of dedicated service to the Town of Ledyard, including the past two years as Chairman of the Commission.

Throughout your tenure, you brought valuable perspective, thoughtful leadership, and sound judgment to the many important matters that came before the Commission. These included the revision of the Zoning Regulations, extension of the Ledyard Center sewer line, planning for the multi-use pathway between Ledyard High School and Ledyard Center, affordable housing initiatives, new roads and subdivisions, and reviews involving town-owned property and the Plan of Conservation and Development.

Your leadership and willingness to work cooperatively with other town boards and commissions helped ensure that development and critically needed infrastructure were responsibly planned and implemented while preserving Ledyard's rural character. As Chairman, you helped guide the Commission through complex issues while maintaining a thoughtful and balanced approach to the Town's long-term growth.

Ledyard's volunteers are the backbone of our community, and our residents have benefited from your commitment, integrity, and perseverance. The Town Council sincerely appreciates your many years of service and all that you have contributed to the Town of Ledyard.

With Our Sincere Appreciation,

Gary A. St. Vil
Chairman
