Education & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

My wife and I, over the last year, got more involved in the planning and zoning process as we were impacted by decisions made for the town and wanted to make sure our opinions were heard and documented. With this, I became interested in the process by which decisions are made and feel my involvement could provide a differing point of view that will benefit the town and it's residents.

Community Involvement

Tee ball coach for son's team.
