IV. PRESENTATIONS / INFORMATIONAL ITEMS

A. Justin LaFoutain of Goman & York: Update of GF Corridor Study

Town Planner Burdick stated that he is unable to join us tonight. Goman & York will run a public workshop at an EDC Special Meeting scheduled for Apr. 15th 5:00pm-6:30pm at Ledyard Senior Center. A press release was published in The Day newspaper and it has also been posted on the Town's website. Dreimiller also posted it to the EDC's Facebook page and it was shared on the Ledyard Community Forum Facebook group.

V. RESIDENTS & PROPERTY OWNERS COMMENTS

Eric Treaster asked if the Goman & York Rt. 12 Study could be shared before the Special Meeting on April 15th. Mayor Allyn explained that the report doesn't exist yet and that the Special Meeting is the kick-off meeting for it. The Special Meeting is for information idea gathering. Treaster then asked about the objectives of the previous report. Mayor Allyn stated that the Town would like to apply for another STEAP Grant so that they could do in Gales Ferry

the same kind of improvements that have been done in Ledyard Center. However, the previous Rt. 12 corridor studies in 2012 (UConn) and 2001 (Tri-Committee) are not considered current by the State so they want an updated study before they will consider a STEAP Grant for Gales Ferry. Goman & York have been provided copies of the previous two reports.

VI. REPORTS

A. Mayor's Report

The March 26th seCTer meeting included an interesting presentation on Placer.AI which is a platform that tracks 10 million cell phone users that are subscribed with them to analyze their traffic patterns. seCTer has purchased a membership and can run reports for us. Goman & York is also using Placer.AI for the Rt. 12 study. Dreimiller also attended. seCTer meets on the 2nd Tuesday of every other month with the next meeting scheduled for May 13th and are accessible via Zoom.

B. Planner's Report

Gales Ferry Intermodal appeal has been filed. That matter will be taken up by the Superior Court.

12 apartments in the back of the at former Ledyard Center School have been approved. Site plan available in Town Planner's office. The projected was submitted as multi-family but their intent is 55 and older. All the units are ADA compliant. There will be two 2-bedroom units and 10 1-bedroom units. They'll be removing some of the parking in the back and creating a green space.

The business at the former Lou's Garage, Ryan's Reliable Services landscape company, has been growing despite requests to hold off. They were asked not to do business there until they had gotten their permits. He did get a site plan and submitted that for approval on March 12th but has continued to do work there, adding a construction trailer and a portable toilet, thus rendering the site plan incomplete since it doesn't match existing conditions. The enforcement process has been started to slow things down.

Schneider mentioned FRAG's Retro Zone, a new gaming store opening soon in the building next to the Gales Ferry Post Office. It will buy/sell/trade retro video games, classic consoles, rare action figures, and toys.

VII. APPROVAL OF MINUTES

A. EDC Regular Meeting Minutes of March 4, 2025

MOTION to approve the Regular EDC Meeting Minutes of March 4, 2025. Motion Passed by the following vote.

RESULT: APPROVED AND SO DECLARED

MOVER: Michael Cherry

SECONDER: Peter Hary

AYE 6 Schneider Dreimiller Vincent Hary Tashea Cherry

VIII. OLD BUSINESS**A. Corridor Study Update**

Previously covered.

B. Business Directory Update

Dreimiller found some businesses that were in the online version that were missing from the PDF and Hary added them to the PDF. The updated PDF is now posted on the town's website. Dreimiller also posted about this on the EDC's Facebook page shared it on the Ledyard Community Forum Facebook group.

C. Business Directional Signage

Currently waiting for Steve Masalin to contact DOT to find out if we can place business directional signs place above existing signs in the State's right-of-way. Dreimiller said he found some information about Plainfield's program - \$150/sign, maximum 4 signs, within ¼ mile of the business.

D. Transparency & Government draft discussion

Cherry said that he was happy with it. Vincent questioned some of the content of the Strategic Plan that is included in the presentation. It was pointed out that those items were list of things that the EDC could pursue if funding was to become available, not things that we actually currently do. The Mayor questioned whether there was better working for the phrase "pre-permitted sites" in that list of possible future efforts by the EDC. It was decided that it was ok as is and Dreimiller made a note to revisit that when the Strategic Plan is next updated.

A motion was made by Commissioner Cherry, seconded by Commissioner Tashea, to accept the Transparency & Governance presentation as is. The motion carried by the following vote:

RESULT: APPROVED AND SO DECLARED

MOVER: Richard Tashea

SECONDER: Peter Hary

AYE 6 Schneider Dreimiller Vincent Hary Tashea Cherry

IX. NEW BUSINESS
