Subject: Re: Additional Impact Aid Funding Request - Finance Committee letter dated 9/24/2025

Good Afternoon,

I just spoke with Councilor Saccone, and further review/discussion will be needed on this matter. To clarify, it is the Board of Education's understanding that no "tax-levy" capital projects were funded after the final budget reductions. If the requested projects were funded through the town tax levy, the BOE is prepared to provide additional projects for consideration using the Impact Aid excess funds.

I appreciate Tony's efforts to resolve this and, as always, thank you for the continued partnership in serving our community.
