Board of Education

Adopted 2026-27 BUDGET

Dear Ledyard Residents,

Thank you to everyone who joined us at this year's Annual Public Meeting on the FY2027 Town of Ledyard Budget.

Attached is the proposed 2026–2027 budget for Ledyard Public Schools, as adopted by the Board of Education. The Town Council has reduced the Board's recommendation by \$75,000, and as a result, the Board will be deliberating on how that adjustment may impact programming for FY27.

Ledyard Public Schools takes pride in providing a high-quality education to all students, made possible by the dedication of our teachers, administrators, and staff. With the continued support of our community, we also remain one of the most cost-effective school systems in the state, ranking in the lowest 10% for per-pupil spending.

This budget reflects a collaborative effort among school leaders, educators, and Board members, all committed to supporting students while serving as responsible stewards of taxpayer dollars.

The FY27 budget was developed with three priorities:

- Preserve essential services and honor contractual obligations;
- Manage rising operational and inflationary costs;
- Make strategic investments aligned with student needs.

Here's how the 3.63% proposed increase is structured:

- 99.5% supports core services, including contractual obligations (77.3%) and inflation-related cost increases (22.2%);
- 20.7% supports targeted investments in instruction and student support;
- -20.2% reflects reductions across line items to help offset those investments.

Budget Snapshot

The proposed 2026–2027 budget totals \$41,932,335, an increase of \$1,470,093 (3.63%) over the current fiscal year.

Key investments include:

- 1.0 FTE Math Instructional Coach;
- 1.0 FTE Facilities Department Support;
- Implementation of a new timekeeping system.

Thank you for your continued support of Ledyard Public Schools and for engaging in this important process. As a Board, we remain committed to providing every student with a high-quality education while maintaining fiscal responsibility. We welcome your questions and ongoing dialogue as the budget process moves forward.

Warm regards,

**BOARD OF EDUCATION PROPOSED BUDGET
SECTION I: EXECUTIVE SUMMARY**

2026-2027 Budget Breakdown

Salaries and Wages (object codes 51010-51300) – Increase \$1,202,233 (4.19%)

Teacher salaries support regular education activities, library media services, the special education program, pre-kindergarten program, guidance and career services, intervention, social workers, and school psychologists. Teacher Salaries (51030-51050) increased overall by \$888,924. This increase includes the contractual gross wage increase, plus step increases of \$791,044 and one known teacher retirement. In addition, the 2026-2027 budget includes a request for 1.0 FTE Math Instructional Coach at the elementary level to support curricular implementation and excellence aligned with our strategic plan’s commitment to supporting staff in engaging our students in rigorous learning experiences. This budget also adds 5 Class F stipends for a marching band program at the high school.

School Administration is involved in activities associated with directing and managing individual schools’ operations following system-wide policies and standards. The administration is responsible for the supervision of all school operations, including oversight of curriculum and instruction, students’ academic and extracurricular activities, assignment of duties, evaluation of staff members and maintenance of educational records. School-based administration includes 4.0 FTE Principals, 5.0 FTE Assistant Principals, and 5.0 FTE Special Education Administrators. The Ledyard Administrators Association (LAA) contract calls for a gross wage increase of 3.0% over the 2025-26 year plus associated step increases.

This budget includes the addition of 1.0 FTE non-bargaining unit position in Facilities to support the activities of that department.

The AFSCME Information Technology bargaining unit agreement is yet to be negotiated for the next fiscal year. Funds are allocated for the AFSCME Paraprofessional, AFSCME Secretarial and the AFSCME Custodian/Maintenance bargaining units based on ratified contracts. All of the aforementioned staff members are responsible for the oversight of critical district tasks that include, but are not limited to: administrative tasks for offices, data management, attendance data, purchasing, maintenance and cleaning of building sites, maintenance of grounds, maintenance of equipment, student information systems, information technology hardware used by staff and students, and assistance in oversight of students.

The substitute teacher rate remains at \$130/day.

Employee Benefits (object codes 52200-52800) – Increase \$55,983 (6.02%)

Unemployment Expense (52600), District Tuition Reimbursement (52350), and Social Security/Medicare Expense (52200) have been adjusted based on trends, previous fiscal year expenditures and anticipated increases.

The Town managed budget includes funds for school district personnel medical/dental/vision insurance. The Ledyard Education Association, our largest bargaining unit, will increase from a 24.25% premium share in the 2025-2026 fiscal year to a 24.50% premium share in the 2026-2027 school year. In 2026-2027, the LAA Group will continue to have a 21% premium share, no change from 2025-2026; the AFSCME Paraprofessional group will have a 20% premium share (unchanged from 2025-26); and the AFSCME Custodian/Maintenance group has a 18.75% premium share, an increase 0.50% from the previous year; and the AFSCME Secretarial unit will go from 19.25% in 2025-2026 to 19.50% in 2026-2027. The AFSCME IT unit currently has a 18.55% premium share in 2025-2026 and will enter into negotiations during this budget year.

Insurance costs typically increase annually; assuming a 10% increase to insurance rates and flat employee healthcare participation, the above premium share changes, negotiated by the Board, represents an increase in estimated employee insurance cost share of \$186,703 to offset town government expenses.

Professional/Technical Services (object codes 53210-53740) – Increase \$37,578 (2.27%)

The increases in this line are related to an increase of \$18,000 (2082320 53400), attributable to services related to data dashboard engagement as well as costs due for work towards NEASC district accreditation. In addition, we are anticipating increased cost due to inflation of a combined \$44,578 in special education behavior service costs (2091260 53400), other special education services (2092190 53400), as well as occupational therapy (2092190 53440) and physical therapy expenses (2092190 53460).

These increases are partially offset by a decrease in the use of Ignite Education tutoring services in our literacy intervention programming and Multi Tiered System of Support (MTSS) of \$25,000 (2081000 53210).

Purchased Property Services (object codes 54100-54900) – Increase \$3,968 (0.41%)

We estimate an inflationary increase to water and sewer (2112600 54100) and disposal services (2112600 54210) of \$3,968, but otherwise anticipate this line to be flat to the current year.

Other Purchased Services (object codes 55100-55900) – Increase \$186,257 (3.77%)

The budget for transportation (55100) is based on a contractual increase of 4.98%; \$429.23 per day for a full-size bus. Pupil Transportation services include conveying students to and from school as required by state and federal laws. In addition, the district provides transportation to school sponsored activities. Ledyard currently contracts for twenty-two (22) regular buses and eight (8) special education buses. Ledyard also contracts for five (5) special education vans to transport students to out of district locations. Other providers are utilized for specialized transportation for students, including but not limited to homelessness, DCF placement, IEP or 504 determination, or out of district placement.

Tuition costs are related to three areas: special education out-of-district programs, magnet schools, and adult education. Special Education outplaced tuition is highly volatile and is an area of ongoing risk. Due to escalating student need, enrollment and inflationary cost, special education tuition costs (55600/55700) are forecasted to increase by \$133,052, this amount is partially offset by an estimated decrease in general education magnet tuition costs (2086110 56110) of \$62,473.

Ledyard Public Schools participates in the Norwich Collaborative Adult Education Consortium. The consortium provides mandated courses in citizenship, English for those with limited proficiency, and courses leading to a graduate equivalency diploma (GED). A state grant partially funds this program, and Ledyard Public Schools is required to fund the balance. The adult education line (55900) is budgeted at \$32,725.

Supplies (object codes 56110-56900) – Increase \$15,921 (0.58%)

We are anticipating some inflationary increase in overall supplies totaling \$5,106. In addition, we are expecting an increase in electricity cost of \$23,371.

Textbook expenses (56400) are adjusted annually based on specific requirements, approved revisions and licensed renewals aligned with the curriculum cycle. The budget for textbooks increased by a net \$24,243 based on the requirements for the upcoming school year. Testing supplies, ELA and Math consumables - instructional technology (56800) is anticipated to decrease a net \$41,999 primarily due to the implementation of new assessment tools. The budget for instructional supplies for Mathematics (2081011 56110) is increased by \$15,200 to accommodate the purchase of new graphing calculators.

Athletic supplies at the middle school (2053200 56900) are reduced \$10,000 due to a one-time purchase last fiscal year.

Maintenance supplies (2112600 56900) are flat funded in this budget based on yearly estimates, but continue to present an area of risk due to the increasing issues and part costs for the HVAC systems at GHS and LMS.

Equipment (object codes 57300-57350) – Decrease \$31,847 (-8.07%)

Districtwide equipment has been reduced \$52,000 for one-time purchase of security enhancements at all the schools, this is partially offset by an increase of \$40,802 for the implementation of a districtwide timekeeping system for staff (2082400 57300), resulting in a net decrease of \$11,198.

Curriculum software (2161601 57350) is estimated to decrease a net \$20,649 due to the discontinued use of Dreambox software platform.

Net Current Expenditures per Pupil

Net Current Expenditures per Pupil (NCEP) has been a primary measure of per-pupil spending in Connecticut for more than three decades. NCEP measures all education expenditures with a couple of adjustments (as explained below) for all the students for which a town is fiscally responsible, regardless of whether the town operates its own school or tuitions its resident students to other districts/regions, magnet or private schools.

ADM

Under C.G.S. Section 10-261(a)(2), average daily membership (ADM) is calculated from the October Public School Information System (PSIS) and the Education Financial System (EFS). ADM represents resident students educated in and out of the district, adjusted for school

sessions in excess of the 180-day/900-hour minimum, tuition-free summer school, and Open Choice participation. Prekindergarten students are counted on a full-time equivalency basis.

NCE

Net current expenditures (NCE) are calculated as defined in Connecticut General Statutes (C.G.S.) Section 10-261(a)(3). **NCE includes all current public elementary and secondary expenditures from all sources, excluding reimbursable regular education transportation, tuition revenue, capital expenditures for land, buildings, equipment, and debt service.** The information for determining NCE is provided from the Education Financial System (EFS).

NCEP

Net current expenditures per pupil (NCEP) represent NCE divided by ADM.

NCEP Rank

Each town is ranked between 1 (highest) and 165 (lowest) in NCEP.

SECTION III: THE BUDGET PROCESS

The Ledyard Public School District annual operating budget is developed each year through numerous school and central office staff members' collaborative efforts in conjunction with the Superintendent and Board of Education. The timeline for the process begins in August with a review of system objectives for the year, throughout fall with discussions of staffing and school budgets, and through to the Town Meeting held in May.

With the support of the Board of Education, the district continues its process of allocating resources and developing coherence as an organization. Budget requests are based on the holistic district needs and priorities, rather than isolating choices simply to specific schools or department requests. This approach allows for more directed systemic improvements and shifting of resources to improve outcomes for all students. Budget decisions impact educational programs for students as well as the broad range of operations and services within the schools, all of which are designed to support the learning experience and well-being of our students. Our holistic approach works to ensure facilities management, human resources and personnel, transportation, special services, curriculum development, programs of studies, curricular, co-curricular and extra-curricular activities, pupil services, special education, food services, supplies and materials, equipment, and other essential features are moving to an aligned, cohesive, efficient and effective system.

Under the direction of principals and district leadership, budget requests are initially developed at the school and department levels. Proposed budget changes are discussed with the Superintendent and Director of Finance during multiple and iterative school and department budget consultations. Each recommendation is carefully evaluated for its alignment and coherence to district efforts, focus on the improvement of student success/equity, and clearly identified critical needs.

The general steps in this process are:

1. Board of Education members provide ongoing feedback on current district operations, initiatives and future planning.
2. The Board of Education receives the Town Council Budget Directive Letter, and if necessary, the Board of Education issues guidance to the Superintendent through multiple iterative opportunities.
3. Superintendent provides a budget overview and reviews priorities with the leadership team.
4. Budget requests are reviewed by the Directors, Instructional Leaders, and Principals who make adjustments as necessary to meet overall goals for the department, school, and district as outlined in the Superintendent's guidance.

5. School/program budgets are submitted to the Director of Finance for preliminary review.
6. Budget discussions are held with administrators, the Director of Finance and Superintendent. This iterative process is designed to discuss and determine priorities for the overall district budget request.
7. Aligned with the Town Charter, the Superintendent presents the budget to the Board of Education for review in early January.
8. The Board of Education provides opportunity for community review and feedback.
9. The Board of Education discusses, modifies, and adopts the Board's budget, typically by mid-February.
10. The Board of Education budget is provided to the Mayor and Town Council for their consideration and eventual adoption by the community.

SECTION IV: BUDGET REQUESTS/REDUCTIONS/INFLATIONARY ADJ

This section provides a summary of notable budget actions proposed for the coming fiscal year. Items in this section are color-coded to distinguish their purpose:

- Inflationary adjustments outside of collective bargaining agreements
- Targeted reductions
- Items included in the proposed budget
- Items considered but not recommended at this time
- Items identified for potential future consideration

In a complex and detailed budget, the intention is to quickly assist the reader in understanding the directional choices and trade-offs reflected in the budget, where offsets and reductions are being made, and where strategic investments are being prioritized.

This section is not intended to be an exhaustive list of all budget line changes, but rather an overview of the most significant actions that inform the overall budget proposal as aligned with district priorities

**SECTION VIII:
BUDGET ORGANIZATION**

The budget projection document in this section is sorted by ORG, composed of location code and function code. Second, it is sorted by object code, identified as OBJECT. The ORG code consists of seven numbers made of two components: the first three numbers are the budget line’s location code, and the last four numbers are the budget line’s function. The OBJECT code in the database groups budget lines by a specific expense in categories including salaries, benefits, purchased services, supplies, and equipment.

For example, a general instruction (1000) instructional supply (56110) budget line at the location Gales Ferry School (202) will be identified as 2021000 56110. A math instruction (1011) teacher salary (51040) at Ledyard Middle School (205) will be identified as 2051011 51040.

Location codes are utilized to group accounts by school building (location codes 201 to 206) and also to group accounts that relate to multiple buildings by type (location codes 207 to 216).
