Education & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

As a town resident, I believe it is important to stay informed and active in support of town services and to volunteer to help keep important services in place for the community at large. The Library Commission is of particular interest to me as I am actively involved in literacy instruction as a Library Media Specialist with Groton Public Schools. Libraries provide access to books, information, and programming that empower our citizens to be both informed and engaged in society. My professional goal is to develop a greater understanding of the management of public libraries while contributing my experience and depth of knowledge to the Library Commission. In addition to my work as a teacher and Library Media Specialist, my enrollment in the School of Information Studies at Louisiana State University and part-time position as a Library Assistant with the Stonington Free Library will help inform my efforts on behalf of the Library Commission.

Community Involvement

I have been an active volunteer and supporter for many years of the Ledyard Soccer Club and the Ledyard High School Music Program with the Music Boosters.
