Dear AFSCME Local 1303-210:

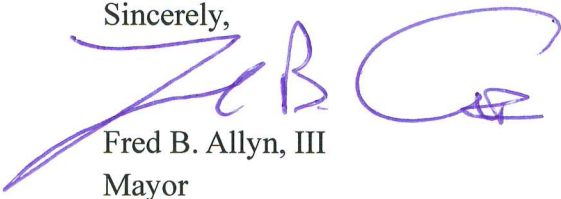

The Town of Ledyard has elected to go out of the business of providing school nursing services effective June 30, 2027. The Town will institute its management right to separate all persons associated with the provision of school nursing services from employment effective June 30, 2027. This letter is intended to provide ample notice to all parties in accordance with the Town's obligations under the collective bargaining agreement.

As the current contract with AFSCME, Local 1303-210, will expire on June 30, 2027, the Town will not be entering into negotiations for an extension of that contract. The Town will continue to honor all terms and conditions of the current collective bargaining agreement through June 30, 2027.

The Ledyard Board of Education will be required to provide school nursing services beginning July 1, 2027. See Conn. Gen. Stat. § 10-212.

Thank you for the services you have provided to the Town.

Sincerely,

Fred B. Allyn, III
Mayor
