Please consider adding to the below text "any land use decision". I also believe one year is too short an interval, please consider changing to two years.

M. No former Town official or Town employee who participated substantially in the negotiation or award of a Town contract obliging the Town to pay an amount of twenty-five thousand (25,000) dollars or more, or who supervised the negotiation or award of such contract or seek or accept employment with a party to the contract other than the Town for a period of one (1) year after his or her resignation from Town office or position if his or her resignation occurs less than one year after the contract is signed.

Respectfully,
