Though there were fewer permits issued this past FY, the total construction value of permits were approximately \$3M higher than last year – totaling over \$24M. Fee revenues earned in the department nearly covered all budgeted expenses including salaries! Revenue projections have traditionally been very conservative. Over \$44,500 was returned to the General Funds as not all budgeted funds were spent. This upcoming Fiscal Year will be a little different as the department will be fully staffed.

2022-2023	Expenses (Prop/Actual)	\$ 310,710.00	\$ 266,148.58
	Revenue (Prop/Actual)	\$ 147,000.00	\$ 257,027.02
	Net Revenue	\$ (163,710.00)	\$ (9,121.56)
	Returned to GL		\$ 44,561.42
