Chairman Proctor reviewed the application and summarized the exhibits recieved.  
Casey Campbell, 66 Iron Street, presented his application and answered questions the  
Commission asked him.

Commissioner Treaster made a motion to deny Application ZBA#966 for the following  
reasons:

- The hardship claimed is not exceptional; a lack of a garage does not constitute a hardship.
- The applicant is not being denied reasonable use of his property.

Commissioner Pealer seconded the motion.

**Motion failed by the following vote.**

**RESULT: FAILED**  
**MOVER: Eric Treaster**  
**SECONDER: Sharon Pealer**  
**AYE: 3; Murphy, Pealer, Treaster**  
**NAY: 2; Proctor, Priebe**

As four affirmative votes were needed to pass the motion, and a failed motion to deny does not constitute an approval, Commissioner Treaster offered to make a motion to approve.

Commissioner Treaster made a motion to approve Application ZBA#966 for the following reasons :

- The ledge on the property deems to be a sufficient hardship.
- The waterline runs up the driveway and in front of the house.
- Significant amount of ledge are in the front yard and rear yard preventing alternative locations for the garage.
- The septic tank is located directly behind the house.
- The yard slopes down immediately behind the deck.

Commissioner Murphy seconded the motion. Discussion followed.
