Subject: Application PZC #25-2 ZRA – Addition of New Exhibit to Record
Attachments: Change #22 Alternative.pdf

Categories: Completed

Attached is an exhibit for the record that should be considered by the Commission during its deliberations.

It is not a revision to the application, but is something that can be considered by the Commission during its deliberations on Application #25-2 ZRA.

A copy should be provided to Attorney Avena and Attorney Smith.

I will introduce and discuss the exhibit during the resumption of the public hearing on Thursday, July 10.

Please confirm receipt.

Respectfully,
