### Education & Experiences

Please tell us about yourself and why you want to serve.

#### Why are you interested in serving on a board or commission?

I have a deep passion and commitment to Historic Preservation. As a college professor, I no longer have the ability to work in preservation full-time. Being able to volunteer on weekends and keep up with the preservation community means a lot to me. I'm interested in assisting with archaeological/site assessments, grant writing, technical reports, and public outreach events for the Town of Ledyard.

#### Community Involvement

My current community involvement is limited due to having only moved to Ledyard approximately 18 months ago. In that time, I have created by own free-to-the-public archaeology program, hosted at my 1780 Colonial property in Ledyard. The purpose of the program is to teach historic archaeology and historic preservation to kids, high-school and college-level students, as well as adults. I feel that this is the best way to spread knowledge of the importance of preservation.
