Roxanne,

Attached is the digital copy of the posters I placed in the Council Chambers and AMR the last week of June, 2024. This may be of interest to the Councilors as it appears they have drafted something very similar. It may be duplication of what we already have.

Best,

Fred

You don't often get email from rthomas@ccm-ct.org. [Learn why this is important](#)

The Governor M. Jodi Rell Center for Public Service at the University of Hartford, CCM, CABE & COST have embarked on a campaign, Keep it Civil, to encourage public officials to implement strategies to conduct the public's business without rancor. The strategies have been placed into poster and flyer form.

This effort compliments the civility workshops sponsored by CCM and the Rell Center.

Attached are (a) a civility poster and (b) a civility flyer to make copies of to distribute to the general public.

Also, here's a link to CCM's Civility Pledge for you to review and sign: <https://www.ccm-ct.org/Civility-Pledge>. You will receive a Civility Pledge pin after signing the pledge.

Thank you for all you do to manage your community and serve your residents, while promoting mutual respect.
