Members of the Veterans' and Military Affairs Committee:

I would like to write in support of Raised Bill No. 5407 (HB 5407). This bill would provide much needed relief to those communities housing a number of one hundred percent permanently and totally disabled veterans that are now eligible for exemption of certain property taxes approved by Connecticut Legislature for the 2024 Grand Lists and then amended for the 2025 Grand List.

While protecting the rights afforded to our veterans for their dedicated service to our country, it is important to maintain a balanced, stable budget for all property owners and taxpayers in our local jurisdictions.

Thank you.

Respectfully,

Adrianna S. Hedwall, CCMA II
Assessor
