Subject: Cashman/GFI proposal

December 18, 2024

Dear Planning and Zoning Commissioners and Liz Burdick,

I am respectfully writing in strong opposition of the proposed Cashman/GFI quarry in Gales Ferry. As a child care teacher at a center less than 1.5 miles from the proposed site, I can't support any business which will, undoubtedly, cause silica dust to be released into the air. I take my one year old clients outside a minimum of 1 hour everyday. That is too risky for such small lungs to be exposed daily to a known carcinogen.

Thank you for taking the time to consider my concern.

Respectfully submitted,
Zoe Higgins
