Re: Ready to Serve – Water Utilities at Proposed Commercial Development, 1761
Route 12, Gales Ferry, Connecticut

Dear Ms. Marquardt,

Groton Utilities, Contract Operator of the Ledyard WPCA, currently serves Route 12 in Gales Ferry with adequate pressure and flow rates. Flow data and water main record plans are available upon request.

The water that we supply meets all established Federal and State drinking water standards. The Groton Utilities Annual Water Quality Report is available at www.grotonutilities.com

Please contact me with any additional information that you may need as you progress with the project.

Sincerely,

GROTON UTILITIES
