Subject: Connecticut Conference of Municipalities Guide

Dear Mayor Fred Allyn III, Town Council Chair Kevin Dombrowski, Board of Education Chair Anthony Favry, and Superintendent Jay Hartling,

I was pleased to read this article today (6.23.22) in the online version of *The Day*; [Connecticut Conference of Municipalities puts out guide for towns to better respond to racial tension](#).

Here is [the link](#) to the guide itself.

I am hopeful that Ledyard will embrace and implement the many valuable suggestions in this guide.

Can you and your members please share with the residents of Ledyard how the Mayor's office, the Town Council, and the Board of Education plan to adopt the suggested strategies in the plan?

I look forward to your response.

Regards,
