

I have been licensed in CT since 1997 as a real estate associate and a Realtor with the National Association of Realtors (NAR), the Connecticut Association of Realtors and the Eastern Connecticut Association of Realtors (ECAR). I have been a member of the ECAR Professional Standards Committee for approximately 20 years, and instructor for the *Ethics and Professional Standards* training required for membership. My specialties include residential properties, relocation, including CARTUS, NFCC, and USAA certifications. In addition, I was appointed to the Ledyard Board of Assessment Appeals from 2014 to 2019 when I had to resign from the BAA upon my election to the Ledyard Board of Education where I am serving my third term currently. My primary area of practice is New London County with a focus on Ledyard/Gales Ferry for the past 27 years.
