Education & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

As a retired physician, I am interested in maintaining and improving the health of our waters. I am fully aware that unrestrained development is detrimental. I would like to have a voice in shepherding the use of our land and protecting our most precious natural resource, water.. I understand there are vacancies on this committee, and I would be happy to serve.

Community Involvement

I have been a member of the Lantern Hill Valley Alliance (formerly the Lantern Hill Valley Association) for nearly fifty years and served on its board for over twenty years, holding officer positions. I am also a member of the Alliance for the Mystic River Watershed and co-chair of the Water Quality Committee.
