FAX (860) 464-1126

June 12, 2025

Dear Mayor Allyn:

After reviewing the change made to the Town Hall Floater line item at the Town Council meeting on June 11, 2025, I wanted to alert you to the impact to that position. The Town Hall Floater is part of the Town Hall and Library collective bargaining unit, which has a 3% contractual increase for FY2026. The line item, 1011-0201-51305, has been reduced to \$19,000 and the hourly rate has increased to \$19.58 per the collective bargaining unit for that position. In order to stay within the new budgeted line item amount, the position would need to be cut to 18.66 hours per week. To qualify for health insurance, employees within this union must work a minimum of 20 hours per week.

Please let me know how if you need any additional information.

Sincerely,

Christine Dias
Director of Human Resources

Town of Ledyard Announcement

Fiscal Year 2025/2026 Budget

Second Referendum

June 10, 2025

12:00 Noon – 8:00 p.m.

In accordance with Chapter VII; Section 6 of the Town Charter, the Fiscal Year 2025/2026 Budget will be resubmitted to the townspeople on the Voting Machines on **Tuesday, June 10, 2025** between the hours of **12:00 p.m. – 8:00 p.m.** (3 weeks after the first Vote) as presented in the question below:

"Shall the Town of Ledyard adopt a Fiscal Year 2025/2026 Budget as proposed by the Town Council in the amount of \$70,408,421?"

(comprised of General Government of \$29,901,179; and Board of Education of \$40,507,242)

Electors will vote in-person at the following polling location on:

Tuesday, June 10, 2025 between the hours of 12:00 p.m. – 8:00 p.m.

District One: Town Hall Lower Level, Registrar's Office

District Two: Town Hall Lower Level, Registrar's Office

District Three: Town Hall Lower Level, Registrar's Office

In the event that the second referendum does not approve a budget; the Town Council shall adopt a final budget by the fourth Monday in June. Should both the referenda and the Town Council fail to adopt a final budget by the fourth Monday in June, the budget that was presented at the second referendum shall be deemed to have been adopted, and expenditures made in accordance therewith for the ensuing fiscal year.

For More Voting Information please contact the Town Clerk's Office at telephone: (860) 464- 3257.

Background:

With the voters not approving the Fiscal Year 2025/2026 Budget at the May 20, 2025 Referendum the Finance Committee and Town Council reduced the proposed budget by \$653,819.

- **General Government Budget Reductions: \$461,571**
- **Board of Education Budget Reductions: \$160,000**
- **Total Budget Reductions: \$653,819**

- **Fiscal Year 2025/2026 Budget in the amount of \$70,408,421**
- **Projected Mil Rate Increase 1.99**
- **Projected Mil Rate 37.20**
- **Motor Vehicle Mil Rate: 32.46 – as Capped by the State of Connecticut**

The Town Council May 27, 2025 Budget Adjustments are detailed below:

TOWN OF LEDYARD CONNECTICUT TOWN COUNCIL

741 Colonel Ledyard Highway
Ledyard, Connecticut 06339-1551
(860) 464-3203
towncouncil@ledyardct.org

May 5, 2025

Dear Ledyard Resident:

The Town Council prepared a proposed Fiscal Year 2025/2026 Budget in the amount of \$71,062,240 comprised of a General Government Budget of \$30,394,998 and a Board of Education Budget of \$40,667,242. The Board of Education budget is \$2,297,419 or 5.98% higher than the current fiscal year budget and the General Government Budget is \$1,236,248 or 4.24% higher than the current adjusted fiscal year budget, resulting in a total budget net increase of \$3,533,667 or 5.23% calling for an estimated 2.76 mil increase for a projected mil rate of 37.97 in the coming year.

The General Government Budget in the amount of \$30,394,998 includes approximately \$9,643,000 of Board of Education in-kind expenses comprised of, health care benefits, debt service obligations, liability insurance, workers compensation insurance, retirement obligations, school nursing and other miscellaneous services. 57.23% of the total budget is allocated for Board of Education expenses (this does not include in-kind expenses), 20.91% is allocated for General Government expenses, 6.98% is allocated for Public Safety, 4.84% is allocated for Public Works, 2.08% is allocated for Capital, 0.72% is allocated for Health & Welfare, 0.89% is allocated for Library, 0.94% is allocated for Parks & Recreation; and 5.41% is allocated for Debt Service.

The Board of Education's proposed budget was developed to continue essential services, manage contractual obligations, and invest in the growing needs of students, which include literacy and numeracy instruction, continuing their interventionist model, and the ongoing professional growth of their educators to support the school district.

The Board of Education's budget increase continues curriculum development and instructional supplies at its current levels including the State's Right to Read Program, as well as program improvements with the addition of three new Elementary STEM teachers, STEM materials, the addition of four Paraprofessional positions to support both regular and special education teams, increases the TEAM Mentor payment, General Curriculum Supplies, Central Office Surge Capacity, Interventionist Resources, Math Learning Center K-5, security enhancements across all schools, Innovative High-Dosage Tutoring for Literacy Intervention, Dream Box, Curriculum Associates iReady/Ready Classroom 6-8 (language and math). Also, some savings were made by discontinuing the

Lexia Software, the reduction in the non-dedicated ambulance service, decrease in heating oil costs, discontinuing CABLE, and reductions to the Unified Art supplies.

~1~

The General Government's budget maintains essential services to our citizens, continues to invest in technology, and includes salary adjustments for positions that were below market rate. The restructuring of staff includes participating in Regionalization Programs for positions such as the Tax Assessor, Public Works Mechanic, and the sharing of the lease/purchase of a Elgin Pelican Street Sweeper with a neighboring town has provided savings in both salary and benefit costs as well as the reduction of tax dollars for capital expenses.

The General Government budget allocates \$1,476,345 to the Capital Improvement Plan (CIP) that is tax levy funded. This funding, combined with state and federal grants, borrowing, and other funding sources, provides for a total CIP in the amount of \$6,011,809. The CIP includes continued funding for critical road repairs/maintenance, reserve fund allocations for emergency services equipment, future vehicle purchases, technology enhancements, the replacement of the High School fire alarm system, renovations of the High School science lab classrooms and renovations of Juliet W. Long School classrooms, Dehumidification at the Middle School and Gallup Hill School, Chiller Replacement at the Gales Ferry School, enclosed bird nesting locations, the Lantern Hill Bridge Replacement, Parks & Recreation Master Plan Needs Assessment Study, and Pickleball Court Upgrades.

Also, through strategic planning we continue to allocate funding on an annual incremental basis for future facility projects and large capital expenses for the Schools which include the following for the High School: replacement of the lower level ceiling and lighting, replacement of the turf field and multisport scoreboard, continues improvements for classrooms, science lab and bathrooms, locker renovations, athletic locker room improvements, parking lot and masonry repairs, auditorium air conditioning, along with the Gales Ferry School Playground and driveway pavement work, Juliet W. Long Classroom renovations, sewer pipe replacement.

As part of this year's annual budget preparation the Finance Committee continued to spend many hours reviewing the status of the projects that were approved at the Fiscal Year 2022/2023 Budget Referendum for the use of the \$4,327,000 Federal American Rescue Plan Act (ARPA) funding received by Ledyard. The federal guidelines require the ARPA funding to be obligated by the end of the 2024 calendar year; and expended (liquidated) by the end of the 2026 calendar year. The town has made solid progress with thirty-two projects being completed and nineteen projects were in-progress. The projects that made the ARPA List ranged from critical infrastructure projects such as the Ledyard Center Sewer Line Extension project, which when completed would allow for responsible economic development, improvements for American Disability Act (ADA) access, to supporting our Regional Agency Partners, to facility maintenance projects, preservation of historical landmarks and park improvements, software upgrades and many others.

The Fiscal Year 2025/2026 Budget includes \$3,847,450 for debt service; continuing the payment of bonds for the construction of police headquarters facility and school renovation projects, as well as Clean Water Funds for the watermain extension projects. The debt service would see a \$107,580 or 2.72% decrease from the current year.

The 2024 total net Grand List in the amount of \$1,311,231,566 saw a 0.51% decrease or a \$6,699,094 loss in assessed value. This was mostly driven by the State's motor vehicle modified depreciation schedule and motor vehicle tax cap, as well as the new Veterans Property tax exemption that has resulted in a \$520,000 reduction in tax revenues. Interest Earnings on Reserve Accounts are projected to generate income of \$525,000. In the coming year, revenue from non-tax sources is projected to remain relatively flat with a slight increase of \$114,441 in Impact Aid and \$112,079 increase in Education Cost Sharing (ECS) from the State. However, there is a continuing concern regarding the funding formula for Special Education (SPED). Also, the State has changed the funding stream for Agricultural Science Program by removing the town's tuition-based system to relying on State Grant funding. Under this new methodology Ledyard's Agri-Science Tuition rate must be 58% less than the current tuition rate, however, the State would be increasing the Agri-Science Grant Funding to offset the difference; with Ledyard projected to receive \$1,331,385; an increase of \$481,385 in Agri-Science Grant Funding for the coming year. In addition, we project that Ledyard should continue to see the same level of funding from the State in areas such as Town Aid Road (TAR), Payment in Lieu of Taxes (PILOT) and Pequot Funding. However, level funding from the State is not adequate or reasonable based on the impacts from inflation and Ledyard's ability to maintain services to its residents and support the programs and services our students require.

In working to provide a responsible but lean budget, each year elected officials are faced with having to make difficult decisions to minimize increases in operational expenses while continuing to provide the same great services our residents have come to rely on. This includes maintaining our schools, town facilities, and assets. However, this task becomes more challenging as costs increase, and in many cases, revenue sources decrease, making it somewhat unrealistic and unattainable. Ledyard has strategically trimmed our budgets year after year, eliminating departments, reducing staff, combining departments, and sharing staff and services with neighboring towns. Our town departments are minimally staffed; and we continue to ask our professionals and volunteers to do more with less each year; and fortunately they continue to rise to the call through collaboration and the implementation of software to provide conveniences for our residents to pay on-line for land use services, town clerk services; and tax bills. In addition, we continue to work to provide transparency through the meeting portal enabling residents to be engaged and informed by attending meetings in-person or by remote access live or on-demand by visiting the town website at www.ledyardct.org and clicking on the "Agendas & Minutes" tab.

With the inflationary environment, it has become more challenging to keep the mil rate increase to a minimum, while keeping pace with increasing operational costs for heating fuel, gasoline, and electricity, including public benefit fees, and the state's unfunded mandates, along with many other expenses that impact the town's day-to-day costs and its ability to conduct business. The Town Council anticipates using \$1,304,675 from the Mil Rate Stabilization Fund which is funded by Bond Issuance Premiums from the Purchasers of the Bond Notes and is not funded by the over collection of taxpayers' dollars. Based on the projected revenues and the use of the Mil Rate Stabilization Fund, the proposed Fiscal Year 2025/2026 Budget will require an increase of 2.76 mils, bringing the mil rate to 37.97 to support its expenditure budget.

The Town Council wishes to thank the Board of Education, Superintendent Jason Hartling, and his administration for preparing a reasonable budget; and for identifying areas for savings. We also thank Town Council Finance Committee members Tony Saccone, Jessica Buhle, and Tim Ryan for their many hours working to review each line in the budget and reducing costs where practical. finally, we thank

Mayor Fred Allyn, III; Finance Director Matthew Bonin, and all our department heads and town volunteers for their work throughout the budget process.

~3~

In addition, we wish to express our appreciation to our dedicated Town and Board of Education employees who each and every day continue to take on new challenges while looking for new opportunities to improve services and reduce costs for our residents.

The Annual Town meeting regarding the Fiscal Year 2025/2026 Budget will be a hybrid format enabling residents to attend either in-person at the Town Hall Annex; or online by video conference.

The Town Meeting will be held on Monday, May 19, 2025 at 7:00 p.m.

In-Person Attendance will be at: ***Council Chambers, Town Hall Annex, 741 Colonel Ledyard Highway, Ledyard.***

Remote Attendance via Zoom Video Conference at:

<https://us06web.zoom.us/j/85101827648?pwd=eDrlaQbuLKOQqwNkFGkm5bbPaaPag8.1>

or by audio only telephone + 1-646-558-8656; Meeting ID: 851 0182 7648; passcode: 195006

The ***vote on the budget*** will be held in-person on Tuesday, ***May 20, 2025*** at the Town Hall, Lower Level, Registrar's Office, 741 Colonel Ledyard Highway, from 6:00 a.m. to 8:00 p.m. on the voting machines for all Districts.

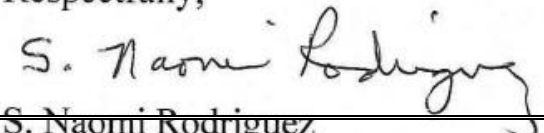

For Absentee Ballots please contact the Town Clerk's Office directly at (860) 464-3257 for information.

We encourage you to contact your elected state officials to ensure that Ledyard continues to receive a fair share of state and federal funding in the coming fiscal year.

- Senator Catherine Osten: 860-240-0579/800-842-1420; E-Mail: Osten@senatedems.ct.gov
- Representative Brian Lanoue: 860-240-8700; E-Mail: brian.lanoue@cga.ct.gov
- Representative Greg Howard: 860-240-8700; E-Mail: greg.howard@cga.ct.gov
- Representative Kevin Ryan: 860-240-8378; E-Mail: Kevin.Ryan@cga.ct.gov

The Town Council values and appreciates the trust our community has placed in its elected officials and will continue to work to keep the interests of our residents at the forefront.

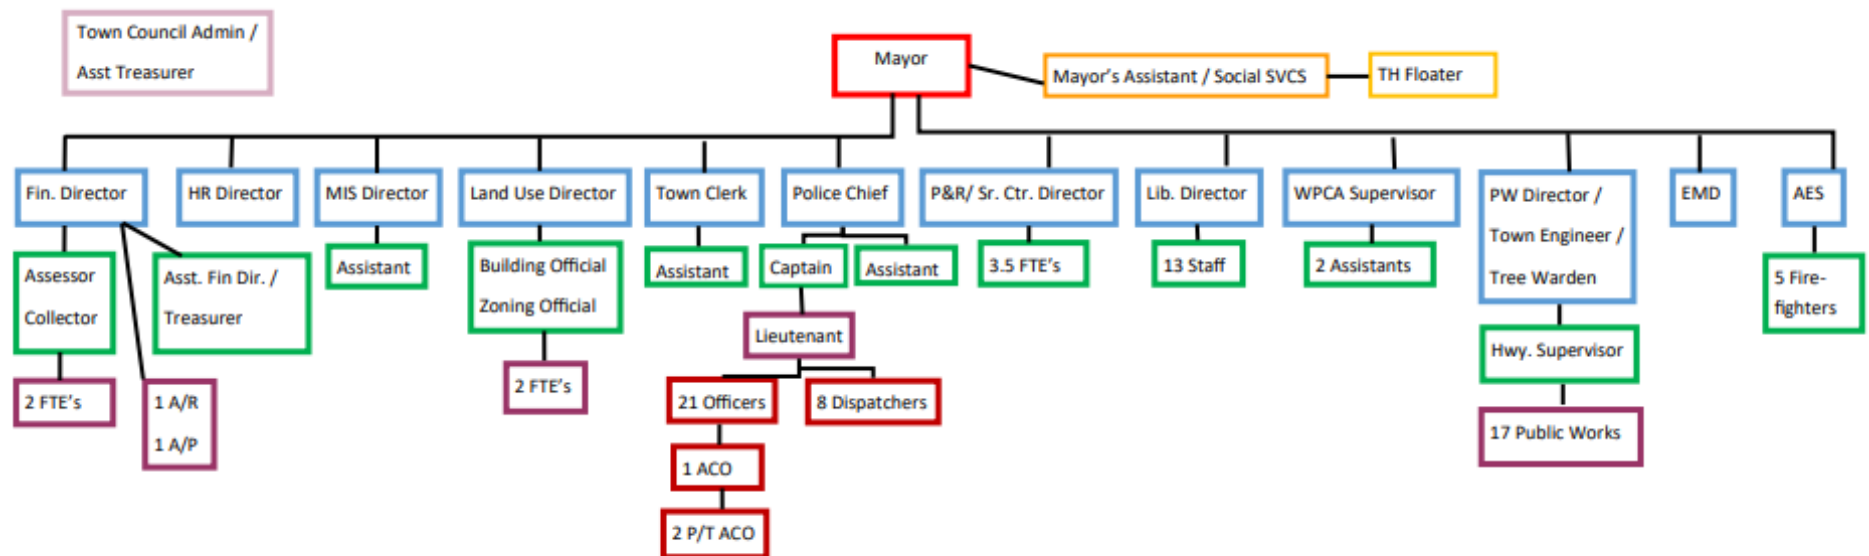

Respectfully,

S. Naomi Rodriguez
Chairman

Town of Ledyard

General Government Organizational Chart

General Government Budget Process

Budget Process

The annual budget process commences in November-December and prioritizes spending based on limited resources and staffing. The proposed budget offers a set of priorities for the taxpayers to consider.

The budget contains the best revenue and expenditure data that is available at the time of budget development.

Budget Pressures

The Budget is a compilation of revenues from tax levy, State funding, grants as well as expenditures by Department, including borrowed monies for Capital projects and finally the Capital Improvement Plan, which identifies needs based on studies, estimates and consultant input. The greater the governmental "footprint", the greater the need for present and future capital outlays.

Budget Highlights

Board of Education Expenditures as proposed increase by 5.98%, or \$2,297,419

General Government Expenditures as proposed increase by 4.24%, or \$1,236,248

Total Expenditures as proposed are \$71,062,240 or 5.23% increase

Items that increased the overall tax impact included Grand List decline of 0.51% and increased spending on the Board of Education side. Items that decreased the impact on taxation this year include a transfer in of \$1,304,675 from the Mil Rate Stabilization Fund.

	Adopted Budget FY 25	Proposed Budget FY 26	Increase (Decrease)	
			Dollars	Percentage
General Government	\$ 13,660,077	\$ 14,856,765	\$ 1,196,688	8.76%
Public Safety	4,733,022	4,962,718	229,696	4.85%
Public Works	3,193,638	3,436,315	242,677	7.60%
Health & Welfare	482,492	512,490	29,998	6.22%
Library	627,909	635,260	7,351	1.17%
Parks & Recreation	617,484	667,550	50,066	8.11%
Education	38,369,823	40,667,242	2,297,419	5.99%
Debt Service	3,955,030	3,847,450	(107,580)	(2.72%)
Capital	1,791,098	1,476,450	(314,648)	(17.57%)
	<u>\$ 67,430,573</u>	<u>\$ 71,062,240</u>	<u>\$ 3,631,667</u>	<u>5.39%</u>

Funding of the Budget

The State of CT model is a regressive, tax heavy funding model. Property and Motor Vehicle Tax is the largest source of revenue to support municipal functions.

Our second largest revenue source is Federal and State Aid (primarily for education).

FY26 is the first year of the new State biennial budget. The State budget is in negotiations now, but early indications point to another year of level funding, which translates as a reduction in funding, due to inflationary pressures and increased costs for fuels, insurance, wages and electricity.

Interest income from Reserve Accounts continues generating positive income due to the current interest rate environment. This of course is subject to change. Interest funds are used to help mitigate cost increases.

Ledyard has historically maintained a lean Fund Balance (aka "Rainy Day Fund"). Fund Balance currently sits at 7.57% of our annual budget as a percentage of tax revenue. We do not utilize Fund Balance in this budget and have a May 23, 2018 policy that calls for an increase in Fund Balance to 10% by FY37. Fund Balance is a key deterrent in long-term borrowing (Capital projects like schools, roofs, police dept.)

Expenditure Summary- General Government

Proposed General Government spending is projected to increase by \$1,236,248 to \$30,394,998 - a 4.24% increase. This figure includes \$9,643,000 of "In-Kind" expenses- these are Board of Ed expenses that reside on the General Government side. In-Kind includes school nurses/aides, workers comp and insurance to name a few key expenses.

Key drivers of the General Government increases include: Wages, Insurance, Health Care, MIS Dept. (aging tech, increased software costs) and energy expenses.

Top Departments by Expense (Including fringe)

- Police /ACO/ Dispatch: \$5,211,541
- Public Works (including trash contract): \$3,705,246
- Parks and Rec / Sr. Center: \$735,957
- Fire/Ambulance Services: \$958,053
- Libraries: \$805,385

Capital Improvement Plan

The FY26 Capital Improvement Plan (CIP) funds at \$1,476,450 of the tax levy- 3rd highest in last 9 years.

Key CIP Funding includes the following:

- Fire apparatus replacement program \$307,444
- Public Works Lg. trucks \$185,000
- Road restoration \$155,659
- JWL Classroom upgrades \$135,000
- LHS Science Lab upgrades \$125,000

~g~

Debt Service

Debt Service repays borrowed funds (debt issued). Current outstanding debt includes Ledyard Middle School, Gallup Hill School, Ledyard Police Station and Clean Water Funds for water main extensions.

Total Debt Service requires \$3,847,450 which represents a decrease of (\$107,580) from FY25. It is noted that \$924,539 of the aforementioned total is interest expense, or 0.71 mils in this budget.

Proposed Mil Rate

The proposed budget requires a mil rate of 37.97, which represents a 2.76 mil increase over FY25.

Assessment		FY25 Tax		FY26 Tax		Difference
\$150,000		\$5,282		\$5,695		\$413
\$250,000		\$8,803		\$9,492		\$689
\$350,000		\$12,324		\$13,289		\$965
\$450,000		\$15,845		\$17,086		\$1,241

The Value of a Mil of Taxes

One Mil of taxes = 1.304.6

To increase/ decrease the mil rate by one tenth of a mil (0.10) requires EITHER new revenue (taxes) of \$130,468 OR reduced spending of \$130,468.

To a taxpayer with an assessed value of \$150,000, 1/10th of a mil of taxes equates to \$15.00 annually or \$1.25 per month.

Board of Education
Transmittal Memo
Budget Process

MEMORANDUM

TO: FRED ALLYN, MAYOR, TOWN OF LEDYARD

FROM: ANTHONY FAVRY, LEDYARD BOARD OF EDUCATION

SUBJECT: LEDYARD BOARD OF EDUCATION ADOPTED 2025-26 BUDGET

DATE: FEBRUARY 24, 2025

On behalf of the Ledyard Board of Education, sharing with you the 2025-2026 budget proposal for Ledyard Public Schools (LPS), which was formally adopted at our regular meeting on February 11, 2025. This budget reflects the collective efforts of our district leadership and Board members, all of whom are committed to supporting student achievement while remaining fiscally mindful to our community.

Ledyard Public Schools is a special place—our educators, administrators, and staff work tirelessly to provide a high-quality education for every student, and we are fortunate to have a community that values and supports our schools. As a district, we take great pride in delivering strong academic programs, while operating highly efficiently, at a cost below comparable and neighboring districts, ranking in the lowest 10% in per-pupil spending statewide.

This year's budget is built with a focus on preserving essential services, managing contractual obligations, and strategically investing in key priorities that align with our recently adopted District Strategic Plan which are focused on meeting the growing needs of our students, for whom their educational welfare is our top priority as referenced in our Board Bylaws.

- 70.2% of the proposed increase is tied to maintaining required services, fulfilling contractual agreements (40.9%), and addressing inflationary cost increases (29.3%).
- 29.1% is allocated for targeted programmatic improvements, including additional resources to enhance instruction and student support services.
- 4.9% is dedicated to security enhancements, ensuring safe and secure learning environments across all schools.
- 1.6% reflects state-mandated HVAC services, providing for required inspections/evaluations of these critical systems.
- These priorities are partially offset by line-item reductions of 5.9%, reflecting our ongoing commitment to fiscal responsibility.

Proactively pursuing grants continues to be a focus to offset growing costs. In recent years, LPS has secured \$1 million in competitive DoDEA grants to enhance curriculum and interventions in literacy and math at the elementary level. These grants covered initial program implementation costs, professional learning, and instructional materials—planned, critical and necessary investments that have strengthened teaching and learning in our schools. As these grants sunset, the ongoing costs for curriculum materials are now part of our operating budget ensuring education continuity.

Uncertainties and challenges remain, particularly in the areas of special services and facilities maintenance. The increasing need for specialized student services, coupled with a shortage of external providers, has driven up tuition and specialized transportation costs. Additionally, maintenance demands for the HVAC systems at LMS and GHS continue to rise, compounded by state-mandated but unfunded HVAC inspection requirements.

Budget Overview

The proposed 2025-2026 Ledyard Public Schools budget is \$40,667,242, reflecting a \$2,297,419 (5.98%) increase over the current fiscal year.

Key investments in this proposal include:

- Three (3) new Elementary STEM teachers to expand hands-on, inquiry-based learning opportunities.
- Security enhancements across all schools to ensure student and staff safety.
- Innovative high-dosage tutoring for literacy intervention, providing targeted support for students who need it most.
- Four (4) additional Paraprofessional positions to support both regular and special education teams.

As a Board, we remain dedicated to ensuring that every student has access to an excellent education while being mindful of our responsibility to taxpayers. We welcome your questions, feedback, and continued engagement as we move through the budget process.

Thank you for your ongoing support of Ledyard Public Schools and the students we serve.

Sincerely,

Anthony Favry

Chair, Ledyard Board of Education

BOARD OF EDUCATION BUDGET PROCESS

The Ledyard Public School District annual operating budget is developed each year through numerous school and central office staff members' collaborative efforts in conjunction with the Superintendent and Board of Education. The timeline for the process begins in August with a review of system objectives for the year, throughout fall with discussions of staffing and school budgets, and through to the Town Meeting held in May.

With the support of the Board of Education, the district continues its process of allocating resources and developing coherence as an organization. Budget requests are based on the holistic district needs and priorities, rather than isolating choices simply to specific schools or department requests. This approach allows for more directed systemic improvements and shifting of resources to improve outcomes for all students. Budget decisions impact educational programs for students as well as the broad range of operations and services within the schools, all of which are designed to support the learning experience and well-being of our students. Our holistic approach works to ensure facilities management, human resources and personnel, transportation, special services, curriculum development, programs of studies, curricular, co-curricular and extra-curricular activities, pupil services, special education, food services, supplies and materials, equipment, and other essential features are moving to an aligned, cohesive, efficient and effective system.

Under the direction of principals and district leadership, budget requests are initially developed at the school and department levels. Proposed budget changes are discussed with the Superintendent and Director of Finance during multiple and iterative school and department budget consultations. Each recommendation is carefully evaluated for its alignment and coherence to district efforts, focus on the improvement of student success/equity, and clearly identified critical needs.

The general steps in this process are:

1. Board of Education members provide feedback on current district operations, initiatives and future planning.
2. The Board of Education receives Town Council Budget Directive Letter, Board of Education issues guidance to the Superintendent.
3. Superintendent provides a budget overview and reviews priorities with the leadership team.
4. Budget requests are reviewed by the Directors, Instructional Leaders, and Principals who make adjustments as necessary to meet overall goals for the department, school, and district as outlined in the Superintendent's guidance.
5. School/program budgets are submitted to the Director of Finance for preliminary review.
6. Budget discussions are held with administrators, the Director of Finance and Superintendent. This iterative process is designed to discuss and determine priorities for the overall district budget request.
7. Superintendent presents the budget to the Board of Education for review in early January.
8. The Board of Education provides opportunity for community review and feedback.
9. The Board of Education discusses, modifies, and adopts the Board's budget, typically by mid-February.
10. The Board of Education budget is provided to the Mayor and Town Council for their consideration and eventual adoption by the community.

Board of Education Expenditure Summary

BOARD OF EDUCATION PROPOSED BUDGET

EXECUTIVE SUMMARY

Fiscal Year 2025- 2026

BOARD OF EDUCATION
EXECUTIVE SUMMARY

Fiscal Year 2025- 2026

Salaries and Wages (object codes 51010-51300) — Increase \$1,200,049 (4.35%)

Teacher salaries support regular education activities, library media services, the special education program, pre-kindergarten program, guidance and career services, intervention, social workers, and school psychologists. Teacher Salaries (51030-51050) increased overall by \$870,243. This increase includes the contractual gross wage increase, plus step increases, with two known retirements, at this time. In addition, the 2025-2026 budget includes requests for 3.0 FTE Science Technology Engineering Math (STEM) teachers at the elementary level to support expanded coursework that align with our strategic plan's commitment to engage our students in rigorous learning experiences.

School Administration is involved in activities associated with directing and managing individual schools' operations following system-wide policies and standards. The administration is responsible for the supervision of all school operations, including oversight of curriculum and instruction, students' academic and extracurricular activities, assignment of duties, evaluation of staff members and maintenance of educational records. School-based administration

includes 4.0 FTE Principals, 5.0 FTE Assistant Principals, and 4.0 FTE Special Education Administrators. The Ledyard Administrators Association (LAA) contract calls for a gross wage increase of 3.0% over the 2024-25 year.

The AFSCME Custodial/Maintenance bargaining unit, as well as the AFSCME Secretarial bargaining unit agreements are yet to be negotiated for the next fiscal year. Funds are allocated for the AFSCME Paraprofessional and AFSCME Information Technology bargaining units based on ratified contracts. All of the aforementioned staff members are responsible for the oversight of critical district tasks that include, but are not limited to: Administrative tasks for offices, data management, attendance data, purchasing, maintenance and cleaning of building sites, maintenance of grounds, maintenance of equipment, student information systems, information technology hardware used by staff and students, and assistance in oversight of students.

The substitute teacher rate has been adjusted (\$15,760), from \$125/day to \$130/day.

BOARD OF EDUCATION
EXECUTIVE SUMMARY
(Continued)

Employee Benefits (object codes 52200-52800) — Increase \$56,427 (6.61%)

Unemployment Expense (52600), District Tuition Reimbursement (52350), and Social Security/Medicare Expense (52200) have been adjusted based on trends, previous fiscal year expenditures and anticipated increases.

The Town managed budget includes funds for school district personnel health/medical insurance. The Ledyard Education Association, our largest bargaining unit, will increase from a 23.5% premium share in the 2024-2025 fiscal year to a 24.25% premium share in the 2025-2026 school year. In 2025-2026, the LAA Group will have a 21% premium share, increasing $\frac{1}{2}$ percent from 20.5% in 2024-2025; the AFSCME Paraprofessional group will have a 20% premium share (unchanged from 2024-25); and the AFSCME IT group has a 18.55% premium share, increase 0.15% from the previous year. The AFSCME Custodial/Maintenance has a 17.75% premium share in 2024-2025 and will enter into negotiations during this budget year; the AFSCME Secretarial bargaining unit has a 19% premium share and will also enter into negotiations during the coming year.

Insurance costs typically increase annually; assuming a 7.5% increase to insurance rates and flat enrollment, the above premium share changes represent an increase in estimated employee insurance share of \$174,821 to offset town government expenses.

Professional/Technical Services (object codes 53210-53740) — Increase \$139,902 (9.80%) The significant increases in this line are related to an increase of \$71,877 in special education student services (2091290 53400) and an increase of \$15,000 in the cost of residency investigations (2082320 53400).

Further enhancements (\$50,000) to our literacy intervention programing and Multi Tiered System of Support (MTSS) (2081000 53210) with the use of Ignite Education to provide high impact individual literacy tutoring.

BOARD OF EDUCATION
EXECUTIVE SUMMARY
(Continued)

Purchased Property Services (object codes 54100-54900) — Increase \$140,308 (16.47%) We estimate an increase in technology equipment maintenance in the amount of \$67,058 related to our fiber network, copier leases, K-12 technology services, and out of warranty and failing equipment repair. The district has fully utilized the available eRate grant allocation until September 2026.

Maintenance repair costs (2112600 54300) are projected to increase by \$37,000 more frequent repair needs on the HVAC systems, State required balancing and inspections/evaluations of all of the HVAC systems across the district on a rotating basis.

In addition, the increasing costs of providing athletic programs at LHS has continued to create challenges and required an increase of \$31,450 to purchase supplies and equipment. (2063200 53400).

Other Purchased Services (object codes 55100-55900) — Increase \$546,719 (11.58%)

The budget for transportation (55100) is based on a contractual increase of 5%; \$408.78 per day for a full-size bus. Pupil Transportation services include conveying students to and from school as required by state and federal laws. In addition, the district provides transportation to school sponsored activities. Ledyard currently contracts for twenty-two (22) regular buses and seven (7) special education buses. Ledyard also contracts for five (5) special education vans to transport students to out of district locations. Other providers are utilized for specialized transportation for students, including but not limited to homelessness, DCF placement, IEP or 504 determination, or out of district placement.

Tuition costs are related to three areas: special education out-of-district programs, magnet schools, and adult education. Special Education outplaced tuition is highly volatile and is an area of ongoing risk. Due to escalating student need, enrollment and inflationary cost, special education tuition costs (55600/55700) are forecasted to increase by \$216,204.

Ledyard Public Schools participates in the Norwich Collaborative Adult Education Consortium. The consortium provides mandated courses in citizenship, English for those with limited proficiency, and courses leading to a graduate equivalency diploma (GED). A state grant partially funds this program, and Ledyard Public Schools is required to fund the balance. The adult education line (55900) is budgeted at \$32,725.

BOARD OF EDUCATION
EXECUTIVE SUMMARY
(Continued)

Supplies (object codes 56110-56900) - Increase \$66,775 (2.59%)

There is an increase in Electricity expense (56220) of \$35,000 based on a full year of the new supply costs that began December 2024, partially offset by anticipated decreases due to the scheduled installation of new solar panels on Gales Ferry and Juliet Long schools. Natural gas (56210) is expected to increase \$5,000 and heating oil (56200) is scheduled to decrease by \$25,000. Diesel (56260) is anticipated to stay unchanged. Heating oil and diesel fuel are negotiated annually each spring for the following year. Due to weather, fluctuating markets and costs, our utility expenses are an ongoing area of risk.

Instructional supplies (56110) will decrease by \$25,250, This is impacted by a reduction in the cost of the first year of the state-mandated reading program, offset by some increases in AgSci and STEM materials.

Textbook expenses (56400) are adjusted annually based on specific requirements, approved revisions and licensed renewals aligned with the curriculum cycle. The budget for textbooks increased by a net \$34,384 based on the requirements for the upcoming school year. Testing supplies, ELA and Math consumables - instructional technology (56800) is anticipated to increase \$44,266.

Maintenance supplies (2112600 56900) are flat funded in this budget and present an area of risk due to the increasing issues and part costs for the HVAC systems at GHS and LMS.

Equipment (object codes 57300-57350) - Increase \$166,239 (72.73%)

To support student interests and programming we have allocated \$15,457 to replace and purchase needed musical instruments/supplies at the high school (2061012 57310).

Maintenance equipment (2112600 57310) has been increased \$5,000 to address the aging custodial equipment we are currently utilizing across the district.

District software (2082500 57350) went up \$13,358 primarily to allow for the implementation of Frontline Central to address issues related to personnel document management. \$113,500 has been added for security enhancements at all schools (2082400 57300).

BOARD OF EDUCATION
EXECUTIVE SUMMARY
(Continued)

Curriculum software (2161601 57350) is estimated to increase a net \$31,464 that accounts for the addition of some software that had been initially paid through the DODEA grant in previous years.

Dues and Fees (object codes 58100-58120) - Decrease \$19,000 (-13.35%)

District dues and fees (58100 and 58120) are budgeted to decrease due to the removal of the CAFE annual membership fees.

Munis Codes- Descriptions

MUNIS BUDGET REPORT

The budget projection document in this section is sorted by ORG, composed of location code and function code. Second, it is sorted by object code, identified as OBJECT. The ORG code consists of seven numbers made of two components: the first three numbers are the budget line's location code, and the last four numbers are the budget line's function. The OBJECT code in the database groups budget lines by a specific expense in categories including salaries, benefits, purchased services, supplies, and equipment.

For example, a general instruction (1000) instructional supply (56110) budget line at the location Gales Ferry School (202) will be identified as 2021000 56110. A math instruction (1011) teacher salary (51040) at Ledyard Middle School (205) will be identified as 2051011 51040.

Location codes are utilized to group accounts by school building (location codes 201 to 206) and also to group accounts that relate to multiple buildings by type (location codes 207 to 216).

- Next Year Budget Comparison Report: MUNIS report reflecting proposed 2025-2026 budget
- 2025-2026 Budget Including \$ Inc/Dec and % Inc/Dec: Excel spreadsheet showing both dollar and percentage changes over 2024-2025 budget

Areas Towns in NL County 2023-2024 NCEP

January 2025 per CSDE

% Per Pupil Expenditure Paid by 2022/2023 Taxpayers

Higher-poverty districts like Norwich and New London receive significantly more State and Federal funding as a percentage of their budget. While these districts benefit from greater external support, Norwich taxpayers still contribute more money per student than Ledyard taxpayers, whereas New London taxpayers cover a much smaller portion per student, as a “Magnet School District” the revenue numbers were skewed with tuition students and supplemental State funding.

LEDYARD PUBLIC SCHOOLS

Board of Education

Adopted 2025-26 BUDGET

Date Adopted: 02.11.2025

Dear Ledyard Residents,

Thank you for joining us at this year's Annual Public Meeting on the 2026 Town of Ledyard Budget. Attached is the proposed 2025–2026 budget for Ledyard Public Schools, which was formally adopted by the Board of Education and approved for town consideration by the Ledyard Town Council.

Ledyard Public Schools is a source of pride in our town. Our teachers, administrators, and staff work incredibly hard every day to provide a high-quality education for every student. And thanks to strong community support, we've been able to do this while keeping costs lower than most other districts in the state—Ledyard ranks in the lowest 10% statewide in per-pupil spending.

This budget reflects the shared work of school leaders, educators, and Board members who are all committed to doing what's best for our students—while staying responsible stewards of taxpayer dollars.

This year's budget was built with three clear goals: Preserve essential services, honor our commitments, manage rising costs, and invest strategically in areas that meet student needs

Here's how the 5.98% proposed increase breaks down:

- 70.2% supports core services, contractual obligations (40.9%), and cost increases tied to inflation (29.3%)
- 29.1% funds key improvements in instruction and student support
- 4.9% enhances school safety and security
- 1.6% covers state-mandated HVAC inspections and evaluations

We've also identified \$134,915 in line-item reductions, reflecting our continued focus on keeping the budget lean and responsible.

Ledyard Public Schools continues to secure outside funding where possible. Over the past few years, we've brought in \$1 million in competitive DoDEA grants to strengthen math and literacy instruction in our elementary schools. These grants allowed us to invest in curriculum, professional development, and materials—investments that are now carried forward in the operating budget to maintain program quality as the grant period ends.

That said, challenges persist. Special education needs are increasing, and there's a growing shortage of external service providers, driving up tuition and transportation costs. Our facilities—especially the HVAC systems at LMS and GHS—also require increasing attention and maintenance, including new state-mandated inspections that come without added funding.

Budget Snapshot

The proposed 2025–2026 school budget is \$40,667,242, a \$2,297,419 increase over the current year. Key investments include:

- Three elementary STEM teachers to promote hands-on, inquiry-based learning
- Security enhancements at all schools
- High-dosage tutoring for students needing intensive literacy support
- Six paraprofessionals (4 FTE) to support special and general education classrooms

We believe this budget reflects the values of our community—supporting educational excellence, student well-being, and financial responsibility. As always, we welcome your questions, feedback, and continued partnership as we work together to support our schools and our town's future.

Thank you for being part of this conversation—and for your ongoing support of Ledyard Public Schools.

Warm regards,

Anthony Favry

Chair, Ledyard Board of Education

Section VIII	Munis General Fund Budget Report	23-25

**BOARD OF EDUCATION PROPOSED BUDGET
SECTION I: EXECUTIVE SUMMARY**

2025-26 Budget Breakdown

Salaries and Wages (object codes 51010-51300) – Increase \$1,200,049 (4.35%)

Teacher salaries support regular education activities, library media services, the special education program, pre-kindergarten program, guidance and career services, intervention, social workers, and school psychologists. Teacher Salaries (51030-51050) increased overall by \$870,243. This increase includes the contractual gross wage increase, plus step increases, with two known retirements, at this time. In addition, the 2025-2026 budget includes requests for 3.0 FTE ScienceTechnologyEngineeringMath (STEM) teachers at the elementary level to support expanded coursework that align with our strategic plan's commitment to engage our students in rigorous learning experiences.

School Administration is involved in activities associated with directing and managing individual schools' operations following system-wide policies and standards. The administration is responsible for the supervision of all school operations, including oversight of curriculum and instruction, students' academic and extracurricular activities, assignment of duties, evaluation

of staff members and maintenance of educational records. School-based administration includes 4.0 FTE Principals, 5.0 FTE Assistant Principals, and 4.0 FTE Special Education Administrators. The Ledyard Administrators Association (LAA) contract calls for a gross wage increase of 3.0% over the 2024-25 year.

The AFSCME Custodial/Maintenance bargaining unit, as well as the AFSCME Secretarial bargaining unit agreements are yet to be negotiated for the next fiscal year. Funds are allocated for the AFSCME Paraprofessional and AFSCME Information Technology bargaining units based on ratified contracts. All of the aforementioned staff members are responsible for the oversight of critical district tasks that include, but are not limited to: Administrative tasks for offices, data management, attendance data, purchasing, maintenance and cleaning of building sites, maintenance of grounds, maintenance of equipment, student information systems, information technology hardware used by staff and students, and assistance in oversight of students.

The substitute teacher rate has been adjusted (\$15,760), from \$125/day to \$130/day.

Employee Benefits (object codes 52200-52800) – Increase \$56,427 (6.61%)

Unemployment Expense (52600), District Tuition Reimbursement (52350), and Social Security/Medicare Expense (52200) have been adjusted based on trends, previous fiscal year expenditures and anticipated increases.

The Town managed budget includes funds for school district personnel health/medical insurance. The Ledyard Education Association, our largest bargaining unit, will increase from a 23.5% premium share in the 2024-2025 fiscal year to a 24.25% premium share in the 2025-2026 school year. In 2025-2026, the LAA Group will have a 21% premium share, increasing ½ percent from 20.5% in 2024-2025; the AFSCME Paraprofessional group will have a 20% premium share (unchanged from 2024-25); and the AFSCME IT group has a 18.55% premium share, increase 0.15% from the previous year. The AFSCME Custodial/Maintenance has a 17.75% premium share in 2024-2025 and will enter into negotiations during this budget year; the AFSCME Secretarial bargaining unit has a 19% premium share and will also enter into negotiations during the coming year.

Insurance costs typically increase annually; assuming a 7.5% increase to insurance rates and flat enrollment, the above premium share changes represent an increase in estimated employee insurance share of \$174,821 to offset town government expenses.

Professional/Technical Services (object codes 53210-53740) – Increase \$139,902 (9.80%)

The significant increases in this line are related to an increase of \$71,877 in special education student services (2091290 53400) and an increase of \$15,000 in the cost of residency investigations (2082320 53400).

Further enhancements (\$50,000) to our literacy intervention programming and Multi Tiered System of Support (MTSS) (2081000 53210) with the use of Ignite Education to provide high impact individual literacy tutoring.

Purchased Property Services (object codes 54100-54900) – Increase \$140,308 (16.47%)

We estimate an increase in technology equipment maintenance in the amount of \$67,058 related to our fiber network, copier leases, K-12 technology services, and out of warranty and failing equipment repair. The district has fully utilized the available eRate grant allocation until September 2026.

Maintenance repair costs (2112600 54300) are projected to increase by \$37,000 more frequent repair needs on the HVAC systems, State required balancing and inspections/evaluations of all of the HVAC systems across the district on a rotating basis.

In addition, the increasing costs of providing athletic programs at LHS has continued to create challenges and required an increase of \$31,450 to purchase supplies and equipment. (2063200 53400).

Other Purchased Services (object codes 55100-55900) – Increase \$546,719 (11.58%)

The budget for transportation (55100) is based on a contractual increase of 5%; \$408.78 per day for a full-size bus. Pupil Transportation services include conveying students to and from school as required by state and federal laws. In addition, the district provides transportation to school sponsored activities. Ledyard currently contracts for twenty-two (22) regular buses and seven (7) special education buses. Ledyard also contracts for five (5) special education vans to transport students to out of district locations. Other providers are utilized for specialized transportation for students, including but not limited to homelessness, DCF placement, IEP or 504 determination, or out of district placement.

Tuition costs are related to three areas: special education out-of-district programs, magnet schools, and adult education. Special Education outplaced tuition is highly volatile and is an area of ongoing risk. Due to escalating student need, enrollment and inflationary cost, special education tuition costs (55600/55700) are forecasted to increase by \$216,204.

Ledyard Public Schools participates in the Norwich Collaborative Adult Education Consortium. The consortium provides mandated courses in citizenship, English for those with limited proficiency, and courses leading to a graduate equivalency diploma (GED). A state grant partially funds this program, and Ledyard Public Schools is required to fund the balance. The adult education line (55900) is budgeted at \$32,725.

Supplies (object codes 56110-56900) – Increase \$66,775 (2.59%)

There is an increase in Electricity expense (56220) of \$35,000 based on a full year of the new supply costs that began December 2024, partially offset by anticipated decreases due to the scheduled installation of new solar panels on Gales Ferry and Juliet Long schools. Natural gas (56210) is expected to increase \$5,000 and heating oil (56200) is scheduled to decrease by \$25,000. Diesel (56260) is anticipated to stay unchanged. Heating oil and diesel fuel are negotiated annually each spring for the following year. Due to weather, fluctuating markets and costs, our utility expenses are an ongoing area of risk.

Instructional supplies (56110) will decrease by \$25,250, This is impacted by a reduction in the cost of the first year of the state-mandated reading program, offset by some increases in AgSci and STEM materials.

Textbook expenses (56400) are adjusted annually based on specific requirements, approved revisions and licensed renewals aligned with the curriculum cycle. The budget for textbooks increased by a net \$34,384 based on the requirements for the upcoming school year. Testing supplies, ELA and Math consumables - instructional technology (56800) is anticipated to increase \$44,266.

Maintenance supplies (2112600 56900) are flat funded in this budget and present an area of risk due to the increasing issues and part costs for the HVAC systems at GHS and LMS.

Equipment (object codes 57300-57350) – Increase \$166,239 (72.73%)

To support student interests and programming we have allocated \$15,457 to replace and purchase needed musical instruments/supplies at the high school (2061012 57310).

Maintenance equipment (2112600 57310) has been increased \$5,000 to address the aging custodial equipment we are currently utilizing across the district.

District software (2082500 57350) went up \$13,358 primarily to allow for the implementation of Frontline Central to address issues related to personnel document management. \$113,500 has been added for security enhancements at all schools (2082400 57300).

Curriculum software (2161601 57350) is estimated to increase a net \$31,464 that accounts for the addition of some software that had been initially paid through the DODEA grant in previous years.

Dues and Fees (object codes 58100-58120) - Decrease \$19,000 (-13.35%)

District dues and fees (58100 and 58120) are budgeted to decrease due to the removal of the CABA annual membership fees.

**SECTION II:
NET CURRENT EXPENDITURES PER PUPIL**

Connecticut State Department of Education Net Current Expenditures per Pupil (NCEP)

Ledyard Rank	154	160	159	153	153

Areas Towns in NL County 2023-2024 NCEP

Net Current Expenditures per Pupil

Net Current Expenditures per Pupil (NCEP) has been a primary measure of per-pupil spending in Connecticut for more than three decades. NCEP measures all education expenditures with a couple of adjustments (as explained below) for all the students for which a town is fiscally responsible, regardless of whether the town operates its own school or tuitions its resident students to other districts/regions, magnet or private schools.

ADM

Under C.G.S. Section 10-261(a)(2), average daily membership (ADM) is calculated from the October Public School Information System (PSIS) and the Education Financial System (EFS). ADM represents resident students educated in and out of the district, adjusted for school sessions in excess of the 180-day/900-hour minimum, tuition-free summer school, and Open Choice participation. Prekindergarten students are counted on a full-time equivalency basis.

NCE

Net current expenditures (NCE) are calculated as defined in Connecticut General Statutes (C.G.S.) Section 10-261(a)(3). **NCE includes all current public elementary and secondary expenditures from all sources, excluding reimbursable regular education transportation, tuition revenue, capital expenditures for land, buildings, equipment, and debt service.** The information for determining NCE is provided from the Education Financial System (EFS).

NCEP

Net current expenditures per pupil (NCEP) represent NCE divided by ADM.

NCEP Rank

Each town is ranked between 1 (highest) and 165 (lowest) in NCEP.

Rank	District Code	District	NCEP
1	125	SHARON	\$49,798.17

SECTION III: THE BUDGET PROCESS

The Ledyard Public School District annual operating budget is developed each year through numerous school and central office staff members' collaborative efforts in conjunction with the Superintendent and Board of Education. The timeline for the process begins in August with a review of system objectives for the year, throughout fall with discussions of staffing and school budgets, and through to the Town Meeting held in May.

With the support of the Board of Education, the district continues its process of allocating resources and developing coherence as an organization. Budget requests are based on the holistic district needs and priorities, rather than isolating choices simply to specific schools or department requests. This approach allows for more directed systemic improvements and shifting of resources to improve outcomes for all students. Budget decisions impact educational programs for students as well as the broad range of operations and services within the schools, all of which are designed to support the learning experience and well-being of our students. Our holistic approach works to ensure facilities management, human resources and personnel, transportation, special services, curriculum development, programs of studies, curricular, co-curricular and extra-curricular activities, pupil services, special education, food services, supplies and materials, equipment, and other essential features are moving to an aligned, cohesive, efficient and effective system.

Under the direction of principals and district leadership, budget requests are initially developed at the school and department levels. Proposed budget changes are discussed with the Superintendent and Director of Finance during multiple and iterative school and department budget consultations. Each recommendation is carefully evaluated for its alignment and coherence to district efforts, focus on the improvement of student success/equity, and clearly identified critical needs.

The general steps in this process are:

1. Board of Education members provide feedback on current district operations, initiatives and future planning.
2. The Board of Education receives Town Council Budget Directive Letter, Board of Education issues guidance to the Superintendent through multiple iterative workshops and board meetings.
3. Superintendent provides a budget overview and reviews priorities with the leadership team.

4. Budget requests are reviewed by the Directors, Instructional Leaders, and Principals who make adjustments as necessary to meet overall goals for the department, school, and district as outlined in the Superintendent's guidance.
5. School/program budgets are submitted to the Director of Finance for preliminary review.
6. Budget discussions are held with administrators, the Director of Finance and Superintendent. This iterative process is designed to discuss and determine priorities for the overall district budget request.
7. Superintendent presents the budget to the Board of Education for review in early January.
8. The Board of Education provides opportunity for community review and feedback.
9. The Board of Education discusses, modifies, and adopts the Board's budget, typically by mid-February.
10. The Board of Education budget is provided to the Mayor and Town Council for their consideration and eventual adoption by the community.

2025-2026 BOE Budget Request List

BLUE - Reduction to budget	-\$134,915
GREEN - Recommend for inclusion in budget	\$668,939
YELLOW - Considered for inclusion in budget	\$1,250,384
RED - Considered for inclusion in future budget	\$870,558

Line	Request	Estimated Cost	Location	Type	Tier
1	Initial purchase reduction for grade 4-5 teachers and interventionists ipads	-\$6,825	Curriculum	Equipment	Blue

SECTION VII:

Ledyard Board of Education 2025-2026 Budget Funding Contingency Plan

The Ledyard Town Charter Revision, dated December 3, 2018, requires the Board of Education to include as part of the annual budget submittal, "plans for dealing with additional reductions in State funding that might occur after the Board of Education budget is prepared that could include reduction in services."

Upon direction from the Ledyard Town Council that included a target reduction amount, the Ledyard Board of Education will evaluate the Board of Education adopted budget to identify potential specific reductions. It should be understood that any reductions to the budget will impact programs or district services to students.

It is important to consider that the Ledyard Board of Education budget is approximately 72% salary and wages. The remaining portions are made of relatively small allocations of mostly required expenses including student transportation. Any reduction to the 2025-2026 adopted Board of Education budget would necessitate a reduction in staff, which will potentially result in reduction in the number of class offerings, programming and student opportunities.

Collective bargaining rules and current contracts would require the newest hired staff, potentially the lowest compensated to be eliminated first, based on their particular assignment and the least impact to students.

For example:

- A \$120,000 reduction could necessitate the reduction of two teaching staff
- A \$175,000 reduction could necessitate the reduction of two teaching staff and three paraprofessional staff
- A \$215,000 reduction could necessitate the reduction of three teaching staff and two paraprofessional staff
- A \$250,000 reduction could necessitate the reduction of three teaching staff and four paraprofessional staff

The Board of Education will conduct Special Meetings, as required, to review the options identified by the Central Office and Staff and develop and approve a proposed budget revision to address the Town Council required reduction(s).

SECTION VIII: MUNIS BUDGET REPORT

The budget projection document in this section is sorted by ORG, composed of location code and function code. Second, it is sorted by object code, identified as OBJECT. The ORG code consists of seven numbers made of two components: the first three numbers are the budget line's location code, and the last four numbers are the budget line's function. The OBJECT code in the database groups budget lines by a specific expense in categories including salaries, benefits, purchased services, supplies, and equipment.

For example, a general instruction (1000) instructional supply (56110) budget line at the location Gales Ferry School (202) will be identified as 2021000 56110. A math instruction (1011) teacher salary (51040) at Ledyard Middle School (205) will be identified as 2051011 51040.

Location codes are utilized to group accounts by school building (location codes 201 to 206) and also to group accounts that relate to multiple buildings by type (location codes 207 to 216).

- Next Year Budget Comparison Report: MUNIS report reflecting proposed 2025-2026 budget
- 2025-2026 Budget Including \$ Inc/Dec and % Inc/Dec: Excel spreadsheet showing both dollar and percentage changes over 2024-2025 budget

Town of Ledyard Public Hearing

Fiscal Year 2025/26 Budget

April 21, 2025 7:00 PM

General Government Budget Process Overview

Sessions and Meetings	Date
Mayor Submits Budget to the Town Council	March 3, 2025
3 Budget Work Sessions	March 6, 10, & 18
Finance Committee Approval	April 7, 2025
Town Council Approval	April 9, 2025
Public Hearing	April 21, 2025
Annual Town Meeting	May 19, 2025
Referendum Vote	May 20, 2025

Mayor's Budget Letter

- * Grand List for valuation yielded a net decrease of 0.51% compared to last year's overall increase in the value of 4.5%; about \$6.7 million in assessed loss value; mostly driven by the state's methodology for motor vehicle evaluation, veterans' change to property tax
- * Grand lists for the most comparable towns to Ledyard in the area are two to three times higher than Ledyard leading to a historically heavy reliance on residential property taxes
- * Debt Service decreased \$107,580 (2.72%) compared to last year's decrease of \$448,820, school roof projects
- * As of June 30, 2024, the Town's pension plan was 88.7% funded compared to 84% as of June 30, 2023. The increase is attributable to sound management and favorable market conditions.

Town of Ledyard Public Hearing

- * FY 2025/2026 proposed Budget – \$ 71,062,240
 - * General Government – \$ 30,395,998.....4.59% (included town/BOE health insurance)
 - * Board of Education – \$ 40,667,242 5.99%
 - * General government 2.18%

- * Mayor's proposed budget 3.15...down from 5.0 when he received all the budget lines from all departments/BOE
- * Council approved 2.76 for a proposed rate of: 37.97

- * 22 segments of a total of 45 department segments were an increase of 0%
- * Mill rate stabilization input: \$1,304,675

Town of Ledyard Public Hearing

Grand List decreased by 0.51%

a loss of: \$250,000

Veterans' exemption: \$520,000

Proposed FY 25/26 Budgeted Revenues

Proposed FY 25/26 Budgeted Expenditures

Capital Improvement Plan

Description	Council Proposed Tax Levy	Council Proposed from Grants	Council Proposed Other	Council Proposed Total
Capital Improvement Plan 2025/2026	1,476,450		7	

Major Projects

- * Road Restoration \$900,000
- * Grants 744,341
- * Tax Levy 155,659
- * Road ratings have been maintained at or near 83 (out of 100) with this level of funding
- * Multi-use Pathway/sewer \$1,080,000

Major Projects

- * Three sewer projects, Ledyard center to back of high school
- * Fire Apparatus \$307,444
- * Tax Levy 307,444
- * New Police vehicle/equip \$100,000
- * Fire Dept. Equipment \$114,000

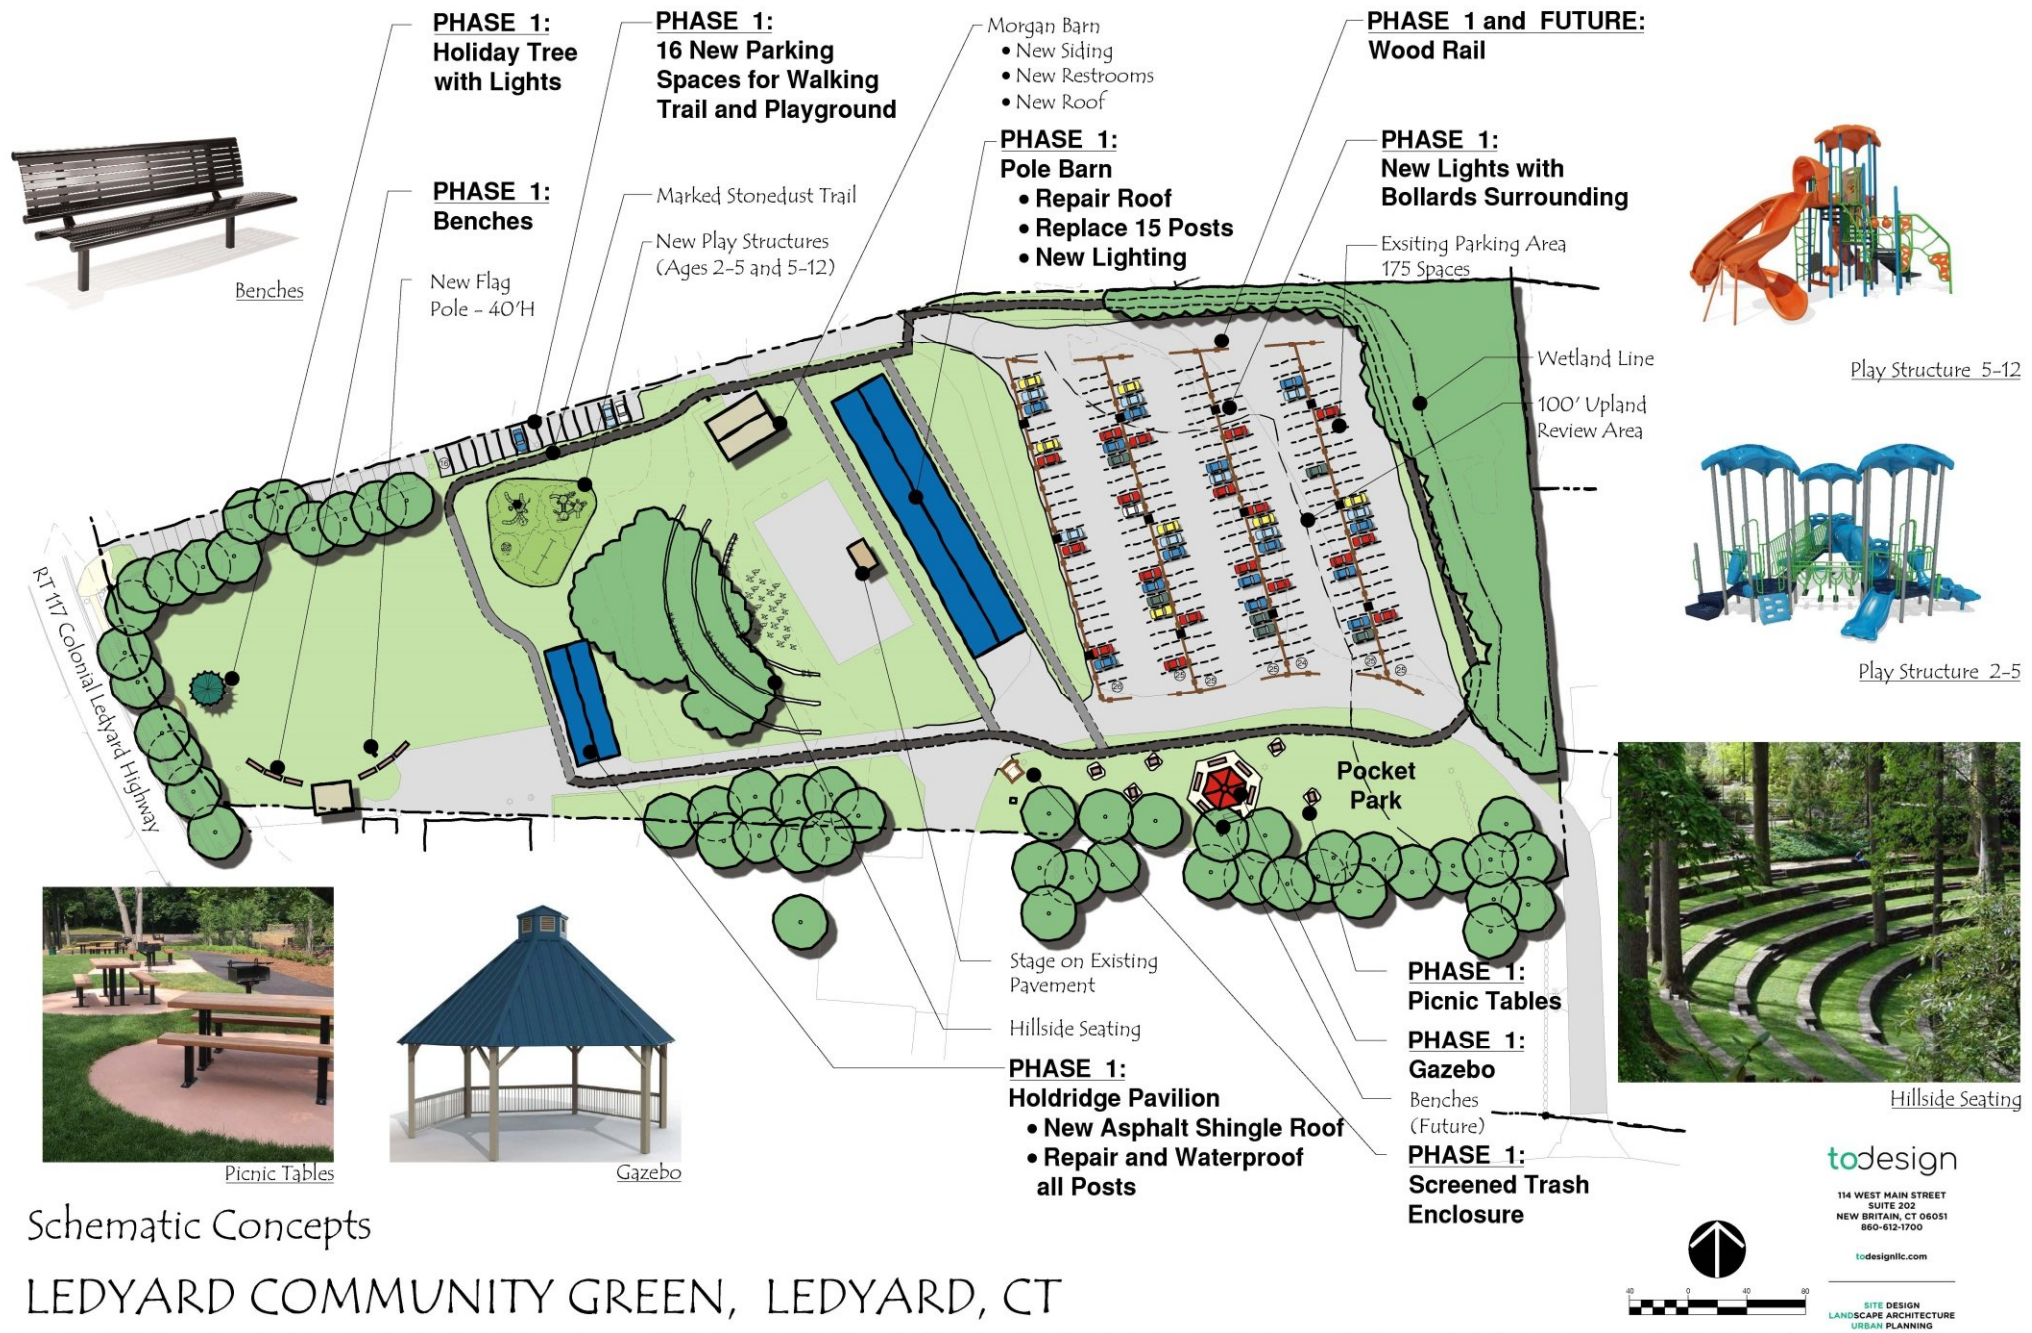

American Rescue Plan Act

- * The Town receive a total of approximately \$4,327,000 from the American Rescue Plan Act
 - * Funds were “obligated” by December 31, 2024,
 - * “liquidated” by end of calendar year 2026
 - * 30 projects completed
 - * 19 projects in progress

Major Capital Projects

- * GFS & JWL roof replacement
- * JWL solar projects (in process)
- * JWL air-condition install...summer of 2025

Ledyard Public Schools BOE Public Hearing 2025-2026

Mission Statement

Ledyard Public Schools provides every child with the experiences, supports, and opportunities necessary for life and success in our diverse and evolving world.

2024-29 Strategic Plan

STRATEGIES

ENHANCE PARTNERSHIPS WITHIN AND BEYOND THE SCHOOLS

Grow and develop relationships with staff, students, families, and members of the community to create belonging and partnerships that support the attainment of school and community goals.

PROVIDE OPPORTUNITIES FOR ALL STUDENTS

Promote opportunities and provide support to all students that allow them to advance skills, expand their understanding, and pursue their interests.

ENSURE ACTIVE, ENGAGED LEARNING

Engage students and staff to inquire, build understanding, and remain active participants in the learning process while contributing to the school community.

District BUDGET PRIORITIES:

- Continue opportunities for students in alignment with the strategic plan;
- Successful launch of the new literacy program (in compliance with the State of CT mandate) to benefit our students;
- Ongoing professional growth and support of our educators and staff;
- Continue enhancements and evolution of our intervention model;
- Continue to address and ameliorate achievement gaps and the number of students below basic on the SBAC.

Some Key Changes

- Security Enhancements
- Increased literacy intervention capacity with High Dosage Tutoring
- 4.0 FTE Paraeducators to support regular and special education programming
- 3.0 FTE Elementary STEM Teachers & Materials

25-26 Budget Adjustments

Contractual Salary increases		\$939,285
Inflationary adjustments, as follows:		
	Misc Inflationary Adjustments	\$68,989
	Transportation	\$77,251
	Utilities	\$44,800
	Special Education	\$482,569
	HVAC required services	\$37,000
Budget Savings		-\$134,915
Security enhancements		\$113,500
Budget Requests		\$668,939

Budget Recommendations

2025-2026			
BLUE - Reduction to budget	-\$134,915		
Request	Estimated Cost	Location	Type
Initial purchase reduction for grade 4-5 teachers and interventionists ipads	-\$6,825	Curriculum	Equipment
Reduction from Year 1 cost of mandated literacy program	-\$48,000	Curriculum	Supplies
Discontinue usage of Lexia software	-\$15,240	Curriculum	Supplies
Reduction in non-dedicated ambulance service	-\$1,350	LHS Athletics	Prof Serv
Expected heating oil decrease	-\$25,000	Maintenance	Supplies

Subject: Update on Fire Alarm Replacement Projects - JWL and LHS

Good Evening,

As promised in the meeting last evening, here is additional information/clarity on the JWL and LHS Fire Alarm Updates. I am not able to speak to the Mayors rational for this years allocation in his recommended budget.

Unfortunately, like the town we continue to see year over year cost escalations that significantly impact our project budgets. Here are the numbers as they stand today:

Juliet W. Long School (JWL) - 2025 Allocated \$75,000 / Funds Remaining \$66,600 / Needed to complete this project \$52,400 (as of today's pricing).

- Recent quote (2/11/25) to finish upgrading the fire alarm system: **\$119,000.**
- Control panel replaced - \$8,400
-
- Smoke/heat detectors are limited to hallways. No detectors or visual alarms in classrooms.
- Current system lacks voice instruction capabilities and cannot issue separate lockdown notifications.

Ledyard High School (LHS) - \$350,000 (Amount requested by BOE Capital Plan)

- Recent verbal quote (November 2024) from Fire Alarm Specialty Design: **\$350,000.**
- System dates to original construction (1962) and faces continuous faults in multiple zones.
- Smoke/heat detectors are limited to hallways and some specialty rooms. No detectors or visual alarms in classrooms.
- Current system lacks voice instruction capabilities and cannot issue separate lockdown notifications.

Thank you for your consideration and support. Please don't hesitate to reach out if you have any questions or need clarity on any of the above. -Jay

This line handles all overtime worked by Officers with the Ledyard Police Department. This includes hours worked to meet minimum patrol staffing, investigative overtime, court overtime, storm emergencies, planned and unplanned events etc.

Chief of Police. 3.0% proposed increase.

Captain - 3% proposed increase.

Salaries for 21 police officers. Includes 1 Lieutenant and 6 Sergeants. Includes CBA increases of 3% and step increases. See Salary Schedule for details. Additionally includes \$10,000 for estimated shift differential.

FY26. requesting salary for one additional entry level officer.

Police Department Admin. 3% increase per Town Hall Union CBA.

This line item pays for contractual holiday hours accrued by officers in the course of the calendar year. Five of 13 paid holidays carry a 1.5 times pay rate for officers working the holiday. Officers may also cash in accrued holiday hours upon request. No increase FY26.

Each year the Ledyard Police Department receives grants from the CT DOT to conduct specialized enforcement. The department runs an active, grant-funded DUI and speed enforcement program, and this expenditure is offset by revenue when reimbursed by the State of Connecticut.

This line funds work provided by Ledyard Police Officers for outside vendors (Construction, utility). . The hours worked, plus expenses, are billed to the vendor and reimbursed to the Town. The calculation is based on an average of the previous three fiscal years. The officers' pay rate has also increased in the current CBA.

This line funds contractual meal allowances of when an officer works beyond 14 hours within a 24 hour period in accordance with article 12.9 of the CBA. In the current CBA, the amount has increased from \$15.00 to \$20.00 per occurrence. Requested increase reflects the contractual increase.

This line funds the degree incentive provided by contract. The contract provides for \$350.00 per member for completion of an Associates Degree and \$650.00 for a Bachelor's Degree. The Chief of Police is eligible for an additional \$1000 for a Master's Degree.

This line provides funding for the comp time liability incurred do to the contractual accrual of comp time, the line item is used when officers request pay in lieu of the earned time off.

CBA 16.11.

This funds the salary for Officers involved in training and/or funds to provide minimum patrol replacement. This includes mandatory recertification training, specialized training, mandatory firearms and use of force training, human trafficking training, training for Special Response Team and Accident Investigation Team, and other state mandated training.

This line funds membership in the Law Enforcement Council of Connecticut, from whom the Department receives all certification training and promotional/hiring testing. There was an increase in fees for LEC in FY26 to \$11,753. Annual dues for Ledyard Sportsman's Club of \$1650 are also paid from this line for use of the facility for firearms training. This line also funds other specialized training to enhance officer performance and career advancement. The line also funds updated legal publications and field manuals for our officers and supervisors.

One patrol supervisor, specialized training at Roger Williams University, mid-level management course. Tuition, materials, and lodging in FY20.

This line funds the maintenance and repair of all systems within the Ledyard Police Department. This includes, but is not limited to, computers, electronic, mechanical, furniture, etc. This line is also used for specialty cleaning and maintenance of equipment. No increase FY26.

Funding for the repair and maintenance of the Ledyard Police Department vehicle fleet. This includes all routine maintenance, repairs, service, tires and parts to keep police vehicles operating safely. The department has experienced increases in repair expenses as patrol vehicles are being kept in service longer and incurring more repairs. Requested increase based on current usage, fleet mileage. No increase FY26

This item funds the cellular phones/wireless technology for the Ledyard Police Department Chief, Captain, Detectives, ACOs, and monthly cellular phone service. No increase FY26.

This provides connectivity for the Mobile Data Terminals installed in Police vehicles. This allows for officers to query and receive data through cellular technology in the police vehicle. Officers utilize a computer in the vehicle to type and submit reports and log police activities. The service from AT&T costs \$912 per month and the annual fee for NetMotion software from Absolute Software is \$1110. Total for FY26 \$12,054.

This funds expenses related to the operation(s) of the Police Department. This includes, but is not limited to, consumables, cleaning supplies, office supplies, printer ink cartridges, copy paper, case folders, binders, and items required for the production and dissemination of police reports. No increase FY26.

This line pays Ledyard WPCA for water service to the Ledyard Police Facility. The building has 2 water meters that are billed at approximately \$125 each per month. Total requested \$3000.00. No increase for FY26.

Funds Gasoline for Police vehicles in a collaborative effort with Public Works. No increase for FY26.

This line funds the purchase of all uniforms and equipment required for Police Officers. This includes duty belts and carriers, outerwear and body armor, which is a contractual requirement. It also funds the dry cleaning services provided under the collective bargaining agreement, and footwear as provided by the CBA. No increase FY26.

This line funds the Departments purchase(s) of all ammunition required for duty and weapons usage/qualification, targets, gun cleaning supplies, firearms equipment/repair/parts, and weapons accessories including lights and optics. No increase FY26.

The sole new equipment request is for 20 replacement ballistic rifle plates for officers responding to incidents involving firearms, at \$369.00 per unit. Current plates issued to our officers have passed their expiration dates.

Total requested is \$7920. Eligible for 50% reimbursement if the department receives a grant from the DOI Bulletproof vest partnership.

This line pays for expenses related to professional development and training for the Captain and the Chief of Police. No increase for FY26.

This line funds equipment and veterinary expenses associated with the department's currently inactive K9 Program. The department has been offered a grant through the Hometown Foundation to secure a police canine. The department is also interested in the possible adoption of a service K9 program. This request is to open the line item with \$1.00 for the fiscal year with the intention to fund the program with grants and donations.

This line funds overtime wages to replace full time employees for vacation, illness, training, and other absence from regularly scheduled shifts. Calculation based on calendar 2024 usage of 1775 hours at hourly overtime rate of \$52.38

Wages for per diem dispatchers who fill shifts when full time personnel are off duty or when needs of the department require additional staffing for emergencies or planned events. No increase FY26.

Dispatcher salaries. 8 full time dispatchers. 3.0% increase per Emergency Services Union CBA plus step increases as applicable. Also includes estimated \$5,000 for shift differential.

Each full time employee accumulates 13 paid holidays per year per and may request pay for accrued holiday time per contract. The LECC has 8 full time employees.

Contractual Meal Allowance for Full Time Dispatch personnel. Per Article V Section C, employees working 2 hours beyond their scheduled shift are entitled to \$20.00 meal reimbursement. No increase FY26.

This line provides funds for the maintenance of all radio systems for the Town of Ledyard & the electronic, computer and mechanical equipment required to operate the Dispatch Center/Police Department. Central Square-\$26210, Communications Plus-\$3500, Interaction Insight-\$5554, Universal Telecommunications--\$2600, Vertiv APS-\$2566, Total Communications--\$6218, Console Cleaning Specialists \$1400, PowerPhone EMD \$6166

This line funds all telephone land lines and internet service to operate LPD and LECC. Comcast-\$6000, TPX-\$4800, Frontier-\$4800

This line funds the purchase of uniforms worn by Dispatchers, purchase of uniforms for new hires and part time personnel, and any alterations required. This expenditure is contractual and includes a \$35 per month cleaning allowance for each full time employee. No increase FY26.

This provides for the required training for all Full Time Dispatchers to maintain certification. This includes a training module from PowerPhone (\$2786) It also provides for trainings deemed necessary by the Chief of Police for professional development, improved operations. This line provides for membership in professional organizations which provide periodic training and periodicals on industry trends. The line also reimburses personnel for mileage used to attend training in a personal vehicle.

\$500 increase requested for FY26

Overtime for ACOs for after hours calls as needed. no increase FY26.

Animal Control Officer. Current supervisor's contract expires 6/30/25.

Part time wages for assistant ACO. Calculation based on 1248 hours per year to cover Friday through Sunday, Holidays, training days and after hours calls. Hourly rate calculated at \$21 per hour. .

This items funds non-routine veterinary expenditures, such as euthanizing an injured or sick animal in the custody of Ledyard Animal Control. The department is also supported in this expense by donations from the community. No Increase FY26.

This line funds mandatory training for Animal Control Officers and training materials/publications.

Training for ACOs is required by statute. No increase FY26.

This items covers all supplies and expenses needed to maintain the ACO facility and other expenses such as office supplies, cleaning supplies, telephone and internet service, preventive maintenance HVAC and septic systems, ACO uniforms and building supplies, and support for Town Dog Licensing software.

No increase FY26.

This items covers equipment needed by the Animal Control Officers including personal protective equipment, gloves, catch poles, carriers, leads, leashes, vehicle containment. No increase FY26.

This line item pays for participation in the state Animal Population Control Program which is administered by the State Department of Agriculture and funds the spay/neuter/vaccination of adoptable pets at a low cost of \$45.00 for CT residents. The program is funded by surcharges on dog licenses for non-neutered pets. No increase FY26.

This line funds an annual remittance to the State of Connecticut for Dog Licensing in town. This line was underfunded in FY25, requesting increase to \$7000.00.

Overtime.

Fire Marshal. 3.0% increase per Firefighters CBA, plus step increase if applicable.

Frontier Communications Charges

This line item covers various items such as, SCWA Water, janitorial, ESB Fire Alarm testing, office supplies and several smaller items.

Uniform cleaning & Accessories

Fire Marshal required training and code publications.

Overtime for career firefighting staff. Includes funding for career callback for emergencies and increased staffing levels for storms and other incidents. Also includes allotment for required mandatory trainings such as live burns, which cannot be completed during normal work hours.

Administrator of Emergency Services. Stipend amount. Includes 3% increase.

Firefighter salaries for all 5 paid firefighters. 3.00% increase per Firefighters Union CBA., plus annual step increases per the CBA.

Mavor update - reduce for retirement and replacement at lower step

Operating expenses for the Administrator of Emergency Services position. Includes cell phone, office supplies, meeting needs and membership dues.

Also includes NFPA compliant physicals for all fire service members as required. Includes volunteers and career staff on a 1/3/5 year cycle as dictated by age

Payments to 3d party ambulance service.

Fire Chief Stipend

Volunteer and Career Firefighter Training

Appliance testing and hose testing

Mavor reduced

Repairs, Maintenance and NFPA testing (pump tests) for Fire Apparatus and equipment.

Cell phone stipend and electronic incident notification subscription

Operating Expenses

Volunteer and Career uniforms and personal protective equipment.

This will support the Fire Police Program for stand by's to supplement the Police. All Fire police services paid from this account will be billed to the customer based on the current billing amount for a police officer.

New and replacement fire, rescue and EMS equipment.

Volunteer Incentive Program

Fire Chief's stipend

To pay for costs of training and classes for both volunteer and career personnel.

Testing of fire hose and/or appliances to NFPA standards recognized by OSHA by certified contractors.

Funds for Frontier & AT&T bills for phone and tablets for the fire station, fire apparatus, and fire chief.

Allows for restock of equipment required by the State of Connecticut to maintain first responder licensing designation.

Meets NFPA standards for purchase and maintenance of firefighting equipment including the mandatory breathing air testing, required annual scba maintenance, and more.

Allows for desirable level of public fire and life safety education; achieves minimum level of fire prevention and public outreach.

Annual Payment for ESO, our administrative online system for NFIRS and maintaining our inventory and personnel management system.

Payment for radio communication repairs and adjustments, our paging system subscription (Active911).

Payments for memberships to various local, regional, and national public safety organizations.

Upgrades to technology equipment and funding for general consumables.

Truck garaging funding covers expenses incurred by the fire company to house town trucks and equipment.

Mandatory Dept. of Transportation inspection by certified mechanic, annual ladder and aerial testing and certification, annual required fire pump testing and certification

Repairs of fire apparatus, repair of all equipment associated with the vehicles including portable power units, saws, generators, hydraulic tools.

Protective firefighting gear accessories including but not limited to helmets, gloves, hoods, boots, etc. Station uniforms, rescue ppe, and gear repair is included in this.

Used to pay for standby or traffic detail requests for fire police.

Funds to purchase newer equipment to replace existing equipment.

Annual incentive program for the volunteers at Gales Ferry Fire Company. The Fire Chief is not apart of the program.

Emergency Services Director. Partial reimbursement from EMPG and NSEP grants.

Expenses related to the position and operating the Emergency Operations Center. The Majority of the expenses are paid thru various grant programs. The expenses are categorized as Drill Expenses (1000)Radio / Misc Maintenance costs (1500), office supplies (1000), telephone (50) and support supplies (1300).

Municipal Agent stipend.

Field trips

SCHOOL NURSE SALARIES: 5 full-time nurses: 4 at 35 hours per week for 24 pay periods plus vacation per contract. 1 nurse previously at 35 hours per week. Administrator requesting her to increase to 40 hours per week.

SCHOOL HEALTH ASSISTANTS: 3% increase plus applicable step increases per Health Assistants Union for 4 positions. 2 assistants are at 50 hours per period for 22 periods. 2 assistances are at 38 per pay period for 22 periods.

Department Head - part time position. 38 hours per pay period. Includes 3% increase.

SUBSTITUTE NURSE: Substitute school nurses are required when regular staff are out of work due to illness, personal days, or attending mandated continuing education programs. Fund is also used to orient new substitutes. Substitute nurses are necessary in the school to administer specialized treatments to students which cannot be delegated to non-professionals. Mandated CGS 10-212.

OVERTIME/SCHOOL:

Per Union Contract. \$300 per nurse. 5 school nurses eligible.

SCHOOL NURSES LICENSE'S: 5 RN's at \$110 for yearly licensure - other miscellaneous.

Continuing Education, Dues and Subscriptions.

CPH Professional Liability insurance for 1 year

Yearly Continuing Education to maintain Licensure and Supervision Certification

Counseling Supplies: Games, Books, supplies, files, Tapes for recordings, replacement peices for video recorder

Copy Machine Maitenance and Copy paper for the year

Misc Opreating Expenses

Public Works Director. Position presently combined with Town Engineer. As Public Works Director, manages all aspects of the Public Works Department. This includes in-house and contracted road maintenance and sanitation services. Serves also as the Tree Warden and Fleet Manager. As Town Engineer performs in-house efforts and secures and coordinates consulting services as necessary to satisfy administrative needs related to local requirements and regulatory mandates, and to meet review needs for development activity and other departmental needs. Salary per terms of RESOLUTION ESTABLISHING ADMINISTRATOR/DEPARTMENT HEAD BENEFITS (i.e., "Increases in wages shall be effective on the first day of July and may not be less than the percentage of the highest union contracted increase for that fiscal year.")

The Town will need engineering consulting services for support of various projects and/or tasks requiring specialized expertise. The demand for such services will remain high in the absence of a full-time Engineer and any increasing demands associated with regulatory mandates and expanding infrastructure needs. This account provides for baseline MS4 Stormwater mandate support, miscellaneous surveying and minor civil design needs, and other services associated with engineering administration. Starting in FY20 it also provides for GPS service for select PW fleet vehicles. Starting in FY21, this account funds a road temperature sensor service. Starting in FY24, this account began funding an online asset maintenance program (Brightly). The increase represents inflation and the cumulative impact of these added services.

This account provides for mandatory CDL driver drug and alcohol testing services, dues for professional engineer licensing and the Connecticut Tree Warden Association, reference materials, meetings/conferences, and mileage reimbursement. Inflationary increase. Provides payment for extra hours of work according to union contract requirements. Provides for payment of personnel when working beyond normal working hours for purposes other than snowstorms, e.g., after-hours response to emergencies such as fallen trees/limbs, debris clearing, sign posting. Also used when Department crews perform construction-type projects and tasks where the need to complete particular phases of work before shutting down for the day arises due to unforeseen events. There are also instances where planned overtime is prudent to minimize the impact of certain tasks to residents. Increase reflects adjustment for contractual base wages increases and increased grow size

This account has provided modest funding for summer help to augment full-time workforce at a time when road and building maintenance activity peaks and full-time workers are taking vacation. Provides funds for temporary employees during the contractually-allowable period of May 15th through September 15th. With the additional full-time employee added in FY23, and with the limited pool of available individuals, this has been reduced to cover only one net part-time individual over the course of the allowable period

Highway Superintendent salary in keeping with Collective Bargaining Agreement. Highway Superintendent is the first line supervisor for the Public Works workforce, comprising the Highway, Buildings and Grounds, and Garage divisions. Current contract expires 6/30/25.

Provides funding for Public Works employees in the Highway and Buildings & Grounds divisions in keeping with the Collective Bargaining Agreement. This includes the following contract positions: Leadman, Buildings & Grounds Foreman, Operators (2), Maintainers (10), and Laborer. The manning level reflects a reduction from its peak manning by eight individuals for most of the last thirty years. With the increase of infrastructure of about 17% over that same time, the winter and construction season maintenance needs have steadily increased, straining resources in a number of ways that negate our ability to keep pace. Thus, the workforce represents a lean number that at times struggles to keep pace with the full range of infrastructure tasks.

Provides for moving an employee of lower paygrade into a higher position due to the absence of another employee and/or the nature of work. Some upgrades are mandatory because of contract requirements.

Provides funding for part-time snow help mobilized to supplement full-time forces during winter operations. These forces were typically mobilized only as necessary to meet the needs of particular events. These needs have tended to vary greatly depending on the nature of the winter and the cumulative state of the full-time staff and associated availability.

Provides for payment of personnel beyond normal working hours during snow plowing, salting, and support operations. Expenses and budgeting needs are subject to wide variation depending on severity, timing, and frequency of snow and ice events over the course of a winter season. The budgeted amount proposed assumes needs would be average and anticipates need for supplemental appropriations in event of a bad winter. Typical number of snow OT events per year is 15 to 20 @ average \$6,000 snow OT per event. Snow OT costs have continued to increase in keeping with annual salary increases.

Provides funding for Public Works training plan leading to such certifications as CT Roadmaster, with emphasis on safety and improved efficiency. Safety training will help with CIRMA risk management rating. Also covers, as necessary, contract provision for copayment of CDL A license acquisition.

Provides for planned and contingency contract services. Does not account for historical average of costs (~\$80K) of vital services typically funded by TAR funds, including roadside spraying, annual gravel road maintenance, and other road right-of-way maintenance for which these funds are inadequate. This budget anticipates no loss of TAR funds. Inflationary increase.

Telephone and cable service to Public Works garage, telephone service to Transfer Station monitor shed (regular use and incidental service/repair expenses), and cell phone service for the Director and Highway Superintendent.

This account provides for unleaded gasoline used by PW Department vehicles and equipment, and other municipal and emergency services vehicles; also includes engine oils, lubricants, fuel additives, etc. and service expenses for tank servicing (water removal, etc.). Approximately 35,000 gal/yr including BOE demand. BOE pays directly for its usage, which offsets the budgeted amount down closer 10,000 gallons. The Police budget carries funds for portion of gasoline delivered to fuel station required for Police fleet needs (about 24,000 gal). Budget reflects no change from FY24.

Diesel fuel used by PW Department vehicles and equipment and both Ledyard and Gales Ferry Fire Departments. Approximately 21,000 gal/yr, anticipating the demands of a normal winter. Purchase according to either a fixed or floating price will be undertaken according to what seems most favorable. Budget reflects no change from FY24.

Provides for contractual uniform and boot allowance for Public Works personnel. The Highway Superintendent receives an allowance of \$650 and each Teamster bargaining unit member receives an allowance of \$750 for approved items individually purchased ($\$650 + \$750 \times 18 \text{ personnel} = \$14,150$).

This account covers miscellaneous needs for office supplies and small tools and equipment items. As to office supplies, provides for purchases of general items, used mainly by Hwy Superintendent and Maintenance & B&G Foremen (markers, folders, paper, misc. pads, forms, notebooks, copier supplies, computer supplies, printer supplies, organizers, file containers, etc.). Provides for various hand tools and small power tools, replacements parts, expendable parts, etc., used by Highway, Buildings & Grounds, Garage personnel. Also provides for bottled water, which is required for Public Works Garage because the on-site well source for water supply is non-potable and suitable for utility purposes only. Increase reflects increased water costs and other inflationary adjustments.

Provides for miscellaneous safety equipment, services, and apparel, fire extinguishers, work gloves, lights, glasses, ear plugs, rain gear, repair/recharge of extinguishers, insect and pest agents, first-aid kits, etc. Inflationary increase.

Primarily covers stipend payments for meals entitled to the PW crew during overtime events, in accordance with the terms of the contracts. Also provides for food purchased separately to ensure meal availability during severe storms likely to disrupt normal services.

Increase reflects substantial contractual adjustment for meal allowances.

Provides funding for Public Works employees in the Garage division in accordance with the Collective Bargaining Agreement. This includes the following contract positions: Maintenance Foreman and Mechanic, and the added position of Mechanic 2, which is subject to the terms of a Memorandum of Agreement between Ledyard and Preston for the covering of their fleet maintenance needs.

This account provides for miscellaneous shop supplies and minor services. Inflationary increase.

The Department utilizes on its large plow trucks carbide tipped plow blades (about \$1,500 apiece) in combination with regular blades to reduce the frequency of replacement. This account also covers resupply of blades for smaller dump and 4WD pick-up trucks used for snow plowing. About 3 carbide sets and 8 regular blades are required annually, but the cost of steel continues to increase. Adequacy of the budgeted amount depends on the severity of the winter.

Provides for a wide variety of replacement and repair parts and accessories for vehicles and equipment and for labor for jobs farmed out because of the lack of in-house resources or capability. Used mostly for servicing PW as most other Town departments have separate budgets for maintenance of their vehicles and equipment. The pressure on this account has increased as extending life cycles of vehicles has been required to reduce capital outlays and due to dramatically increased complexity and vulnerability associated with added electronic and emissions controls. Also, the budget value reflects the impact of average winter operations on plow trucks and related equipment. Modest increase reflects the recent historical trajectory of maintenance costs.

Covers services that provide oxygen and acetylene gas for welding and cutting and associated accessories and supplies. Expenditures are variable depending on type and frequency of repairs, fabrications and modification work on equipment, vehicles, etc. Efforts to stretch the life cycles of trucks and equipment continue to put pressure on the expenses incurred in this account, whether work is performed in house or farmed out. Inflationary increase.

Provides for tires for the Department's vehicles and equipment - expenditures for vehicles are fairly routine, whereas tires for large equipment tend to be expensive and can have a sudden significant impact on budget (e.g., loader tires may be several thousand dollars apiece). Modest inflationary and trend increase.

This account covers expenses for treated salt and any other winter treatment materials. The estimated average winter treated salt quantity needed is 1,500 tons. Price per ton had ranged between \$65 and \$85 from FY16 to FY22. But the price for FY24 jumped dramatically from \$77.33 in FY22 to \$99.88. That was a cost increase of about 56% from a low in FY21. We experienced a reprieve in FY25 of a drop to \$91.52, but cannot guarantee that this precludes a return to increases.

Covers cost of minor damage from snow plowing (e.g., mailbox repair).

Covers expenses of miscellaneous repairs and patching carried out by PW crews in conjunction with spot patching, drainage work, pavement repair, preparation for road resurfacing, etc. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional asphalt expenses at historical average in excess of \$20K.

Covers costs of marking of intersections, crossings, etc., and replacement/repair of street and traffic signs by PW crews. Demands have increased to meet FHWA mandates for signage maintenance and improvements. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional signs and markings expenses.

Covers cost of contracted metal guide rail repair work. Major installation work and repairs have been funded by TAR monies, when available. This account has provided nominal funding for repairs only and reflects substantial dependence on TAR funding (assuming adequate appropriation by State). Budget anticipates no loss of TAR funds to fund additional work. Insurance reimbursement is sought wherever possible with respect to guide rail damaged in motor vehicle accidents.

Covers tree and limb removal beyond capability of PW department personnel and equipment. There are both ongoing and emergency needs. This includes the substantial road canopy needs that we are gradually addressing. TAR funding has been leaned on for inadequacies in this fund. Supplemental and/or budget transfers funding has been applied in an average amount which had exceeded \$30,000 for several recent years to keep pace with the removal needs, which have been exacerbated by a number of widespread disease and pest-related scourges. The increase starting in FY24 reflects this.

Covers various road base and shoulder materials for miscellaneous pavement repair/reconstruction and drainage work. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional expenses at a historical average of about \$10K.

Covers mainly the costs of materials used by PW forces in the construction and installation of drainage improvement projects and facilities, including permanent and temporary erosion and sedimentation control measures, as well (e.g., piping, masonry materials, precast structures, accessories, filter material, landscaping materials, etc.) - varies, depending on type and amount of projects and tasks performed. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional expenses at historical average of about \$10K.

This line item provides for maintenance needs for streetlights that the Town is now responsible for since replacing and taking direct ownership of streetlight fixtures.

Covers rental of specialty equipment used by or to assist PW crews, usually for specific tasks for which the department does not have the equipment/personnel capability. Budget amount contemplates limited use of this provision.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Town Hall and Annex (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs, and does not adequately fund carpet cleaning at appropriate intervals.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the buildings in Highway Garage complex (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs or appropriate improvements

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Police Station (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs. Increase reflects inflationary pressures and trends associated with increased facility age-related maintenance.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Ledyard Firehouse (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs, and does not adequately fund carpet cleaning at appropriate intervals. Increase reflects inflationary pressures and trends associated with increased facility age-related maintenance.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Bill and Gales Ferry Libraries (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs and does not adequately fund carpet cleaning at appropriate intervals. The increase in FY24 reflects absorption of the alarm system costs previously borne by the Library budget.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Senior Center (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs, and does not adequately fund carpet cleaning at appropriate intervals.

This was an account added in FY23 to coincide with the conversion of the Fairgrounds to a Town Green, which bears more direct maintenance responsibility for the PW Department. It provides for various supplies, materials, expendable items, and services used for the landscaping needs (e.g., soils, fertilizers, etc.) and structural preventative maintenance needs (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items and supplies). Also provides for limited improvements through contractor services. Decrease reflects trajectory of actual expenses over a few fiscal years.

This account provides funds for the required overtime expenses for PW employee weekend fill-ins.

Provides funds for the contract services for curbside collection and disposal of garbage, recyclables, and bulky waste in accordance with the Curbside Collection Contract. The 6-year contract with Casella expired in FY25.

The budget reflects an anticipated 15% increase over FY25 pricing, with an additional allowance (about \$12,000) for extra charges associated with extra recycling cart service and cart replacements. This line now includes the cost of food waste disposal at about (estimated at \$2,500).

This account provides funds for the tipping (service) fees associated with waste delivered to the Preston Incinerator under the Curbside Collection Contract, for residential and municipal sources, and through commercial collection and disposal within Ledyard. After many years of a stable \$58 rate, SCRRRA has had to reduce its subsidy (i.e., increase the tipping fee charged member towns). Even with a relatively stable volume of waste, there will be a significant additional cost of disposal due to the tipping fee increase. This account reflects a service fee established by SCRRRA for FY26 of \$75.06 (this is the third year of progressive increase, and the greatest increase so far-now more than 29% greater than FY22). Under Town Ordinance, the tipping fees paid by the Town for commercial loads are received back through a backcharge of the commercial haulers.

IMPORTANT NOTE: The prevailing financial conditions under which SCRRRA now functions have changed dramatically, such that SCRRRA is still exploring various scenarios of progressive subsidy reduction. Thus, the Town can expect continued growing increases of the on-budget share of these costs, as we are now seeing. For many years the costs to the Town of waste disposal, recyclables disposal, and other Transfer Station related expenses have been both artificially depressed and stable due to the capacity and decisions of SCRRRA to subsidize these costs.

Provides funds for expenses associated with various operational requirements, such as annual landfill mowing (\$2,500), porta-potty rental (\$1,000), annual permitting fees, etc. Inflationary increase.

Includes hauling and disposal costs for bulky waste and other wastes and other miscellaneous transfer station disposal costs. These costs have been managed carefully, and the Town has realized some savings, but the long-term situation for disposal remains highly uncertain. Costs of disposal could increase dramatically at any time. A marked increase in bulky waste disposal costs over the last several years has put upward pressure on this line item. The latest 2-year contract expires at the end of FY25 and we will be exposed to another increase in pricing for FYs 26 and 27. The increase reflects what may be anticipated.

Library Custodian - 23 hours per week. 3% contractual increase - already at max step.

Library Director. Projected 3% increase.

The library has 3 full-time staff in the supervisor's union (a full-time supervisor for each library and a full-time Youth Services Librarian).

Step increases are factored in. The current contract expires 6/30/25 and will be in negotiation soon.

There are 5 staff in the Town Hall union (also including the Library custodian).

A Library Technician I - Reference works 20 hours per week (equaling 1/2 FTE) in each library as a supervisor when the Assistant Librarian or Director are not there.

The Administrative Assistant works 30 hours (equals .75 FTE) and has many tasks from processing new materials, tracking and ordering all supplies, troubleshooting technology, and handling correspondence.

The Library Technician II - Youth Services works 30 hours (equals .75 FTE) and is responsible for cataloging each item along with assisting our Youth Services Librarian with programming, desk coverage, displays etc.

This line mainly accounts for our seven non-union Library Associates. Library Associates are a key component to our library staffing and have a current starting salary listed just above minimum wage. These Library Associates work hard to provide excellent customer service and deal with a variety of complex tasks during a typical shift. They are our "on call" staffers who have often allowed us to keep the library doors open in the event of a vacation request or an unanticipated absence from a full-time Librarian. This line includes a starting hourly rate of \$16.66 for these employees (2.5% cost of living increase) along with a step scale based on years of employment.

For perspective, I'll include hourly rates from other nearby towns with similar position to our Library Associates.

Groton \$25.45-\$29.25/hr.

Montville \$19.37/hr.

New London \$16.50-\$20.00/hr.

Norwich \$17.00-\$22.00/hr.

Waterford \$20.99-\$27.54/hr.

Ledyard \$16.35-\$17.33/hr.

This line also includes the Sunday Supervisor hourly rate of \$23.25 (a 2.5% cost of living raise).

In addition, the Library Commission is in agreement to restore the Library Page position and request 15 hours per pay period with a minimum wage hourly rate of \$16.35 (2025). This is a great job for a local High School student and will help redistribute workflow in both library buildings. We have added several new collections and responsibilities to our Library Associate's tasks and they no longer have as much time to keep up with the shelving. The last few years our overall circulation has increased more than 10% meaning there are more books that need to be shelved as a result.

This line includes funding so library staff can attend conferences and professional development opportunities to learn about current library trends, network, enhance knowledge, and be informed of future grant options.

Library Director to attend a National Library Conference and one/two staff to attend local Connecticut Library Association Conference.

This line is mainly for our WPCA monthly water fees (anticipating a 3% increase), along with our photocopier rent/imaging fees. It also includes the Bill and Gales Ferry Library annual rent.

No new printers or photocopiers are needed. However, we need to upgrade our Microsoft Office Suite licenses for our public computers. This line includes the estimated cost of 12 perpetual licenses through TechSoup.

Both library buildings' phone lines and faxing services are included here. This account covers two phone lines and one fax line at Bill Library and one phone line and one fax line at Gales Ferry Library.

Operations include supplies (office, building, processing materials, printers, and craft) along with annual dues and an additional \$1,000 over last FY for Children's Library programming.

We currently belong to the LION Consortium. Fees will increase again this year. Belonging to a library consortium is an essential need for our library and community because of the benefit of shared resources, support, and more. I think it is important for us to consider all our options in the state for consortium membership to see if LION is really the best option for Ledyard.

This fee covers Ledyard's share of all the ongoing operating costs incurred by the LION cooperative library automation network. This includes troubleshooting computer issues and other equipment. LION membership benefits include a full online public catalog, a fully integrated automation system, delivery of materials between LION libraries, website hosting, and email accounts for library staff.

In addition to consortium membership, this line includes internet access and fiber maintenance fees (discounted through E-Rate) as well as the Bill Library self-checkout machine software/maintenance, and web protection firewalls/network protection.

In addition to the LION fee this account covers the network cost for both libraries, the annual fiber maintenance cost and part of the delivery fee of materials to our library.

LION Fee	38,500
Bill Network cost	
@ \$145/month	1,740
Annual maintenance	
cost for fiber	300
Gales Ferry network cost (Cable)	
@ \$100/month	1,200
Delivery Service	1,060
(Partial funding from the book account)	

Costs for collection materials have continued to increase and our book vendor contracts are changing. We used to receive a 45% discount on several of our book purchases, but won't receive that same discount moving forward. Back in 2012, Ledyard Library had a \$60,000 budget for collection materials. As libraries continue to evolve, our patrons are now expecting instant access to materials. In addition, there are several areas of our collection that need to be updated to provide the best service and relevant materials to our community. Last year, the state average per capita expenses for library materials was \$5.09, and Ledyard spent \$4.78.

Included in this line is nearly \$7,000 for e-materials that LION purchases on our behalf as part of our membership. This fee for e-materials is required with LION membership.

Hoopla, a popular digital collection, is averaging around \$1,500 per month. We will not be able to afford to pay these monthly invoices if our book budget isn't increased.

Parks, Recreation, and Senior Center Director. 3% projected increase.

Assistant P&R Director. Step increase included. Current supervisor's contract expires 6/30/25.

P&R Office assistant, Park Maintainer, and Nutrition Site Supervisor. 3% increase for all three positions per CBA in addition to any step increases.

Part time SR CTR receptionist

Funds used to pay for weekend janitors for Youth

Basketball, wrestling and indoor soccer.

Transportation provided by town-employed vehicle drivers to Seniors' medical and wellness appointments. Includes 1 FT and 1 Per Diem driver.

Water, Gas, and Cable/Internet bills

Monthly fee for the SECT Senior Center web site.

Turf management, grass cutting and maintenance contracts for all parks, athletic facilities, the beach and old office.

Said account is to maintain 7 play areas, one beach four major parks, 4 pavilions ,11 baseball ,6 softball, 9 soccer, 4 practice and one official football fields. three irrigation systems along with 4 facilities under the lights.

Required for maintenance and repair for two handicapped-accessible vans, a mini van, and sedan.

Provides mobility to Seniors for medical appointments, grocery shopping, and banking. Required for purchase of tires and maintenance of specialty equipment such as hydraulics. Necessary for state mandated safety inspections. replacement parts and repairs.

Account is used for supplies at various programs, office, playgrounds, first aid to all leagues along with support to 5 major town functions and three Southeastern CT Dualathlons and Triathlons. Summer staff training along with background checks.

Pays for all athletic fields, parks, community center, and aerators at beach.

estimates based on 7% indicator

Mayor moved BOE health insurance (active & retiree) over to BOE.

Active - \$6,069,790

Retiree - \$525,000

General Obligation bond principal. See budget spreadsheet for individual bonds - will need to be updated for May '24 anticipated borrowings

General Obligation bond interest. See budget spreadsheet for detail - will need updating for anticipated May '24 borrowings.

Debt payments to State Drinking Water Fund for the 2010 issue.

Interest to State Drinking Water Fund for e 2010 issue.

Contribution to Water and Sewer funds to pay Clean Water and Drinking Water Funds loans, and General Obligation bonds.

To be used for costs associated with May '24 borrowings.

Taxpayer contribution to Capital Improvement Program. See CIP section of budget for detail.

JUSTIFICATION

Request fair & equitable compensation for workload/ duties / responsibilities including serving as an Administrator and supporting staff and volunteers with the Granicus-Legistar System. Also serving as Deputy Treasurer.

In addition to overseeing the day to day operation of the Town Council Office and drafting/managing routine correspondence/emails, letters, memos, Resolutions, Ordinances, managing the Department Budget-Purchase Orders, I currently handle/support 96 meetings per year, not including Budget Work Sessions, Site Walks, Public Hearings, Special Town Council Meetings, and Special Town Meetings.

In accordance with Chapter III, Section 11 of the Town Charter: "The Town Council shall annually designate an independent public accountant or firm of independent public accountants to audit the books and accounts of the Town in accordance with the provisions of the General Statutes".

In accordance CGS 7-396 and 4-232 the Office of Management and Policy (OPM) must be notified of the Municipalities Appointed Auditor 30 days (May 31st) before the end of the Fiscal Year.

Funding to purchase toner & other supplies to print the budget for the Public Hearing & Annual Town Meeting.

General Miscel. Office Supplies:\$1,820 for things such as: Archival Paper for Minutes, Binders, DVD's; Name Plates, Frame TC Photo, Folders, etc.

(No Increase)

Funding for Members of the Town Council to attend CCM Trainings, etc.

This budget line was previously used for the Treasurer to attend GFOA (Government Financing Officers Association meetings.

During the past few years the Treasurer has not attended the CT GFOA quarterly Meetings and does not plan to attend next year.
\$1.00 has been included in the Budget so that there was a line to allocate funding too, should the town choose to provide a Volunteer Appreciation Event.

Purchase General Office Supplies:\$1,820 for things such as: Archival Paper, Binders, DVD's; Name Plates, Frame TC Photo, Folders, etc.

(No Increase)

Provides Supplies to print the annual budget. (No Increase)

Members of the Town Council have expressed interest in attending CCM Trainings, etc. In speaking to the Mayor, \$1,500 has been added to the Town Council Operating Budget to pay for Trainings.

This account was previously used for GFOA Membership for Treasurer. Currently being paid from the Finance Department Budget

add administrative duties to assist public works director.

Increased social services workload. Add administrative duties to assist public works director.

This account is the only account within the Mayor's budget to provide for the unforeseen expenses or expenses that cannot be fit into another line item.

Reproduction/scanners/printers are necessary for the operation of Town Hall.

Required by CGS to publish legal notices.

Membership is vital to the cooperation between municipalities when working toward regionalization.

It is vital that we continue our membership to effectively lobby the State of Connecticut on issues concerning our Town.

new Director came in at \$95,000.

Anticipated:4 contract negotiations

Attend conferences, workshops and continuing education for HR to stay updated on changing laws and policies.

Numbers are based on current enrollment.

increased turnover

3 projected totaling \$75,000

Increased contractual rates and contributions

Increase for registrars based on \$30 per hour at 10 hours per week.

Increase for deputy registrars based on \$25 per hour at 10 hours per week.

Frontier provides 911 system per state contract
Necessary for operations.

The collective bargaining agreement provides for a \$35 monthly cleaning allowance for each of 8 full time dispatchers (\$3360). The agreement also provides for 8 uniform shirts (\$3200), 4 pants or up to \$400 reimbursement for pants (\$3200).

Essential to maintain state certifications.

Weekend staffing for Animal Control

Required by state statute.

Annual expenditure per state regulations.

This item used for Fire Marshal overtime or Dep Fire Marshal call-in in case of Fire Marshal not available.

This line item covers all telephone and fax costs for the Emergency Services Building -- Ledyard Fire Company, Fire Marshal.

This line item is essential to the operation of this office and operations of the other agencies in the ESB.

Uniform cleaning & maintenance (contract)

This amount is based on new code publications being required to support code updates.

\$6,000 Fire Chief Stipend

Training of newly recruited and existing volunteers including career staff. Covers all aspects of training, including: basic/advanced firefighting training, EMS training, mandatory refresher courses, OSHA training, Live Fire Training, hosting courses, etc.

NFPA now requires appliances and hard suction to be tested, currently we do not have a means of testing this equipment. Requesting to add hose testing in addition. NFPA requires all fire hose to be tested annually, currently the company test the hose ourselves which is a safety risk and time consuming for the volunteers to complete.

This line item continues to be a challenge due to an aging fleet and mechanical breakdowns. Item increased to reflect growing repair needs.

Chief Officer cell stipend and Active911 departmental subscription.

Increase due to rising costs of software programs and supplies

Volunteer and career uniforms and PPE. Career firefighter uniforms and PPE are contractual items.

This amount is necessary to keep up with new NFPA requirements, fire service best practices, new trends, safety items and providing basic fire, rescue and EMS services to the Town of Ledyard.

Incentive payout to top 20 responding members of the department to encourage call response and training participation.

Compensation for town, department, and committee meetings attendance; daily department business hours to ensure all paperwork and agency requirements are met for budgetary, personnel, laws, rules and regulation are adhered to. Fire Chief is not in the annual incentive program set aside for the volunteers.

\$1500.00 raise in the line item is requested to off set the decline in use of a town vehicle (savings of \$20,000 to the town) and use of a personal vehicle to perform town duties. Calculations from April - December 2024 (time I have served in office) reports roughly \$1718.44 in mileage compensation via the 2024 Federal mileage rate of \$0.68/mile.

OSHA, NFPA, Insurance, and Department of Public Health have required rules and regulations that require us to gain and maintain certain levels of training. This money pays for new volunteer and career personnel to achieve required training to perform at the levels of performance the Town has agreed to provide to the public.
Requesting funding to shift from having fire personnel testing department hose to certified contractors doing it.

There is an inherent risk to testing hose. Several cases of firefighter injuries due to failed hoses under high pressure have been documented around the local area (including 2024 Groton City Fire Department and 2008 Sub Base Fire Department). A close call was experienced by our own department in 2022. Fortunately, no firefighters were injured.
Essential for communication operations.

To meet laws, rules and regulations on equipment; OSHA, Dept. of Transportation, NFPA Standards.

To ensure general operation of the fire department is met.

Funds for electrical, water, heat, and other expenses related to keeping town apparatus and equipment operational.

Compliance with DOT and federal highway safety standards on maintenance. Compliance with National Fire Protection Assn. guidelines and standards for emergency vehicle repairs and maintenance.

Increase of \$4000 represent the cost for a required five year major inspection of aerial device (R25) that is due in 2025.

We are required to keep clothing in compliance with the current National Fire Protection Association standards as well as conform/meet with laws, rules, and regulations for OSHA, NFPA, DOT, and more.

Some contractual uniform expenses are a part of this for career personnel.

Fire police have been requested often by the police department and utility agencies to assist with traffic control.

There has been a decline in use of these funds over the past years. A decrease in \$500 was made.

Funds are used for items that don't fall into CIP funds or annual operational funds. This equipment often includes, but is not limited to, larger EMS supplies, HAZMAT metering, and firefighting equipment like ventilation fans, chainsaws, etc.

To help incentivize members who volunteer thousands of hours each year through training, maintenance, administrative work, and emergency responding to incidents in the Town of Ledyard.

Ledyard, CT 06339-1551
Telephone (860) 464-3222
FAX (860) 464-1126

March 3, 2025

Ledyard Town Council
S. Naomi Rodriguez, Chairman
741 Colonel Ledyard Hwy.
Ledyard, CT 06339

Chairman Rodriguez,

Enclosed you will find the proposed FY 25-26 budget (FY26) which has been prepared by my office in accordance with the Ledyard Town Charter. The proposed budget, including both governmental divisions (General Government and Board of Education) is \$71,198,558 and calls for a Mil Rate of 38.36, which represents a \$3,767,985 dollar increase and a 3.15 mil tax increase. The proposed increase exceeds guidance provided in the Budget Letter of Directive but is primarily a direct result of proposed Board of Education increases. General Government increases by 2.77%, while the Board of Education increases by 7.08%. My paramount concern remains affordability to our residents as we currently have the highest mil rate in New London County. As presented, the proposed mil rate will move Ledyard to nearly 10 mils higher than Colchester, and more than 10 mils above Montville and East Lyme, comparable municipalities by size and population. This increase will impact greatly the affordability to our residents. Another expected impact is the statutorily required revaluation occurring now, impacting the FY27 budget. The United Way 2024 "ALICE in the Crosscurrents" shows Ledyard now with 31% of our residents below the ALICE Threshold¹. The ALICE acronym stands for "Asset Limited Income Constrained and Employed". Facing substantial tax increases, these vulnerable residents (presently, nearly one third of our residents) will be making difficult decisions regarding mortgages/rents, heating, electricity and food, among other necessities. This proposed rate of taxation has a high likelihood of increasing the ALICE numbers in our town.

On the revenue side, one key driver to this challenging budget is a *decrease* of the Grand List by **1.6% or \$21,023,784** in assessed value. This valuation decline equates to a \$740,247 tax loss and represents one of the three greatest Grand List decreases in the past 15 fiscal years. The decrease is primarily driven by the **new state methodology for motor vehicle valuation. This resulted in a 13% decline in motor vehicle valuations. The new motor vehicle taxation model, which will commenced in October 2024 utilizes the vehicles MSRP (Sticker Price) in year one, followed by a 20% depreciation in year two, then a straight-line annual depreciation of 5%. New legislation does permit municipalities to change the depreciation schedule by Council vote, which would move to MSRP, then 90% in year two, 85% in year three and so on. This change will reduce the Grand List decline to 0.64% as opposed to the 1.6% and recover nearly \$444,000 in taxes. Also, the latest revision to the disabled veterans tax exemption language is still problematic. Should the language of the bill stand the revenue loss in Ledyard will be at least \$425,000 and as much as \$520,000.**

On the General Government portion, 22 segments of the 45 total departmental segments include increases of 0% to 4%. Two segments have 4.1% to 5% increases, 4 segments have 5.1% to 7% increases, one segment increases between 7.1% and 9% (wages only) and 8 segments increase by 10%+. Primary cost drivers to the General Government budget are as follows: Wages (+\$402,845 across all Gen. Gov. depts); Defined Contribution Retirement plan match (+\$160,000

or 35.2%); Solid Waste disposal (+\$100,500 or 15.4% to reflect new contract); Healthcare (\$76,750 or 7.3%); Tipping fees (+\$45,000 or 10.6% to reflect increased per ton disposal fees); Property Insurance (+\$34,350 or 6.3%); Police Training Salary (+\$31,500 to support two new cadets for two pending retirements); Electricity (+\$30,000 or 20%); Registrars and Elections (+\$15,811 or 15.8%) and finally Dispatch-Contract Maintenance/Leases (+\$11,674 or 27.4%). We continued to fine tune the Town Hall staffing schedule, gaining some efficiency with the reduction of 1 FTE to 0.5 FTE. We also launched Cloudpermit™, the online building and zoning permit platform to make the permitting process more streamlined for the consumer, completing applications remotely at any hour/day, while streamlining the permit tracking for Town staff as well. For awareness, most departments within the Town Hall are staffed with one Department Head and one employee. Outside Town Hall, the Police Department employs 35, including dispatchers and ACO, followed by the Public Works Department with 18 full-time employees, including the Town Engineer.

Total expenditures for the proposed FY26 budget increased by a blended \$3,767,985 (+5.59%). **General Government** calls for a \$644,606 increase (+2.77%), including wage increase for department heads, a \$76,750 increase in Healthcare expenses and \$110,000 increase for Retirement funding. The **Board of Education** seeks an increase of \$3,123,379 (+7.08%), which includes a \$875,000 increase for BoE Healthcare; an \$870,243 increase in teachers' salaries; \$546,719 for Other Purchased Services; \$166,239 for Equipment; \$140,308 for Purchased Property Services; \$139,902 for Professional/Tech Services and \$66,775 for Supplies, representing some of the larger increases. For FY26, the Town's healthcare consultant recommended budgeting between an 8% to 10% premium cost increase. This budget includes using the top percentage figure as the true increases have not yet been established by the provider. The town remains in a commercial healthcare plan as we chased savings for several years with other options. Residing on the General Government side but as a pass-through to the Board of Education as an "In-Kind" expense until the school nurse contract expires, School Nursing expenses increased by \$32,198 or 6.8%- primarily wage-driven. Inflation continues to play a role in the FY26 budget, as is evident in labor, fuels, electricity and contracted services to name a few.

The Capital plan- which saw the highest level of funding ever in FY25 includes a tax levy of \$1,606,450. After several years funding at the highest levels, the current budget climate calls for this budget to pull back slightly on the Capital Investment to balance taxation levels with the Capital needs. This year still represents the third highest funding level in the past nine fiscal years.

The proposed budget also includes use of the Mil Rate Stabilization Fund (\$1,290,422) to partially offset some of these increases. We continue to maintain a balance of \$54,000 in the Healthcare Reserve as partial failsafe should the Town need to consider moving to the self-funded model.

Ledyard's Mil Rate is the highest of all municipalities in Southeastern CT². Comparable towns by population, per 2020 US Census are: Colchester (15,555), Stonington (18,347), Montville (18,385), East Lyme (18,693) and Waterford (19,603). When taking into consideration each municipality Grand List³ (The tax base) compared to Ledyard, Colchester is +27%, Stonington +320%, Montville +28%, East Lyme +221% and finally Waterford at +359%. The "ability to pay" is greater by a significant factor when compared to Ledyard. Also noteworthy: each of those comparable towns have mil rates at 28.67 mils or less, the highest being more than 33% less than Ledyard. Grand List growth lags in Ledyard and has for many years. Growth stagnation is our Achilles heel. Grand List growth allows a more even distribution of tax burden, as taxes are spread across Industrial, Commercial and Residential segments. Each of the noted towns have a far greater proportion of their Grand List composed of Commercial/Industrial valuations, lessening the tax burden on their residential homeowners.

For FY26, Debt Service decreases by 2.72% or \$107,580. Current Debt Service represents 2.98 mils (Interest only equals 0.71 mils) in taxation and the percentage of current debt to tax levy has now fallen to 5.3%.

General Government continues tight management of expenses, seeking reductions where possible, regionalizing efforts with the Tax Assessor (shared with Preston) as well as one Public Works FTE (shared with Preston). We completed Department consolidations of the Tax Assessor with the Tax Collector and the Building Department with the Land Use Department. The restructuring of Parks and Recreation with the Senior Center continues to gain efficiency as well as increased programming for both seniors and Parks and Rec. We continue to seek additional regional opportunities, while

also recognizing few new opportunities exist for continued General Government consolidation and savings, short of a return to a county form of Government. The Connecticut taxation model is unsustainable and proves overly burdensome to taxpayers. Per Forbes Magazine “Examining the Cost of Living By State in 2024”, Connecticut ranks as the 9th most expensive state to live, after Washington State and ahead of Oregon⁴.

In reviewing the Town’s retirement plan, Ledyard’s 88.7% funded rate is considered one of the best in the State of CT. This is continued positive news for both our retirees and our taxpayers and a clear indication that the town is managing legacy costs properly and allocated funds are managed well by the private sector. For perspective, the State of CT has \$90 Billion of unfunded pension and retiree healthcare obligations outstanding⁵ (highest per capita liability in nation), while Ledyard has \$4.2M outstanding and a conservative assumed rate of return of 6.25%.

The Road Surface Rating (RSR) as provided by BETA Engineering currently sits at 86.50 (on a 100-point scale)⁶. This represents Ledyard’s highest road rating ever. The BETA Plan seeks an annual investment of approximately \$1,000,000 in road restoration to maintain our rating. Substantial decreased funding to road resurfacing costs far more when roadbeds fail as opposed to continued preventative maintenance as we do now. This budget funds road restoration at \$900,000 – funding at a slightly lower level than the current fiscal year. Determining Ledyard’s comfort level in a road rating range is important, with the underlying premise that 90 -100 is neither feasible, nor financially practical. In consulting with Public Works Director Masalin, the recommendation is to continue the current trajectory, with an annual rating of 83-85, which we believe represents the ideal combination of rating and affordability for the Town of Ledyard. According to BETA Engineering, Ledyard boasts one of the best road ratings in the area.

The Capital Plan for FY26 recommends a scheduled replacement of one police cruiser, down from the two requested. An internal policy added several years ago increased the service cycle to a minimum of 130,000 miles (previously, we disposed of cruisers at or near 100,000 miles) and one cruiser still has a year of service. While we sometimes experience increased maintenance costs associated with the longer service cycle, the cost-benefit analysis proves this out. The total cost to acquire and upfit each new cruiser today is slightly more than \$53,000.

Notable Board of Education Capital projects included for funding are: Continued renovations to LHS Science lab upgrades (\$125,000), JWL Classroom renovations (\$135,000), replacement of the turf field scoreboard at LHS (\$55,000), LHS baseball field renovation (\$45,000) and GHS driveway drainage updates (\$30,000). Please review the Capital Improvement Plan contained in the FY26 budget book for review of all projects and projected expenditures.

FY26 will be the first year of the State’s new biennial budget, currently in legislative negotiations. Fiscal guardrails prevent additional funding to municipalities without removal of other programs. The Governor’s proposed budget calls for level funding Ledyard for the 6th straight year- despite inflationary pressures. We continue to track an array of legislation and how it may impact our town, in the form of unfunded mandates. One recent example is early voting, which included an unfunded cost of more than \$25,000. If no State grant exists this coming year, that cost is projected to increase to around \$45,000.

In seeking the most efficient local government, I continue to ask the question “What is the role of local government?” In doing so, I continue to refine what local government must provide our residents to help mitigate the cost burden to all. Town-wide trash /recycling collection is a good example of what purchasing power can do for our residents.

Sincerely,

Fred B. Allyn III, Mayor

March 3, 2025

Ledyard Town Council
S. Naomi Rodriguez, Chairman
741 Colonel Ledyard Hwy.
Ledyard, CT 06339

Chairman Rodriguez,

Enclosed you will find the proposed FY 25-26 budget (FY26) which has been prepared by my office in accordance with the Ledyard Town Charter. The proposed budget, including both governmental divisions (General Government and Board of Education) is \$71,198,558 and calls for a Mil Rate of 38.36, which represents a \$3,767,985 dollar increase and a 3.15 mil tax increase. The proposed increase exceeds guidance provided in the Budget Letter of Directive but is primarily a direct result of proposed Board of Education increases. General Government increases by 2.77%, while the Board of Education increases by 7.08%. My paramount concern remains affordability to our residents as we currently have the highest mil rate in New London County. As presented, the proposed mil rate will move Ledyard to nearly 10 mils higher than Colchester, and more than 10 mils above Montville and East Lyme, comparable municipalities by size and population. This increase will impact greatly the affordability to our residents. Another expected impact is the statutorily required revaluation occurring now, impacting the FY27 budget. The United Way 2024 "ALICE in the Crosscurrents" shows Ledyard now with 31% of our residents below the ALICE Threshold¹. The ALICE acronym stands for "Asset Limited Income Constrained and Employed". Facing substantial tax increases, these vulnerable residents (presently, nearly one third of our residents) will be making difficult decisions regarding mortgages/rents, heating, electricity and food, among other necessities. This proposed rate of taxation has a high likelihood of increasing the ALICE numbers in our town.

On the revenue side, one key driver to this challenging budget is a *decrease* of the Grand List by **1.6% or \$21,023,784** in assessed value. This valuation decline equates to a \$740,247 tax loss and represents one of the three greatest Grand List decreases in the past 15 fiscal years. The decrease is primarily driven by the new state methodology for motor vehicle valuation. This resulted in a 13% decline in motor vehicle valuations. The new motor vehicle taxation model, which will commenced in October 2024 utilizes the vehicles MSRP (Sticker Price) in year one, followed by a 20% depreciation in year two, then a straight-line annual depreciation of 5%. New legislation does permit municipalities to change the depreciation schedule by Council vote, which would move to MSRP, then 90% in year two, 85% in year three and so on. This change will reduce the Grand List decline to 0.64% as opposed to the 1.6% and recover nearly \$444,000 in taxes. Also, the latest revision to the disabled veterans tax exemption language is still problematic. Should the language of the bill stand the revenue loss in Ledyard will be at least \$425,000 and as much as \$520,000.

On the General Government portion, 22 segments of the 45 total departmental segments include increases of 0% to 4%. Two segments have 4.1% to 5% increases, 4 segments have 5.1% to 7% increases, one segment increases between 7.1% and 9% (wages only) and 8 segments increase by 10%+. Primary cost drivers to the General Government budget are as follows: Wages (+\$402,845 across all Gen. Gov. depts); Defined Contribution Retirement plan match (+\$160,000

or 35.2%); Solid Waste disposal (+\$100,500 or 15.4% to reflect new contract); Healthcare (\$76,750 or 7.3%); Tipping fees (+\$45,000 or 10.6% to reflect increased per ton disposal fees); Property Insurance (+\$34,350 or 6.3%); Police Training Salary (+\$31,500 to support two new cadets for two pending retirements); Electricity (+\$30,000 or 20%); Registrars and Elections (+\$15,811 or 15.8%) and finally Dispatch-Contract Maintenance/Leases (+\$11,674 or 27.4%). We continued to fine tune the Town Hall staffing schedule, gaining some efficiency with the reduction of 1 FTE to 0.5 FTE. We also launched Cloudpermit™, the online building and zoning permit platform to make the permitting process more streamlined for the consumer, completing applications remotely at any hour/day, while streamlining the permit tracking for Town staff as well. For awareness, most departments within the Town Hall are staffed with one Department Head and one employee. Outside Town Hall, the Police Department employs 35, including dispatchers and ACO, followed by the Public Works Department with 18 full-time employees, including the Town Engineer.

Total expenditures for the proposed FY26 budget increased by a blended \$3,767,985 (+5.59%). **General Government** calls for a \$644,606 increase (+2.77%), including wage increase for department heads, a \$76,750 increase in Healthcare expenses and \$110,000 increase for Retirement funding. The **Board of Education** seeks an increase of \$3,123,379 (+7.08%), which includes a \$875,000 increase for BoE Healthcare; an \$870,243 increase in teachers' salaries; \$546,719 for Other Purchased Services; \$166,239 for Equipment; \$140,308 for Purchased Property Services; \$139,902 for Professional/Tech Services and \$66,775 for Supplies, representing some of the larger increases. For FY26, the Town's healthcare consultant recommended budgeting between an 8% to 10% premium cost increase. This budget includes using the top percentage figure as the true increases have not yet been established by the provider. The town remains in a commercial healthcare plan as we chased savings for several years with other options. Residing on the General Government side but as a pass-through to the Board of Education as an "In-Kind" expense until the school nurse contract expires, School Nursing expenses increased by \$32,198 or 6.8%- primarily wage-driven. Inflation continues to play a role in the FY26 budget, as is evident in labor, fuels, electricity and contracted services to name a few.

The Capital plan- which saw the highest level of funding ever in FY24 includes a tax levy of \$1,606,450. After several years funding at the highest levels, the current budget climate calls for this budget to pull back slightly on the Capital Investment to balance taxation levels with the Capital needs. This year still represents the third highest funding level in the past nine fiscal years.

The proposed budget also includes use of the Mil Rate Stabilization Fund (\$1,290,422) to partially offset some of these increases. We continue to maintain a balance of \$54,000 in the Healthcare Reserve as partial failsafe should the Town need to consider moving to the self-funded model.

Ledyard's Mil Rate is the highest of all municipalities in Southeastern CT². Comparable towns by population, per 2020 US Census are: Colchester (15,555), Stonington (18,347), Montville (18,385), East Lyme (18,693) and Waterford (19,603). When taking into consideration each municipality Grand List³ (The tax base) compared to Ledyard, Colchester is +27%, Stonington +320%, Montville +28%, East Lyme +221% and finally Waterford at +359%. The "ability to pay" is greater by a significant factor when compared to Ledyard. Also noteworthy: each of those comparable towns have mil rates at 28.67 mils or less, the highest being more than 33% less than Ledyard. Grand List growth lags in Ledyard and has for many years. Growth stagnation is our Achilles heel. Grand List growth allows a more even distribution of tax burden, as taxes are spread across Industrial, Commercial and Residential segments. Each of the noted towns have a far greater proportion of their Grand List composed of Commercial/Industrial valuations, lessening the tax burden on their residential homeowners.

For FY26, Debt Service decreases by 2.72% or \$107,580. Current Debt Service represents 2.98 mils (Interest only equals 0.71 mils) in taxation and the percentage of current debt to tax levy has now fallen to 5.3%.

General Government continues tight management of expenses, seeking reductions where possible, regionalizing efforts with the Tax Assessor (shared with Preston) as well as one Public Works FTE (shared with Preston). We completed Department consolidations of the Tax Assessor with the Tax Collector and the Building Department with the Land Use Department. The restructuring of Parks and Recreation with the Senior Center continues to gain efficiency as well as increased programming for both seniors and Parks and Rec. We continue to seek additional regional opportunities, while

also recognizing few new opportunities exist for continued General Government consolidation and savings, short of a return to a county form of Government. The Connecticut taxation model is unsustainable and proves overly burdensome to taxpayers. Per Forbes Magazine “Examining the Cost of Living By State in 2024”, Connecticut ranks as the 9th most expensive state to live, after Washington State and ahead of Oregon⁴.

In reviewing the Town’s retirement plan, Ledyard’s 88.7% funded rate is considered one of the best in the State of CT. This is continued positive news for both our retirees and our taxpayers and a clear indication that the town is managing legacy costs properly and allocated funds are managed well by the private sector. For perspective, the State of CT has \$90 Billion of unfunded pension and retiree healthcare obligations outstanding⁵ (highest per capita liability in nation), while Ledyard has \$4.2M outstanding and a conservative assumed rate of return of 6.25%.

The Road Surface Rating (RSR) as provided by BETA Engineering currently sits at 86.50 (on a 100-point scale)⁶. This represents Ledyard’s highest road rating ever. The BETA Plan seeks an annual investment of approximately \$1,000,000 in road restoration to maintain our rating. Substantial decreased funding to road resurfacing costs far more when roadbeds fail as opposed to continued preventative maintenance as we do now. This budget funds road restoration at \$900,000 – funding at a slightly lower level than the current fiscal year. Determining Ledyard’s comfort level in a road rating range is important, with the underlying premise that 90 -100 is neither feasible, nor financially practical. In consulting with Public Works Director Masalin, the recommendation is to continue the current trajectory, with an annual rating of 83-85, which we believe represents the ideal combination of rating and affordability for the Town of Ledyard. According to BETA Engineering, Ledyard boasts one of the best road ratings in the area.

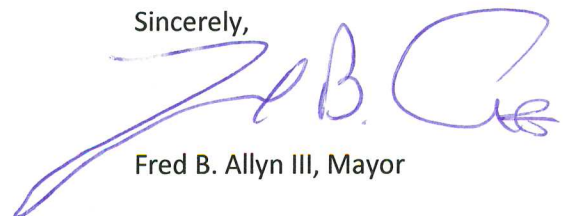

The Capital Plan for FY26 recommends a scheduled replacement of one police cruiser, down from the two requested. An internal policy added several years ago increased the service cycle to a minimum of 130,000 miles (previously, we disposed of cruisers at or near 100,000 miles) and one cruiser still has a year of service. While we sometimes experience increased maintenance costs associated with the longer service cycle, the cost-benefit analysis proves this out. The total cost to acquire and upfit each new cruiser today is slightly more than \$53,000.

Notable Board of Education Capital projects included for funding are: Continued renovations to LHS Science lab upgrades (\$125,000), JWL Classroom renovations (\$135,000), replacement of the turf field scoreboard at LHS (\$55,000), LHS baseball field renovation (\$45,000) and GHS driveway drainage updates (\$30,000). Please review the Capital Improvement Plan contained in the FY26 budget book for review of all projects and projected expenditures.

FY26 will be the first year of the State’s new biennial budget, currently in legislative negotiations. Fiscal guardrails prevent additional funding to municipalities without removal of other programs. The Governor’s proposed budget calls for level funding Ledyard for the 6th straight year- despite inflationary pressures. We continue to track an array of legislation and how it may impact our town, in the form of unfunded mandates. One recent example is early voting, which included an unfunded cost of more than \$25,000. If no State grant exists this coming year, that cost is projected to increase to around \$45,000.

In seeking the most efficient local government, I continue to ask the question “What is the role of local government?” In doing so, I continue to refine what local government must provide our residents to help mitigate the cost burden to all. Town-wide trash /recycling collection is a good example of what purchasing power can do for our residents.

Sincerely,

Fred B. Allyn III, Mayor

Town of Ledyard

Proposed Budget Overview

FISCAL YEAR 2025-2026

PROPOSED BY TOWN OF LEDYARD AND BOARD OF EDUCATION

Budget Process

The annual budget process commences in November-December and prioritizes spending based on limited resources and staffing.

The proposed budget offers a set of priorities for the taxpayers to consider.

The budget contains the best revenue and expenditure data that is available at the time of budget development.

Budget Pressures

The Budget is a compilation of revenues from tax levy, State funding, grants as well as expenditures by Department, including borrowed monies for Capital projects and finally the Capital Improvement Plan, which identifies needs based on studies, estimates and consultant input. The greater the governmental “footprint”, the greater the need for present and future capital outlays.

Budget Highlights

Board of Education Expenditures as proposed increase by 7.08%, or \$3,123,379

General Government Expenditures as proposed increase by 2.77%, or \$644,606

Total Expenditures as proposed is \$71,198,558 or 5.59% increase

Items that increased the overall tax impact included Grand List decline of 1.6% and increased spending on the Board of Education side. Items that decreased the impact on taxation this year include a transfer in of \$1,290,509 from the Mil Rate Stabilization Fund.

	Adopted		Proposed		Increase (Decrease)	
	Budget FY 25 *		Budget FY 26		Dollars	Percentage
General Government	\$	7,891,247	\$	8,270,650	\$ 379,403	4.81%
Public Safety		4,733,022		4,962,718	229,696	4.85%
Public Works		3,193,638		3,477,515	283,877	8.89%
Health & Welfare		482,492		514,690	32,198	6.67%
Library		627,909		628,883	974	0.16%
Parks & Recreation		617,484		628,170	10,686	1.73%
Education		44,138,653		47,262,032	3,123,379	7.08%
Debt Service		3,955,030		3,847,450	(107,580)	(2.72%)
Capital		1,791,098		1,606,450	(184,648)	(10.31%)
	\$	67,430,573	\$	71,198,558	\$ 3,767,985	5.59%

* adjusted for impact of healthcare transfer to BOE

Funding of the Budget

The State of CT model is a regressive, tax heavy funding model. Property and Motor Vehicle Tax is the largest source of revenue to support municipal functions.

Our second largest revenue source is Federal and State Aid (primarily for education).

FY26 is the first year of the new State biennial budget. The State budget is in negotiations now but early indications point to another year of level funding, which translates as a reduction in funding, due to inflationary pressures and increased costs for fuels, insurance, wages and electricity.

Interest income from Reserve Accounts continues generating positive income due to the current interest rate environment. This of course is subject to change. Interest funds are used to help mitigate cost increases.

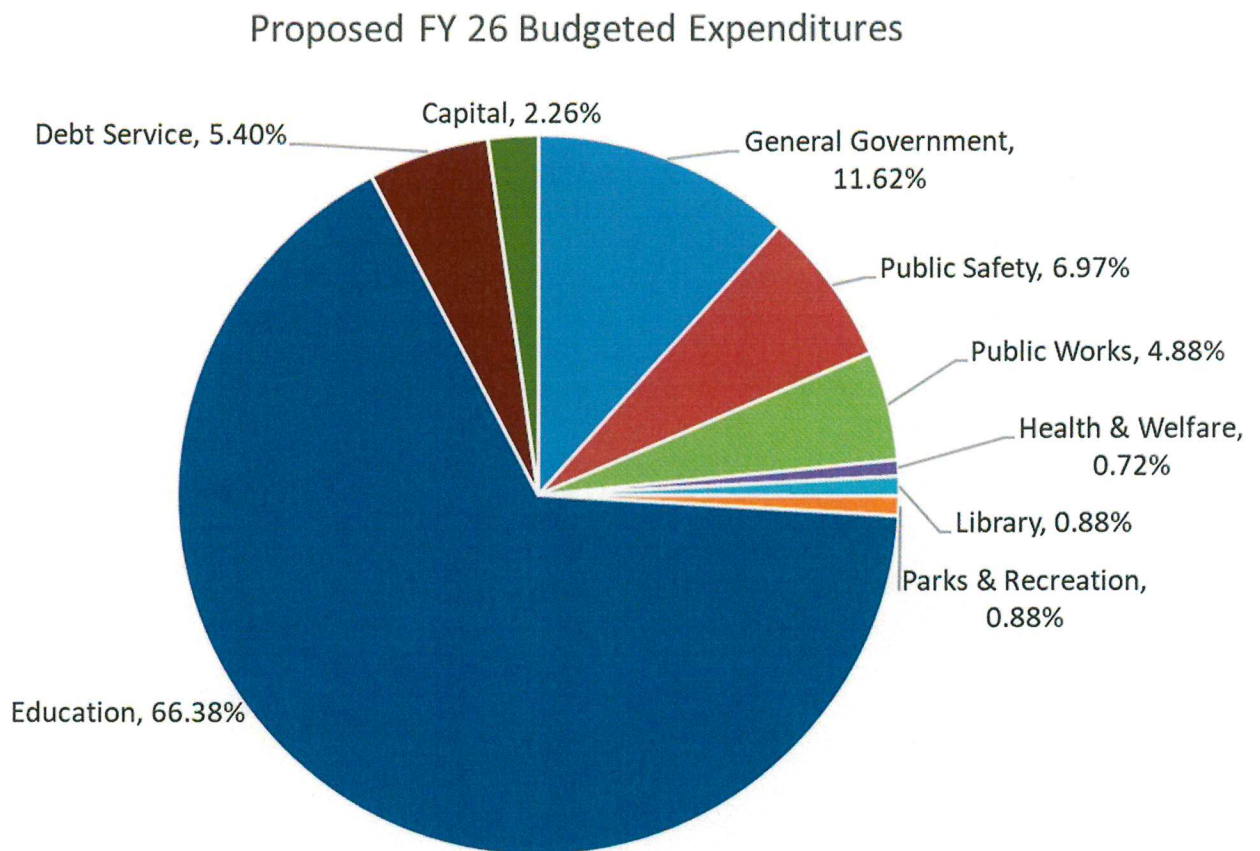

Fund Balance

Ledyard has historically maintained a lean Fund Balance (aka “Rainy Day Fund”). Fund Balance currently sits at 7.57% of our annual budget as a percentage of tax revenue. We do not utilize Fund Balance in this budget and have a May 23, 2018 policy that calls for an increase in Fund Balance to 10% by FY37. Fund Balance is a key determinant in long-term borrowing (Capital projects like schools, roofs, police dept.)

Expenditure Summary- General Government

Proposed General Government spending is projected to increase by \$644,606 to \$23,936,526- a 2.77% increase. This figure includes \$2,931,068 of “In-Kind” expenses- these are Board of Ed expenses that reside on the General Government side. In-Kind includes school nurses/aides, workers comp and insurance to name a few key expenses.

Key drivers of the General Government increases include: Wages, Insurance, Health Care, MIS Dept. (aging tech, increased software costs) and energy expenses.

Top Departments by Expense (Including fringe)

Police /ACO/ Dispatch: \$5,211,541

Public Works (including trash contract): \$3,705,246

Fire/Ambulance Services: \$958,053

Libraries: \$805,385

Parks and Rec / Sr. Center: \$735,957

Capital Improvement Plan

The FY26 Capital Improvement Plan (CIP) funds at \$1,606,450 of the tax levy- 3rd highest in last 9 years.

Key CIP Funding includes the following:

Fire apparatus replacement program \$307,444

Public Works Lg. trucks \$185,000

Road restoration \$155,659

JWL Classroom upgrades \$135,000

LHS Science Lab upgrades \$125,000

LHS Turf Field scoreboard \$55,000

Debt Service

Debt Service repays borrowed funds (debt issued). Current outstanding debt includes Ledyard Middle School, Gallup Hill School, Ledyard Police Station and Clean Water Funds for water main extensions.

Total Debt Service requires \$3,797,448 which represents a decrease of (\$157,582) from FY25. It is noted that \$916,040 of the aforementioned total is interest expense, or 0.71 mils in this budget.

Proposed Mil Rate

The proposed budget requires a mil rate of 38.36, which represents a 3.15 mil increase over FY25.

Assessment	FY25 Tax	FY26 Tax	Difference
\$150,000	\$5,182	\$5,754	\$472
\$250,000	\$8,803	\$9,590	\$787
\$350,000	\$12,324	\$13,426	\$1,102
\$450,000	\$15,845	\$17,262	\$1,417

The Value of a Mil of Taxes

One Mil of taxes = \$1,290,422

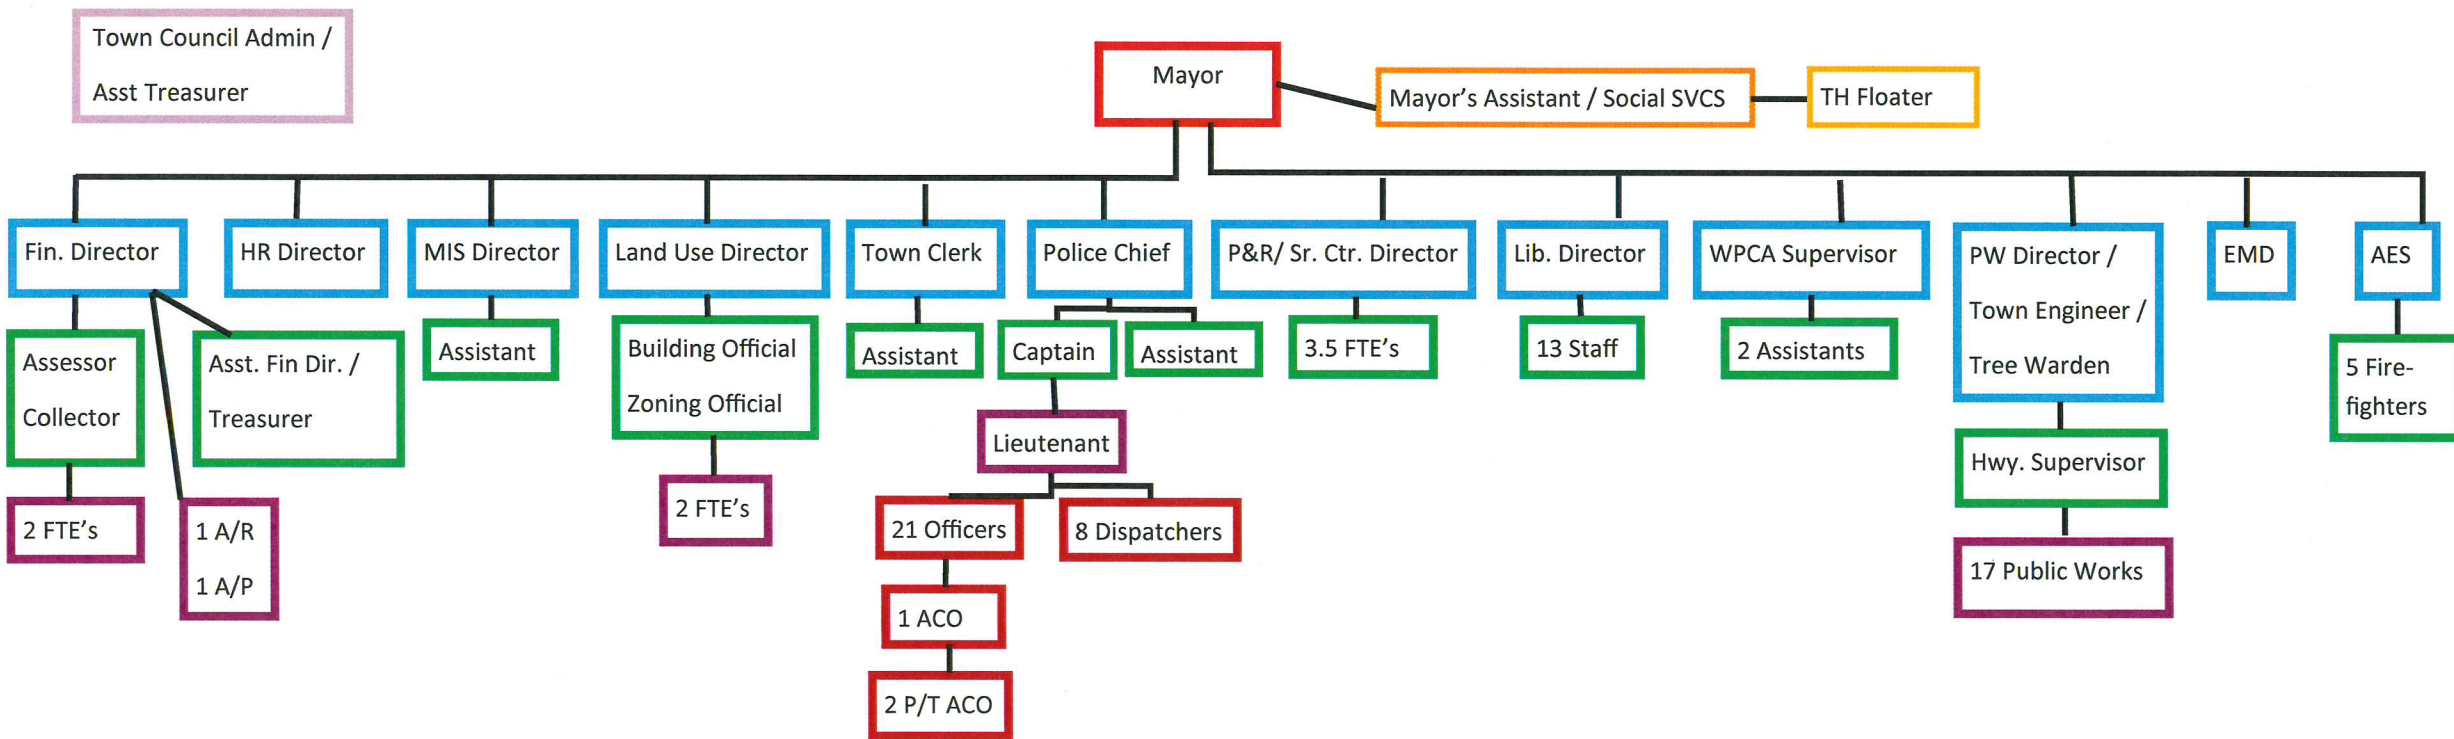

To increase/ decrease the mil rate by one tenth of a mil (0.10) requires *EITHER* new revenue (taxes) of \$129,042 *OR* reduced spending of \$129,042.

To a taxpayer with an assessed value of \$150,000, 1/10th of a mil of taxes equates to \$25.00 annually or \$2.08 per month.

TOWN OF LEDYARD CONNECTICUT

Fred B. Allyn III
Mayor

Kristen Chapman
Executive Assistant to the Mayor

741 Colonel Ledyard Highway
Ledyard, CT 06339-1551
Telephone (860) 464-3222
FAX (860) 464-1126

Re: Contingency Plan

Pursuant to Chapter VII, Section 1 of the Town Charter, revised 12/3/2018, the Mayor is required to include in the budget submittal “plans for dealing with additional reductions in State funding that might occur after the General Government and Board of Education budgets are approved at referendum.”

The following outlines possible General Government reductions/ increases for FY26 that could cover up to \$501,536 if the State of Connecticut reduced funding to the Town of Ledyard after budget passage:

- **Reduce capital purchase of new police cruisers from 2 to 1: \$57,000**
- **Reduce MIS capital technology upgrades: \$30,000**
- **Reduce tax levied portion of capital road restoration: \$300,000**
- **Reduce Public Works Salt and Sand budget (#1014010107-56301): \$25,000**
- **Reduce retirement cashouts (#10110253-52206): \$5,000**
- **Eliminate seasonal help in tax office (#10112131-51300): \$9,800**
- **Eliminate memberships for EDC (#10114305-58100): \$7,236**
- **Increase building permit fees on interim basis: +\$12,500**
- **Utilize Surplus funds to budget shortfall: \$55,000**

It is noted that the General Government operates very lean in both expenses and staffing, so each of these items will have its own impact on the taxpayer- be it in the form of lesser road conditions, reduced services, reduced economic development opportunities, increased fees or a combination of the above.

Ledyard Public Schools BOE Budget Discussion 2025-2026

Mission Statement

Ledyard Public Schools provides every child with the experiences, supports, and opportunities necessary for life and success in our diverse and evolving world.

2024-29 Strategic Plan

STRATEGIES

ENHANCE PARTNERSHIPS WITHIN AND BEYOND THE SCHOOLS

Grow and develop relationships with staff, students, families, and members of the community to create belonging and partnerships that support the attainment of school and community goals.

PROVIDE OPPORTUNITIES FOR ALL STUDENTS

Promote opportunities and provide support to all students that allow them to advance skills, expand their understanding, and pursue their interests.

ENSURE ACTIVE, ENGAGED LEARNING

Engage students and staff to inquire, build understanding, and remain active participants in the learning process while contributing to the school community.

District BUDGET PRIORITIES:

- Continue opportunities for students in alignment with the strategic plan;
- Successful launch of the new literacy program (in compliance with the State of CT mandate) to benefit our students;
- Ongoing professional growth and support of our educators and staff;
- Continue enhancements and evolution of our intervention model;
- Continue to address and ameliorate achievement gaps and the number of students below basic on the SBAC.

Some Key Changes

- Security Enhancements
- Increased literacy intervention capacity with High Dosage Tutoring
- 4.0 FTE Paraeducators to support regular and special education programming
- 3.0 FTE Elementary STEM Teachers & Materials

25-26 Budget Adjustments

Contractual Salary increases		\$939,285
Inflationary adjustments, as follows:		
	Misc Inflationary Adjustments	\$68,989
	Transportation	\$77,251
	Utilities	\$44,800
	Special Education	\$482,569
	HVAC required services	\$37,000
Budget Savings		-\$134,915
Security enhancements		\$113,500
Budget Requests		\$668,939

Budget Recommendations

2025-2026

BLUE - Reduction to budget	-\$134,915		
Request	Estimated Cost	Location	Type
Initial purchase reduction for grade 4-5 teachers and interventionists ipads	-\$6,825	Curriculum	Equipment
Reduction from Year 1 cost of mandated literacy program	-\$48,000	Curriculum	Supplies
Discontinue usage of Lexia software	-\$15,240	Curriculum	Supplies
Reduction in non-dedicated ambulance service	-\$1,350	LHS Athletics	Prof Serv
Expected heating oil decrease	-\$25,000	Maintenance	Supplies
Reduction in initial costs for program from the prior year	-\$15,000	LMS	Equipment
Reduction in initial supplies - unified arts	-\$4,500	LMS	Supplies
Remove CABA	-\$19,000	Districtwide	Other

*Order within levels does not necessarily indicate priority. **354**

LEDYARD PUBLIC SCHOOLS

Board of Education

Adopted 2025-26 BUDGET

Date Adopted: 02.11.2025

MEMORANDUM

TO: FRED ALLYN, MAYOR, TOWN OF LEDYARD
FROM: ANTHONY FAVRY, LEDYARD BOARD OF EDUCATION
SUBJECT: LEDYARD BOARD OF EDUCATION ADOPTED 2025-26 BUDGET
DATE: FEBRUARY 24, 2025

On behalf of the Ledyard Board of Education, sharing with you the 2025-2026 budget proposal for Ledyard Public Schools (LPS), which was formally adopted at our regular meeting on February 11, 2025. This budget reflects the collective efforts of our district leadership and Board members, all of whom are committed to supporting student achievement while remaining fiscally mindful to our community.

Ledyard Public Schools is a special place—our educators, administrators, and staff work tirelessly to provide a high-quality education for every student, and we are fortunate to have a community that values and supports our schools. As a district, we take great pride in delivering strong academic programs, while operating highly efficiently, at a cost below comparable and neighboring districts, ranking in the lowest 10% in per-pupil spending statewide.

This year's budget is built with a focus on preserving essential services, managing contractual obligations, and strategically investing in key priorities that align with our recently adopted District Strategic Plan which are focused on meeting the growing needs of our students, for whom their educational welfare is our top priority as referenced in our Board Bylaws.

- **70.2% of the proposed increase** is tied to maintaining required services, fulfilling contractual agreements (40.9%), and addressing inflationary cost increases (29.3%).
- **29.1% is allocated for targeted programmatic improvements**, including additional resources to enhance instruction and student support services.
- **4.9% is dedicated to security enhancements**, ensuring safe and secure learning environments across all schools.
- **1.6% reflects state-mandated HVAC services**, providing for required inspections/evaluations of these critical systems.
- These priorities are partially offset by **line-item reductions of 5.9%**, reflecting our ongoing commitment to fiscal responsibility.

Proactively pursuing grants continues to be a focus to offset growing costs. In recent years, LPS has secured \$1 million in competitive DoDEA grants to enhance curriculum and interventions in literacy and math at the elementary level. These grants covered initial program implementation costs, professional learning, and instructional materials—planned, critical and necessary investments that have strengthened teaching and learning in our schools. As these grants sunset, the ongoing costs for curriculum materials are now part of our operating budget ensuring education continuity.

Uncertainties and challenges remain, particularly in the areas of special services and facilities maintenance. The increasing need for specialized student services, coupled with a shortage of external providers, has driven up tuition and specialized transportation costs. Additionally, maintenance demands for the HVAC systems at LMS and GHS continue to rise, compounded by state-mandated but unfunded HVAC inspection requirements.

Budget Overview

The **proposed 2025-2026 Ledyard Public Schools budget is \$40,667,242**, reflecting a **\$2,297,419 (5.98%) increase** over the current fiscal year.

Key investments in this proposal include:

- Three (3) new Elementary STEM teachers to expand hands-on, inquiry-based learning opportunities.
- Security enhancements across all schools to ensure student and staff safety.
- Innovative high-dosage tutoring for literacy intervention, providing targeted support for students who need it most.
- Four (4) additional Paraprofessional positions to support both regular and special education teams.

As a Board, we remain dedicated to ensuring that every student has access to an excellent education while being mindful of our responsibility to taxpayers. We welcome your questions, feedback, and continued engagement as we move through the budget process.

Thank you for your ongoing support of Ledyard Public Schools and the students we serve.

Sincerely,

Anthony Favry
Chair, Ledyard Board of Education

**BOARD OF EDUCATION PROPOSED BUDGET
SECTION I: EXECUTIVE SUMMARY**

2025-26 Budget Breakdown

Salaries and Wages (object codes 51010-51300) – Increase \$1,200,049 (4.35%)

Teacher salaries support regular education activities, library media services, the special education program, pre-kindergarten program, guidance and career services, intervention, social workers, and school psychologists. Teacher Salaries (51030-51050) increased overall by \$870,243. This increase includes the contractual gross wage increase, plus step increases, with two known retirements, at this time. In addition, the 2025-2026 budget includes requests for 3.0 FTE ScienceTechnologyEngineeringMath (STEM) teachers at the elementary level to support expanded coursework that align with our strategic plan’s commitment to engage our students in rigorous learning experiences.

School Administration is involved in activities associated with directing and managing individual schools’ operations following system-wide policies and standards. The administration is responsible for the supervision of all school operations, including oversight of curriculum and instruction, students’ academic and extracurricular activities, assignment of duties, evaluation of staff members and maintenance of educational records. School-based administration

includes 4.0 FTE Principals, 5.0 FTE Assistant Principals, and 4.0 FTE Special Education Administrators. The Ledyard Administrators Association (LAA) contract calls for a gross wage increase of 3.0% over the 2024-25 year.

The AFSCME Custodial/Maintenance bargaining unit, as well as the AFSCME Secretarial bargaining unit agreements are yet to be negotiated for the next fiscal year. Funds are allocated for the AFSCME Paraprofessional and AFSCME Information Technology bargaining units based on ratified contracts. All of the aforementioned staff members are responsible for the oversight of critical district tasks that include, but are not limited to: Administrative tasks for offices, data management, attendance data, purchasing, maintenance and cleaning of building sites, maintenance of grounds, maintenance of equipment, student information systems, information technology hardware used by staff and students, and assistance in oversight of students.

The substitute teacher rate has been adjusted (\$15,760), from \$125/day to \$130/day.

Employee Benefits (object codes 52200-52800) – Increase \$56,427 (6.61%)

Unemployment Expense (52600), District Tuition Reimbursement (52350), and Social Security/Medicare Expense (52200) have been adjusted based on trends, previous fiscal year expenditures and anticipated increases.

The Town managed budget includes funds for school district personnel health/medical insurance. The Ledyard Education Association, our largest bargaining unit, will increase from a 23.5% premium share in the 2024-2025 fiscal year to a 24.25% premium share in the 2025-2026 school year. In 2025-2026, the LAA Group will have a 21% premium share, increasing ½ percent from 20.5% in 2024-2025; the AFSCME Paraprofessional group will have a 20% premium share (unchanged from 2024-25); and the AFSCME IT group has a 18.55% premium share, increase 0.15% from the previous year. The AFSCME Custodial/Maintenance has a 17.75% premium share in 2024-2025 and will enter into negotiations during this budget year; the AFSCME Secretarial bargaining unit has a 19% premium share and will also enter into negotiations during the coming year.

Insurance costs typically increase annually; assuming a 7.5% increase to insurance rates and flat enrollment, the above premium share changes represent an increase in estimated employee insurance share of \$174,821 to offset town government expenses.

Professional/Technical Services (object codes 53210-53740) – Increase \$139,902 (9.80%)

The significant increases in this line are related to an increase of \$71,877 in special education student services (2091290 53400) and an increase of \$15,000 in the cost of residency investigations (2082320 53400).

Further enhancements (\$50,000) to our literacy intervention programing and Multi Tiered System of Support (MTSS) (2081000 53210) with the use of Ignite Education to provide high impact individual literacy tutoring.

Purchased Property Services (object codes 54100-54900) – Increase \$140,308 (16.47%)

We estimate an increase in technology equipment maintenance in the amount of \$67,058 related to our fiber network, copier leases, K-12 technology services, and out of warranty and failing equipment repair. The district has fully utilized the available eRate grant allocation until September 2026.

Maintenance repair costs (2112600 54300) are projected to increase by \$37,000 more frequent repair needs on the HVAC systems, State required balancing and inspections/evaluations of all of the HVAC systems across the district on a rotating basis.

In addition, the increasing costs of providing athletic programs at LHS has continued to create challenges and required an increase of \$31,450 to purchase supplies and equipment. (2063200 53400).

Other Purchased Services (object codes 55100-55900) – Increase \$546,719 (11.58%)

The budget for transportation (55100) is based on a contractual increase of 5%; \$408.78 per day for a full-size bus. Pupil Transportation services include conveying students to and from school as required by state and federal laws. In addition, the district provides transportation to school sponsored activities. Ledyard currently contracts for twenty-two (22) regular buses and seven (7) special education buses. Ledyard also contracts for five (5) special education vans to transport students to out of district locations. Other providers are utilized for specialized transportation for students, including but not limited to homelessness, DCF placement, IEP or 504 determination, or out of district placement.

Tuition costs are related to three areas: special education out-of-district programs, magnet schools, and adult education. Special Education outplaced tuition is highly volatile and is an area of ongoing risk. Due to escalating student need, enrollment and inflationary cost, special education tuition costs (55600/55700) are forecasted to increase by \$216,204.

Ledyard Public Schools participates in the Norwich Collaborative Adult Education Consortium. The consortium provides mandated courses in citizenship, English for those with limited proficiency, and courses leading to a graduate equivalency diploma (GED). A state grant partially funds this program, and Ledyard Public Schools is required to fund the balance. The adult education line (55900) is budgeted at \$32,725.

Supplies (object codes 56110-56900) – Increase \$66,775 (2.59%)

There is an increase in Electricity expense (56220) of \$35,000 based on a full year of the new supply costs that began December 2024, partially offset by anticipated decreases due to the scheduled installation of new solar panels on Gales Ferry and Juliet Long schools. Natural gas (56210) is expected to increase \$5,000 and heating oil (56200) is scheduled to decrease by \$25,000. Diesel (56260) is anticipated to stay unchanged. Heating oil and diesel fuel are negotiated annually each spring for the following year. Due to weather, fluctuating markets and costs, our utility expenses are an ongoing area of risk.

Instructional supplies (56110) will decrease by \$25,250. This is impacted by a reduction in the cost of the first year of the state-mandated reading program, offset by some increases in AgSci and STEM materials.

Textbook expenses (56400) are adjusted annually based on specific requirements, approved revisions and licensed renewals aligned with the curriculum cycle. The budget for textbooks increased by a net \$34,384 based on the requirements for the upcoming school year. Testing supplies, ELA and Math consumables - instructional technology (56800) is anticipated to increase \$44,266.

Maintenance supplies (2112600 56900) are flat funded in this budget and present an area of risk due to the increasing issues and part costs for the HVAC systems at GHS and LMS.

Equipment (object codes 57300-57350) – Increase \$166,239 (72.73%)

To support student interests and programming we have allocated \$15,457 to replace and purchase needed musical instruments/supplies at the high school (2061012 57310).

Maintenance equipment (2112600 57310) has been increased \$5,000 to address the aging custodial equipment we are currently utilizing across the district.

District software (2082500 57350) went up \$13,358 primarily to allow for the implementation of Frontline Central to address issues related to personnel document management. \$113,500 has been added for security enhancements at all schools (2082400 57300).

Curriculum software (2161601 57350) is estimated to increase a net \$31,464 that accounts for the addition of some software that had been initially paid through the DODEA grant in previous years.

Dues and Fees (object codes 58100-58120) - Decrease \$19,000 (-13.35%)

District dues and fees (58100 and 58120) are budgeted to decrease due to the removal of the CAFE annual membership fees.

**SECTION II:
NET CURRENT EXPENDITURES PER PUPIL**

Connecticut State Department of Education Net Current Expenditures per Pupil (NCEP)					
	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

Ledyard Rank	154	160	159	153	153

Areas Towns in NL County 2023-2024 NCEP

Net Current Expenditures per Pupil

Net Current Expenditures per Pupil (NCEP) has been a primary measure of per-pupil spending in Connecticut for more than three decades. NCEP measures all education expenditures with a couple of adjustments (as explained below) for all the students for which a town is fiscally responsible, regardless of whether the town operates its own school or tuitions its resident students to other districts/regions, magnet or private schools.

ADM

Under C.G.S. Section 10-261(a)(2), average daily membership (ADM) is calculated from the October Public School Information System (PSIS) and the Education Financial System (EFS). ADM

represents resident students educated in and out of the district, adjusted for school sessions in excess of the 180-day/900-hour minimum, tuition-free summer school, and Open Choice participation. Prekindergarten students are counted on a full-time equivalency basis.

NCE

Net current expenditures (NCE) are calculated as defined in Connecticut General Statutes (C.G.S.) Section 10-261(a)(3). **NCE includes all current public elementary and secondary expenditures from all sources, excluding reimbursable regular education transportation, tuition revenue, capital expenditures for land, buildings, equipment, and debt service.** The information for determining NCE is provided from the Education Financial System (EFS).

NCEP

Net current expenditures per pupil (NCEP) represent NCE divided by ADM.

NCEP Rank

Each town is ranked between 1 (highest) and 165 (lowest) in NCEP.

Rank	District Code	District	NCEP

SECTION III: THE BUDGET PROCESS

The Ledyard Public School District annual operating budget is developed each year through numerous school and central office staff members' collaborative efforts in conjunction with the Superintendent and Board of Education. The timeline for the process begins in August with a review of system objectives for the year, throughout fall with discussions of staffing and school budgets, and through to the Town Meeting held in May.

With the support of the Board of Education, the district continues its process of allocating resources and developing coherence as an organization. Budget requests are based on the holistic district needs and priorities, rather than isolating choices simply to specific schools or department requests. This approach allows for more directed systemic improvements and shifting of resources to improve outcomes for all students. Budget decisions impact educational programs for students as well as the broad range of operations and services within the schools, all of which are designed to support the learning experience and well-being of our students. Our holistic approach works to ensure facilities management, human resources and personnel, transportation, special services, curriculum development, programs of studies, curricular, co-curricular and extra-curricular activities, pupil services, special education, food services, supplies and materials, equipment, and other essential features are moving to an aligned, cohesive, efficient and effective system.

Under the direction of principals and district leadership, budget requests are initially developed at the school and department levels. Proposed budget changes are discussed with the Superintendent and Director of Finance during multiple and iterative school and department budget consultations. Each recommendation is carefully evaluated for its alignment and coherence to district efforts, focus on the improvement of student success/equity, and clearly identified critical needs.

The general steps in this process are:

1. Board of Education members provide feedback on current district operations, initiatives and future planning.
2. The Board of Education receives Town Council Budget Directive Letter, Board of Education issues guidance to the Superintendent through multiple iterative workshops and board meetings.
3. Superintendent provides a budget overview and reviews priorities with the leadership team.
4. Budget requests are reviewed by the Directors, Instructional Leaders, and Principals who make adjustments as necessary to meet overall goals for the department, school, and district as outlined in the Superintendent's guidance.

5. School/program budgets are submitted to the Director of Finance for preliminary review.
6. Budget discussions are held with administrators, the Director of Finance and Superintendent. This iterative process is designed to discuss and determine priorities for the overall district budget request.
7. Superintendent presents the budget to the Board of Education for review in early January.
8. The Board of Education provides opportunity for community review and feedback.
9. The Board of Education discusses, modifies, and adopts the Board's budget, typically by mid-February.
10. The Board of Education budget is provided to the Mayor and Town Council for their consideration and eventual adoption by the community.

2025-2026 BOE Budget Request List

BLUE - Reduction to budget	-\$134,915
GREEN - Recommend for inclusion in budget	\$668,939
YELLOW - Considered for inclusion in budget	\$1,250,384
RED - Considered for inclusion in future budget	\$870,558

Line	Request	Estimated Cost	Location	Type	Tier
1	Initial purchase reduction for grade 4-5 teachers and interventionists ipads	-\$6,825	Curriculum	Equipment	Blue

SECTION VII: MUNIS BUDGET REPORT

The budget projection document in this section is sorted by ORG, composed of location code and function code. Second, it is sorted by object code, identified as OBJECT. The ORG code consists of seven numbers made of two components: the first three numbers are the budget line's location code, and the last four numbers are the budget line's function. The OBJECT code in the database groups budget lines by a specific expense in categories including salaries, benefits, purchased services, supplies, and equipment.

For example, a general instruction (1000) instructional supply (56110) budget line at the location Gales Ferry School (202) will be identified as 2021000 56110. A math instruction (1011) teacher salary (51040) at Ledyard Middle School (205) will be identified as 2051011 51040.

Location codes are utilized to group accounts by school building (location codes 201 to 206) and also to group accounts that relate to multiple buildings by type (location codes 207 to 216).

- Next Year Budget Comparison Report: MUNIS report reflecting proposed 2025-2026 budget
- 2025-2026 Budget Including \$ Inc/Dec and % Inc/Dec: Excel spreadsheet showing both dollar and percentage changes over 2024-2025 budget

Capital Needs Report FY 2026

Approved by the Ledyard Board of Education 11/12/2024

Intentionally left blank

Introduction

The Ledyard School District has, currently under its care, six municipal buildings:

- Ledyard High School
- Ledyard Middle School
- Gallup Hill School
- Juliet W. Long School
- Gales Ferry School
- Board of Education

The objective of this report is to provide a narrative summary of the Board of Education's capital requests for each of these locations, as well as those items that are district-wide in nature.

Background

By State statute, the Ledyard BOE must provide its students with an appropriate learning environment that is safe and properly maintained. This obligation includes the daily upkeep of school facilities, equipment and routine maintenance. In addition to providing safe and properly maintained schools, the local BOE must continually study the need for school facilities and must make building recommendations to the town (CGS § 10-220(a)). As such, this report is part of an ongoing process to provide more comprehensive information regarding the capital needs of the District to the Town Council and members of the community. This year at the request of the Town Council Finance Committee, we are providing information and cost estimates for foreseeable Capital projects.

A Capital Item, for the purposes of this report, is defined as a project in excess of \$5,000, long term in nature, which aims to repair, maintain or improve building infrastructure. While this report will describe District needs per location, they have been ranked in priority on a District-wide level.

- **Bondable:** these are large-scale projects which would require funding sources outside of typical annual capital appropriations (typically bond issue).
- **Non-Recurring:** The items under this heading exceed, in dollar amount, what can reasonably be executed with yearly operating funds, but may or may not meet the need for bonding. The funding source may be existing funds in the Board of Education Capital Account or through newly appropriated town funding.
- **Operating:** while these items may be capital in dollar value, their scope allows for careful, targeted execution through Repair and Maintenance (54300) and Supply (56900) line items.
- **AG Science Non-Recurring:** This account holds the State ASTI funds provided by the State for exclusive use in support of the Agricultural Science Program at Ledyard High school and requires approval of the Board of Education for authorized projects.
- **Escalation:** Provided is the escalation costs of each project.

The projects may range from “critical” in nature to “nice to have”, but each has been put forth for discussion because the Board believes they either preserve or enhance the learning environment at Ledyard Public Schools. They address a range of issues: refurbishing deteriorated or aging facilities, safety and security upgrades, increasing operating and energy efficiencies, providing higher quality indoor air, etc. Within this report, a summary cost estimate is provided; suggested ten year financial layouts.

Gales FerrySchool

1858 Route 12

Gales Ferry Elementary School, built in 2001. It is a 45,362 square foot building that houses students in kindergarten through second grades.

Despite the relative age of Gales Ferry School (which will be 24 years old in 2025), there are facilities concerns that have arisen, and others that are anticipated given the life expectancy of finishes. The highest priorities of these are:

- Replacement of the roof, the addition of solar along with repairs to the copulas is currently ongoing.
- The chiller has reached the end of its useful life and is in need of significant repairs. It is recommended for replacement.
- Replacement of the low impact playground surfaces.

Juliet W. Long School

1854 Route 12

Juliet Long School serving third through fifth grades, is a 37,600 square foot building constructed in two phases in 1961 and 1964, with no major extensions or alterations since.

The highest priority facilities needs at this location include:

- The Town approved the replacement of the roof, upgrades to the electrical service and the addition of solar and air conditioning at JWL in the 2021-22 Town Capital Budget. Replacement of the roof was completed during the summer of 2024. The HVAC, electrical and solar are scheduled for the summer of 2025.
- Renovations to the remaining classrooms over the 2026-28 budget years.
- Additional capital items of lower priority for Juliet W. Long School are detailed in the full report.

Ledyard High School

24 Gallup Hill Road

Ledyard High School (9-12) is a 275,000 square foot, two story building. The main portion of the building was constructed in two phases in 1962 and 1966. A 1988 project added the band/choral rooms and an auxiliary gymnasium; a 2002 project added the media center and Agri-Science extension.

The highest priority facilities needs at this location include (in priority order):

- Classroom Renovations: This is to continue the renovation of classrooms at LHS. The project includes new ceilings, lighting, updated technology, painting and window shades along with furniture where needed. This project was funded in 2025 and all general classrooms will be completed in the summer of 2025. Specialty and Science rooms will be completed over the next few years.
- Replacement and upgrade to the fire alarm system. Consistent false alarms due to equipment issues continue to get more frequent.
- Main Gymnasium:
 - The existing dividing wall is not used because it prevents the teacher from monitoring the entire gym during class and should be replaced with a drop down net tyra material to allow visual access to the entire gym. (\$35,000)
 - The existing bleachers at times are not fully extended and are not ADA compliant. New bleachers are needed that have the proper safety features to allow partial operation of the bleachers. (\$140,000)
 - Gym Ceiling: The existing suspended ceiling is damaged and in need of replacement. This should be removed and the roof deck and equipment painted. This will involve some asbestos abatement on the heat piping. (\$65,000)
 - Gym: The padding in the gym is in need of replacement and has reached the end of its useful life. (\$30,000)
- Renovations to the locker rooms on the lower level. This would be a continuation of the student restroom renovations on the main levels. This will also provide equity to the student athletes that currently do not have access to lockers and restrooms on the lower level. \$125,000
- Replacement of windows. The existing windows are significantly aged, inefficient and at times hard to operate. \$3,000,000 This project should be completed prior to the heating and HVAC projects being completed.

- Replacement of the boilers. Both of the oil boilers at the High School are long past their expected life cycle and also do not meet the modern energy saving criteria. Consideration should be given to replacement of the entire heating system to a hot water system, eliminating the steam. This should also be tied to the installation of a Building Management System to allow better control of the heating in each space. \$5,000,000.
- Ventilation and AC to classrooms. Currently only special needs rooms and computer labs have single unit air conditioning. With the warmer days in the fall and spring along with summer school the high temperatures make keeping students engaged difficult. \$6,000,000
- Air conditioned auditorium. This space is not currently air conditioned and is used as the town's only large meeting space and the only district facility able to accommodate groups over 300 people. Even in milder times of the year the occupancy loads make the space uncomfortable. \$450,000
- Replace roof on media center. The existing roof has reached the end of its useful life and we continue to have repairs. To prevent water infiltration this section should be replaced. \$400,000.
- Renovation to the culinary classroom at LHS. The existing culinary room does not efficiently support the curriculum needs of the students and as with the remainder of the building is in need of renovation. \$75,000.
- Replace turf field scoreboard. The new turf field is a multi-sports field including football, soccer and lacrosse. The existing scoreboard was set up for football only. There is the possibility of the vendor moving the existing scoreboard to Crandall field at no cost. \$70,000
- Tennis courts will need to be resurfaced. This is a normal cycle occurring every 10-15 years, \$40,000
- Paving of the parking area. The parking lot has drainage and design issues, multiple potholes and broken or missing curbing. \$1,500,000.
- Add an elevator to the lower level. The current lower level of the High School is limited to access via stairs. There is no current accessibility access to the lower level. \$250,000
- Additional capital items of lower priority for Ledyard High School are detailed in the full report

Gallup Hill School

169 Gallup Hill Rd

Gallup Hill School (PK-5) is a 80,000 square foot building, renovated and expanded in 2019. Due to the renovation there are limited needs. The following needs are for items that were not addressed or unknown at the time of the design of the project.

- Repairs and Drainage for water issues in the parking lot
- Dehumidification

Ledyard Middle School

1860 Route 12

Renovated and expanded in 2019, Ledyard Middle School is a 93,000 square foot building. Serving students in 6th to 8th grade. Due to the renovation there are limited capital needs at this time.

- The current design of the Middle School Cafeteria is undersized for the student population. It does not provide seating for a single grade level for lunch, causing program impacts. \$500,000
- Dehumidification

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: LHS Boiler Heating System

Program Area: Facilities Replacement

Line 1

Project Description: The existing boilers at Ledyard High School are original to the building and are 63 years old. There are currently a limited number of companies that continue to service these types of boilers. During the repairs in 2020 we were advised that the amount of repairs has downgraded the metal and future repairs are questionable. Conversion from steam to hot water should be considered. This will generate energy savings of between 13-27% on oil costs. Replacement of the current pneumatic thermostat system is also recommended to allow better control of the heating cycle.

Evaluation Category: Deteriorated Facility

Planning Context: Order time on the boilers will be long so the maximum time frame from approval to commencement of work should be allowed. Time will also be needed for engineering and design.

Schedule: Late Spring to early Fall.

Coordination: Will depend on the final plan and amount of project approved.

Previous Town Meeting Action: Previous repairs were paid for in the operating budget which carries a \$22,000 repair item

Project Priority: 19

H Priority within department / program area

H Risk of deferring project

Estimated Cost: \$5,000,000 / 2027

Escalation Costs: 2029 \$5,150,000 2032 \$5,627,544 2035 \$6,149,369

Basis of cost estimate:

☐ Cost of comparable facility or equipment.

☒ Rule of thumb indicator, unit cost

☐ From the cost estimate from architect engineer, or vendor

☐ From Bids Received

☐ Preliminary Estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: Possible US DEEP or State School Facilities grant funding

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: LHS Parking Lot

Program Area: Facilities

Line 2

Project Description: The Ledyard High School parking lot is in need of resurfacing. It ponds water and has multiple cracks and potholes. The District has cut out and replaced small sections that created especially dangerous walking conditions over the past few years. Broken curbing prevents the proper diversion of rain water to the catch basins.

Evaluation Category: Deteriorated Facility

Planning Context: Needs to be scheduled around school and town events.

Schedule: Summer

Coordination: none

Previous Town Meeting Action: none

Project Priority: **41**

L Priority within department / program area

M Risk of Deferring Project

Estimated Cost: **\$1,500,000 / 2030**

Escalation Costs: 2032 \$1,591,350 2034 \$1,688,263 2036 \$1,791,078

☐ Cost of Comparable Facility or Equipment

☒ Rule of Thumb Indicator, Unit Cost

☐ Cost Estimate from Architect, Engineer or Vendor

☐ From Bids Received

☐ Preliminary Estimate, (e.g. no other basis for estimate guesstimate)

Alternative Financing: None

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: LHS Window Replacement

Program Area: Facilities

Line 3

Project Description: Windows in the original section of the building are in need of replacement. The windows are original to the building and no longer meet the current energy codes. Many windows do not function or are difficult to operate. Replacement will result in energy savings and a better ability to control the room temperature with less drafts.

Evaluation Category: Deteriorated Facility/Improvement of Operating Efficiency

Planning Context: If possible this should be coordinated with the boiler and heating system replacement or before. The quality of the windows will affect the sizing of the system and should provide savings on the heating system and boiler change over.

Schedule: Summer

Coordination: None

Previous Town Meeting Action: None

Project Priority: 18

 Priority within department / program area

 Risk of Deferring Project

Estimated Cost: \$3,000,000 / 2027

Escalation Costs: 2030 \$3,278,181 2033 \$3,582,157 2036 \$3,914,320

 Cost of Comparable Facility or Equipment

☒ Rule of Thumb Indicator, Unit Cost

 Cost Estimate from Architect, Engineer or Vendor

 From Bids Received

 Preliminary Estimate, (e.g. no other basis for estimate guesstimate)

Alternative Financing: Possible state school facilities grant funding

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: LHS Elevator LL Addition

Program Area: School Facilities

Line 4

Project Description: The existing lower level of the school does not have elevator access. At some point an ADA conformity inspection will require HC access to the lower level if it continues to be used.

Evaluation Category: Equitable Provision of Services/New or Expanded Facilities

Planning Context: Needs to be scheduled for summer work.

Schedule: Summer.

Coordination: None.

Previous Town Meeting Action: None.

Project Priority: 39

 Priority within department/program area

 Risk of deferring project

Estimated Cost: 2032 \$325,000

Escalation Costs: 2034 \$344,793 2036 \$365,790

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

 Cost of comparable facility or equipment

 Rule of thumb indicator, unit costs

X Cost estimate from engineer, architect, or vendor

 From bids received

 Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: This project should be covered under the State School facilities grant for code compliance. The current reimbursement rate is 62.14%.

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: Classroom air conditioning

Program Area: Facilities & ventilation

Line 5

Project Description: The warmer early spring days and the higher temps into September and October make portions of Ledyard High School excessively warm. This creates a poor learning environment. This combined with the lack of ventilation to control CO2 levels results in students becoming less than attentive. This will bring the High School in parity with the other schools in the district.

Evaluation Category: New or Expanded Facilities/Improvement of Operating Efficiency/Equitable Provision of Services

Planning Context: Project will need 6-8 months minimum for engineering and material acquisition. Project may need to be completed over 2 years. This should also be completed after the window project.

Schedule: Summer

Coordination: None but may want to look to see if this should be combined with the heating project.

Previous Town Meeting Action: None

Project Priority: 22

 Priority within department / program area

 Risk of Deferring Project

Estimated Cost: \$6,000,000 / 2028

Escalation Costs: 2029 \$6,180,000 2032 \$6,753,053 2035 \$7,379,243

 Cost of Comparable Facility or Equipment

 Rule of Thumb Indicator, Unit Cost

X Cost Estimate from Architect, Engineer or Vendor

Alternative Financing: Possible state school facilities grant funding

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: September 30, 2024

Project Title: LMS Dehumidification

Program Area: School Facilities

Line 9

Project Description: The dehumidification programming for Ledyard Middle School was never programmed into the Building Management system. As a result we have had mildew issues in various areas of the building. In 2022 we spent over \$30,000 to remediate mold and mildew in the gym and auditorium. These funds will allow the heating and cooling coils to be reversed then allow the units in the cafeteria, media center, gym and auditorium to dehumidify the air.

Evaluation Category: Risk to Public Health

Planning Context: It is critical to provide a safe health environment for students and staff.

Schedule: Portions that involve programming of the Building Management System can occur at any time mechanical changes will need to be made during the summer break.

Coordination: None

Previous Town Meeting Action: None

Project Priority: 2

☒ **H** Priority Within Department

☒ **H** Risk of Deferring Project

Estimated Costs: 2026 \$180,000

☐ Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: None

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: LMS Cafeteria Expansion

Program Area: Facilities

Line 10

Project Description: The design of the LMS cafeteria does not allow for an entire grade level to have lunch as one body. Additional space is needed to alleviate overcrowding and maintain each grade level as a harmonious group.

Evaluation Category: Improvement of Operating Efficiency / Equitable Provision of Services

Planning Context: Allow one budget cycle for State Funding.

Schedule: Summer

Coordination: None

Previous Town Meeting Action: None

Project Priority: 20

M Priority within department / program area

M Risk of Deferring Project

Estimated Cost: \$600,000 / 2027

Escalation Costs: 2030 \$655,636 2033 \$716,431 2036 \$782,864

☐ Cost of Comparable Facility or Equipment

☐ Rule of Thumb Indicator, Unit Cost

☐ Cost Estimate from Architect, Engineer or Vendor

☐ From Bids Received

☒ Preliminary Estimate, (e.g. no other basis for estimate guesstimate)

Alternative Financing: Possible State School Facilities Grant currently 62.14% of eligible project costs.

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: September 30, 2024

Project Title: GHS Dehumidification

Program Area: School Facilities

Line 11

Project Description: The dehumidification programming for Gallup Hill School was never programmed into the Building Management system. As a result we have had mildew issues in various areas of the building. The funds will allow the heating and cooling coils to be reversed. This will allow the units in the cafeteria, gym and media center to dehumidify the air.

Evaluation Category: Risk to Public Health

Planning Context: It is critical to provide a safe health environment for students and staff.

Schedule: Portions that involve programming of the Building Management System can occur at any time mechanical changes will need to be made during the summer break.

Form 1. Individual project proposal descriptions and Justifications

Prepared by: Wayne Donaldson

Date Prepared: September 30, 2024

Project Title: GFS Chiller

Program Area: School Facilities

Line 12

Project Description: The chiller at GFS has reached the end of its useful life. The chiller was installed when the building was constructed in 1999 and is to the point where corrosion and wear and tear on the unit will require extensive work and cost. Currently one of the two systems is in need of a new expansion valve which has an estimated cost of \$20,000 there is also the need to replace corroded piping with an estimated additional cost of \$15,000. The current repair costs combined with the need to maintain acceptable temperature levels within the school make this an important piece of equipment for replacement.

Evaluation Category: Deteriorated Facility/Systematic Replacement/Improvement of Operating Efficiency

Planning Context: There is a need for proper temperature control during school hours. To ensure the best performance of students and staff.

Schedule: Work needs to be completed over the winter or during the summer break.

Coordination: None

Previous Town Meeting Action: None

Project Priority: 4

H Priority within department / program area

H Risk to Public Health

Estimated Costs: \$380,000

Escalation Costs: 2027 \$391,400 2028 \$403,142 2029 \$415,236

☐ Cost of comparable facility or equipment

☐ Rule of thumb indicator, unit costs

☒ Cost estimate from engineer, architect, or vendor

☐ From bids received

☐ Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: Possible State Schools Facilities Grant. This is a competitive grant and in the past has been retroactive.

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: JWL Window replacement

Program Area: Facilities

Line 13

Project Description: The windows at JWL no longer meet the energy standards, creating drafty classrooms and significant heat loss.

Evaluation Category: Improvement of Operating Efficiency

Planning Context: Allow one budget cycle for State Funding.

Schedule: Summer

Coordination: None

Previous Town Meeting Action: None

Project Priority: 40

M Priority within department / program area

M Risk of Deferring Project

Estimated Cost: \$600,000 / 2031

Escalation Costs: 2032 \$618,000 2034 \$655,636 2036 \$695,564

___ Cost of Comparable Facility or Equipment

___ Rule of Thumb Indicator, Unit Cost

___ Cost Estimate from Architect, Engineer or Vendor

___ From Bids Received

X Preliminary Estimate, (e.g. no other basis for estimate guesstimate)

Alternative Financing: State School Facilities Grant currently 62.14% of eligible project costs.

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: JWL repave parking lot

Program Area: Facilities

Line 14

Project Description: The JWL parking lot has deteriorated showing many cracks and potholes. The district has completed some significant patching but plans need to be made for total replacement.

Evaluation Category: Deteriorated Facility

Planning Context: Needs to be done during a period with no building use.

Schedule: Summer

Coordination: None

Previous Town Meeting Action: None

Project Priority: 42

M Priority within department / program area

M Risk of Deferring Project

Estimated Cost: \$400,000 / 2029

Alternative Financing: None

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: LHS Fire Alarm Upgrades

Program Area: School Facilities

Line 8

Project Description: The current fire alarm system at LHS no longer meets the current codes. To limit damage in the event of a fire it is important that rapid notification to the fire department is received. The current system has continuous false alarms due to the deterioration in the equipment and wiring.

Evaluation Category: Improvement of Operating Efficiency

Planning Context: Work needs to be done to estimate installation design as well as potential service contract savings.

Schedule: Summer work will be necessary for an unoccupied building.

Coordination: Selection of a fire alarm system should follow the guidance of the Town Fire Marshall selection of a system for the renovated buildings at Gallup Hill and Ledyard Middle. A district-wide choice for like systems would allow for economic purchasing of parts, simplification of maintenance, as well as a more uniform service and inspection contract.

Previous Town Meeting Action: No previous Town action.

Project Priority: 6

H Priority within department/program area

L Risk of deferring project

Estimated Cost: **2026: \$350,000**

Cost Escalation: 2029 \$382,454 2032 \$417,918 2035 \$456,671

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

☐ Cost of comparable facility or equipment

☐ Rule of thumb indicator, unit costs

☒ From the cost estimate from engineer, architect, or vendor

☐ From bids received

☐ Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: State of Connecticut School Facilities Grant.

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: LHS outdoor athletic

Program Area: Facilities storage & restrooms

Line 9

Project Description: Additions to the concession stand at the LHS field to create permanent restrooms and additional storage for athletic equipment.

Evaluation Category: New or Expanded Facilities

Planning Context: Long term upgrades to complete the athletic facilities complex.

Schedule: Summer

Coordination: None

Previous Town Meeting Action: None

Project Priority: 45

☐ Priority within department / program area

☐ Risk of Deferring Project

Estimated Cost: 2035 \$200,000

Escalation Costs: NA

☐ Cost of Comparable Facility or Equipment

☐ Rule of Thumb Indicator, Unit Cost

☐ Cost Estimate from Architect, Engineer or Vendor

☐ From Bids Received

☒ Preliminary Estimate, (e.g. no other basis for estimate guesstimate)

Alternative Financing: None

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: LHS Score Board Replacement

Program Area: Facilities

Line 10

Project Description: The new turf field is a multi-use field covering football soccer and lacrosse. The existing scoreboard was designed for football only. This will allow the proper display for all three sports. If the vendor's offer is still valid they offered to move the existing board to Crandall field free of charge. The Recreation Department would welcome the upgrade.

Evaluation Category: Equitable Provision of Services

Planning Context: This was an add alternate for the turf field project

Schedule: Summer

Coordination: Possibly with Recreation Department for the move of the current scoreboard to to Crandall field

Previous Town Meeting Action: Not authorized as part of the turf field project

Project Priority: 25

M Priority within department / program area

L Risk of Deferring Project

Estimated Cost: 2027 \$55,000

Escalation Costs: 2029 \$58,350 2032 \$63,760 2035 \$69,672

___ Cost of Comparable Facility or Equipment

___ Rule of Thumb Indicator, Unit Cost

___ Cost Estimate from Architect, Engineer or Vendor

X From Bids Received

___ Preliminary Estimate, (e.g. no other basis for estimate guesstimate)

Alternative Financing: None

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2022

Project Title: LHS Varsity locker room renovation

Program Area: School Facilities

Line 11

Project Description: The LHS locker rooms have not been renovated since installed. These funds will allow the installation of new wall covering, lockers and benches. We will also provide ADA compliant facilities.

Evaluation Category: Deteriorated Facility

Planning Context: This is part of the normal upgrade of facilities at LHS

Schedule: Summer work contract.

Coordination: None

Previous Town Meeting Action: No previous Town action.

Project Priority: 32

H Priority within department/program area

L Risk of deferring project

Estimated Cost: 2029: \$150,000

Escalation Costs: 2030 \$154,500 2032 \$163,909 2034 \$173,891

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

☐ Cost of comparable facility or equipment

☐ Rule of thumb indicator, unit costs

☒ From the cost estimate from engineer, architect, or vendor

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: LHS Gym Bleacher Replacement

Program Area: Facilities

Line 15

Project Description: The current bleachers at Ledyard High School do not meet the current ADA standards. The bleachers are original to the building and date back to 1963-64. The current bleachers when fully deployed come out on to the basketball playing floor. Currently during basketball games the bleachers are not fully deployed and lack positive stops and locking mechanisms.

Evaluation Category: Deteriorated Facility

Planning Context: Continuation of concerted effort to improve the conditions of athletic facilities.

Schedule: This work could take place at any time, scheduled around athletic seasons.

Coordination: Work is not contingent upon other CIP projects.

Previous Town Meeting Action: No previous Town action.

Project Priority: 27

M Priority within department/program area

L Risk of deferring project

Estimated Cost: 2027: \$150,000

Escalation Costs: 2028 \$154,500 2031 \$168,826 2034 \$184,481

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

 Cost of comparable facility or equipment

 Rule of thumb indicator, unit costs

X From the cost estimate from engineer, architect, or vendor

 From bids received

 Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: None.

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project title: LHS Gym dividing wall replacement **Program Area:** School Facilities

Line 16

Project Description: The current dividing wall in the LHS gym is no longer in use due to problems opening and closing it. The solid wall also prevents teachers from viewing the entire gym space during class. The inability to divide the gym space limits the activities that can occur for physical education. Replacing the current divider with a drop down curtain/net will allow teachers full view of the activities in all areas of the gym.

Evaluation Category: Deteriorated Facility

Planning Context: Continuation of concerted effort to improve the conditions of athletic facilities.

Schedule: This work could take place at any time, scheduled around athletic seasons.

Coordination: Work is not contingent upon other CIP projects.

Previous Town Meeting Action: No previous Town action.

Project Priority: 28

M Priority within department/program area

L Risk of deferring project

Estimated Cost: \$ 2027 \$35,000

Escalation Costs: 2028 \$36,050 2031 \$39,393 2034 \$43,046

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

☐ Cost of comparable facility or equipment

☐ Rule of thumb indicator, unit costs

☒ From the cost estimate from engineer, architect, or vendor

☐ From bids received

☐ Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: None.

Form 1. Individual project proposal descriptions and justifications

Prepared by: Wayne Donaldson

Date Prepared: September 24, 2024

Project Title: LHS Fire Doors

Program Area: School Facilities

Line 21

Project Description: The district has undertaken a project to replace the fire doors at LHS. The primary intent of this project was to ensure that the fire doors were locked and were secure in the event of an intruder to prevent free access to the entire school. The District had been using school security grant funds for the door replacement. The last 2 grant applications were not approved. We currently have the fire doors in the stairwells that have not been changed. This is a 2 year project to complete these areas.

Planning Context: Risk to Public Health/Equitable Provision of Services/Deteriorated Facility

Schedule: We have budgeted ½ of the expected cost over this year and next year. This will allow the need to only purchase materials and have the facilities crew install the doors and hardware. This can be done at any time during the year.

Coordination: None

Previous Town Meeting Action: None

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: JWL Asphalt Resurface

Program Area: School Facilities

Line 28

Project Description: The basketball court pavement at Juliet Long School has many cracks, heaves, and divots; many are becoming tripping/safety hazards. In addition to this, the drainage from the paved areas needs to be addressed, as currently pitch leads toward swing set areas; heavy rains lead to the washing away of playground surface mulching. The age of the pavement is uncertain, but the pavement is likely to be original. Approximate area: 2,800 square yards. Further study is needed to determine scope of work - if removal of existing asphalt will be necessary, or if these issues can be addressed without full scope of removal.

Evaluation Category: Deteriorated Facility

Planning Context: Chow-Lawler (1996) and SMMA (2011 studies) both spoke to the issue of playground surface needs.

Schedule: Summer work would provide the best conditions for the process, and the least interference with student activities, although it would interfere with Town P&R camp activity. Also, if coordinated with Town summer pavement projects, a substantial discount on material may be obtained.

Coordination: This work is not dependent on any other capital work.

Previous Town Meeting Action: No previous Town action.

Prepared by: Wayne Donaldson

Date Prepared: September 30, 2024

Project Title: GHS Driveway repair

Program Area: School Facilities

Line 33

Project Description: Since construction there is an area across from the dumpsters that groundwater has been coming up along the curb. This creates a hazard during the winter with constant ice forming between the curb and across the driveway to the dumpsters. At this point the pavement is cracking and will need attention. We are requesting funds to install a dry well type structure and pipe the flow over to the storm drain manhole. Funds will also be used to repair the damaged asphalt.

Evaluation Category: Risk to Public Health

Planning Context: It is critical to provide a safe health environment for students and staff.

Schedule: Work will need to be completed during the summer break.

Coordination: None

Previous Town Meeting Action: None

Project Priority: 51

M Priority within department / program area

M Risk to Public Health

Estimated Costs: 2026 \$30,000

Escalation Costs: 2028 \$31,827 2031 \$34,778 2034 \$38,003

- ☐ Cost of comparable facility or equipment
- ☐ Rule of thumb indicator, unit costs
- ☐ Cost estimate from engineer, architect, or vendor

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: GFS Playground Surfaces **Program Area:** School Facilities

Line 34

Project Description: Gales Ferry School Playground has poured rubber surfaces, original to building construction (2001). Currently, the surface is in Fair condition; however, given their age, and the ten-year timespan of this Capital Request, it is prudent to expect replacement toward the end of the timespan.

Evaluation Category: Systematic Replacement

Planning Context: Further study necessary.

Schedule: Schedule will follow deterioration of surface conditions.

Coordination: Work is not contingent upon other CIP projects, however PMBC will obtain cost/benefit and lifecycle information on various playground substrates, which will aid in selection for this project.

Previous Town Meeting Action: No previous Town action.

Project Priority: 30

M Priority within department/program area

L Risk of deferring project

Estimated Cost: 2027: \$50,000

Escalation Costs: 2028 \$51,500 2031 \$56,275 2034 \$61,494

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

☐ Cost of comparable facility or equipment

☐ Rule of thumb indicator, unit costs

☐ From the cost estimate from engineer, architect, or vendor

☐ From bids received

☒ Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: None.

IOE	Improvement of Operating Efficiency
C	Coordination
EPS	Equitable Provision of Services
NEF	New or Expanded Facilities

State grant requirements currently allow towns to approve only the town share of project costs instead of the total project cost.

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson
Project Title: LHS Curb Repair

Date Prepared: December 1, 2021
Program Area: School Facilities

Line 1

Project Description: Approximately 25 radius sections and 30 straight sections of concrete curbing have been damaged beyond repair, and many more seem to be deteriorating similarly. It is possible that there was a bad mix of concrete that has accelerated this damage. This budget figure is an estimate to address these major issues to start with, but further investigation is needed to implement a plan to preserve or replace the rest of the curbing, if possible.

Evaluation Category: Deteriorated Facility

Planning Context: Curbing was installed as part of the 2001/2002 Critical Needs work at Ledyard High School.

Schedule: Summer or vacation work would be necessary to keep traffic and parking from construction areas.

Coordination: Work is not contingent upon other CIP projects.

Previous Town Meeting Action: No previous Town action.

Project Priority:

M Priority within department/program area
L Risk of deferring project

Estimated Cost: 2025: \$4,000; 2026: \$4,000; 2027: \$4000; 2085: \$4000

Escalation Costs: Not applicable

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

- ☐ Cost of comparable facility or equipment
- ☒ Rule of thumb indicator, unit costs
- ☐ From the cost estimate from engineer, architect, or vendor
- ☐ From bids received
- ☐ Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: None.

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: LHS Air Conditioning

Program Area: School Facilities

Line 2

Project Description: This project would be designed to bring additional air-conditioned areas to Ledyard High School. Currently, there are several rooms served by “window type” air conditioning units for various needs—rooms that are not served by HVAC but see summer use, rooms with student or staff medical needs, or rooms with technology that require conditioned space. Systematically replacing these with “mini-split” technology would increase air quality and energy efficiency.

Evaluation Category: Improvement of Operating Efficiency/Equitable Provision of Services

Planning Context: Split system air conditioning units were installed in the Computer Labs at LHS as part of the classroom renovation.

Schedule: This work can be done by Staff at any time. Priority areas to be addressed will be computer labs and rooms with medical needs.

Coordination: Work is not contingent upon other CIP projects.

Previous Town Meeting Action: No previous Town action.

Project Priority:

MH Priority within department/program area

L Risk of deferring project

Estimated Cost: 2026: \$8,000; 2026: \$8,000; 2027: \$8,000; 2028: \$8,000

Escalation Costs: Not applicable

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

X Cost of comparable facility or equipment

Rule of thumb indicator, unit costs

From the cost estimate from engineer, architect, or vendor

Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: None

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson
Project Title: Athletic Field Repairs

Date Prepared: December 1, 2021
Program Area: School Facilities

Line 3

Project Description: This project is a continuation to improvements made on athletic fields at Ledyard High School. The introduction of a watering/fertilization program has been successful and will be continued. New backstops were installed on the varsity fields and the JV baseball field in 2020. Dugouts for the Varsity fields were updated in 2021.

Evaluation Category: Deteriorated Facility

Planning Context: Continuation of concerted effort to improve the conditions of athletic fields.

Schedule: This work could take place at any time, scheduled around athletic season

Coordination: Work is not contingent upon other CIP projects.

Previous Town Meeting Action: Funding provided for previous work.

Project Priority:

M Priority within department/program area

L Risk of deferring project

Estimated Cost: 2026: \$7,500; 2026: \$7,500; 2027: \$7,500; 2028: \$7500

Escalation Costs: Not applicable

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

X Cost of comparable facility or equipment

 Rule of thumb indicator, unit costs

 From the cost estimate from engineer, architect, or vendor

 From bids received

X Preliminary estimate, (e.g. no other basis for estimate guesstimate)

Alternative Financing: None

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: LHS Masonry Repair

Program Area: School Facilities

Line 4

Project Description: Several areas of the LHS brick façade are in need of repair. A false column near the media center is pulling away from the building and has no wire ties to the building; the main chimney would benefit from installation of a cap; several areas in need of repointing. Further, more in-depth investigation is needed to establish the full scope of need, but this budget figure is an estimate to address these major issues to start with.

Evaluation Category: Deteriorated Facility

Planning Context: The chimney was repaired approximately 7 years ago, but capping was not in the budget/scope of work.

Schedule: Summer or vacation work would be necessary at the media center location of work; however, several other areas could be addressed at any time.

Coordination: Work is not contingent upon other CIP projects.

Previous Town Meeting Action: No previous Town action.

Project Priority:

☒ Priority within department/program area

☐ Risk of deferring project

Estimated Cost: 2026: \$5,000

Ledyard Board of Education 2025-2026 Budget Funding Contingency Plan

The Ledyard Town Charter Revision, dated December 3, 2018, requires the Board of Education to include as part of the annual budget submittal, “plans for dealing with additional reductions in State funding that might occur after the Board of Education budget is prepared that could include reduction in services.”

Upon direction from the Ledyard Town Council that included a target reduction amount, the Ledyard Board of Education will evaluate the Board of Education adopted budget to identify potential specific reductions. It should be understood that any reductions to the budget will impact programs or district services to students.

It is important to consider that the Ledyard Board of Education budget is approximately 72% salary and wages. The remaining portions are made of relatively small allocations of mostly required expenses including student transportation. Any reduction to the 2024-2025 approved Board of Education budget would necessitate a reduction in staff, which will potentially result in reduction in the number of class offerings, programming and student opportunities.

Collective bargaining rules and current contracts would require the newest hired staff, potentially the lowest compensated to be eliminated first, based on their particular assignment and the least impact to students.

For example:

- A \$120,000 reduction could necessitate the reduction of two teaching staff
- A \$175,000 reduction could necessitate the reduction of two teaching staff and three paraprofessional staff
- A \$215,000 reduction could necessitate the reduction of three teaching staff and two paraprofessional staff
- A \$250,000 reduction could necessitate the reduction of three teaching staff and four paraprofessional staff

The Board of Education will conduct Special Meetings, as required, to review the options identified by the Central Office and Staff and develop and approve a proposed budget revision to address the Town Council required reduction(s).

Form 1. Individual Project Proposal Descriptions and Justification

Prepared by: Wayne Donaldson

Date Prepared: December 1, 2021

Project Title: LHS Fire Alarm Upgrades

Program Area: School Facilities

Project Description: The current fire alarm system at LHS no longer meets the current codes. To limit damage in the event of a fire it is important that rapid notification to the fire department is received. The current system has continuous false alarms due to the deterioration in the equipment.

Evaluation Category: IOE

Planning Context: Prior to contract end with SimplexGrinnell, more work needs to be done to estimate installation costs as well as potential service contract savings, in order to determine fiscal prudence of the change. The estimate for this work is preliminary in nature, based on a generic square foot calculation; vendor budgetary estimates will be sought.

Schedule: Summer work will be necessary for an unoccupied building, after the expiration of the current contract.

Coordination: Selection of a fire alarm system should follow the guidance of PMBC selection of a system for the renovated buildings at Gallup Hill and Ledyard Middle. A district-wide choice for like systems would allow for economic purchasing of parts, simplification of maintenance, as well as a more uniform service and inspection contract.

Previous Town Meeting Action: No previous Town action.

Project Priority:

H Priority within department/program area

L Risk of deferring project

Estimated Cost: 2025: \$300,000

Basis of Cost Estimate: Check one of the following. If you want to provide more detail on the estimate, do so with a narrative after indicating the type of estimate.

 Cost of comparable facility or equipment

 Rule of thumb indicator, unit costs

X From the cost estimate from engineer, architect, or vendor

 From bids received

 Preliminary estimate, (e.g. no other basis for estimate, guesstimate)

Alternative Financing: State of Connecticut School Facilities Grant.

Subject: School Funding Data – Response to Councilor Ryan’s Inquiry

Dear Town Council Members,

In response to Councilor Ryan’s question, I have compiled a comparison of school funding sources for Ledyard and nearby districts. As you know, Ledyard Public Schools spends less per pupil than surrounding districts and ranks among the lowest-funded 10% in the state.

As expected, higher-poverty districts like Norwich and New London receive significantly more State and Federal funding as a percentage of their budget. While these districts benefit from greater external support, Norwich taxpayers still contribute more \$ per student than Ledyard taxpayers, whereas New London taxpayers cover a much smaller portion per student.

Ledyard spends and contributes less per student than comparable suburban and rural districts.

New London is an anomaly in this area, but we should be careful, as they are a "Magnet School District" with tuition students and supplemental State funding that skew their particular data. Without the tuition payments from other districts and the Magnet grants they would most likely mirror Norwich's %.

The data below outlines the share of school funding covered by local taxpayers versus state, federal, and other sources. I will ensure this information is included in future presentations.

Local and State/Federal/Other Funding

Areas Towns in NL County 2023-2024 NCEP

Subject: BOE Budget & Capital Plan – Ensuring Clarity
Attachments: LPS BOE Adopted FY26 Budget 02.24.2024 with supplemental report.pdf

Dear Members of the Ledyard Town Council,

I wanted to take a moment to share (attached) the Board of Education's FY26 Budget and Capital Plan as it was originally submitted to the Mayor. Our goal is to ensure you have the most accurate and updated information as you move forward in your review.

Unfortunately, we've noticed that the version presented by the Mayor **does not fully align with what we submitted**, particularly in three key areas:

- **Healthcare Costs:** After over 24 years the Mayor made the decision to shift on paper BOE healthcare costs from the town budget to the BOE budget without any prior discussion. To be clear, this change **doesn't save taxpayers any money**—it simply moves the expense from one part of government to another, making the BOE increase appear larger while reducing the Mayor's proposal to the Town Council. This only creates unnecessary division and confusion when looking at our financial picture and creates a distraction as our community tries to understand the upcoming budget challenges.
- **Capital Plan:** The capital plan included in the Mayor's version is **not the updated plan** that was submitted with our budget. We also provided the updated version in an email to all involved in late January. This makes it harder to have a clear and informed conversation about our district's long-term needs. We are committed to working with you to fully unravel any confusion and ensure we're all working together to move critical projects forward.
- **Revenue Adjustments:** The revenue figures in the Mayor's budget **do not match what we submitted**. Estimates from the BOE are found on page 13 of the BOE Budget. I should caution everyone involved that these projections remain volatile pending State and Federal actions.

I know that budget season is always challenging, and we truly appreciate the work you're doing to make sense of it all. We remain committed to genuine transparency and collaboration and are happy to answer any questions or clarify anything you may need.

Please don't hesitate to reach out, and thank you for your time and dedication to our community.

Best, -Jay

TOWN OF LEDYARD

741 Colonel Ledyard
Highway
Ledyard, CT 06339-1511

File #: 25-2107

Agenda Date: 6/25/2025

Agenda #: 2.

FINANCIAL BUSINESS REQUEST (FBR)

Motion/Request:

MOTION to rescind the Town Council's action of June 11, 2025 setting the Fiscal Year 2025/2026 Real Estate and Personal Property Mil Rate of 37.16 and a Motor Vehicle Mil Rate of 32.46.

Background:

June 11, 2025 Town Council Meeting:

With both the May 20, 2025 Referendum and the June 10, 2025 Referendum Failing at the Town Council's Special Meeting of June 11, 2025 additional Budget Adjustments were made that reduced the previously projected Mil Rate Increase from 1.99 to 1.95; calling for a Real Estate and Personal Property Mil Rate of 37.16.

Subsequent to the June 11, 2025 Town Council Meeting it was realized that there was no funding coming from the Tax Levy (General Government Operating Budget) for the Board of Education Capital. With the Budget Adjustment to move the Board of Education \$45,000 reduction from Capital to their Operating Budget, the final calculation for the Mil Rate was reduced by 0.02 mils for a mil rate increase of 1.93. Therefore, the June 11, 2025 action was being rescinded for the Town Council to act on the corrected Real Estate and Personal Property Mil Rate of **37.14.**

In accordance with the Town Charter, Chapter VII; Section 6 "*On or before the first day of July the Town Council shall fix the tax mils fourth Monday in June.*"

FINANCIAL BUSINESS REQUEST (FBR)

Motion/Request:

MOTION to set Fiscal Year 2025/2026 a Real Estate and Personal Property Mil Rate of 37.14; and a Motor Vehicle Mil Rate of 32.46.

Background:

June 11, 2025 Town Council Meeting:

With both the May 20, 2025 Referendum and the June 10, 2025 Referendum Failing at their June 11, 2025 Special Meeting the Town Council made additional Budget Adjustments that reduced the previously projected Mil Rate Increase from 1.99 to 1.95; calling for a Real Estate and Personal Property Mil Rate of 37.16.

However, with the Budget Adjustments to move the Board of Education \$45,000 reduction from Capital to their Operating Budget, the final calculation for the Mil Rate was reduced by 0.02 mils for a mil rate increase of 1.93. Therefore, the mil rate set at the June 11, 2025 meeting was being corrected to a Real Estate and Personal Property Mil Rate of **37.14.**

In accordance with the Town Charter, Chapter VII; Section 6 "*On or before the first day of July the Town Council shall fix the tax mils fourth Monday in June.*"

For the Fiscal Year 2025/2026 the State's Car Tax Cap of 32.46 mils has remained the same as the previous year.

Because the Car Tax Cap would result in a loss of tax revenue for several towns, the State has been providing funding to Municipalities to offset the loss of Municipal car tax losses.
