Which Boards would you like to apply for?Historic District Commission: Submitted

Education & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I feel I have a lot to offer when it comes to Ledyard town history as a former caretaker of the Nathan Lester house.

Community Involvement

I'd like to help the commission from a different point of view. I've been a member of the community for over 10yrs. I've been involved in many different areas from having special needs children in the public schools, my former position at the Lester house I interacted with the community on a daily basis and farming in our great farm town

Educational Background

I graduated from high school in 2002 where I found my love of history. I took my CNA classes in my Early twenties and worked in that field until I had children. Preparing for my position at the Lester house I took classes with John Townsend, Eustis Conway and many other who work in historical reenacting and teaching.
