Subject: Town Council agenda re:appointment of Nate Woody

Dear Members of the Town Council,

After reading Eric Treaster's letter to the Council about the proposed appointment of Nate Woody to the Planning and Zoning Commission, I felt compelled to reach out and share my own concerns. I agree with many of the points Eric raised and respectfully ask that the Council postpone or deny this appointment.

It's important that members of Planning and Zoning remain objective and fair in reviewing applications. Based on Mr. Woody's prior public comments, I'm concerned that he may already hold strong opinions that could make it difficult to remain impartial.

At our Gales Ferry District semiannual meeting, a current Town Councilor spoke about a previous appointment where she voted against a candidate because he "showed bias coming in already due to previous stances and comments on a prior application." (This was around 34:30 in the meeting video.) I believe that same standard of fairness should be applied consistently here.

Thank you for taking the time to consider my concerns and for your continued service to the residents of Ledyard.

Respectfully,
Lee Ann Berry
