Preliminary Budget Work Session Schedule for Fiscal Year 2024/2025

Attached please find the preliminary budget work session schedule for the Fiscal Year 2024/2025 Budget. As we have done in past years, the Finance Committee will hold work sessions during regular business hours. Budget work session time slots have been allocated appropriately to each department.

The Budget Work Sessions will be held in a hybrid format for Department Heads attending in-person in the Council Chambers, while providing access for other members of their departments and the public to attend remotely by video conference using the Zoom platform.

The Finance Committee does not intend to break between each work session. Therefore, once a department's work session has completed, we will immediately move to review the next department's budget as sequentially listed on the tentative schedule.

Please review your department's scheduled work session and your availability. Please ensure you are in attendance 10 - 15 minutes prior to your scheduled time to maximize efficiency of the departmental budget work session process. If you are not able to attend the budget work session at the designated time for your department, please contact the Town Council Office at (860) 464-3203 no later than February 19, 2024 to reschedule. A final schedule will be distributed on February 26, 2024.

Thank you for your cooperation.
