Dear Mrs. Schneider:

The Town Council would like to take this opportunity to thank you for your nearly ten-years of dedication to the Town serving on the Ledyard Beautification Committee.

After receiving your July 29, 2025 email announcing that you planned to step down from the Ledyard Beautification Committee when your term ended on October 26, 2025; you later graciously offered to continue to serve until a replacement was appointed to ensure the Committee had a quorum to continue their work.

We are pleased to inform you that a replacement has been appointed to fill your position; and the Beautification Committee now has a full membership.

Your commitment to the Beautification Committee and to your community is commended and has not gone unnoticed. Your contributions to the planning and support to preserve and maintain the beauty of Ledyard's rural character with creative initiatives that involved our community's youth to design seasonal streetlight banners, mobilizing volunteers to plant thousands of daffodils throughout town, organizing annual Earth Day Clean-ups that included contests such as Trash to Treasure, recognizing Military Veterans, and the many other programs the Committee has successfully launched, has made Ledyard a beautiful and welcoming community.

Volunteers such as yourself, are the backbone of our community's success and our residents have benefited from your contributions; and your desire to care for the spaces in town that had been overlooked.

The Town of Ledyard values your many years of commitment, and we are truly grateful.

With Appreciation,

Gary St. Vil
Chairman
