Subject: Request for Extension to File Subdivision (PZ#25-9SUB) - Mt. Kineo Builders
Date: Tuesday, March 10, 2026 2:17:04 PM

Liz:

Thank you for taking my call a few minutes ago and speaking to my client earlier today. As we discussed, all outstanding approval comments for the above-referenced subdivision, including the easement concerns relating to proposed 963 Long Cove Road, have been fully resolved and final mylars are in your possession. However, my client has not yet completed the purchase of the underlying property. A closing is scheduled for later this month. Accordingly, I would request that you add to the agenda of the P&Z Commission a request for a 90-day extension to file the approved subdivision plans for PZ#25-9SUB. I appreciate your help with this request.

Bill
