PROCEDURE

- All entities interested in CDS funding must submit an application.
- On the Senate side, all applications are filed jointly. You will submit 1 application that will go to both Senators Blumenthal and Murphy. Both offices jointly submit the same projects for consideration in order to enhance the number of projects accepted by Committee.
- The House of Representatives has its own procedures. You are welcome to apply through your Representative as well, but that is a separate process. We recommend reaching out to the relevant office for details.
- Senators Blumenthal and Murphy endeavor to submit as many eligible applications to the Senate Appropriations Committee as possible. Once we submit to committee, it is up to them which projects to fund.
- CDS is a long process – you must first apply through our offices, then we must submit your project to committee, which selects projects for their bills. Once a bill passes out of committee, it still needs to be voted on and passed by the full Senate. Then, the Senate and House bills must be reconciled. All told, it will be at least a year before you receive your award, if you are selected.
- To see examples of projects we have submitted in the past, see our websites:

TYPICAL TIMELINE

- Continued Uncertainty for FY2024
- Process for FY2025 and Tentative Deadlines
- What happens after we submit an application?
- What happens when the appropriations bill is signed into law?
- When can I start expending funds?

WILL MY PROJECT HAVE A MATCHING REQUIREMENT?

- Some (but not all) CDS accounts have a matching requirement.
- For example, USDA – Rural Development, Distance Learning, Telemedicine, and Broadband Program Grants has a flat, 15% matching requirement for all projects.
- Prior to applying, it is important to determine if your project requires a match, and whether or not you are able to meet the matching requirement.
