LEDYARD ECONOMIC DEVELOPMENT COMMISSION

EDC OVERVIEW

The [Economic Development Commission](#) (EDC) is comprised of 7 volunteer members who are appointed to 3-year terms by the Mayor.

The EDC is responsible for expanding the tax base of the Town of Ledyard and for advocating, facilitating, promoting, and advising on economic development issues within the town through marketing, property tax incentives, and infrastructure improvement.

The role of the EDC is primarily advisory and not regulatory. Therefore, the EDC focuses on fostering a productive and positive relationship with both large and small businesses.

This report summarizes the work of the Economic Development Commission as well as other significant economic activity in Ledyard for the period of July 2024 through June 2025.
