**Subject:** Comment on GFI Public Hearing

Good afternoon,

I am submitting the attached letter to be included for the record with the GFI Public Hearing. Also, the minutes of last week's hearing (Dec. 12th) do not include the presentation made by the GFI public relations firm and should be corrected. Additionally, given that the minutes do reflect times when there were public outbursts, I am requesting they also reflect the outburst of residents who still wished to speak when the Chair closed the hearing for the evening at 10:50pm. It can be found right before your instruction about further comments to be submitted in writing.

Thank you.
