Dear Ms Burdick,

My husband and I are concerned about a quarry being proposed in Gales Ferry/Ledyard by GFI. Please respectfully accept this, our request, for you to hire, at the expense of the applicant, an expert in the field of Environmental Health and Safety re: carcinogenic dust, for the Town of Ledyard to aid the Ledyard P&Z in their deliberations regarding approving or denying this application.

Yours Sincerely

Valerie and Jim Hazlin
