My name is Lisa Maloney. I have lived in Gales Ferry for 35 years. One of the things I have loved about this town is its quaintness. I am asking you to oppose the plan to turn Mt Decatur into a quarry. My house is located close to the site in that it is on the cliff above the Dollar General and we can see that beautiful piece of land and will have to breathe in any dust coming our way and feel the blasts. But that is not the only reason I oppose it. Rt 12 is not a wide road and to increase the traffic that already has almost daily accidents or backups will be a disruption to residents and keep our already busy first responders even more busy. Please put the needs of the town over the pressure to approve this plan for the site.

Thank You

Lisa A Maloney.
