Finished basement room to convert to additional bedroom (photo above). This photo was listed by the listing agent when purchased by me last summer.

Existing basement bedroom (photo above). This was photo was provided by listing agent when purchased by me last summer.

Existing basement bathroom (photo above). This photo was provided by the listing agent during the purchase last summer. I've made cosmetic updates since then.

Original layout per records though the drawing should highlight the existing bedroom. The finished basement already includes this bedroom plus a bathroom as purchased and as listed on on the property card.

The revised plan as edited in red by me shows the existing bedroom plus the new bedroom. The basement is finished and also includes a small common area by the stairwell.
