Subject: Finance Committee Meeting

Hi Tony,

Would it be possible to add an agenda item in the next finance committee meeting to discuss what studies, paperwork, and other things need to be done for the Ledyard Center Phase 2 Sewer Project. If we want to apply for grants we need to have all this work done before we can apply. For example, we could apply for a Congressional Spending grant and we know around what time the grant application is due. This is just an example. Also, can this email be added to the correspondence in the Agenda?

I hope you have a nice weekend.

Thanks,
Carmen
