Hi,

I will be on vacation and will miss the next America 250 meeting on July 8<sup>th</sup>.

I would like to report that I had contacted both Principals, Mark Westcott and Lisa Hunter. They both expressed interest in having the students participate in the America 250 voting sticker contest. Mark mentioned it is a tight schedule but that he can try to make it work. I also made mention of tying in the roaming exhibits and pocket constitution contest. I am still playing phone tag with Lisa to discuss further details.

I also heard back from Adkins. They can print stickers for us. We can order up to 4 custom stickers alternating. They recently printed for the Town of Milford with the same idea. Milford's art is attached as examples. I will work on getting prices upon my return.

Thanks,

Patty
