Ms. Naomi Rodriguez Chair,  
Ledyard Town Council  
Town of Ledyard  
741 Colonel Ledyard Highway  
Ledyard, CT 06339

Dear Chairwoman Rodriguez:

The Ledyard Board of Education (BOE) has reviewed and approved the following requests and official communication to the Ledyard Town Council (TC). In both instances the received revenue in these areas is higher than previously budgeted. ASTE was an unexpected final payment that took place after TC had already made an adjustment. Impact Aid revenue was impacted by the Federal Government's allocations in their annual appropriations along with the number of claims.

The BOE respectfully requests your review and subsequent action:

1. Transfer the additional revenue received from the current Fiscal Year ASTE Revenue (\$39,502) to BOE ASTE CNR Account #22570101 58261.
2. Transfer Impact Aid revenue received (\$304,635) in excess of the budgeted amount to the BOE CNR reserve fund Account #22570101-58250

Should you or any of the Town Councilors have any questions, please let me know. The Board of Education Leadership and Superintendent are available as needed.

Sincerely,

  
Jason S. Hartling

Long School) – Mayor Allyn stated in preparation to go out to Bond for the School(s) Roof Replacement and Associated Projects, that he and Finance Director Matthew Bonin would be meeting with Standard & Poors to obtain a Bond Rating. He stated Ledyard would sell Bonds around the end of July, 2024.

VII. FINANCIAL REPORTS – None.

VIII. NEW BUSINESS

1. MOTION to recommend the Town Council authorize the purchase of a used SCBA Cascade filling station from the Town of Preston in the amount of \$5,000 from Account # 0210-20-2050-20501-57300 (LFD CNR New Equipment).

Moved by Councilor Buhle, seconded by Councilor Ryan

Discussion: Ledyard Center Fire Chief Jon Mann stated the Fire Department has been seeking the Assistance to Firefighters Grant (AFG) to purchase a new Cascade/ Air Compressor Unit that would be installed at the Ledyard Fire Department on Fairway Drive. He explained because their Grant Applications to date have not been approved that purchasing the used SCBA Cascade filling station from the Town of Preston for \$5,000 would be a stop gap measure. He stated currently the Ledyard Center Fire Department was filling their SCBA cylinders from the mobile unit on their Rescue Truck R-17 and then filling the Rescue Turck's mobile system at the Gales Ferry Fire Station using their SCBA Cascade filling station. He stated because the Apparatus Replacement Schedule Plan would phase out their Rescue Truck R-17 they would not have a Cascade System on the Ledyard side of town.

Mr. Mann continued by noting the SCBA Cascade filling station they were looking to purchase was a 20-year old used unit. However, he stated in talking with Preston's Fire Chief he has given the system high marks, noting that all the service and maintenance was up-to date, stating that there were no known issues. He stated a new SCBA Cascade filling station could cost between \$80,000 - \$100,000.

Councilor Buhle questioned whether moving from a mobile SCBA Cascade filling station to a fixed unit had any drawbacks. Mr. Mann stated that he believed the fixed unit would be better.

Councilor Ryan noted the background information indicated the following:

- By having an existing SCBA Cascade filling station that the Fire Department was looking to replace it would strengthen their Assistance to Firefighters Grant (AFG) Application.
- An additional \$2,000 was needed to install the unit for a total project cost of \$7,000.

Mr. Mann responded to Councilor Ryan explaining that the Fire Department had the \$2,000 available in their equipment maintenance budget to pay for the installation. He went on to explain because the installation would be done by different vendor, and the costs were below the \$5,000 threshold, they were not required to seek bids in accordance with Ordinance #200-001 "*Purchasing Ordinance for the Town of Ledyard*".

Councilor Ryan questioned whether there were obstacles preventing the Ledyard Center Fire Department from obtaining the Assistance to Firefighters Grant (AFG).

Administrator of Emergency Services Steve Holyfield stated the Assistance to Firefighters Grant (AFG) was a competitive process, explaining that they were competing with larger Agencies and Fire Departments that had a higher call volume. Therefore, he stated those Fire Departments were being awarded the grant funding over Ledyard. He stated in the Evaluation of their Grant Application that Ledyard received 100% for the Technical portion, however, the issue was that their call volume was lower than the other Agencies. Therefore, he explained when they have a tie, that the Federal Emergency Management Agency (FEMA) looked at call volume, noting with Ledyard having between 600-700 calls a year, that it puts them behind the curve in terms of qualifying for the grants. He stated as Councilor Ryan noted, that by having a SCBA Cascade Filling Station that the Fire Department was looking to replace, it would strengthen their Grant Application because they would be upgrading their existing older equipment. He stated their last Assistance to Firefighters Grant Application was in the amount of \$84,000, noting that it would have required a 5% local match, which was about \$6,000.

Mr. Holyfield went on to state by purchasing the used SCBA Cascade Filling Station from Preston for a total cost of \$7,000 (equipment and installation) that it would keep the career Firefighters and their Rescue Truck -R-17 that was assigned to Ledyard Center and the Rescue Truck in Ledyard Center, so that they would not have to take the SCBA cylinders to Gales Ferry Fire Department to fill the cylinders. He stated they have career staff assigned to the different sides of town to minimize response time, and maximize customer service delivery to the taxpayers. He stated purchasing the SCBA Cascade filling station would aide them in achieving their goals.

Councilor Ryan thanked Mr. Holyfield for his explanation, noting that having a low call volume was a good problem to have. He stated he supported the purchase of used SCBA Cascade filling station, noting that should they receive the Assistance to Firefighters Grant and purchase/install a new system that there was also the idea of being able to sell the current SCBA Cascade filling station. Mr. Holyfield stated this could be a zero cost in the long run.

**VOTE: 3 – 0 Approved and so declared**

Mr. Holyfield left the meeting at 5:11 p.m.

2. MOTION to recommend the Town Council appropriate and transfer \$129,698 from Account #10188210-59300 (Transferred Funds) to Account #2250101-49002 (BOE CNR Transfers In);

In addition, appropriate \$129,698 to Account #22570101-58261 (BOE CNR Ag-Science)

Moved by Councilor Ryan, seconded by Councilor Buhle

Discussion: School Superintendent Jason Hartling, attending remotely, explained for the Fiscal Year 2023/2024 the town budgeted \$850,000 to be received as revenue in the General Fund from the Agri-Science & Technology Education Grant (ASTE). However, he stated the town received \$979,698 which was \$129,698 more than the budgeted amount. He stated each year the excess funds were transferred from the General Fund to their ASTE Capital Account to be used to purchase capital items for the Agri-Science Program.

Councilor Saccone questioned whether the Board of Education knew how they were going to spend these ASTE Capital Funds. Mr. Hartling stated the Agri-Science Department provided a list of items that were needed at the beginning of this current school year. He stated he would be meeting with Ms. Okeefe to review the list before the end of the school year.

**VOTE: 3 – 0 Approved and so declared**

Councilor Saccone thanked Mr. Hartling for attending tonight’s meeting. Mr. Hartling left the meeting at 5:18 p.m.

3. MOTION to recommend the Town Council transfer tax accounts in the amount of \$68,748.54 listed in the report dated May 1, 2024, to the “*Suspense File*”.

In addition, authorize the transfer of non-refundable over payments in the amount of \$197.41 to the general fund listed in the report dated May 21, 2024.

Moved by Councilor Buhle, seconded by Councilor Ryan

Discussion: Mayor Allyn, III, noted both the Suspense File and Overpayments were part of their year-end housekeeping work. He explained that the *Overpayments* were just that, noting that overpayments of under \$5.00 do not have to be refunded, in accordance with CGS Sec.12-129. He also noted in accordance with Ordinance #200-002 “*An Ordinance Authorizing the Tax Collector to Retain Payments in Excess of the Amount Due Provided Excess is Less than Five Dollars*” over payments under \$5.00 were transferred to the General Fund. He stated for Fiscal Year 2023/2024 the Overpayments totaled \$197.41. He stated overpayments that were over \$5.00 were refunded.

Mayor Allyn went on to address the “*Suspense File*, explaining that each year the Tax Collector presented a list of accounts classified as “*Uncollectable*” to be transferred to the “*Suspense List*”. He explained that this action would remove the taxes, for both property and motor vehicle, from an active status to a non-active status. However, he stated the accounts that were being transferred would remain on the tax roll and would be flagged as a “*Suspense Item*”. He also explained that except for bankruptcy or deceased,

the remaining bills would be sent to a collection agency, and would remain on the tax rolls for fifteen years from their due date. He stated in some cases a State Marshall was used to notify taxpayers of their delinquent taxes and that this was also helpful. He stated this year's Suspense List was in-line with previous years, noting that last year the (FY 22/23) the Suspense File was \$60,136.02. He stated their Tax Collection Rate was at 99.3% which was good.

Councilor Buhle stated in many cases military service people who have registered their vehicles here and then move out of state do not receive their motor vehicle tax bill. She stated when they move back to Connecticut they cannot register a vehicle because they owed back taxes.

Mayor Allyn noted Councilor Buhle's comments regarding delinquent motor vehicle taxes, and he explained all of Connecticut's Municipalities' Tax Collection Systems were connected to the Department of Motor Vehicle. Therefore, he stated that they would have to pay their delinquent motor vehicle taxes before they could register a vehicle.

4. MOTION to recommend Town Council approve to set a Real Estate and Personal Property Mil Rate of 35.21 and a Motor Vehicle Mil Rate of 32.46.  
Moved by Councilor Ryan, seconded by Councilor Buhle  
Discussion: Mayor Allyn, III, stated at the May 21, 2024 Referendum the townspeople approved a Fiscal Year 2024/2025 Budget in the amount of \$67,430,573 (GG \$29,060,750; and BOE \$38,369,823) which represented a 0.65 mil increase. He stated for this year's Budget Referendum they had a 4.1% voter turnout.

Mayor Allyn went on to explain that the mil rate for the motor vehicles was lower than the real estate mil rate because of the State's Car Tax Cap of 32.46 mils which remained the same as the previous year. He stated because the Car Tax Cap would result in a loss of tax revenue for several towns, the State of Connecticut would reimburse Municipalities for the loss of tax revenue for the delta between the town's mil rate 35.21 and the state's cap 32.46. He stated that they do not know if this would change going forward, however, he stated that it was something they needed to keep in mind.

In accordance with the Town Charter, Chapter VII; Section 6 "*On or before the first day of July the Town Council shall fix the tax mils fourth Monday in June*".

Moved by Councilor Buhle, seconded by Councilor Ryan

Discussion: Mayor Allyn, III, stated each year the Town Council approved a “*Standing Bid Waiver List*” for unique vendors, lowest possible prices obtainable, sole vendors, and fewer than three bidder situations, noting that the Town’s Purchasing Ordinance required them to request competitive bids for items in excess of \$15,000.

Mayor Allyn went on to note per Ordinance #200-001 “*An Ordinance for Purchasing*” the purchasing thresholds were as follows: (1) For purchases of goods or services between \$5,000 - \$14,999 the Town shall solicit a minimum of three quotes; and (2) For purchases over \$15,000, a minimum of three (3) proposals are required through a competitive bid process.

Mayor Allyn explained at one time the Standing Bid Waiver List was about six-pages, but that they have worked to reduce the number of vendors on the List. He noted the following vendors were new additions to the list this year:

- AAA Police Supply - Police Ammunition – Mayor Allyn stated the State had a contract with AAA Police Supply, noting that it was a favorable contract price.
- Nex-Gen System– Mayor Allyn stated that Nex-Gen was a proprietary CAD System for the Police Department and Emergency Communications Dispatch.

Councilor Buhle stated Nex-Gen was the leading system in the State. She noted the Connecticut State Police and other Police Departments in their region such as Montville, Waterford, etc., were using this software. She stated by using Nex-Gen that Ledyard would be able to seamlessly collaborate with others in their region.

Councilor Ryan stated the previous vendor, Central Square, was also on the List.

- MIS Department – Mayor Allyn stated MIS Director Justin Dube found a fiber supplier that provided equipment that was the same quality or better, for a lower price.
- Hydroseeding – Parks & Recreation – Mayor Allyn explained that they do not hydroseed often. However, he stated because of the time involved to solicit bids and the timing to get the hydroseed down during the growing season that Parks, Recreation & Senior Citizens Director Scott Johnson, Jr. requested this vendor be included on the Standing Bid Waiver List.

Councilor Ryan questioned whether having a vendor on the Standing Bid Waiver List would prevent them from going out to bid. Mayor Allyn stated not at all. Councilor Ryan stated that although he did not mind the Hydroseeding being on the Standing Bid Waiver List, that he thought that this was something they should go out to bid for.

6. Reschedule the Finance Committee’s June 19, 2024 meeting date.

Background: Juneteenth: Independence Day, Freedom Day “*The Emancipation Proclamation*” was signed by President Abraham Lincoln on January 1, 1863.

Mayor Allyn stated in 2021 President Joe Biden signed a Bill that was passed by Congress to set aside Juneteenth (June 19<sup>th</sup>), as a federal holiday; and on May 27, 2022 Governor Ned Lamont signed into law Public Act 22-128, which established a new legal state holiday on June 19 known as Juneteenth Independence Day, which was scheduled to be legally recognized in 2023. He stated with Connecticut being a state declaring Juneteenth as a state holiday, that both State and Municipal Employees have the day off. He stated because Town Offices would be closed that Committees cannot meet. Therefore, he suggested the Finance Committee reschedule their meeting to Tuesday, June 18, 2024.

By consensus the Finance Committee agreed to reschedule their June 19<sup>th</sup> meeting to Tuesday, June 18, 2024 at 5:00 p.m.

**COMPLETED**

**\*\*POST MEETING NOTE: 6/12/2024\*\*:** Due to no New Business the Finance Committee did not schedule a Special Meeting on June 18, 2024.

						Projects with remaining balance - at risk		
						Balance from completed projects to be reallocated - at risk		

- Sewer Line Extension Project Phase I \$1,200,000-** Public Works Director/Town Engineer Steve Masalin stated Phase I of the Sewer Line Extension was currently in-process. He explained that there has been some savings because they have coordinated this work with the construction of the Multi-Use Pathway (pedestrian and bicycle) along Colonel Ledyard Highway, which was being paid with the \$2,540,000 Local Transportation Capital Improvement Grant Program (LoTCIP).

Councilor Ryan addressed the reallocation of ARPA Funding that was remaining from completed projects relative to the uncertainty of costs/surplus for the Sewer Line Extension Project (Phase I & Phase III) noting that they only had six-months remaining to get contracts in place, otherwise the funds would need to be returned to the US Treasury.

Councilor Ryan went on to note Phase I of the Sewer Line Project stating there would be approximately \$609,000 remaining that could be reallocated to the other two Phases of the Project. Mr. Masalin stated that they would have some funding remaining; however, he stated that they were hitting a lot of rock, noting that there was still some uncertainty at this stage about how much funding would be left from Phase I. Councilor Ryan questioned when they would have some fidelity on the dollar amount that was going to be left. Mr. Masalin explained that they were front loading the sewer pipe, and then the Multi-Use Pathway would be installed over the top of it, noting the Pathway was being

paid with LOTCIP Grant Funding. Mayor Allyn stated that Councilor Ryan was correct in that they were going to be up to a spending deadline. Councilor Ryan stated that he would not like to see the town have to send any money back to the US Treasury. Mayor Allyn stated that they had some good backup plans.

- ***Sewer Line Phase II*** – Public Works Director/Town Engineer Steve Masalin stated Phase II was the Commercial District and was currently not on the table. However, he stated it needed to be kept in reserve. He stated the Water Pollution Control Authority was proceeding to secure Engineering Service proposals to begin the Design Work.

Chairman Rodriguez questioned the cost of the design plans for Phase II. Mr. Masalin stated he spoke with Wastewater Supervisor Steve Banks, noting that the Water Pollution Control Authority (WPCA) needed to decide what the sewer service area would look like relative to how it would be piped to existing businesses and perspective development on Fairway Drive and Colby Drive. He went on to explain that he has been directing those who have come to him which included Mr. Dave Holdridge, and the owner of Valentinos Restaurant to the WPCA. He also noted that it was his understanding that the owner of Ledyard Center Village Market was also interested in the sewer line project.

Chairman Rodriguez questioned the timing. Mr. Masalin explained the process stating that they would have to engage a Consultant to help them scope out where the sewer lines were going to be installed before they could draw up the specific design plans. He stated that he thought they could get a contract in-place by the end of the calendar year. He stated the timeframe was tight, noting that things take longer than you expect. He stated the WPCA needed to get moving on Phase II and Phase III.

- ***Sewer Line Phase III: \$950,000 ARPA Funding*** - Public Works Director/Town Engineer Steve Masalin stated Phase III would bring the sewer line from the High School to the Pump Station, and on to Pennywise Lane. He stated the sewer line in this area needed to be enlarged to handle the load coming from Ledyard Center. He stated the Phases of the Project seemed to be out of order in terms of their numbering.

Mayor Allyn stated the design work for Phase III has been moving along, noting that they have been paying invoices. He stated that Mr. Masalin would be contacting Weston & Sampson Engineers to check on the status of their work, noting that it would probably be a couple more months before they would have the design work completed. He noted that they had some advantage for Phase III because the laying of the larger sewer pipe would follow the path of the existing undersize sewer line. He stated that the timing was going to be tight.

- ***Town Hall Exterior Locking Doors \$23,000 ARPA Funding*** – Public Works Director/Town Engineer Steve Masalin stated the installation of the Automated Doors for the Town Hall front entrance was completed, noting that they may have approximately \$18,000 remaining.
- ***Town Hall Vertical Lift \$250,000*** - Public Works Director/Town Engineer Steve Masalin stated that he initiated architectural work to install a Vertical Platform Lift at the Town Hall. He stated it was an alternative to a full elevator, noting that it would provide access from the lower floor to the upper floor. He stated although they may not

be in violation of the American Disabilities Act (ADA) that the lift was needed, explaining for people who cannot navigate the stairs, have to drive their car around Town Hall and park on the street to access the upper level of Town Hall.

- **Ledyard Center Sidewalk In-Fill: \$35,000 ARPA Funding** – Public Works Director/Town Engineer Steve stated the \$35,000 may not be enough funding to complete the construction of the sidewalks in the two missing sections: (1) In front of Holdridge Garden Center; and (2) Across the street in front of Dime Bank up to the Post Office. However, he stated that they would have plans and State Permits in-place and would get as much accomplished as they could with the ARPA Funding and would then continue to work to complete the sidewalks as funding becomes available. He noted the Multi-Use Pathway, which was being paid by Local Transportation Capital Improvement Plan (LOTICIP) Grant Funding would install sidewalks in the area after Valentinos Restaurant to the Bestway Market on Route 117.
- **LED Message Signs - \$70,000**– Mayor Allyn stated the sign in front of the Gales Ferry Fire Department on Route 12, Gales Ferry, was installed and was now operational. He stated he finally received approval from the State to install the second LED Message Sign in Ledyard Center that would be located in the arch of the stonewall in front of the Upper Town Green. He stated that he had to contact the Commissioner of the Department of Transportation to finally move Ledyard’s request along.
- **Erickson Park Improvements \$55,000** - Mayor Allyn stated the stone dust path was put down this past fall (2023). He stated a Contractor has been hired; however, he stated Parks, Recreation & Senior Citizens Director Scott Johnson, Jr. was trying to work around the June 8, 2024 Harvard-Yale Regatta Festival. He stated that he would follow-up with Mr. Johnson tomorrow.
- **Mental Health Balance \$150,000** – Mayor Allyn stated based on the current caseload that they were projecting to have approximately \$100,000 left at the end of 2026. He stated Clinician Pat Frost had two cases, and he noted that only one client accepted services for the summer. He stated Social Services Director Karen Goetchius has been looking to hire an additional Clinician on a Per Diem basis. However, he stated if there were no takers of the service that the Per Diem Clinician would not be paid. He stated that he was considering making a recommendation to leave \$50,000 earmarked for Mental Health Services, which at the current usage rate would provide for two years of services. He noted the Finance Committee would need make a determination within the next two meetings on the allocation of these funds.

2. Continued discussion regarding potential uses for the funding received from the National Opioid Settlement Payments.

Mayor Allyn, III, stated Ledyard received an Opioid Payment in the amount of \$9,098; noting to-date the town has received a total of \$109,703.61; and that they would continue to receive Opioid Funding through 2037. He went on to explain at their September 27, 2023 meeting the Town Council appropriated \$36,100 from the National Opioid Settlement Funds to Ledge Light Health District/ Ledyard Prevention Coalition to implement programs to address opioid use disorder and prevention, and to expand access to intervention,

treatment, and recovery options. He stated Emergency Narcan Kits were installed at the Upper Town Green in Ledyard Center and at the Gales Ferry Community Center parking lot. He suggested the Town Council expand the use of the Opioid Funds, noting at the Finance Committee's April 3, 2024 he suggested they consider other Agencies such as SERAC, located in Norwich, noting that they do similar work. He stated a recent article reported that to-date only 3% of the Opioid Settlement Funds have been spent in Connecticut. He stated that Ledyard was one of few towns that has been putting the money out into the community. He offered to invite SERAC to give a 10-15 presentation to the Town Council, should the Finance Committee be interested and learning about their programs.

Councilor Saccone questioned whether the Emergency Narcan Kits have been used. Mayor Allyn stated Ledyard Prevention Coalition Kerensa Mansfield would be providing updates on the resupplying of the Kits.

Chairman Rodriguez stated that people were happy that the Emergency Narcan Kits were available, noting that pictures of the Kits have been posted on social media. She stated they needed to get this information out to the public to help lower the number of overdoses.

Councilor Buhle questioned whether the Opioid Funds could be used for a Comfort Dog. Mayor Allyn stated there were very specific uses of the funds. He stated it was a lengthy document and that he would need to review it again to refresh himself on the various uses and report back at the Finance Committee's July 17, 2024 meeting.

Councilor Buhle questioned whether they could use the Opioid Funding to purchase Narcan to distribute to people when they drop off their unused medications at the Drug Take Back Days. She stated that they need to have an Event to emphasize that Narcan was not just for drug addicts. She stated often times pain medications were prescribed after a surgical procedure or for other injuries; and people do not recognize the dangers of the medications. She stated overdoses could affect any family, and they have to create an environment to normalize having Narcan in your home and break the stigma that it was for people who have an addiction.

Chairman Rodriguez stated during the Drug Take Back Day they do not distribute Narcan. She stated that Ledge Light Health District has been at the Farmers Market in the past, and that they demonstrated how to use the Narcan. She stated it would be great if Ledge Light Health District could be at the Farmers Market at least once during this summer, noting they could reach a lot of people there. She stated that she would mention doing a Community Educational Event to the Ledyard Prevention Coalition at their next meeting.

Mayor Allyn noted Councilor Buhle's suggestion, and he stated the funds could be used to purchase Narcan in bulk. He went on to state that they could distribute the Narcan at the Farmers Market noting about 1,000 people visit the Farmers Market each week.

Councilor Saccone addressed the importance to have Narcan in your home so that it was available should someone need it.

Councilor Ryan stated he did a quick word search on the following words: "*therapy, canine, dog*" for the permitted uses of the Opioid Settlement Funding. He stated only "*therapy*" came up noting that he did not find *therapy dog* as a permitted use of the money. However, he stated a number of the uses they were discussing this evening were permitted uses.

3. Continued discussion regarding potential uses of the revenue received from Public Act No. 21-58 *“An Act Concerning Solid Waste Management”* in accordance with *“Resolution Regarding Revenues Received from Beverage Container Surcharges”* adopted on June 8, 2022.

Public Works Director/Town Engineer Steve Masalin stated as follow up to the April 3, 2024 Finance Committee meeting that he obtained information regarding a Lease/Purchase Plan for a Pelican Street Sweeper along with sharing the piece of equipment with the Town of Preston.

Mr. Masalin began by providing some background noting that the Town of Ledyard sold its 20-year-old sweeper in 2022 with the thought that the Department could economically cover the Town’s annual sweeping needs through a rental. He stated the Town rented a sweeper in 2023 and 2024, using the Beverage (“Nip”) Container Surcharges Revenue. However, he stated the results substantially failed to meet their expectations for a number of reasons. He went on to state that they also learned that the availability of rental units significantly declined, with no prospects of increasing. He stated in light of this predicament, he now felt that owning a sweeper would be the best, and most economical way to meet the town’s needs. He stated that coincidentally the Town of Preston’s Street Sweeper was at the end of its lifecycle, and they were looking to replace it. He stated Ledyard has been providing some services to Preston which included mechanic services and maintaining Preston’s fleet.

Mr. Masalin continued by reviewing a quote from Pelican in the amount of \$285,990 which was attached to the Agenda on the meeting portal for tonight’s meeting. He stated because they did not have funding in a Reserved Capital Account to purchase the Street Sweeper, that this would be a Lease/Purchase Arrangement, which Ledyard has done twice before for other large pieces of equipment. He stated the Annual Lease/Purchase Payment would be \$66,467 including a 5% interest rate.

Mr. Masalin explained that Ledyard had an opportunity to share this Street Sweeper with Preston, which would easily cover the annual scope of work for each town and also be available for spot needs throughout the year. He stated the cost share would be allocated proportionally on the basis of paved road mileage as follows:

Ledyard: 110 miles of roadway = 220 Lane Miles Per Year	\$44,000 (2/3 cost)
Preston: 55 miles of roadway = 110 Lane Miles Per Year	\$22,000 (1/3 cost)

Mr. Masalin stated he and Councilor Buhle discussed the proposal to use the Nip Bottle Revenues to pay for the Street Sweeper. He noted Finance Director Matthew Bonin stated the *Beverage Container Surcharges (Nip Bottles)* Account current balance was \$44,362.83 which would be enough money to cover the first two annual payment and beyond that.

Mayor Allyn stated Ledyard’s Nip Bottle Revenue averaged about \$15,729.28 every six months for an annual Revenue of \$32,458.65, noting that the town would still have to supplement the annual cost for the Street Sweeper. Mr. Masalin stated that their Street Sweeper Operator told him that there were more Vaping Cartridges on the roads than nip bottles.

The Finance Committee and Mr. Masalin discussed the following:

**Term of Lease:-** Five year Lease. Mr. Masalin stated CN Wood was the franchise holder of the Pelican Sweeper. He stated this Lease/Purchase Arrangement would be through a Sourcewell Contract, who was on Ledyard's Standing Bid Waiver List and that Preston also used the Sourcewell for their Financing/Lease Program.

**State Street Sweeping Requirements:-** Mr. Masalin stated annual sweeping was a requirement of the Municipal Separate Storm Sewer System (MS4) Program. He stated although both towns (Ledyard and Preston) have shifted to treated salt for winter operations; and have eliminated the accumulation of sand that use to accompany road treatment, that there was still a considerable amount of debris that collected along the road edges from other sources. He stated for the 2024 sweeping season, thirty-two (32) large dump truck loads (about 100 tons) of debris was collected from their roads.

**Preston's Funding:** – Mr. Masalin stated that he has been working as an Interim Public Works Director for Preston, noting that their new Director would be hired this month. He stated he has been discussing the shared Street Sweeper arrangement with Preston for a couple of weeks, noting that their funding approach and purchasing process was different than Ledyard's. He stated he was working to draft a *Memorandum of Agreement* (MOA) between Ledyard and Preston. He stated once the Memorandum of Agreement (MOA) was approved that Preston would then work out their details for funding.

**Renting Street Sweeper from another Town:** Mr. Masalin stated he did not believe another town would rent their Street Sweeper to Ledyard. He stated in the past that he would not lease Ledyard's Street Sweeper to any other town. He stated "*Regionalization*" was a great buzz word. However, he stated mutually sharing certain types of equipment could be a nightmare. He stated because there was a small scope of use of a Street Sweeper that the risk, wear and tear, accountability, timing, etc. made sharing a street sweeper challenging. Councilor Buhle stated if Ledyard could lease a street sweeper from Groton for \$10,000 a year that it would be less expensive than the Lease/Purchase of \$44,000 a year. Mr. Masalin stated that he did not look into renting a sweeper from another town, noting that the proposed arrangement with Preston would work because they did not have a lot of road mileage and they would be able to complete sweeping the roads in both towns before paving season began.

**Conveyance Revenue Balance :** - Ordinance #200-009 "*An Ordinance Providing for the Transfer of Certain Revenue from the Real Estate Conveyance Tax to Specific Town of Ledyard Funds*" stated:

"..... all revenue remitted to the town by the Town Clerk **from the real estate conveyance tax shall be deposited** to the following Town of Ledyard Funds in the specified percentages. A sum equal to forty percent (40%) of the money thus received shall be deposited to Fund 8, the Parks and Recreation Capital and Non Recurring Expense Fund; **an additional forty percent (40%) of said money shall be deposited to Fund 6, Capital and Non Recurring Funds, to be used only for capital/infrastructure expenses;** and the remaining twenty percent (20%) of said money shall be deposited to Fund 6, Capital and Non Recurring Funds, with an Acquisition of Open Space Allocation"

Mr. Masalin explained that 40% of the conveyance tax collected was transferred to the Public Works Heavy Equipment Capital Non Recurring Account. He stated that he did not know the balance of that fund.

**Five-Year Historical Street Sweeper Expenses:** - Mr. Masalin stated that there were consumables such as brooms and some other things they had to purchase every year. However, he stated that he did not know how far back their expense history was available on the system.

**Extended Warranty:** - Mr. Masalin stated the Quote provided for tonight's meeting was quickly put together, noting that there were a few details such as an extended warranty that needed to be worked out. He stated the Town Garage has done some routine maintenance work on the previous Street Sweeper, noting that periodically they would send the sweeper back to the manufacturer for extensive refurbishment work. He stated in the past that he included funding in the Heavy Equipment Reserve Account so that the funding was available for the refurbishment work when needed.

The Finance Committee agreed that both the Street Sweeper and the Food Scrap Composting were important initiatives that had to be addressed and were a good use of the revenue received from *Beverage Container Surcharges (Nip Bottles)*.

The Committee agreed to move on to Item #4 Compost PILOT Program.

**RESULT: CONTINUED**

**Next Meeting: 07/17/2024; 5:00 p.m.**

4. Continued discussion regarding PILOT Composting Program.

Councilor Ryan stated the Compost Program was going to become another unfunded mandate, noting the merit of the PILOT Program for the use of the revenue received from *Beverage Container Surcharges (Nip Bottles)*.

Councilor Garcia-Irizarry stated based on the May 15, 2024 Finance Committee Meeting she obtained updated Quotes from Blue Earth Compost, noting that the pricing did not change. She stated the new Quotes were attached to the Agenda on the Meeting Portal.

The Finance Committee reviewed the Blue Earth Compost costs as follows:

- **Starter Kit at a cost of \$3,901 would include the following:**
  - ✓ 100 - 6 Gallon Container (\$1,738)
  - ✓ 2,500 Compostable Bags (\$450)
  - ✓ 64 Gallon Bin at the Transfer Station - No Container Delivery Fee (If starter Kits and 64-Gallon Bin were delivered the same day)
- **One -Year Contract \$7,802; Six-Month Cost \$3,901**
  - ✓ \$35 per week service collection
  - ✓ \$12 X 2 per week 64-Gallon Bin Fee
  - ✓ \$2 X 2 per week Cleaning Fee
  - Total Weekly Fee: \$63.00 X 26 Weeks = \$1,638
- Early Termination Fee 1-Month charge (\$250)

Councilor Buhle stated the six-month service cost of \$3,901 would include the Starter Kit as noted above. She stated thereafter the cost would be \$1,678 providing the costs stayed the same, noting that the Stater Kit was a one-time cost.

The Finance Committee noted that during the Fiscal Year 2025/2026 Budget preparation (next year's budget) that they would need to address the funding options to support both the Street Sweeper (see above Old Business Item #3) and the Food Waste Compost Program, noting that both initiatives were viable uses of the *Beverage Container Surcharges Revenues (Nip Bottles)*.

Public Works Director/Town Engineer stated he had enough money in his Sanitation Account to operationally fund the Blue Earth Compost Contract. He also noted that Southeastern Connecticut Regional Resources Recycling Authority (SCRRA) would eventually absorb the destination and integrate the Food Waste Composting Program into the Curbside Collection Services.

The Finance Committee questioned whether they needed to vote on the Blue Earth Compost Contract. Mr. Masalin explained that no action was needed because the Blue Earth Compost would be paid out of the proper budget account "*Sanitation*" and because the contract was under the \$5,000 threshold they were not required to solicit bids.

The Finance Committee thanked Mr. Masalin for taking on the cost this Compost PILOT Program noting the importance to begin reducing trash tonnage by removing the Food Waste from the household waste stream; and for residents to become aware and participate in the Blue Earth Compost Pilot Program.

Councilor Buhle noting the following Next Steps:

- Order the Starter Kits
- Contact the Farmers Market to reserve a space to talk to residents about the Composting Program.
- Distribute the Compost Containers and Compostable Bags.

**RESULT: COMPLETED**

5. Any Old Business proper to come before the Committee – None.

X. ADJOURNMENT

Councilor Buhle moved the meeting be adjourned, seconded by Councilor Ryan.

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

MOTION to grant a Bid Waiver to Oak Hill Controls from Bethlehem, PA, a sole source provider, in the amount of \$29,535 to rebuild the Rotary Drum Thickener Panel (RDT) at the Highland Wastewater Treatment Facility.

In addition, transfer and appropriate ARPA funding in the amount of \$29,535 for said purpose. Source of ARPA funding transfer to be determined.

Yes we will request a bid waiver for this project. Brandon Mattis from Oak Hill Controls is our SCADA integrator and intimate with our system. It will save time and money to have Brandon complete this work. Would like to have him get started soon ordering parts and building the panel. The existing parts are no longer available for this panel. If this panel goes down we will not be able to run the rotary drum thickener. This would result in a significant increase in solids removal costs. Contact me if you have any other questions. Respectfully, Steve B. (Ledyard WPCA)

Steve,

We will get this on the agenda for the next finance meeting, a couple of questions:

- Will this work be conducted by a vendor that is currently working up there?
- This is past the bid threshold, will you be looking for a bid waver
- I believe from our conversation this item is extremely outdated and under powered and if it fails it may take some time to repair or replace it on an emergency basis.

Roxanne: please place this on the agenda for the next finance meeting.

Tony

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

MOTION to grant a Bid Waiver MSS Electronics, Inc, White Plains, New York in the amount of \$22,710 to upgrade electronic lock system at the Emergency Services Building on Fairway Drive to be paid from Account # 21020501-57300 (Ledyard Fire Company - New Equipment).

**AN ACT CONCERNING A MUNICIPAL OPTION PROPERTY TAX EXEMPTION FOR GOLD STAR PARENTS AND SPOUSES**

**SUMMARY:** This act allows a municipality, with its legislative body's approval, to provide a property tax exemption to any parent or surviving spouse of a service member killed in action while performing active military duty with the U.S. Armed Forces (i.e., “Gold Star” parent or surviving spouse). A municipality may exempt up to \$20,000 or 10% of the property's assessed value.

To be eligible for the exemption, the income of the Gold Star parent or surviving spouse cannot exceed (1) the state's income limit for a single person for other veterans' property tax exemptions annually set by the Office of Policy and Management (\$35,200, including inflation adjustments, in 2017) or (2) an amount the municipality sets, up to \$25,000 more than the state limit. Under the act, if both parents live together only one may receive the exemption.

The act specifies that the Gold Star exemption is in addition to any property tax exemption to which the applicant is entitled. But an applicant cannot receive more than one additional municipal property tax exemption for veterans or their family members (CGS §§ 12-81f & -81g).

Under the act, the “U.S. Armed Forces” means the Army, Navy, Marine Corps, Coast Guard, and Air Force, and any reserve component of these branches, including the Connecticut National Guard performing duty under Title 32 of the U.S. Code (e.g., certain Homeland Security missions).

**EFFECTIVE DATE:** October 1, 2017, and applicable to assessment years beginning on or after that date.

**APPLICATION PROCEDURE**

*Application Submission*

An applicant claiming the Gold Star exemption must (1) notify the town clerk in the municipality where he or she resides and (2) file an application, on a form prepared by the tax assessor, before the assessment date for which the exemption is claimed.

The act requires the application to include the following documentation:

1. at least two affidavits from disinterested persons showing the (a) deceased service member was killed in action while performing active military duty and (b) relationship between the service member and parent or surviving spouse and

2. a copy of the parent's or surviving spouse's federal income tax return or, if a return is not filed, income-related evidence required by the assessor for the tax year immediately before the assessment date for which the exemption is claimed.

Under the act, the assessor may further examine the applicant under oath about the facts in the affidavits.

The town clerk must record, at no charge, each affidavit in full and list the name of the claimant. The act prohibits an assessor, board of assessment appeals, or other official from granting an exemption until all of the required documentation is filed with the town clerk.

The exemption takes effect the day after an application is approved. The parent or surviving spouse must reapply for the exemption every two years.

#### *Annual Certified List*

The act requires the tax assessor to annually prepare a certified list of parents and surviving spouses entitled to the exemption and file it in the town clerk's office. The list is prima facie evidence that the parent or surviving spouse is entitled to the exemption as long as he or she lives in the municipality and the municipality provides the exemption.

#### *Appearance before the Assessor*

Under the act, the assessor may at any time require a parent or surviving spouse to appear to furnish additional evidence. But an individual unable to appear because of a disability may submit to the assessor a statement from an attending physician or advanced practice registered nurse certifying the disability and inability to appear. The assessor may request other evidence of total disability as he or she deems appropriate.

#### *Disqualifying Income*

Under the act, a parent or surviving spouse approved for an exemption in any year is presumed to qualify in the following year. The assessor must notify each such parent or surviving spouse in writing. (Presumably, the notice would inform them that they may claim the exemption that year.)

If the parent's or surviving spouse's income exceeds the amount allowed that tax year, he or she must notify the assessor on or before the next filing date. The assessor must deny the exemption for the year immediately following and any subsequent year, until the parent or surviving spouse reapplies and requalifies for the exemption.

The act requires any parent or surviving spouse who fails to notify the assessor of such income disqualification to pay the municipality for the amount of the property tax exemption that was improperly taken.

**AN ACT CONCERNING A MUNICIPAL OPTION PROPERTY TAX EXEMPTION  
FOR GOLD STAR PARENTS AND SPOUSES.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (NEW) (Effective October 1, 2017, and applicable to assessment years commencing on or after October 1, 2017) (a) (1) Except as provided in subdivision (2) of this subsection, any municipality, upon approval by its legislative body, may provide that any parent whose child was killed in action, or the surviving spouse of a person who was killed in action, while performing active military duty with the armed forces, as defined in subsection (a) of section 27-103 of the general statutes, which parent or surviving spouse is a resident of such municipality, shall be entitled to an exemption from property tax, provided such parent's or surviving spouse's qualifying income does not exceed (A) the maximum amount applicable to an unmarried person as provided under section 12-81l of the general statutes, or (B) an amount established by the municipality, not exceeding the maximum amount under section 12-81l of the general statutes by more than twenty-five thousand dollars. The exemption provided for under this section shall be applied to the assessed value of an eligible parent's or surviving spouse's property and, at the municipality's option, may be in an amount up to twenty thousand dollars or in an amount up to ten per cent of such assessed value.

(2) (A) If both parents of any such child killed in action while performing active military duty with the armed forces are domiciled together, only one such parent shall be entitled to an exemption from property tax provided for under this section.

(B) The exemption provided for under this section shall be in addition to any exemption to which an eligible parent or surviving spouse may be entitled under section 12-81 of the general statutes. No such eligible parent or surviving spouse entitled to exemption under section 12-81f or 12-81g of the general statutes and this section shall receive more than one such exemption.

(b) (1) Any parent whose child was killed in action, or the surviving spouse of a person who was killed in action, while performing active military duty with the armed forces and who claims an exemption from taxation under this section shall give notice to the town clerk of such municipality that he or she is entitled to such exemption.

(2) Any such parent or surviving spouse submitting a claim for such exemption shall be required to file an application, on a form prepared for such purpose by the assessor, not later than the assessment date with respect to which such exemption is claimed, which application shall include at least two affidavits of disinterested persons showing that the deceased child or person was performing such active military duty, that such deceased child or person was killed in action while performing such active military duty and the relationship of such deceased child to such parent, or such deceased person to such surviving spouse, provided the assessor may further require such parent or surviving spouse to be examined by such assessor under oath concerning such facts. Each such application shall include a copy of such parent's or surviving spouse's federal income tax return, or in the event such a return is not filed such evidence related to income as may be required by the assessor, for the tax year of such parent or surviving spouse ending immediately prior to the assessment date with respect to

which such exemption is claimed. Such town clerk shall record each such affidavit in full and shall list the name of such parent or surviving spouse claimant, and such service shall be performed by such town clerk without remuneration. No assessor, board of assessment appeals or other official shall allow any such claim for exemption unless evidence as herein specified has been filed in the office of such town clerk. When any such parent or surviving spouse has filed for such exemption and received approval for the first time, such parent or surviving spouse shall be required to file for such exemption biennially thereafter, subject to the provisions of subsection (c) of this section.

(3) The assessor of such municipality shall annually make a certified list of all such parents or surviving spouses who are found to be entitled to exemption under the provisions of this section, which list shall be filed in the town clerk's office, and shall be prima facie evidence that such parents or surviving spouses whose names appear thereon are entitled to such exemption as long as they continue to reside in such municipality and as long as the legislative body of such municipality continues to provide for such exemption, subject to the provisions of subsection (c) of this section. Such assessor may, at any time, require any such parent or surviving spouse to appear before such assessor for the purpose of furnishing additional evidence, provided, any such parent or surviving spouse who by reason of disability is unable to so appear may furnish such assessor a statement from such parent's or surviving spouse's attending physician or an advanced practice registered nurse certifying that such parent or surviving spouse is totally disabled and is unable to make a personal appearance and such other evidence of total disability as such assessor may deem appropriate.

(4) No such parent or surviving spouse may receive such exemption until such parent or surviving spouse has proven his or her right to such exemption in accordance with the provisions of this section, together with such further proof as may be necessary under said provisions. Exemptions so proven shall take effect on the next succeeding assessment day.

(c) Any such parent or surviving spouse who has submitted an application and been approved in any year for the exemption provided in this section shall, in the year immediately following approval, be presumed to be qualified for such exemption. During the year immediately following such approval, the assessor shall notify, in writing, each parent or surviving spouse presumed to be qualified pursuant to this subsection. If any such parent or surviving spouse has qualifying income in excess of the maximum allowed under subsection (a) of this section, such parent or surviving spouse shall notify the assessor on or before the next filing date for such exemption and shall be denied such exemption for the assessment year immediately following and for any subsequent year until such parent or surviving spouse has reapplied and again qualified for such exemption. Any such parent or surviving spouse who fails to notify the assessor of such disqualification shall make payment to the municipality in the amount of property tax loss related to such exemption improperly taken.

For purposes of determining eligibility for any of such exemptions, such qualifying income may not exceed fourteen thousand dollars, if unmarried, or sixteen thousand dollars, jointly with spouse, if married, provided in no event shall such maximum amounts of qualifying income with respect to any such person be less than the maximum amount of such qualifying income in the case of a married or unmarried person, whichever is applicable, under subsection (b) of section 12-170aa, and in the event that such maximum qualifying income under this section is less than the comparable amount under said subsection (b) of section 12-170aa for any assessment year, such amount under this section shall be made equivalent to that under said subsection (b) of section 12-170aa for purposes of determining eligibility under this section for such assessment year.

Section 1. Section 16a-40g of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2017):

(a) As used in this section:

- (1) "Energy improvements" means (A) participation in a district heating and cooling system by qualifying commercial real property, (B) participation in a microgrid, as defined in section 16-243y, including any related infrastructure for such microgrid, by qualifying commercial real property, provided such microgrid and any related infrastructure incorporate clean energy, as defined in section 16-245n, (C) any improvement, renovation or retrofitting of qualifying commercial real property to reduce energy consumption or improve energy efficiency, (D) installation of a renewable energy system to service qualifying commercial real property, or (E) installation of a solar thermal or geothermal system to service qualifying commercial real property, provided such renovation, retrofit or installation described in subparagraph (C), (D) or (E) of this subdivision is permanently fixed to such qualifying commercial real property;
- (2) "District heating and cooling system" means a local system consisting of a pipeline or network providing hot water, chilled water or steam from one or more sources to multiple buildings;
- (3) "Qualifying commercial real property" means any commercial or industrial property, regardless of ownership, that meets the qualifications established for the commercial sustainable energy program;
- (4) "Commercial or industrial property" means any real property other than a residential dwelling containing less than five dwelling units;
- (5) "Benefited property owner" means an owner of qualifying commercial real property who desires to install energy improvements and provides free and willing consent to the benefit assessment against the qualifying commercial real property;
- (6) "Commercial sustainable energy program" means a program that facilitates energy improvements and utilizes the benefit assessments authorized by this section as security for the financing of the energy improvements;
- (7) "Municipality" means a municipality, as defined in section 7-369;
- (8) "Benefit assessment" means the assessment authorized by this section;
- (9) "Participating municipality" means a municipality that has entered into a written agreement, as approved by its legislative body, with the bank pursuant to which the municipality has agreed to assess, collect, remit and assign, benefit assessments to the bank in return for energy improvements for benefited property owners within such municipality and costs reasonably incurred in performing such duties;
- (10) "Bank" means the Connecticut Green Bank; and

(11) "Third-party capital provider" means an entity, other than the bank, that provides **[loans]** financing, leases or power purchase agreements directly to benefited property owners for energy improvements.

(b) (1) The bank shall establish a commercial sustainable energy program in the state, and in furtherance thereof, is authorized to make appropriations for and issue bonds, notes or other obligations for the purpose of financing, (A) energy improvements; (B) related energy audits; (C) renewable energy system feasibility studies; and (D) verification reports of the installation and effectiveness of such improvements. The bonds, notes or other obligations shall be issued in accordance with legislation authorizing the bank to issue bonds, notes or other obligations generally. Such bonds, notes or other obligations may be secured as to both principal and interest by a pledge of revenues to be derived from the commercial sustainable energy program, including revenues from benefit assessments on qualifying commercial real property, as authorized in this section.

(2) When the bank has made appropriations for energy improvements for qualifying commercial real property or other costs of the commercial sustainable energy program, including interest costs and other costs related to the issuance of bonds, notes or other obligations to finance the appropriation, the bank may require the participating municipality in which the qualifying commercial real property is located to levy a benefit assessment against the qualifying commercial real property especially benefited thereby.

(3) The bank (A) shall develop program guidelines governing the terms and conditions under which state and third-party financing may be made available to the commercial sustainable energy program, including, in consultation with representatives from the banking industry, municipalities and property owners, developing the parameters for consent by existing mortgage holders and may serve as an aggregating entity for the purpose of securing state or private third-party financing for energy improvements pursuant to this section, (B) shall establish the position of commercial sustainable energy program liaison within the bank, (C) may establish a loan loss reserve or other credit enhancement program for qualifying commercial real property, (D) may use the services of one or more private, public or quasi-public third-party administrators to administer, provide support or obtain financing for the commercial sustainable energy program, (E) shall adopt standards to ensure that the energy cost savings of the energy improvements over the useful life of such improvements exceed the costs of such improvements, and (F) may encourage third-party capital providers to provide **[loans]** financing, leases and power purchase agreements directly to benefited property owners in lieu of or in addition to the bank providing such loans.

(c) Before establishing a commercial sustainable energy program under this section, the bank shall provide notice to the electric distribution company, as defined in section 16-1, that services the participating municipality.

(d) If a benefited property owner requests financing from the bank or a third-party capital provider for energy improvements under this section, the bank shall:

(1) Require performance of an energy audit or renewable energy system feasibility analysis on the qualifying commercial real property that assesses the expected energy cost savings of the energy improvements over the useful life of such improvements before approving such financing;

(2) If financing is approved, either by the bank or the third-party capital provider, require the participating municipality to levy a benefit assessment on the qualifying commercial real property with the property owner in a principal amount sufficient to pay the costs of the energy improvements and any associated costs the bank or the third-party capital provider determines will benefit the qualifying commercial real property;

(3) Impose requirements and criteria to ensure that the proposed energy improvements are consistent with the purpose of the commercial sustainable energy program;

(4) Impose requirements and conditions on the financing to ensure timely repayment, including, but not limited to, procedures for placing a benefit assessment lien on a property as security for the repayment of the benefit assessment; and

(5) Require that the property owner provide written notice, not less than thirty days prior to the recording of any benefit assessment lien securing a benefit assessment for energy improvements for such property, to any existing mortgage holder of such property, of the property owner's intent to finance such energy improvements pursuant to this section.

(e) (1) The bank or the third-party capital provider may enter into a financing agreement with the property owner of qualifying commercial real property. After such agreement is entered into, and upon notice from the bank, the participating municipality shall (A) place a caveat on the land records indicating that a benefit assessment and a benefit assessment lien are anticipated upon completion of energy improvements for such property, or (B) at the direction of the bank, levy the benefit assessment and file a benefit assessment lien on the land records based on the estimated costs of the energy improvements prior to the completion or upon the completion of such improvements.

(2) The bank or the third-party capital provider shall disclose to the property owner the costs and risks associated with participating in the commercial sustainable energy program established by this section, including risks related to the failure of the property owner to pay the benefit assessment. The bank or the third-party capital provider shall disclose to the property owner the effective interest rate of the benefit assessment, including fees charged by the bank or the third-party capital provider to administer the program, and the risks associated with variable interest rate financing. The bank or the third-party capital provider shall notify the property owner that such owner may rescind any financing agreement entered into pursuant to this section not later than three business days after such agreement.

(f) The bank or the third-party capital provider shall set a fixed or variable rate of interest for the repayment of the benefit assessment amount at the time the benefit assessment is made. Such interest rate, as may be supplemented with state or federal funding as may become available, shall be sufficient to pay the bank's financing and administrative costs of the commercial sustainable energy program, including delinquencies.

(g) Benefit assessments levied and filed pursuant to this section and the interest, fees and any penalties thereon shall constitute a lien against the qualifying commercial real property on which they are made until they are paid. Such benefit assessment lien, [or if the financing agreement provides that the benefit assessments] shall be paid in installments [then] and each installment payment [,] shall be collected in the same manner as the property taxes of the participating municipality on real property,

including, in the event of default or delinquency, with respect to any penalties, fees and remedies. Each such benefit assessment lien may be recorded and released in the manner provided for property tax liens and shall take precedence over all other liens or encumbrances except a lien for taxes of the municipality on real property, which lien for taxes shall have priority over such benefit assessment lien, and provided that the precedence of such benefit assessment lien over any lien held by an existing mortgage holder shall be subject to the written consent of such existing mortgage holder. To the extent **[benefit assessments are paid in installments and any such]** any benefit assessment lien installment is not paid when due, the benefit assessment lien may be foreclosed to the extent of any unpaid installment payments due and owing and any penalties, interest and fees related thereto. In the event **[such]** a benefit assessment lien is foreclosed **[, such]** or a lien for taxes of the municipality on real property is foreclosed or enforced by levy and sale in accordance with chapter 204, the benefit assessment lien shall be extinguished solely with regard to any installments that were due and owing on the date of the judgment of such foreclosure or levy and sale and the benefit assessment lien shall otherwise survive **[the]** such judgment **[of foreclosure]** or levy and sale to the extent of any unpaid installment payments of the benefit assessment secured by such benefit assessment lien that **[were not the subject]** are due after the date of such judgment or levy and sale.

(h) Any participating municipality may assign to the bank any and all benefit assessment liens filed by the **[tax collector]** participating municipality, as provided in the written agreement between the participating municipality and the bank. The bank may sell or assign, for consideration, any and all benefit assessment liens received from the participating municipality. The consideration received by the bank shall be negotiated between the bank and the assignee. The assignee or assignees of such benefit assessment liens shall have and possess the same powers and rights at law or in equity as the bank and the participating municipality and its tax collector would have had if the benefit assessment lien had not been assigned with regard to the precedence and priority of such benefit assessment lien, the accrual of interest and the fees and expenses of collection. The assignee shall have the same rights to enforce such benefit assessment liens as any private party holding a lien on real property, including, but not limited to, foreclosure and a suit on the debt. Costs and reasonable attorneys' fees incurred by the assignee as a result of any foreclosure action or other legal proceeding brought pursuant to this section and directly related to the proceeding shall be taxed in any such proceeding against each person having title to any property subject to the proceedings. Such costs and fees may be collected by the assignee at any time after demand for payment has been made by the assignee.

## RESOLUTION

### **Motion/Request:**

MOTION to adopt a proposed “*Municipal Certification of Resolution Authorizing the Town of Ledyard To Opt-In to the Small Town Economic Assistance Program*” as presented in the draft dated July 9, 2024.

### **Background:**

Currently, it was not known if the Governor and the Bond Commission will authorize a round of STEAP Grants this coming FY- it is at the Governor’s discretion.

However, Municipalities can “opt-in” to allow the town to submit a grant request. Municipalities that do not Opt-In cannot apply for STEAP Grants.

Ledyard last opted-in four years ago and the eligibility was a four-year term at which time the Town would need to re-Opt-In for eligibility.

Below is the provisions for Municipalities to Opt-In to the STEAP Grant Program;

**The Opt-in period shall be for four years. During that four-year period, municipalities which have opted in are NOT eligible to receive Urban Act fund**

Municipalities deemed eligible for the STEAP Opt-In provision may elect to be eligible for said program individually or as part of a group of municipalities in lieu of being eligible for financial assistance under [C.G.S. §4-66c](#) (Urban Act Grants), by a vote of its legislative body or, in the case of a municipality in which the legislative body is a town meeting, its board of selectmen, and submitting a written notice of such vote to the Secretary of the Office of Policy and Management. Any such election shall be for the four-year period following submission of such notice to the secretary and may be extended for additional four-year periods in accordance with the same procedure for the initial elect

It is important to note that once a municipality opts-in to the STEAP program, the opt in period lasts for four years from the submission date of the opt-in request. There is no provision to opt-out prior to the end of the four-year term.

Municipalities which have already opted in, and the term of the opt-in has not expired as of the due date for this application, do not need to submit an opt-in request to apply for STEAP. However, if an opt-in municipality is awarded a STEAP grant from this current round, the town must renew their opt-in if their current opt-in expires during the term of the grant. Continued discussion regarding the status and possible changes to Capital Improvement Plan (CIP) and Capital Non-Recurring (CNR) Fund based on the *American Rescue Act* Funding (ARPA) and the process to approve ARPA Projects and expend ARPA Funding.

**Background:**

**Subject:** Sandy Hollow guardrail quote attached

Attached is the updated Sandy Hollow Road guardrail project for the Finance Committee's March 6, 2024 as part of the ARPA discussions. The plan is that, pending approval, \$300K would come from ARPA and the balance from existing "TAR Maintenance" grant line. The reduced costs reflect PW doing the rip out of existing and providing traffic control as well as a reduction of 575 LF of rail (see attached) .

Best,

Fred

**Additional Background:**

The Town has been slated to receive approximately \$4,327,000 from the American Rescue Plan Act.

- Local governments would receive funding in two tranches (2<sup>nd</sup> tranche May/June 2022)
  - Funds must be "*obligated*" by the end of calendar year 2024, "*liquidated*" by end of calendar year 2026.
- Although the federal guidelines did not require approval by the taxpayers for the use of the American Rescue Plan Act (ARPA) Funding that the Finance Committee decided to include projects that were not time-sensitive in the Capital Improvement Plan (CIP) that would be presented and voted on by the taxpayers as part of the May 17, 2022 Budget Referendum

To ensure that each project and all suggestions were given their due diligence that over the past year the Finance

Committee developed a rubric to evaluate/rate each project, held an Information Forum on February 15, 2022 to receive and comments and suggestions on the proposed ARPA Projects, and received input from town departments and residents through conversations, and other sources such as social media

- ❖ Final rule defines five (5) broad eligible categories:
  - Responding to the public health emergency and the negative economic impacts of COVID-19
  - Replacement of lost revenue
  - Provide premium pay
  - Water and sewer infrastructure
  - Broadband infrastructure
  
- ❖ Responding to the public health emergency and the negative economic impacts of COVID-19 (subcategories)
  - public health
  - assistance to households
  - assistance to small businesses
  - assistance to nonprofits
  - aid to impacted industries
  - public sector capacity
  
- ❖ Why not just “give the money back”?
  - Funds cannot be used to reduce taxes
  - Each resident would receive \$288
  - Current plan supports all of the above categories, invests in the community, and generates a return on the investment.

During the ARPA Projects evaluation process the Town Council approved to allocate ARPA Funding for some projects or expenses that were safety issues or time sensitive issues that could not wait until the May Budget Referendum. He presented the List of ARPA Projects the Town Council approved funding for as follows:

Due to inflation rates the costs of the projects have increased significantly since the town began the process last October-November, 2021. Therefore, the town has been working to monitor costs to determine which projects to proceed with and whether they should hold off on other projects.

Minute Note:

Public Works/Town Engineer Steve Masalin provided an update on the following projects:

- HVAC Systems have been completed and were operational at the Senior Citizens Center and the Emergency Services Building.
- HVAC System at the Town Hall - They were waiting for some administrative work from the State to complete the HVAC System for the Vault because of its purpose to store sensitive and historical documents. Also, some warrantee work needed to be completed as well.
- Streetlight Banner Brackets have been installed in Ledyard Center and the new Banners were now in place. Because the wreaths that they were previously using for the Holiday Season do not fit the size of the brackets that the Beautification Committee was considering winter/seasonal banners instead of the wreaths. Councilor Ingalls, Liaison to the Beautification Committee stated the wreaths were a creative solution for the first year, noting that they were inexpensive and were not meant to be used as a long-term holiday decoration.
- Automated Doors at the Senior Citizens Center - The doors have been installed and were operational.
- Sidewalk Infill - No activity has been engaged for the sidewalk work in Ledyard Center or Gales Ferry. Mr. Masalin stated although \$35,000 was earmarked for this work, that he did not know if any meaningful work could be done with the \$35,000.
- Town Hall Door Replacement - Considering augmenting the funding to install automated doors in the front of the Town Hall building. Buildings and Grounds Forman Shawn Ruszcyk met with the contractor this week to scope out the project.

Councilor Ryan thanked Mr. Masalin for the update regarding the ARPA Funded Projects noting that based on his report this evening that three more projects have been completed; and he stated this was Good News!

The Group discussed the following:

- Progress to date:
  - ✓ 13 Projects Completed
  - ✓ 13 Projects In-Process
  - ✓ 8 Projects Not-Started
- Senior Citizens ARPA Funding \$29,000 - Mayor Allyn noted as he reported at the Town Council’s April 26, 2023 meeting the Federal Government designated ARPA Funding specifically for Senior Citizens Centers. He stated Ledyard would be receiving \$29,000, noting that it was based on a per capita allotment. He stated the town had 18 months to designate the use of the funding and that the funds needed to be spent by 2026.

Councilor Saums addressed the \$29,000 in American Rescue Plan Act (ARPA) Funding and he noted that the town had allocated \$160,000 to be used for the replacement of the Heating and Air Condition System (HVAC) (\$155,000) and doors (\$5,000) at the Senior Center. He suggested the town apply the \$29,000 Senior Citizens ARPA Funding toward these Projects at the Senior Citizens Center, noting that it would free up \$29,000 for cost overruns on other town ARPA Projects. Mayor Allyn stated that Councilor Saums’ suggestion was a good approach.

- Linda C. Davis Food Pantry Vinyl Siding \$170,000 - Mayor Allyn explained that the residing the Food Panty has not been done yet because the Food Panty would like to make some changes to the building to provide a covered area outside the door so that volunteers would be out of the weather when providing curbside pick-ups and when receiving deliveries. He stated the weather protection overhang would be about 12-feet wide and would project out 8-feet. He stated that they were also looking to install a concrete pad for a “Market Cart” in that same area.

Mayor Allyn went on to explain the *Market Cart* was for food that nearing the expiration date, that the Food

Pantry would make available to clients when they were picking up their regular food orders, noting that the clients could pick up extra supplies from the *Market Cart*. He stated the weather protection covering would be on the side of the building facing where the tennis courts use to be located. He stated once this work was completed that they would proceed with residing the building.

Finance Director Matthew Bonin noted the following:

- ✓ Completed Projects: \$31,000 Remaining
- ✓ Not Yet Committee: \$226,000
- Total Available: \$256,000 to be committed to other projects.

Mr. Bonin noted the Federal Treasury definition of “*Obligated Funds*” meant “*An order has been placed for property and services, or contracts, or some arm awards were made*”. He stated just saying that the funds were going to be used for a particular project, was not considered “*Obligated*” and did not meet the Treasury’s definition. He stated they had to contracts or Purchase Orders in place.

Councilor Ryan noted that a number of American Rescue Plan Act (ARPA) Project have not been started yet. He questioned other than reasons such as seasonal, why some projects have not been started, noting that the ARPA Funding had to be obligated by 2024 and expended by 2026.

The Group noted the following:

- **Linda C. Davis Food Pantry Improvements-** The new roof has been installed; however, the new siding has not been installed yet. Mayor Allyn explained the Food Pantry Volunteers requested a weather shelter covered entry area be added to the building; therefore, they were waiting for this work to be done before they installed the new siding on the building.
- **Town Hall HVAC** - Has been completed, the air conditioning will not be turned on and tested until this summer (2023).
- **Skid Mounted Sewer Pump** - has been delivered; it will be installed this spring (2023).
- **Gales Ferry Sidewalks** - Does not have an assigned owner, does not have a sidewalk plan. The town needs to conduct a Gales Ferry Corridor Study, to have a recommendation regarding where the sidewalks should be placed in Gales Ferry.

Mayor Allyn stated the Land Use Department has not been fully staffed for some time; and the Land Use Director was overburdened with a tremendous amount of work. Therefore, no progress has been made toward conducting the Gales Ferry Corridor Study. He suggested the town solicit the Southeastern Connecticut Council of Governments (SCCOG) to conduct the Gales Ferry Corridor Study. He noted that Land Use Director Juliet Hodge recently completed the Comprehensive Zoning Regulations Rewrite, and that she had to finish the Subdivision Regulations Rewrite to be in alliance with the new the Zoning Regulations. In addition, with the townspeople’s November 6, 2022 approval of the sale of recreational marijuana that Zoning Regulations that permit the sale of marijuana in town have to be drafted/completed by June 30, 2023 in accordance with state statute.

- **Ledyard Center Sidewalk fill-in** There are a few places in Ledyard Center such as in front of Holdridge’s where there are sections of the sidewalks that are missing.
- **Electric Vehicle Charging (EV) Stations** - Work need to be done to determine where the Electric Vehicle Charging Stations should be located.
- **LED Signs** - The Request for Proposals (RFP) for the LED Signs would be posted on February 16, 2023. The Bid Opening would be in early March, the Bid would be awarded, and the project should be completed by the end of May, 2023.
- **Playscape at 13 Winthrop** - The Playscape was delivered in November, 2022. The Playscape would be installed in the Spring, 2023. Instead of woodchips they plan to pour a rubberized pad around the equipment.

- ***Erickson Park Enhancements*** - Public Works would be doing some work to install a retaining wall and create some additional parking.

Councilor Ryan noted that he has seen a number of people kayaking at Erickson Park. He suggested that the launch be regraded, noting that it was quite steep.

- ***Lester House Repairs and Up-Down Sawmill*** - The spreadsheet indicated that these projects were in-progress.

Finance Director Matthew Bonin noted that the Historic District Commission received a Grant to conduct a structural engineering review of the Sawmill. He noted that the Report would provide recommendations on the areas that need to be addressed. He stated that he would follow-up with Historic District Commission Chairman Vincent Godino to check on the status of these projects.

- ***Replace Dispatch Console Stations*** - Project has been completed \$14,513 under budget. Mayor Allyn explained that some projects may come in under budget and other projects may come-in over budget. Therefore, he stated for the projects that come-in under budget that the funds would be added to the undesignated balance to be used toward other projects that come in over budget. He noted as an example of a project that may have a cost overrun from the amount that was initially budgeted was the Ledyard Center Sewer Extension Project noting that the cost of the ductile piping has increased by 200%.

- ***Solar Charging Stations*** - Mayor Allyn stated the town purchased four solar charging stations, noting that they came in under budget. He explained that some solar charging stations were deployed at the Town Green, Bill Library, Gales Ferry Library to see how they worked. He stated the charging stations were secured and bolted to the ground in concrete.

The Finance Committee thanked the Finance Director for his work on the ARPA Spreadsheet.

Councilor Rodriguez questioned whether the Mayor had any updates on the Federal Infrastructure Funding for Municipalities.

Mayor Allyn stated the Federal Government has prioritized the roll out of Infrastructure Funding over a five-year projection. He noted as an example:

- Funding for Airports and Railway would be disbursed one year.
- Funding for Bridges and Culverts would be disbursed in 2024.
- Funding for Multi-Model Pedestrian Access would be disbursed another year.

Mayor Allyn stated Mark Boughton was heading up the Federal Infrastructure Funding for the State of Connecticut. He stated Mr. Boughton spoke at the Southeastern Connecticut Council of Governments (SCCOG) meeting and he explained that this year's focus was to make sure your town's project was with an adjacent community. He stated a singular town project would go to the bottom of the pile.

Councilor Saums stated State Senator Cathy Osten, Representative Kevin Ryan, Representative Craig Howard, and Representative Brian Lanoue have introduced the following two House Bills: (1) \$265,000 to be used for Heating Ventilation, Air Conditioning, and other equipment for the Emergency Services Building; and (2) \$350,000 to be used for a Roof and Apparatus for the Gales Ferry Fire Department. He stated the second Bill was a result of Gales Ferry Fire Chief Tony Saccone asking if they could ask the State for funding for Apparatus.

Mayor Allyn stated one of the apparatus items that was supposed to be included in the \$350,000 Bill was natural gas generator for the Parks and Recreation/Senior Citizens Facility. He stated he would contact Senator Osten to ensure the generator was included in the "Apparatus" Bill. He stated because there was a natural gas line that runs up to the Parks and Recreation/Senior Citizens Facility that the thought was if they had a whole building generator that the facility could be used during a crisis or bad storm because they had a commercial kitchen, bathroom facilities, etc.

**Finance Committee Meeting 12/7/2022:**

File #: [22064](#) Version: 1

Type: General Discussion

**Title:** Continued discussion regarding the status and possible changes to Capital Improvement Plan (CIP) and Capital Non-Recurring (CNR) Fund based on the *American Rescue Act* Funding (ARPA) and the process to approve ARPA Projects and expend ARPA Funding.

**Action:** Discussed/Continued

**Minute Note:**

Councilor Ryan noted the ARPA Projects spreadsheet columns included "Funds Appropriated" and "Balance Available". He questioned whether the funds available took into account completed projects that have come in under budget. Finance Director Matthew Bonin stated the spreadsheet that was attached to tonight's meeting packet was not the most up-to-date spreadsheet, noting that he was maintaining a more detailed spreadsheet to track the projects as they were progressing. Councilor Ryan stated it would be good for the Finance Committee to see the rolling balance so that they could reallocate funds from completed projects that came in under budget, to projects that may be coming in over budget or to projects that were on the ARPA List but were not budgeted yet. He noted the ARPA Funding had to be appropriated before the end of 2024.

Finance Director Matthew Bonin stated of the ARPA Projects that have been completed to-date that there was an excess of \$31,000 funds that could be reappropriated.

The Group noted that the ARPA funding had to be obligated by 2024 and fully expended by 2026.

## State and Local Fiscal Recovery Funds: Obligation IFR Quick Reference Guide

This Quick Reference Guide provides an overview of the [Obligation Interim Final Rule](#) (Obligation IFR) for informational purposes and is intended as a brief summary.

### **INTRODUCTION**

The Coronavirus State and Local Fiscal Recovery Funds (SLFRF), established by the American Rescue Plan, delivers \$350 billion to state, local, territorial, and Tribal governments to support the response to and recovery from the COVID-19 public health emergency.

In November 2023, Treasury issued the [Obligation IFR](#) to address recipients' questions and comments regarding the definition of obligation. The Obligation IFR revises the definition of "obligation" in Treasury's implementing regulations for the SLFRF program and provides related guidance to give additional flexibility and clarity to recipients to support their use of SLFRF funds.

The [Obligation IFR](#) does not alter the existing SLFRF obligation or expenditure deadlines. Recipients must obligate SLFRF funds by December 31, 2024, and expend obligated funds by December 31, 2026 (with the exception of projects under the Surface Transportation projects and Title I eligible use categories, for which funds must be expended by September 30, 2026). In addition, the Obligation IFR does not alter the eligible use categories described in the [2022 Final Rule](#) and the [2023 Interim Final Rule](#). Recipients seeking information about whether a specific project may be an eligible use of SLFRF funds should reference the rules, along with the [Overview of the 2022 Final Rule](#) and the [Overview of the 2023 Interim Final Rule](#).

Below is a summary of the Obligation IFR. Recipients should refer to the [Obligation IFR](#) for a complete description of the definition of obligation and associated requirements.

### **AMENDMENT TO THE DEFINITION OF "OBLIGATION" AT 31 CFR 35.3**

Under the revised definition of "obligation," the term continues to mean an order placed for property and services and entry into contracts, subawards, and similar transactions that require payment. Under the Obligation IFR, a recipient is also considered to have incurred an obligation by December 31, 2024, with respect to a requirement under federal law or regulation or a provision of the SLFRF award terms and conditions to which the recipient becomes subject as a result of receiving or expending SLFRF funds.

Accordingly, under the second part of the definition of obligation set out above, a recipient may use SLFRF funds to cover costs related to:

1. Reporting and compliance requirements, including subrecipient monitoring
2. Single Audit costs
3. Record retention and internal control requirements
4. Property standards
5. Environmental compliance requirements
6. Civil rights and nondiscrimination requirements

To take advantage of the additional flexibility to cover the costs of meeting these requirements, the Obligation IFR lists the information that a recipient must submit to Treasury regarding estimates of SLFRF funds that it will use to cover administrative and compliance related expenditures. Treasury will update the *SLFRF Compliance and Reporting Guidance* to reflect recipients' additional reporting regarding these estimated amounts.

The Obligation IFR also clarifies that recipients may continue to charge their current negotiated indirect costs rate agreement established with their federal cognizant agency or the de minimis rate of 10 percent of modified total direct costs pursuant to 2 CFR 200.414(f), after December 31, 2024 through December 31, 2026. Additionally, the Obligation IFR states that Treasury considered some recipients' comments to revise the rule to define "costs incurred" by reference to recipient appropriation, budget, or allocation processes, and explains that this approach would not provide a standard that could be applied consistently across recipients.

### **APPLICATION OF OBLIGATION DEADLINE TO SUBRECIPIENTS**

Subrecipients are not subject to the December 31, 2024 obligation deadline. The obligation deadline applies to the recipient of SLFRF funds, and a cost is considered to have been incurred once a recipient enters into a subaward or contract that obligates the recipient to cover that cost. Neither subrecipients nor contractors need to take additional steps to obligate SLFRF funds after entering into a subaward or contract with the recipient.

### **AMENDMENT AND REPLACEMENT OF CONTRACTS AND SUBAWARDS**

In general, recipients cannot re-obligate funds or obligate additional SLFRF funds after the obligation deadline of December 31, 2024. For instance, if a contractor makes a change order request after December 31, 2024, that necessitates a contract amendment, the recipient would not be permitted to obligate additional SLFRF funds to the project because the obligation deadline would have passed. However, after the obligation deadline, recipients are permitted to replace a contract or subaward that was entered into prior to December 31, 2024 under the following circumstances:

1. The recipient terminates the contract or subaward because of the contractor or subrecipient's default, the contractor or subrecipient goes out of business, or the recipient determines that the contractor or subrecipient will not be able to perform under the contract or carry out the subaward.
2. The recipient and contractor or subrecipient mutually agree to terminate the contract or subaward for convenience.
3. The recipient terminates the contract or subaward for convenience if the contract or subaward was not properly awarded (for example, if the contractor was not eligible to receive the contract), there is clear evidence that the contract or subaward was improper, the recipient documents the determination that it was not properly awarded, and the original contract or subaward was entered into by the recipient in good faith.

Treasury will update the [SLFRF Compliance and Reporting Guidance](#) for recipients to report any contract or subaward replacements after the December 31, 2024, obligation deadline.

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

Discussion regarding potential uses for the funding received from the National Opioid Settlement Payments.

### **Background:**

The town is receiving these payments through its participation in the National Opioid Settlement. The town has begun to receive and is expected to receive payments from multiple sources. The payments received to date have been from the Distributor Settlement. The town will also be receiving payments from the Janssen Settlement.

To date Ledyard has received \$53,1134.19 (Perdue Pharma) from the National Opioid Settlement. He stated Ledyard has filed their second submission which was from Teva, Allergan, Walgreens, CVS and Walmart.

Funding received from the National Opioid Settlement was being deposited into Account #20810201-58206-24206 (National Opioid Settlement).

Funds are to be used exclusively for opioid abatement purposes, including, but not limited to, expanding access to opioid use disorder prevention, intervention, treatment, and recovery options, etc.

**Town Council Meeting 9/27/2023** : Approved to accept the Ledge Light Health District-Ledyard Prevention Coalition proposal dated June 5, 2023 for the use of the National Opioid Settlement Funding received by the Town of Ledyard with the following changes:

- Reduce the number of Narcan boxes from 194 to 154 for a total reduction of \$1,900;
- Remove the Police Wellness Dog for a reduction of \$2,000.

These adjustments have reduced the total amount of the proposal to \$36,100 from the \$40,000 originally proposed. (see attached)

**Meeting Action Detail:**

**Finance Committee Meeting 06/7/2023:**

File #: [23 -777](#) Version: 1

Type: Financial Business Request (FBR)

Title: Discussion regarding potential uses for the funding received from the National Opioid Settlement Payments.

Action: No Action

**Minute Note:**

Councilor Saums noted the Finance Committee received the following proposals regarding the use of the Opioid Settlement Funding the Town would be receiving:

- Cardiopulmonary Assist System (CPR) Device - Councilor Saums stated Gales Ferry Fire Chief Tony Saccone was present this evening noting that he proposed purchasing a Cardiopulmonary Assist System (CPR) Device to provide mechanical chest compressions to patients in cardiac arrest.

Councilor Saums stated in reviewing the Guidelines regarding how the Opioid Settlement Funding could be used that they were very specific. However, he stated the Guidelines were not clear on whether the funding could be used to purchase a CPR Machine. He stated that they needed to continue to review the Guidelines. He stated although it would make sense to purchase a CPR Machine that they had to stay within the Guidelines. He stated the Finance Committee needed to obtain more information on how the funding could be used.

- Ledge Light Health District - Councilor Saums stated Ledyard Prevention Coalition, Senior Program Health Coordinator Kerensa Mansfield provided a proposal dated May 31, 2023; and in a letter dated June 6, 2023 Youth Services Coordinator Kate Sikorsky-Maynard provided support for the Ledyard Prevention Coalition’s proposal. He provided a brief overview of the \$40,000 proposal as follows:

Councilor Saums noted that he had a number of questions regarding the Ledyard Prevention Coalition's proposal because it appeared that they were looking to use some of the funding to pay for expenses such as salaries that were already part of their annual budget. He stated if the Opioid Settlement Funding worked in the same way as other grant funding the town receives, that he did not believe that the Settlement Funding could be used to supplant the existing funding for expenses such as salaries. He suggested the Finance Committee invite Ms. Mansfield to their June 21, 2023 to discuss the proposal.

Councilor Saums stated he sent letters dated April 13, 2023 to the Ledyard Prevention Coalition and to the Ledyard Youth Services to solicit their ideas for the use of the funding received from the National Opioid Settlement Payments. He stated the two Organizations would have information for the Finance Committee's May 3, 2023 meeting.

Councilor Saums went on to note that he and Director of Senior Citizens and Parks & Recreation Scott Johnson, Jr., attended a meeting at the Police Department yesterday at which Thames Valley Council for Community Action (TVCCA) announced that they were working to organize a *Coffee House Group* for local Ledyard veterans, and that they were looking for space to host the meetings. He suggested if the Veterans' Group perceives that there was a problem among this group that they may be able to apply for some of the funding the town receives from National Opioid Settlement Payments.

Mayor Allyn, III, noted a communication from the Ledyard Prevention Coalition, stating they were looking at what they could do to be involved in this initiative.

**Type:** Financial Business Request (FBR)

**Title:** Discussion regarding potential uses for the funding received from the National Opioid Settlement Payments.

**Action:** Discussion/Continued

**Minute Note:**

Councilor Saums stated the town has begun to receive payments from the National Opioid Settlement. He stated to date Ledyard has received \$53,134.19 (Perdue Pharma) from the Distributor Settlement and that they would be receiving additional payments from multiple sources such as the Janssen Settlement and from other sources such as Teva, Allergan, Walgreens, CVS and Walmart.

Councilor Saums stated the funding received from the National Opioid Settlement was being deposited into Account #20810201-58206-24206 (National Opioid Settlement) and that the funds could accumulate in the Account until the town decided on a plan to spend the funds. He stated like the Bottle Bill that the Opioid Settlement Revenues could only be used for specific opioid abatement purposes, including, but not limited to, expanding access to opioid use disorder prevention, intervention, treatment, and recovery options, etc.

Councilor Saums stated the purpose for tonight's discussion was to consider ideas on how to spend the Opioid Settlement Revenues.

The Committee discussed the following ideas:

- Ledyard Prevention Coalition
- Ledyard Public Health Nursing
- Ledyard Social Services
- Purchase Narcan for their Emergency Service Providers - It was noted that Narcan was already being provided for free to Emergency Services Providers.
- Donate funds to Addiction Organizations outside of Ledyard
- Work with Ledyard Public Schools
- Scholarship Fund for residents who were entering into a rehabilitation program.

The Finance Committee discussed the need to determine the best value in terms of helping people who were struggling with addiction. They noted the many families who have experienced and been touched by the loss of a child, parent, friend, etc. who became addicted to either prescription opioids and/or street drugs that may have been laced with fentanyl or other synthetic types of dangerous and harmful narcotics.

Nursing Administrator Karen Goetchius stated doctors were no longer prescribing pain medications for major surgeries such as a knee replacement at the same rate they were 15-years ago.

The Finance Committee agreed to solicit ideas from Youth Services Coordinator Kate Sikorski-Maynard and Ledyard Prevention Coalition Kerensa Mansfield for the best use of the Opioid Settlement funding.

Good Morning Kerensa:

Thank you for sending the map of overdoses in Ledyard.

Could you provide some additional information:

- Meaning of the color of the dots and the red diamond.
- Clarify the timeframe - You note 2023 to present – Is that all of 2023 and first two months of 2024?
- Does one dot count as one overdose - I do not see in your message below how many overdoses the maps represent.
- Do you have data as to whether the overdose was accidental or intentional.

Thanks so Much,  
Roxanne

Dear Ms. Mansfield:

At its September 27, 2023 meeting the Ledyard Town Council approved to accept the Ledge Light Health District-Ledyard Prevention Coalition proposal dated June 5, 2023 for the use of the National Opioid Settlement Funding received by the Town of Ledyard with the following changes:

- Reduce the number of Narcan boxes from 194 to 154 for a total reduction of \$1,900;
- Remove the Police Wellness Dog for a reduction of \$2,000.

These adjustments have reduced the total amount of the proposal to \$36,100 from the \$40,000 originally proposed.

It should be noted that this obligation of funds does not guarantee future funding obligations to your organization. Also, we ask that the Ledyard Prevention Coalition provide quarterly reports to the Town Council regarding Program effectiveness from the start date of the Programs.

Please make arrangements with the Mayor's Office for the disbursement of the National Opioid Settlement Funding to your Organization.

The Town Council appreciates your time in preparing a proposal, for meeting with the Finance Committee to discuss the details of the proposal, and for the constant and positive work that Ledge Light Health District/Ledyard Prevention Coalition does in our community.

Should you have any questions regarding the revised proposed please do not hesitate to contact me at telephone (860) 383-6463 or email: [kjdom@ledyardct.org](mailto:kjdom@ledyardct.org).

Dear Ledyard Finance Committee,

I want to thank you again for keeping Youth Services a part of the conversation around the uses of the Opioid Settlement Funding. I am an active member of the Ledyard Prevention Council (LPC) and know that Kerensa Mansfield and Ledge Light have put together a proposal of ideas which the Counsel discussed yesterday. I support their proposal and did add at the LPC meeting that having a package containing resources for treatment and Naloxone be left at each residence of an overdose by the first responders to the scene. I know this is the way some local communities have spent some of the funding.

I also have a history of working with substance abuse and have held a License as a Substance Abuse clinician. This is an area that I am passionate about and would be interested in continuing to get education around Opioid specific treatment approaches and be able to support the community with this knowledge. I am open to continuing this conversation and how my role as Director of Youth Services can support substance abuse treatment in Town.

I am sorry I am unable to be at this meeting to discuss this in person. Thank you for your time.

Thank you for reaching out and inviting Youth Services to be part of the conversation regarding the Opioid Settlement Funds and how the Town will look to use them to support families in the community.

I am an active member of the Ledyard Prevention Council, and at our meeting today we had an active discussion regarding ways the Town could use this money. This is an ongoing conversation and believe we plan to continue to discuss more at the May meeting.

I am unable to attend the May 3<sup>rd</sup> meeting of the Finance Committee. I will continue to work closely with our LPC and Kerensa Mansfield, to provide you with some ideas and recommendations.

Upon satisfaction of the conditions set forth in Section II and Section VIII, this Agreement will be binding on all Settling States, Settling Distributors, and Participating Subdivisions. This Agreement will then be filed as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

### **I. Definitions**

For all sections of this Agreement except Exhibit E and Exhibit P, the following definitions apply:

- A. “*Abatement Accounts Fund.*” The component of the Settlement Fund described in Section V.E.
- B. “*Additional Restitution Amount.*” The amount available to Settling States listed on Exhibit N totaling \$282,692,307.70.
- C. “*Agreement.*” This agreement, as set forth above. For the avoidance of doubt, this Agreement is inclusive of all exhibits.
- D. “*Alleged Harms.*” The alleged past, present, and future financial, societal, and public nuisance harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by the Settling Distributors.
- E. “*Allocation Statute.*” A state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation set forth in Section V.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.
- F. “*Annual Payment.*” The total amount payable to the Settlement Fund Administrator by the Settling Distributors on the Payment Date each year, as calculated by the Settlement Fund Administrator pursuant to Section IV.B.1.e. For the avoidance of doubt, this term does not include the Additional Restitution Amount or amounts paid pursuant to Section X.
- G. “*Appropriate Official.*” As defined in Section XIV.F.3.
- H. “*Bankruptcy Code.*” Title 11 of the United States Code, 11 U.S.C. § 101, et seq.

I. “*Bar.*” Either: (1) a law barring Subdivisions in a State from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full) or (2) a ruling by the highest court of the State (or, in a State with a single intermediate court of appeals, the intermediate court of appeals when not subject to further review by the highest court of the State) setting forth the general principle that Subdivisions in the State may not maintain any Released Claims against Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the Annual Payments by Settling Distributors under this Agreement) shall not constitute a Bar.

that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, Subdivision, or Releasor (whether or not such State, Subdivision, or Releasor has brought such action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to this Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that this term, "Released Claims," be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State’s Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section XI.G. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision’s authority.

If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that State opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

FFFF. “*Tribal/W. Va. Subdivision Credit*.” The Tribal/W. Va. Subdivision Credit shall equal 2.58% of the Global Settlement Abatement Amount.

GGGG. “*Trigger Date*.” In the case of a Primary Subdivision, the Reference Date. In the case of all other Subdivisions, the Preliminary Agreement Date.

## II. Participation by States and Condition to Preliminary Agreement

A. *Notice to States.* On July 22, 2021 this Agreement shall be distributed to all States. The States' Attorneys General shall then have a period of thirty (30) calendar days to decide whether to become Settling States. States that determine to become Settling States shall so notify the National Association of Attorneys General and Settling Distributors and shall further commit to obtaining any necessary additional State releases prior to the Reference Date. This notice period may be extended by written agreement of the Settling Distributors and the Enforcement Committee.

B. *Condition to Preliminary Agreement.* Following the notice period set forth in Section II.A above, the Settling Distributors shall determine on or before the Preliminary Agreement Date whether, in their sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If the Settling Distributors determine that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, they will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator on the Preliminary Agreement Date. If the Settling Distributors determine that this condition has not been satisfied, they will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by States.* After the Preliminary Agreement Date, a State may only become a Settling State with the consent of the Settling Distributors, in their sole discretion. If a State becomes a Settling State more than sixty (60) calendar days after the Preliminary Agreement Date, but on or before January 1, 2022, the Subdivisions in that State that become Participating Subdivisions within ninety (90) calendar days of the State becoming a Settling State shall be considered Initial Participating Subdivisions. A State may not become a Settling State after January 1, 2022.

D. *Litigation Activity.* Following the Preliminary Agreement Date, States that determine to become Settling States shall make best efforts to cease litigation activity against Settling Distributors, including by jointly seeking stays or severance of claim against the Settling Distributors, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

## III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the entry of the injunctive relief terms attached in Exhibit P.

## IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Annual Payments.* The Settling Distributors shall make eighteen (18) Annual Payments, each comprised of base and incentive payments as provided in this Section IV, as well as fifty percent (50%) of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund as provided in Section V.C.5, and as determined by the Settlement Fund Administrator as set forth in this Agreement.

1. All data relevant to the determination of the Annual Payment and allocations to Settling States and their Participating Subdivisions listed on Exhibit G shall be submitted to the Settlement Fund Administrator no later than sixty (60) calendar days prior to the Payment Date for each Annual Payment. The Settlement Fund Administrator shall then determine the Annual Payment, the amount to be paid to each Settling State and its Participating Subdivisions included on Exhibit G, and the amount of any Settlement Fund Administrator costs and fees, all consistent with the provisions in Exhibit L, by:

- a. determining, for each Settling State, the amount of base and incentive payments to which the State is entitled by applying the criteria under Section IV.D, Section IV.E, and Section IV.F;
- b. applying any suspensions, offsets, or reductions as specified under Section IV, Section XII, and Section XIII;
- c. applying any adjustment required as a result of prepayment or significant financial constraint, as specified under Section IV.J and Section IV.K;
- d. determining the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund, as well as the amounts, if any, of such costs and fees owed by Settling Distributors and out of the Settlement Fund pursuant to Section V.C.5;
- e. determining the total amount owed by Settling Distributors (including any amounts to be held in the Settlement Fund Escrow pending resolution of a case by a Later Litigating Subdivision as described in Section XII) to all Settling States and the Participating Subdivisions listed on Exhibit G; and
- f. the Settlement Fund Administrator shall then allocate, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, the Annual Payment pursuant to Section V.C and Section V.D among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions listed on Exhibit G.

2. The Settlement Fund Administrator shall also apply the allocation percentages set forth in Section IV.I and determine for each Settling Distributor the amount of its allocable share of the Annual Payment. For the avoidance of doubt, each Settling Distributor's liability for its share of the Annual Payment is several, and not joint.

3. As soon as possible, but no later than fifty (50) calendar days prior to the Payment Date for each Annual Payment and following the determination described in Section IV.B.1 and Section IV.B.2, the Settlement Fund Administrator shall give notice to the Settling Distributors, the Settling States, and the Enforcement Committee of the amount of the Annual Payment (including the amount of the Settlement Fund to be allocated to the Settlement Fund Administrator in costs and fees pursuant to Section V.C.5), the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Participating Subdivisions listed on Exhibit G. The Settlement Fund Administrator shall also give notice to each Settling Distributor of the amount of its allocable share of the Annual Payment, including its allocable share of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund pursuant to Section V.C.5.

4. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, any party may dispute, in writing, the calculation of the Annual Payment (including the amount allocated for Settlement Fund Administrator costs and fees), or the amount to be received by a Settling State and/or its Participating Subdivisions listed on Exhibit G. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and the Settling Distributors identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

5. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and the Settling Distributors identifying the basis for disagreement with the notice of dispute.

6. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and each Settling Distributor shall pay its allocable share of the adjusted amount, collectively totaling that year's Annual Payment, on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify the Settling Distributors of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settling Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base and Incentive Payments A and D for that Payment Year as set forth on Exhibit M. For the avoidance of doubt, a transfer of suspended payments from the Settlement Fund Escrow pursuant to Section XII.A.2 does not count toward determining whether the amount to be paid is higher than the maximum amount of Base and Incentive Payments A and D for that Payment Year as set forth on Exhibit M.

7. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by the Settling Distributors into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating

Subdivisions listed on Exhibit G within fifteen (15) calendar days of the Payment Date or at such later time as directed by each Settling State.

8. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F.

9. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

C. *Procedure for Annual Payment in Payment Years 1 and 2.* The process described in Section IV.B shall not apply to Payment Years 1 and 2. The procedure in lieu of Section IV.B.1 for Payment Years 1 and 2 is as set forth below:

1. The Payment Date for Payment Year 1 is September 30, 2021. *Provided* that the condition set forth in Section II.B has been satisfied, on or before such date, the Settling Distributors shall pay into the Settlement Fund Escrow the total amount of the base payment, Incentive Payment A for the Settling States (the amount specified in Exhibit M for Payment Year 1 reduced by the allocable share of any Non-Settling States), and the Settling Distributors' allocable share of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund pursuant to Section V.C.5. In the event that, in accordance with the terms of Section VIII.A, the Settling Distributors determine not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the Settlement Fund Escrow shall immediately revert to the Settling Distributors. If the condition set forth in Section VIII.A is met, the Settlement Fund Administrator shall allocate the Annual Payment, after subtracting the portion of Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, pursuant to Section V.C and Section V.D among the Settling States and their Participating Subdivisions listed on Exhibit G. The portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5 shall be available to the Settlement Fund Administrator for the payment of such costs and fees immediately. The remainder of the Annual Payment for Payment Year 1 shall be transferred by the Settlement Fund Administrator on the Effective Date from the Settlement Fund Escrow to the Settlement Fund and then to each Settling State and to its Initial Participating Subdivisions included on Exhibit G; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions included on Exhibit G shall not be transferred from the Settlement Fund Escrow or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State; and, *provided, further*, the Settlement Fund Administrator shall leave in the Settlement Fund Escrow funds allocated to Subdivisions included on Exhibit G that are not Initial Participating Subdivisions. Should such a Subdivision become a Participating Subdivision between the Initial Participation Date and the Effective Date, the allocation for such Participating Subdivision shall be transferred to the Settlement Fund and paid to the Participating Subdivision at the same time as Initial Participating Subdivisions in that State are paid.

2. The Payment Date for Payment Year 2 is July 15, 2022. On or before such date, the Settling Distributors shall pay into the Settlement Fund the total amount of the base payment, Incentive Payment A for the Settling States (the amount specified in Exhibit M for Payment Year 2 reduced by the allocable share of any Non-Settling States), and the Settling Distributors' allocable share of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund pursuant to Section V.C.5. The portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5 shall be available to the Settlement Fund Administrator for the payment of such costs and fees immediately. The Settlement Fund Administrator shall disburse the remaining amounts to each Settling State and to its Participating Subdivisions included on Exhibit G within fifteen (15) calendar days of the Payment Date or at such later time as directed by each Settling State. If a Settling State enacts a legislative Bar after the Initial Participation Date, but before July 15, 2022, a Subdivision that meets the requirements for becoming a Participating Subdivision under Section VII prior to July 15, 2022 (but was not an Initial Participating Subdivision) shall be eligible to receive its allocated share (if any) for Payment Year 2, and it shall also receive any amounts allocated to it for Payment Year 1 from the Settlement Fund Escrow.

3. Any amounts remaining in the Settlement Fund Escrow for allocations to Subdivisions listed on Exhibit G that have not become Participating Subdivisions after all payments for Payment Year 2 are disbursed shall be transferred to the Settlement Fund and disbursed to the appropriate sub-funds in each Settling State pursuant to Section V.D.5.

4. Any disputes as to the allocation of the Annual Payments in Payment Years 1 and 2 shall be resolved pursuant to the process set forth in Section IV.B.3 through Section IV.B.8, except that in Payment Year 1, the Settlement Fund Administrator shall have until ten (10) calendar days after the Initial Participation Date to give notice of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Initial Participating Subdivision in the Settling States that is listed on Exhibit G.

D. *Payment Date for Subsequent Payment Years.* The Payment Date for Payment Year 3 and successive Payment Years is July 15 of the third and successive years and the Annual Payment shall be made pursuant to the process set forth in Section IV.B, except that, with respect to Payment Year 3, Settling States shall have up to the Payment Date to become eligible for Incentive Payment A and thus avoid the reductions set forth in Section XIII. If a Settling State enacts a Bar less than sixty (60) calendar days before the Payment Date for Payment Year 3, each Settling Distributor shall pay, within thirty (30) calendar days of the Payment Year 3 Payment Date, its allocable share, pursuant to Section IV.I, of the difference between the Annual Payment as calculated by the Settlement Fund Administrator and the amount that would have been owed had the Settlement Fund Administrator taken the Bar into account.

E. *Base Payments.* Subject to the suspension, reduction, and offset provisions set forth in Section XII and Section XIII, the Settling Distributors shall collectively make base

payments equal to fifty-five percent (55%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States. These payments will be due in installments consistent with Exhibit M over the eighteen (18) Payment Years and as adjusted by the Settlement Fund Administrator pursuant to the provisions in Section IV, Section XII, and Section XIII.

F. *Incentive Payments.* Subject to the suspension, offset, and reduction provisions set forth in Section XII and Section XIII, the Settling Distributors shall collectively make potential additional incentive payments totaling up to a maximum of forty-five percent (45%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The incentive payments shall be divided among four (4) categories, referred to as Incentive Payments A-D. Incentive Payments A-C will be due in installments over the eighteen (18) Payment Years, and Incentive Payment D will be due in installments over thirteen (13) years beginning with Payment Year 6. The total amount of incentive payments in an Annual Payment shall be the sum of the incentive payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be made with respect to a specific Settling State based on its eligibility for that year under the criteria set forth below.

1. Incentive Payment A. Incentive Payment A shall be equal to forty percent (40%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Annual Payment in each of the eighteen (18) Payment Years that a Settling State is eligible for Incentive Payment A and shall equal a total potential maximum of \$7,421,605,477 if all States are eligible for all eighteen (18) Payment Years. Each Settling State's share of Incentive Payment A in a given year, *provided* that Settling State is eligible, shall equal the total maximum amount available for Incentive Payment A for that year as reflected in Exhibit M times the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment A is as follows:

a. For the Payment Years 1 and 2, all Settling States are deemed eligible for Incentive Payment A.

b. For each Payment Year other than Payment Years 1 and 2, a Settling State is eligible for Incentive Payment A if, as of sixty (60) calendar days prior to the Payment Date (except that in Payment Year 3, this date is as of the Payment Date), (i) there is a Bar in that State in full force and effect, (ii) there is a Settlement Class Resolution in that State in full force and effect, (iii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a State's population, whichever is greater, and Health Districts and Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; or (iv) a combination of

the actions in clauses (i)-(iii) has achieved the same level of resolution of Claims by Subdivisions (*e.g.*, a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. The Settling Distributors and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

c. Notwithstanding Section IV.F.1.b, for each Payment Year other than Payment Years 1 and 2, a Settling State that is not eligible for Incentive Payment A as of the Incentive Payment Final Eligibility Date shall not be eligible for Incentive Payment A for that Payment Year or any subsequent Payment Years.

d. If the Settling Distributors made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently removed, revoked, rescinded, reversed, overruled, interpreted in a manner to limit the scope of the release, or otherwise deprived of force or effect in any material respect, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the State requalifies for Incentive Payment A through any method pursuant to Section IV.F.1.b, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by Settling Distributor in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by the Settling Distributors).

e. In determining the amount of Incentive Payment A that Settling Distributors will pay in a Payment Year and each Settling State's share, if any, of Incentive Payment A for that Payment Year, the Settlement Fund Administrator shall: (i) identify all Settling States that are eligible for Incentive Payment A; (ii) multiply the Overall Allocation Percentage for each such eligible Settling State by the maximum amount that Settling Distributors could owe with respect to Incentive Payment A for that Payment Year as listed on Exhibit M. The amount calculated in (ii) shall be the amount allocated to a Settling State eligible for Incentive Payment A for that Payment Year and the aggregate of each such amount for Settling States eligible for Incentive Payment A shall be the amount of Incentive Payment A Settling Distributors are obligated to pay in that Payment Year, all such amounts subject to the suspension, offset, and reduction provisions in Section XII and Section XIII.

2. Incentive Payment B. Incentive Payment B shall be available to Settling States that are not eligible for Incentive Payment A for the applicable Payment Year. Incentive Payment B shall be equal to up to twenty-five percent (25%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the

Settling States. Incentive Payment B will be due to a Settling State as part of the Annual Payment in each of the eighteen (18) Payment Years that a Settling State is eligible for Incentive Payment B and equal a total potential maximum of \$4,638,503,423 if all States are eligible for all eighteen (18) Payment Years. Each Settling State's maximum share of Incentive Payment B in a given year shall equal the total maximum amount available for Incentive Payment B for that year as reflected in Exhibit M times the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment B is as follows:

a. A Settling State is not eligible for Incentive Payment B for a Payment Year for which it is eligible for Incentive Payment A.

b. Subject to Section IV.F.2.a, the amount of Incentive Payment B for which a Settling State is eligible in a Payment Year shall be a percentage of that State's maximum share of Incentive Payment B based on the extent to which (A) Litigating Subdivisions in the State are Participating Subdivisions or (B) there is a Case-Specific Resolution against Litigating Subdivisions in the State, collectively, "*Incentive B Eligible Subdivisions*." The percentage of the State's maximum share of Incentive Payment B that the State is eligible for in a Payment Year shall be determined according to the table below:

<b>Percentage of Litigating Subdivision Population that is Incentive B Eligible Subdivision Population<sup>5</sup></b>	<b>Incentive Payment B Eligibility Percentage</b>
Up to 85%	0%
85%+	30%
86+	40%
91+	50%
95+	60%
99%+	95%
100%	100%

<sup>5</sup> The "Percentage of Litigating Subdivision Population that is Incentive B Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Litigating Subdivisions that are Incentive B Eligible Subdivisions divided by the aggregate population of the Settling State's Litigating Subdivisions. In calculating the Settling State's population that resides in Litigating Subdivisions, (a) the population of the Settling State's Litigating Subdivisions shall be the sum of the population of all Litigating Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Litigating Subdivision, and (b) the population that resides in Incentive B Eligible Subdivisions shall be the sum of the population of the Incentive B Eligible Subdivisions, notwithstanding that persons may be included within the population of more than one Incentive B Eligible Subdivision. An individual Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Litigating Subdivision to be excluded. For the avoidance of doubt, a Settling State in which the population that resides in Incentive B Eligible Subdivisions is less than eighty-five percent (85%) of the population of Litigating Subdivisions shall not be eligible for any portion of Incentive Payment B.

c. In determining the amount that Settling Distributors will pay in a Payment Year under Incentive Payment B and each Settling State's share of Incentive Payment B for that Payment Year, the Settlement Fund Administrator shall: (i) identify all States that are eligible for Incentive Payment B because they are ineligible for Incentive Payment A; (ii) determine the Incentive Payment B eligibility percentage for each such Settling State; (iii) multiply the Incentive Payment B eligibility percentage for each such State by the Overall Allocation Percentage of that State; (iv) multiply the product from (iii) by the maximum amount that Settling Distributors could owe under Incentive Payment B for that Payment Year from Exhibit M. The amount calculated in (iv) shall be the amount allocated to a Settling State eligible for Incentive Payment B for that Payment Year, and the aggregate of such amounts for Settling States eligible for Incentive Payment B shall be the amount paid for that Payment Year by Settling Distributors with respect to Incentive Payment B, all such amounts subject to the suspension, offset, and reduction provisions in Section XII and Section XIII. If there are no Litigating Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment B, that Settling State will receive its full allocable share of Incentive Payment B.

d. A Settling State's eligibility for Incentive Payment B for a Payment Year shall be determined as of sixty (60) calendar days prior to the Payment Date for that Payment Year; *provided* that the percentage of Incentive Payment B for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

3. Incentive Payment C. Incentive Payment C shall be available to Settling States that are not eligible for Incentive Payment A for a Payment Year, including to Settling States that are also eligible for Incentive Payment B. Incentive Payment C shall be equal to up to fifteen percent (15%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States. Incentive Payment C will be due to a Settling State as part of the Annual Payment in each of the eighteen (18) Payment Years that a Settling State is eligible for Incentive Payment C and equal a total potential maximum of \$2,783,102,054 if all States are eligible for all eighteen (18) Payment Years. Each Settling State's maximum share of Incentive Payment C in a given year shall equal the total maximum amount available for Incentive Payment C for that year as reflected in Exhibit M multiplied by the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment C is as follows:

a. A Settling State is not eligible for Incentive Payment C for a Payment Year in which it is eligible for Incentive Payment A.

b. Subject to Section IV.F.3.a, the amount of Incentive Payment C for which a Settling State is eligible in a Payment Year shall be a percentage of the State's maximum share of Incentive Payment C based on the extent to which (A) Non-Litigating Subdivisions that are Primary Subdivisions with a population

over 30,000 and Litigating Subdivisions in the State are Participating Subdivisions or (B) there is a Case-Specific Resolution against Non-Litigating Subdivisions that are Primary Subdivisions with a population over 30,000 and Litigating Subdivisions in the State, collectively, "*Incentive C Eligible Subdivisions*." The percentage of the State's maximum share of Incentive Payment C that the State is eligible for in a Payment Year shall be determined according to the table below:

<b>Percentage of Relevant Subdivision Population that is Incentive C Eligible Population<sup>6</sup></b>	<b>Incentive Payment C Eligibility Percentage</b>
Up to 60%	0%
60%+	25%
70%+	35%
75%+	40%
80%+	45%
85%+	55%
90%+	60%
93%+	65%
94%+	75%
95+	90%
98+	95%
100%	100%

c. In determining the amount that Settling Distributors will pay in a Payment Year under Incentive Payment C and each Settling State's share of Incentive Payment C for that Payment Year, the Settlement Fund Administrator shall: (i) identify all States that are eligible for Incentive Payment C because they are ineligible for Incentive Payment A; (ii) determine the Incentive Payment C eligibility percentage for each such Settling State; (iii) multiply the Incentive Payment C eligibility percentage for each such State by the Overall Allocation Percentage of that State; (iv) multiply the product from (iii) by the maximum

---

<sup>6</sup> The "Percentage of Relevant Subdivision Population that is Incentive C Eligible Population" shall be determined by the aggregate population of the Settling State's Incentive C Eligible Subdivisions divided by the aggregate population of the Settling State's Non-Litigating Primary Subdivisions with a population over 30,000 and Litigating Subdivisions ("*Incentive Payment C Subdivisions*"). None of the population figures shall include Prior Litigating Subdivisions. In calculating the Settling State's population that resides in Incentive Payment C Subdivisions, (a) the population shall be the sum of the population of all Incentive Payment C Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive Payment C Subdivision, and (b) the population that resides in Incentive C Eligible Subdivisions shall be the sum of the population of the Incentive C Eligible Subdivisions, notwithstanding that persons may be included within the population of more than one Incentive C Eligible Subdivision. An individual Incentive Payment C Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit. For the avoidance of doubt, a Settling State in which the population that resides in Incentive C Eligible Subdivisions is less than sixty percent (60%) of the population of Incentive Payment C Subdivisions shall not be eligible for any portion of Incentive Payment C.

amount that Settling Distributors could owe under Incentive Payment C for that Payment Year from Exhibit M. The amount calculated in (iv) shall be the amount allocated to a Settling State eligible for Incentive Payment C for that Payment Year and the aggregate of such amounts for Settling States eligible for Incentive Payment C shall be the amount paid for that Payment Year by Settling Distributors with respect to Incentive Payment C, all such amounts subject to the suspension, offset, and reduction provisions in Section XII and Section XIII. If there are no Litigating Subdivisions or Non-Litigating Subdivisions that are Primary Subdivisions with a population of more than 30,000 in a Settling State, and that Settling State is otherwise eligible for Incentive Payment C, that Settling State will receive its full allocable share of Incentive Payment C.

d. A Settling State's eligibility for Incentive Payment C for a Payment Year shall be determined as of sixty (60) calendar days prior to the Payment Date for that Payment Year; *provided* that the percentage of Incentive Payment C for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

4. Incentive Payment D. Incentive Payment D shall be applied at Payment Year 6. Incentive Payment D shall be equal to five percent (5%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States. Incentive Payment D will be due to a Settling State as part of the Annual Payment for each of thirteen (13) Payment Years (from Payment Year 6 to Payment Year 18) that any Settling State is eligible for Incentive Payment D and equal a total potential maximum of \$927,700,685 if all States are eligible for all thirteen (13) Payment Years. Each Settling State's share of Incentive Payment D in a given year shall equal the total maximum amount available for Incentive Payment D for that year as reflected in Exhibit M times the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment D is as follows:

a. A Settling State is eligible for Incentive Payment D if there has been no Later Litigating Subdivision in that State that has had a Claim against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

b. A Settling State's eligibility for Incentive Payment D shall be determined as of sixty (60) calendar days prior to the Payment Date. If a Later Litigating Subdivision's lawsuit in that State survives more than six (6) months after denial in whole or in part of a Threshold Motion after that date, that State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year.

c. Notwithstanding Section IV.F.4, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D

less any litigation fees and costs incurred by Settling Distributor in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

d. For the avoidance of doubt, a Settling State may be eligible for Incentive Payment D whether or not it is eligible for Incentive Payments A-C.

e. In determining the amount of Incentive Payment D that Settling Distributors will pay in a Payment Year and each Settling State's share, if any, of Incentive Payment D for that Payment Year, the Settlement Fund Administrator shall: (i) identify all Settling States that are eligible for Incentive Payment D; (ii) multiply the Overall Allocation Percentage for each such eligible Settling State by the maximum amount that Settling Distributors could owe with respect to Incentive Payment D for that Payment Year listed on Exhibit M; and (iii) subtract any litigation fees and costs allowed to be deducted pursuant to Section IV.F.4.c. The amount calculated in (iii) shall be the amount allocated to a Settling State eligible for Incentive Payment D for that Payment Year and the aggregate of each such amount for Settling States eligible for Incentive Payment D shall be the amount of Incentive Payment D Settling Distributors are obligated to pay in that Payment Year, all such amounts subject to the suspension, reduction, and offset provisions in Section XII and Section XIII.

G. *Reductions/Offsets.* The base and incentive payments are subject to suspension, offset, and reduction as provided in Section XII and Section XIII.

H. *State-Specific Agreements.* Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) the Settling Distributors enter into an agreement with any Settling State that resolves with finality such Settling State's Claims consistent with Section XI of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "State-Specific Agreement") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by the Settling Distributors thereunder are made in lieu of any payments (for the avoidance of doubt, including the Additional Restitution Amount), or any portion thereof, to be made under this Agreement and the Settling Distributors make such a payment pursuant to the State-Specific Agreement, then the Settling Distributors will reduce any payments allocable to such Settling State (whether made to the Settlement Fund Escrow or the Settlement Fund) made pursuant to this Agreement to the extent such amount was already paid pursuant to the terms of the State-Specific Agreement.

I. *Allocation of Payments among Settling Distributors.* Payments due from the Settling Distributors under this Section IV, Section IX, and Section X will be allocated among the Settling Distributors as follows: McKesson – 38.1%; Amerisource – 31.0%; Cardinal – 30.9%. A Settling Distributor's sole responsibility for payments under this Agreement shall be to make its share of each payment. The obligations of the Settling Distributors in this Agreement are several and not joint. No Settling Distributor shall be responsible for any portion of another Settling Distributor's share.

J. *Pre-payment Option.*

1. Any Settling Distributor shall have the right, subject to the limitations set forth in Section IV.J.3, to prepay any base payment or incentive payment in whole or in part, without premium or penalty (a "*Settlement Prepayment*") by providing at least fourteen (14) calendar days prior written notice to the Settlement Fund Administrator and Enforcement Committee (a "*Prepayment Notice*"). Any Prepayment Notice shall specify: (a) the gross amount of the Settlement Prepayment (the "*Gross Settlement Amount*"), (b) the manner in which such Settlement Prepayment shall be applied to reduce such Settling Distributor's future share of Annual Payments (*i.e.*, to which future year(s) the allocable portion of an Annual Payment owed by such Settling Distributor the Settlement Prepayment should be applied) (such manner of application, a "*Settlement Prepayment Reduction Schedule*"), (c) the net present value of the Settlement Prepayment as of the Prepayment Date based on the Settlement Prepayment Reduction Schedule using a discount rate equal to the prime rate as published by the *Wall Street Journal* on the date of the Prepayment Notice plus 1.75% (such net present value amount, the "*Net Settlement Prepayment Amount*"), and (d) the date on which the prepayment will be made, which shall be no more than fifteen (15) calendar days after the date of the Prepayment Notice (the "*Prepayment Date*").

2. On the Prepayment Date the Settling Distributor shall pay the Net Settlement Prepayment Amount to the Settlement Fund and such amount shall be used only as specified in Section V. Following such payment, all future portions of the Annual Payments allocated to the applicable Settling Distributor under Section IV.E and Section IV.F shall be reduced pursuant to the Settlement Prepayment Reduction Schedule, and the Exhibit M will be updated to give effect to such reduction, and going forward such updated schedule will be Exhibit M.

3. A Settling Distributor's right to make prepayments shall be subject to the following limitations:

a. Prepayments may apply to base payments or to both base and incentive payments. If the prepayment applies to both base and incentive payments, the prepayments will apply proportionately across base and incentive payments.

b. A Settling Distributor shall make no more than three (3) prepayments over the eighteen (18) year payment term. A Settling Distributor shall not make more than one (1) prepayment in a five (5) year period and there shall not be prepayments made in the first two (2) Payment Years.

c. Prepayments shall only be applied to one (1) or more of the three (3) Payment Years following the prepayment.

d. The total amount of a prepayment of base payments after discounting calculations shall not be larger than the base payment for the Payment Year with the lowest Annual Payment amount affected by the prepayment. The

total amount of a prepayment for both base payments and incentive payments shall not be larger than the base payment and anticipated incentive payment for the lowest Payment Year affected by the prepayment. The "anticipated incentive payment" for a future Payment Year shall reflect the incentives earned by each Settling State as of the time of the prepayment and any offsets or adjustments known at that time.

e. In a Payment Year against which there has been a prepayment, if the amount a Settling State is calculated to receive is greater than the amount prepaid prior to discounting calculations, the Settling Distributor shall pay the difference. If, in a Payment Year for which there has been a prepayment, the amount that a Settling State is calculated to receive is less than the amount calculated at the time of the prepayment, there shall be a credit for the difference to the Settling Distributor to be applied in the subsequent Payment Year(s), if any.

f. Prepayments shall be applied proportionately to all Settling States.

4. The Settling States may agree to a prepayment that does not apply these restrictions. Such a prepayment would need approval of Settling States representing at least ninety-five percent (95%) allocable share as measured by the allocations in Exhibit E; *provided, however*, that this provision does not limit or restrict any Settling State from negotiating its own prepayment with a Settling Distributor.

5. For illustrative purposes only, attached as Exhibit Q are examples showing a Settlement Prepayment, the related calculation of the Net Settlement Prepayment Amount, and the related adjustment to the Settlement Payment Schedule.

K. *Significant Financial Constraint.*

1. A Settling Distributor's allocable share of the Annual Payment for a Payment Year may, at the election of such Settling Distributor, be deferred either (a) up to the amount by which that share plus such Settling Distributor's share of amounts payable under Section IX and Section X would exceed twenty percent (20%) of such Settling Distributor's total operating cash flow (as determined pursuant to United States generally accepted accounting principles) for its fiscal year that concluded most recently prior to the due date for that payment or (b) (i) up to twenty-five percent (25%) if, as of thirty (30) calendar days preceding that payment date, the company's credit rating from one or more of the three nationally recognized rating agencies is below BBB or Baa2 or (ii) up to one hundred percent (100%) if, as of thirty (30) calendar days preceding that payment date, the company's credit rating from one or more of the three nationally recognized rating agencies is below BBB- or Baa3. If the reason for exceeding twenty percent (20%) of a Settling Distributor's total operating cash flow or the decrease in credit rating is substantially attributable to the incurrence of debt to fund post-settlement acquisitions or to the payment of dividends and/or share repurchases that together are of an amount that exceeds the total amount of those two items for the prior fiscal year, no deferral is available. A Settling Distributor shall not be allowed to defer payment for a

Payment Year if that Settling Distributor engaged in any share repurchases in the three fiscal quarters prior to the Payment Date for that Payment Year.

2. If a Settling Distributor has reason to believe that it will not be able to pay some or all of its allocable share of the Annual Payment for a Payment Year, it shall provide at least ninety (90) calendar days' prior written notice to the Settlement Fund Administrator and Enforcement Committee (a "*Deferred Payment Notice*"). Any Deferred Payment Notice shall specify and include: (a) the gross amount of the payments owed (including the estimated allocable portion of the Annual Payment, and amounts owed under Section IX and Section X, by the relevant Settling Distributor), (b) the amount that the Settling Distributor believes it will be unable to pay, (c) the accounting and audited financial documents upon which the Settling Distributor relied for making this determination, and (d) any other relevant information for the Enforcement Committee to consider.

3. A Settling Distributor shall not utilize this provision during the first three (3) Payment Years. If a Settling Distributor defers some or all of the payments due in a Payment Year pursuant to this Section IV.K, it shall not repurchase any shares, or fund new acquisitions with an acquisition price greater than \$250 million, during the deferral period until the deferred amount is fully repaid with interest. Any amounts deferred shall bear interest at an interest rate equal to the prime rate as published by the *Wall Street Journal* on the date of the Deferral Payment Notice plus 0.5%.

4. The Settling Distributor shall pay all deferred amounts, including applicable interest on the next Payment Date. If the amounts previously deferred (including interest) together with the Settling Distributor's share of all payments due for a Payment Year would allow for a deferral under Section IV.K.1, the Settling Distributor shall pay as much of the previously deferred amounts (including interest) as it can pay without triggering the ability to defer payment and may defer the remainder as permitted under (and subject to the restrictions of) this Section IV.K.

5. Deferrals will apply proportionally across base payments and incentive payments. For the avoidance of doubt, this Section IV.K applies fully to Payment Years after the first three (3) Payment Years, including the base payments and all incentive payments due pursuant to this Agreement during the Payment Year at issue.

6. If a Settling Distributor could pay a portion of its allocable share of the Annual Payments due pursuant to this Agreement during a Payment Year without triggering this Section IV.K, the Settling Distributor shall be required to pay that portion as scheduled and only the excess would be subject to deferral at the election of the Settling Distributor (in whole or in part) as provided herein.

7. The Settling Distributor shall pay any deferred amounts, including applicable interest on or before the date on which the payment is due for Payment Year 18.

## V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Payments placed into the Settlement Fund do not revert back to the Settling Distributors.

### B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than eighty-five percent (85%) of the Settling Distributors' maximum amount of payments pursuant to Section IV, Section IX, and Section X as set forth on Exhibit M over the entirety of all Payments Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and the Settling Distributors how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "Compensatory Restitution Amount" for purposes of Section VI.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

### C. *Allocation of Settlement Fund.*

The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate base payments under Section IV.D among the Settling States in proportion to their respective Overall Allocation Percentages. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Abatement Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.
2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under Section IV.F on a State-specific basis. Incentive payments for which a Settling State is eligible under Section IV.F will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Abatement Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.
3. Application of Adjustments. If a suspension, offset, or reduction under Section XII or Section XIII applies with respect to a Settling State, the suspension, offset, or reduction shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.
4. Settlement Fund Administrator. Prior to the Initial Participation Date, the Settling Distributors and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.
5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; *provided, however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Settling Distributors shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution.*

As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and

distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.<sup>7</sup> For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation,<sup>8</sup> then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision. For a voluntary redistribution to be applied to the relevant portion of an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts

<sup>7</sup> Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

<sup>8</sup> Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that State's State Fund shall be distributed to that State.

b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VII.E through Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Abatement Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation<sup>9</sup> and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

(i) At least fifty percent (50%) of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocation percentages. Otherwise, a Settling State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages

allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more, and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.c shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

- (i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
- (ii) Composition that includes at least an equal number of local representatives as state representatives;
- (iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and
- (iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Settling Distributors and the Enforcement Committee.

F. *Nature of Payment.* Each of the Settling Distributors, the Settling States, and the Participating Subdivisions acknowledges and agrees that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. It has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by the Settling Distributors constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by the Settling Distributors;

4. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States and Participating Subdivisions to the same position or condition that they would be in had the Settling States and Participating Subdivisions not suffered the Alleged Harms; and

5. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount is properly characterized as described in Section V.F., and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, or other punitive assessments.

## **VI. Enforcement**

A. *Enforceability.* This Agreement is enforceable only by the Settling States and the Settling Distributors; *provided, however,* that Released Entities may enforce Section XI and Participating Subdivisions listed on Exhibit G have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights with respect to either the terms of

this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against the Settling Distributors with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section V; *provided, however*, that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* The Settling Distributors consent to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VI.F.1 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Settling Distributors believe that the eight-five percent (85%) threshold established in Section V.B.1 is not being satisfied, any Party may request that the Settling Distributors and Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to the Settling Distributors seeking to reduce their Annual Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the eighty-five percent (85%) threshold established in Section V.B.1; (ii) only reduce Annual Payments to those Settling States and their Participating Subdivisions that are below the eighty-five percent (85%) threshold established in Section V.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision

Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Abatement Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Distributor Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State pursuant to Section VI.F.2.a(v) to seek resolution regarding the failure by a Settling Distributor to make its allocable share of an Annual Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except to the extent provided by Section VI.C or Section VI.F.2, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.2.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

2. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or a Settling Distributor shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.1's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States or the Tribal/W. Va. Subdivision Credit;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the allocation of payments among Settling Distributors as described in Section IV.I;

(v) the failure by a Settling Distributor to pay its allocable share of the Annual Payment or of the Additional Restitution Amount in a Payment Year, but for the avoidance of doubt, disputes between a Settling Distributor and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(vi) the interpretation and application of the significant financial constraint provision in Section IV.K, including, without limitation, eligibility for and amount of deferrals for any given year, time for repayment, and compliance with restrictions during deferral term;

- (vii) the interpretation and application of the prepayment provisions as described in Section IV.J;
- (viii) the interpretation and application of any most-favored-nation provision in Section XIV.E;
- (ix) questions regarding the performance and/or removal of the Settlement Fund Administrator;
- (x) replacement of the Monitor, as provided in the Injunctive Relief Terms;
- (xi) disputes involving liability of successor entities;
- (xii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, B, or C, as well as disputes over qualification for Participation Tiers;
- (xiii) disputes involving a Releasor's compliance with, and the appropriate remedy under, Section XI.XI.B.I.A.3;
- (xiv) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and
- (xv) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by the Settling Distributors, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible,

and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Settling Distributor on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Settling Distributors, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and one or more Settling Distributors whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between a Settling Distributor and Settling States/Participating Subdivisions shall be split fifty percent (50%) by the Settling Distributor and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

3. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved

parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

4. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of the Settling Distributors such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Settling Distributors reserve all of their rights in connection with a CID or investigative subpoena issued pursuant to such authority.

## **VII. Participation by Subdivisions**

A. *Notice.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Settling States, with the cooperation of the Settling Distributors, shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. The costs of the written notice to such Subdivisions shall be paid for by the Settling Distributors. The Settling States, with the cooperation of the Settling Distributors, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating

Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator and upon prompt dismissal with prejudice of its lawsuit. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Settlement Fund Administrator until the Reference Date.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. Except as provided in Section IV.C, a Later Participating Subdivision shall not receive any share of any Annual Payment due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after July 15, 2022 shall receive seventy-five percent (75%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive fifty percent (50%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any base payment or incentive payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive twenty-five percent (25%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from the Settling Distributors.

G. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Payment, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any base payment and incentive payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

### **VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment**

A. *Determination to Proceed With Settlement.*

1. The Settling States shall confer with legal representatives of the Participating Subdivisions listed on Exhibit G and inform the Settling Distributors no later than fifteen (15) calendar days prior to the Reference Date whether there is sufficient participation to proceed with this Agreement. Within seven (7) calendar days of informing the Settling Distributors that there is sufficient participation to proceed, the Settling States will deliver all signatures and releases required by the Agreement to be provided by the Settling States to the Settling Distributors.

2. If the Settling States inform Settling Distributors that there is sufficient participation, the Settling Distributors will then determine on or before the Reference Date whether there is sufficient State participation and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of the Settling Distributors and may be based on any criteria or factors deemed relevant by the Settling Distributors.

B. *Notice by Settling Distributors.* On or before the Reference Date, the Settling Distributors shall inform the Settling States of their determination pursuant to Section VIII.A. If the Settling Distributors determine to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If the Settling Distributors determine not to proceed, this Agreement will have no further effect, any amounts placed in escrow for Payment Year 1, including funds referenced in Section IV.C.1, Section IX, Section X, and Exhibit M, shall be returned to the Settling Distributors, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

C. *Determination of the Participation Tier.*

1. On the Reference Date, *provided* that Settling Distributors determine to proceed with this Agreement, the Settlement Fund Administrator shall determine the Participation Tier. The criteria used to determine the Participation Tier are set forth in Exhibit H. Any disputes as to the determination of the Participation Tier shall be decided by the National Arbitration Panel.

2. The Participation Tier shall be redetermined by the Settlement Fund Administrator annually as of the Payment Date, beginning with Payment Year 3, pursuant to the criteria set forth in Exhibit H.

3. After Payment Year 6, the Participation Tier cannot move higher, unless this restriction is waived by the Settling Distributors.

4. In the event that a Participation Tier redetermination moves the Participation Tier higher, and that change is in whole or in part as a result of the post-Reference Date enactment of a Bar and there is later a Revocation Event with respect to such Bar, then on the next Payment Date that is at least one hundred eighty (180) calendar days after the Revocation Event, the Participation Tier shall move down to the Participation Tier that would have applied had the Bar never been enacted, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) calendar days of the Revocation Event. This is the sole circumstance in which, on a nationwide basis, the Participation Tier can move down.

5. In the event that there is a post-Reference Date Revocation Event with respect to a Bar that was enacted in a Settling State prior to the Reference Date, then, on

the next Payment Date that is at least one hundred eighty (180) calendar days after the Revocation Event, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) calendar days of the Revocation Event, the Participation Tier shall decrease – solely for the State in which the Revocation Event occurred – to the Participation Tier commensurate with the percentage of Litigating Subdivisions in that State that are Participating Subdivisions and the percentage of Non-Litigating Subdivisions that are both Primary Subdivisions and Participating Subdivisions, according to the criteria set forth in Exhibit G, except that the calculations shall be performed as to that State alone. For the avoidance of doubt and solely for the calculation in this subparagraph, the Settling States Column of Exhibit H shall play no role. This is the sole circumstance in which one Settling State will have a different Participation Tier than other Settling States.

6. The redetermination of the Participation Tier under Section VIII.C.2 shall not affect payments already made or suspensions, offsets, or reductions already applied.

## **IX. Additional Restitution**

A. *Additional Restitution Amount.* Pursuant to the schedule set forth in Exhibit M and subject to the reduction specified in Section IX.B, the Settling Distributors shall pay an Additional Restitution Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth on Exhibit M, on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

B. *Reduction of Additional Restitution Amount.* In the event that any Non-Settling States appear on Exhibit N, the amounts owed by Settling Distributors pursuant to this Section IX shall be reduced by the allocations set forth on Exhibit N for any such Non-Settling States.

C. *Use of Funds.* All funds paid as an Additional Restitution Amount shall be part of the Compensatory Restitution Amount, shall be used for Opioid Remediation, except as allowed by Section V.B.2, and shall be governed by the same requirements as specified in Section V.F.

## **X. Plaintiffs' Attorneys' Fees and Costs**

The Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the State Cost Fund Administration are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

## **XI. Release**

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in

any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:
  - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;
  - b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
  - c. Claims by Releasers against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and
  - d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section XI.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. To the extent that, on or after the Reference Date, any Releaser enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releaser will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from the Settling Distributors in Section XI.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain

the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section XI.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section XI.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section XI.B.2 with respect to that Non-Released Entity and that Releasor and the Settling Distributors shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by the Settling Distributors:

a. Settling Distributors shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Settling Distributors and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement;

c. That Releasor and Settling Distributors shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Settling Distributors or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Settling Distributors to that Releasor under this Settlement Agreement to permit satisfaction of a

judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Settling Distributors by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to the Settling Distributors under this Agreement to reduce the overall amounts to be paid under the Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Settling Distributors may devise to hold Settling Distributors harmless from the Claim-Over.

d. The actions of that Releasor and Settling Distributors taken pursuant to paragraph (c) must, in combination, ensure Settling Distributors are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and the Settling Distributors may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Settling Distributors shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Settling Distributors harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Settling Distributors may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section XI.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Each Settling Distributor shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the

avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasers) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releaser may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasers) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasers do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against a Settling Distributor (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to such Settling Distributor.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or have obtained, or will obtain no later than the Initial Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or

revocation of a pharmaceutical distribution license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Settling Distributors to secure the prompt dismissal of any and all Released Claims.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement.

## **XII. Later Litigating Subdivisions**

A. *Released Claims against Released Entities.* Subject to Section XII.B, the following shall apply in the event a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim, and shall not oppose a Settling State's submission in support of the Threshold Motion.

2. The provisions of this Section XII.A.2 apply if the Later Litigating Subdivision is a Primary Subdivision (except as provided in Section XII.A.2.f):

a. If a lawsuit including a Released Claim survives until the Suspension Deadline for that lawsuit, the Settlement Fund Administrator shall calculate the Suspension Amount applicable to the next Payment due from the Settling Distributor(s) at issue and apportioned to the State of the Later Litigating Subdivision and to Subdivisions in that State; *provided, however*, that the Suspension Amount for a Payment Year cannot exceed the Suspension Cap. The Suspension Amount shall be paid into the Settlement Fund Escrow account. If the Suspension Amount exceeds the Suspension Cap for that Payment Year, then the

remaining amount will be paid into the Settlement Fund Escrow in the following Payment Year, subject to the Suspension Cap for that Payment Year, and so forth in each succeeding Payment Year until the entire Suspension Amount has been paid into the Settlement Fund Escrow or the Released Claim is resolved, as provided below, whichever comes first. A suspension does not apply during the pendency of any appeal dismissing the lawsuit for a Released Claim in whole.

b. If the Released Claim is resolved with finality without requirement of payment by the Released Entity, the placement of any remaining balance of the Suspension Amount into the Settlement Fund Escrow shall cease and the Settlement Fund Administrator shall immediately transfer amounts in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions. The lawsuit will not cause further suspensions unless the Released Claim is reinstated upon further review, legislative action, or otherwise.

c. If the Released Claim is resolved with finality on terms requiring payment by the Released Entity, the Settlement Fund Administrator will transfer the amounts in the Settlement Fund Escrow on account of the suspension to the Settling Distributor(s) at issue necessary to satisfy the payment obligation of the Released Entity to the relevant Later Litigating Subdivision. If any balance remains in the Settlement Fund Escrow on account of the suspension after transfer of the amount necessary to satisfy the payment obligation, the Settlement Fund Administrator will immediately transfer the balance to the Settling State at issue and its Participating Subdivisions. If the payment obligation of the Released Entity to the relevant Later Litigating Subdivision exceeds the amounts in the Settlement Fund Escrow on account of the suspension, the Settling Distributor at issue shall receive a dollar-for-dollar offset, subject to the yearly Offset Cap, for the excess amount against its obligation to pay its allocable share of Annual Payments that would be apportioned to the Settling State at issue and to its Subdivisions. The offset shall be applied as follows: first against the Settling Distributor's allocable share of the Annual Payment due in Payment Year 18, up to the Offset Cap for that Payment Year, with any remaining amounts above the Offset Cap applied against the Settling Distributor's allocable share of the Annual Payment due in Payment Year 17, up to the Offset Cap for that Payment Year, and so forth for each preceding Payment Year until the entire amount to be offset has been applied or no future Payment Years remain.

d. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, and the Released Claim did not give rise to a suspension of any Settling Distributor's portion of any Annual Payments (*e.g.*, because it was resolved during Payment Years 1 or 2, during which all Settling States are deemed eligible for Incentive Payment A and thus no suspension of payments took place, as provided by Section XII.B), the Settling Distributor at issue shall receive a dollar-for-dollar offset, subject to the yearly Offset Cap, for the amount paid. The offset shall be applied against the relevant Settling Distributor's allocable portion of the Annual Payments starting in

Payment Year 18 and working backwards as set forth in Section XII.A.2.c. If the lawsuit for a Released Claim is otherwise resolved by the Released Entity, without the Settling Distributor filing a Threshold Motion despite an opportunity to do so, and the Released Claim did not give rise to a suspension of any Settling Distributor's portion of any Annual Payments, the Settling Distributor at issue shall not receive any offset for the amount paid.

e. If more than one Primary Subdivision in a Settling State becomes a Later Litigating Subdivision, a single Suspension Cap applies and the total amounts deducted from the share of the Annual Payment allocated to the Settling State and its Participating Subdivisions in a given Payment Year cannot exceed the Suspension Cap. For the avoidance of doubt, an individual Primary Subdivision shall not trigger more than one suspension regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit.

f. This Section XII.A.2 shall not apply with respect to a Primary Subdivision that is either (i) a Later Litigating Subdivision under clause (3) of the definition of that term solely because a legislative Bar or legislative Case-Specific Resolution applicable as of the Reference Date is invalidated by judicial decision after the Reference Date or (ii) a Later Litigating Subdivision under clause (4) of the definition of that term. Such a Primary Subdivision shall be treated as a General Purpose Government under Section XII.A.3.

3. The terms of this Section XII.A.3 apply if a the Later Litigating Subdivision is not a Primary Subdivision (except for Primary Subdivisions referenced in Section XII.A.2.f) but is a General Purpose Government, School District, Health District or Hospital District: if the Released Claim is resolved with finality on terms requiring payment by the Released Entity, the Settling Distributor at issue shall receive a dollar-for-dollar offset, subject to the yearly Offset Cap, for the amount paid against its portion of the obligation to make Annual Payments that would be apportioned to the Settling State at issue and to its Subdivisions. The offset shall be applied as follows: first against the relevant Settling Distributor's allocable share of the Annual Payment due in Payment Year 18, up to the Offset Cap for that Payment Year, with any remaining amounts above the Offset Cap applied against the Payment due in Payment Year 17, up to the Offset Cap for that Payment Year, and so forth for each preceding Payment Year until the entire amount to be offset has been applied or no future Payment Year remains. If the Released Claim is resolved on terms requiring payment during the first two (2) Payment Years, in no case will any amounts be offset against the amounts due in Payment Years 1 and 2.

4. In no event shall the total of Suspension Amounts and offsets pursuant to this Section applicable to a Settling State in a Payment Year for that Payment Year exceed the Offset Cap for that State. If, in a Payment Year, the total of Suspension Amounts and offsets applicable to a Settling State exceeds the Offset Cap, the Suspension Amounts shall be reduced so that the total of Suspension Amounts and offsets equals the Offset Cap.

5. For the avoidance of doubt, any offset pursuant to this Section XII in a Settling State that is not eligible for Incentive Payment A shall continue to apply even if the Settling State at issue subsequently becomes eligible for Incentive Payment A.

6. “*Terms requiring payment*” shall mean (i) a final monetary judgment or (ii) a settlement; *provided* that the Released Entity sought the applicable State Attorney General’s consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. *Exceptions.*

1. Section XII.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A for the Payment Year at issue, except as expressly provided therein. For the avoidance of doubt, because all Settling States are deemed eligible for Incentive Payment A for Payment Years 1 and 2 under Section IV.F.1.c, a suspension of Payments under Section XII.A.2 shall not apply to any Settling States for those Payment Years.

2. An offset under Section XII.A.2 and Section XII.A.3 shall not apply where the Later Litigating Subdivision opted out of a Settlement Class Resolution in the Settling State at issue that was in full force and effect in that Settling State as of the due date of the payment for Payment Year 2 and remains in full force and effect; *provided* that an offset relating to that Subdivision may apply under Section XIII.

3. Section XII.A shall not apply where the Later Litigating Subdivision seeks less than \$10 million, or so long as its total claim is reduced to less than \$10 million, in the lawsuit for a Released Claim at issue.

4. An offset under Section XII.A.3 shall not apply where the applicable Participation Tier is Participation Tier 1 and the population of the Later Litigating Subdivision is under 10,000.

5. If the applicable Participation Tier is Participation Tier 2 or higher, and the Later Litigating Subdivision has a population less than 10,000, the offset under Section XII.A.3 shall only apply to amounts paid pursuant to a settlement or judgment that are over \$10 million per case or resolution. Any type of consolidated or aggregated or joined or class actions, however styled, shall be considered a single case, and any resolutions that occur within a sixty (60) calendar day period of each other and involve Later Litigating Subdivisions that share common counsel and/or are created by the same or related judgments, settlement agreements, or other instruments or are conditioned upon one another, shall be considered a single resolution. For the avoidance of doubt, any such case or resolution shall have only a single \$10,000,000 exemption from the offset under Section XII.A.3.

C. *No Effect on Other Provisions.* A suspension or offset under Section XII.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States.* A suspension or offset under Section XII.A applicable to one State shall not affect the allocation or payment of the Annual Payment to other Settling States.

### **XIII. Reductions/Offsets**

A. *Non-Settling States.* Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the payments specified in Exhibit M are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F.

B. *Offset Relating to Incentive Payment A.* If a Settling State is not eligible for Incentive Payment A at the third Payment Date, the Settling Distributors shall receive an offset with respect to that State.<sup>10</sup> The offset shall be the dollar amount difference between (1) the total amount of the Incentive Payment A due from the Settling Distributors on the Effective Date and on the Payment Date for Payment Year 2 allocated to that State and its Participating Subdivisions, and (2) the total amount of Incentive Payments B and C that would have been due from the Settling Distributors on the Effective Date and on the Payment Date for Payment Year 2 so allocated but for the State's deemed eligibility for Incentive Payment A. The offset shall be applied in equal installments to reduce the Annual Payments for Payment Years 3 through 7 that would be apportioned to that State and to its Subdivisions, and shall remain applicable even if that State subsequently becomes eligible for Incentive Payment A.

C. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, the Settling Distributor at issue shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that State and to its Subdivisions. For the avoidance of doubt, an offset shall not be applicable under this subsection if it is applicable under Section XII.A with respect to the Subdivision at issue.

D. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If the Settling Distributors made any Annual Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Payment, the Settling Distributors shall receive a dollar-for-dollar offset against the portion of remaining Annual Payments that would be allocated to that State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by the Settling Distributors by virtue of the Bar, Settlement

---

<sup>10</sup> For purposes of this provision, in determining whether a Settling State would not be eligible for Incentive Payment A for Payment Year 3, the criteria set forth in Section IV.F.1.b shall apply to that Payment Year.

Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from the Settling Distributors during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

E. *Certain Taxes.* Amounts paid by a Settling Distributor under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against that Settling Distributor's obligation to pay its share of the Annual Payment in that Payment Year that would be allocated to the taxing State or its Participating Subdivisions. If such amounts paid exceed that Settling Distributor's allocable share of the Annual Payment allocable to the taxing State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its allocable share of remaining Annual Payments that would be allocated to the taxing State or its Participating Subdivisions

F. *Not Subject to Suspension Cap or Offset Cap.* For the avoidance of doubt, neither the Suspension Cap nor the Offset Cap apply to the offsets and reductions set forth in this Section XIII.

#### **XIV. Miscellaneous**

A. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.<sup>11</sup>

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.F.1.b: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("IDEA") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served. The Settling Distributors and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

The estimates for cities and towns can currently be found at <https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html>.

C. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* The Settling Distributors do not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Settling Distributors.

E. *Most-Favored-Nation Provision.*—Settling States.

1. If, after the Reference Date, any Settling Distributor enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XIV.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to that Settling Distributor, overall payment terms at least as favorable as those obtained by such Non-Settling State. “*Overall payment terms*” refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Reference Date, Settling Distributors shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by a Settling Distributor with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the considerations set forth in Section XIV.E.1, the Settling State(s) and the Settling Distributor shall engage in the following process:

a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or consent judgment is provided to the Enforcement Committee, to the Settling Distributor of its (their) intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. Such notice shall be confidential and not disclosed publicly to the extent allowed by law and shall state, in detail, the basis for the State’s (States’) belief that it (they) is entitled to a revision of the Agreement.

b. The Settling Distributor shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Settling Distributor do not reach agreement as to the application of Section XIV.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIV.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.2.

d. The Settling State(s) and the Settling Distributor shall be bound by the determination of the National Arbitration Panel.

4. This Section XIV.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with any Settling Distributor that is entered into with: (a) a Non-Settling State after a date sixty (60) calendar days prior to the scheduled start date of a trial between any Settling Distributor and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and a Settling Distributor jointly request an adjournment of the scheduled start date of a trial within sixty (60) days of that date, this exception will apply as if the trial date had not been adjourned; (b) a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against any Settling Distributor. For avoidance of doubt, the National Arbitration Panel shall have no power to review agreements described in this paragraph.

5. This Section XIV.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between a Settling Distributor and (a) federally-recognized tribe(s) or (b) West Virginia subdivisions or (c) Non-Participating Subdivisions. This Section XIV.E will not apply to any agreement entered into more than eighteen (18) months after the Reference Date.

F. *Tax Cooperation and Reporting.*

1. Upon request by any Settling Distributor, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for the Settling Distributors to establish the statements set forth in Section V.E.3 to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIV.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with any Settling Distributor with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, as defined in Section I.P as New York, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “*Appropriate Official*”). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U, Exhibit V, and Exhibit W with respect to each of the Settling Distributors and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by the respective Settling Distributors, and (b) provides to each of the Settling Distributors a copy of (i) the IRS Form 1098-F filed with respect to such Settling Distributor and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.E.3.

4. The Settling States and Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to paragraph 3, and any similar document, shall be prepared and filed in a manner consistent with reporting each Settling Distributor’s portion of the Global Settlement Amount as the “Total amount to be paid” pursuant to this Agreement in Box 1 of IRS Form 1098-F and each Settling Distributor’s portion of the Compensatory Restitution Amount as “Restitution/remediation amount” in Box 2 of IRS Form 1098-F, as reflected in the attached Exhibit U, Exhibit V, and Exhibit W. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XIV.F other than an IRS Form 1098-F in the form attached as Exhibit U, Exhibit V, and Exhibit W, the Designated State shall direct and ensure that the Appropriate Official provides to each Settling Distributor a draft of such return, amended return, or written statement in respect of such Settling Distributor no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of such Settling Distributor on the return, amended return, or written statement in respect of such Settling Distributor.

5. For the avoidance of doubt, neither the Settling Distributors nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving any Settling Distributor of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that a Settling Distributor cannot comply with this Agreement without violating such a requirement or requirements, the Settling Distributor

shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in Section III.X of the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement. The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIV.M.

P. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIV.P.

R. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

T. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, the Settling Distributors and their respective successors and assigns.

2. A Settling Distributor shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of such Settling Distributor (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by such Settling Distributor) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize such Settling Distributor's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction, unless the Settling Distributor obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of that Settling Distributor's remaining Payment Obligations under this Agreement equal to the percentage of the

Settling Distributor's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of the Settling Distributor's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIV.T shall be enforceable solely by the Enforcement Committee, and any objection under this Section XIV.T not raised within twenty (20) calendar days of the announcement of the relevant transaction is waived. Any dispute under this Section XIV.T shall be a National Dispute as described in Section VI.F.2 and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

3. A Settling Distributor shall not, in one (1) transaction or a series of related transactions, sell or transfer (other than sales or transfers to an entity owned directly or indirectly by such Settling Distributor) more than twenty-five percent (25%) of the distribution centers within its Full-Line Wholesale Pharmaceutical Distribution Business (as that term is defined in the Injunctive Relief Terms) where the sale or transfer is announced after the Reference Date, unless the Settling Distributor obtains the acquiror's agreement that it will be bound by the Injunctive Relief Terms.

U. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by the Settling Distributor to which the modification, amendment, or alteration applies, if the change applies to less than all Settling Distributors, along with the signatures of at least thirty-seven of those then serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

V. *Termination.*

1. a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to such Bankrupt Settling Distributor; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to such Bankrupt Settling Distributor and the Settling States shall have the right to assert any and all claims against such Bankrupt Settling Distributor in the Bankruptcy or otherwise, subject to any automatic stay, without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided, however*, that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than the Bankrupt Settling Distributor itself; and (ii) in the event a Settling State asserts any Released Claim against a Bankrupt Settling Distributor after the rejection and/or termination of this Agreement with respect to such Settling Distributor as described in this Section XIV.X.1.a and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments such Settling State has previously received from such Bankrupt Settling Distributor under this Agreement shall be applied to reduce the amount of any

such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that such Settling State is required to disgorge or repay to the Bankrupt Settling Distributor's bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against such Bankrupt Settling Distributor subject to all defenses and rights of the Bankrupt Settling Distributor.

## **EXHIBIT G**

### **Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and Default Subdivision Fund Allocation Percentages**

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include: (1) all Litigating Subdivisions that are General Purpose Governments; (2) all counties and parishes in States with functional counties or parishes; (3) all Subdivisions that are the highest level of General Purpose Government in States without functional counties or parishes; and (4) all other Subdivisions that are General Purpose Governments with a population of 10,000 or greater. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to this Agreement.

The Parties recognize the benefits of remediation funds reaching all communities, including through direct payments from the Subdivision Fund. However, to promote efficiency in the use of such funds and avoid administratively-burdensome disbursements that would be too small to add a meaningful abatement response, certain Subdivisions do not receive a direct allocation from the Subdivision Fund. However, such Subdivisions will benefit from Opioid Remediation in their community, and are eligible to receive direct benefits from the Abatement Accounts Fund in their State. All settlement funds, whether allocated to a Settling State, an Abatement Accounts Fund or a Subdivision listed on this Exhibit G can be used for Opioid Remediation in communities not listed herein.

As provided by Section V.D.4.c, the Allocation Percentages shown below apply to distribution of each Settling State's Subdivision Fund in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. The allocation that would have otherwise gone to General Purpose Government Subdivisions not listed below as receiving a direct allocation shall be (1) directed to the county or parish in which such Subdivision is located in Settling States with functional counties or parishes if the relevant county or parish is a Participating Subdivision or (2) to the highest-level General Purpose Government in which such Subdivision is located in Settling States without functional counties or parishes if the relevant highest-level General

Purpose Government is a Participating Subdivision. Where the relevant county, parish or highest-level General Purpose Government is not a Participating Subdivision, allocations of General Purpose Subdivisions not listed below as eligible to become Participating Subdivisions shall be allocated pursuant to Section VII.I. The redirecting of funds described in this paragraph is intended to promote the efficient use of Opioid Remediation funds while keeping, where possible, local control of the distribution of those funds.

**Participation Tier Determination<sup>1</sup>**

<b>Participation Tier<sup>2</sup></b>	<b>Number of Settling States as of the Reference Date (or as of the Payment Date, beginning in Payment Year 3)<sup>3</sup></b>	<b>Percentage of Litigating Subdivisions in Settling States that are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Reference Date (or as of the Payment Date, beginning in Payment Year 3)<sup>4,5</sup> (“Percentage of Litigating Subdivisions”)</b>	<b>Percentage of Primary Subdivisions that are Non-Litigating Subdivisions in Settling States that are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Reference Date (or as of the Payment Date, beginning in Payment Year 3) (“Percentage of Non-Litigating Subdivisions”)</b>
1	44 out of 49	95%	90% (Primary Subdivisions only)
2	45 out of 49	96%	96% (Primary Subdivisions only)
3	46 out of 49	97%	97% (Primary Subdivisions only)
4	48 out of 49	98%	97% (Primary Subdivisions only)

<sup>1</sup> For the avoidance of doubt, the determinations that a sufficient number of states have agreed to be Settling States and there has been sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States as described in the preamble, Section II.A and Section VIII.A remain in the sole discretion of the Settling Distributors.

<sup>2</sup> In order to qualify for the relevant tier, the minimum amounts listed in each of the “Number of Settling States,” “Percentage of Litigating Subdivisions,” and “Percentage of Non-Litigating Primary Subdivisions” columns must be met or surpassed.

<sup>3</sup> For the sole purpose of the Participation Tier determination under this Exhibit H, the States used to calculate each criterion (including the Percentage of Litigating Subdivisions and Percentage of Non-Litigating Subdivisions) will include each of the 50 states in the United States, except West Virginia, for a total of 49 states. For the avoidance of doubt, notwithstanding the definition of “State” in Section I.TTTT or Exhibit F, neither Washington, D.C., nor any territory of the United States will be included for purposes of determining the participation tier under this Exhibit H.

<sup>4</sup> School Districts, Health Districts, Hospital Districts, Library Districts and Fire Districts that satisfy the definition of Litigating Subdivision will be included for purposes of determining the Percentage of Litigating Subdivisions. These categories of Special District shall have their population measured as set forth in Section XIV.B. Any other Special Districts that satisfy the definition of Litigating Subdivisions will not be included for purposes of calculating the Participation Tier.

The Percentage of Litigating Subdivisions and Percentage of Non-Litigating Primary Subdivisions will be calculated as follows: each Litigating Subdivision and each Non-Litigating Subdivision in the 49 states used to calculate the Participation Tier will be assigned a metric reflecting both population and severity (the “Population-Severity Metric”). The Population-Severity Metric shall be the Subdivision’s population plus the Subdivision’s population multiplied by the severity factor for the State of the Subdivision (the severity factors for each State are attached as Exhibit X hereto) and then divided in two, thus giving fifty percent (50%) weight to each of population and population multiplied by the severity factor. The denominator for each Percentage shall be the sum total of the Population-Severity Metric for all the Subdivisions in the relevant category (Litigating Subdivisions or Non-Litigating Primary Subdivisions) in the Settling States, notwithstanding that persons may be included within the population (and therefore the Population-Severity Metric) of more than one Subdivision. The numerator will be the sum total of the Population-Severity Metrics of all Subdivisions in the relevant category of Subdivision (*i.e.*, Litigating Subdivisions or Non-Litigating Subdivisions that are also Primary Subdivisions) in the Settling States that are either Participating Subdivisions or are subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution, notwithstanding that persons may be included within the population of more than one Subdivision. An

individual Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Litigating Subdivision to be excluded.

For the avoidance of doubt, Subdivisions in Non-Settling States are excluded from both the denominator and numerator of the calculations for the Percentage of Litigating Subdivisions and Percentage of Non-Litigating Primary Subdivisions.

- <sup>5</sup> During the period when the Participation Tier is redetermined annually, Later Participating Subdivisions described in Section VII.E.3 or Section VII.E.4 shall not be included as Participating Subdivisions, and for Subdivisions subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution to be included, the Bar, Case-Specific Resolution, or Settlement Class Resolution must have been in effect both as of the relevant Payment Date and for the entire period since the prior Payment Date.

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated July 21, 2021 (“*Distributor Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the Distributor Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Distributor Settlement, understands that all terms in this Participation Form have the meanings defined therein, and agrees that by signing this Participation Form, the Governmental Entity elects to participate in the Distributor Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, secure the dismissal with prejudice of any Released Claims that it has filed.
3. The Governmental Entity agrees to the terms of the Distributor Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Distributor Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Distributor Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Distributor Settlement. The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Distributor Settlement.

7. The Governmental Entity has the right to enforce the Distributor Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Distributor Settlement, including, but not limited to, all provisions of Part XI, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Distributor Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Distributor Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Distributor Settlement.
10. In connection with the releases provided for in the Distributor Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Distributor Settlement.

11. Nothing herein is intended to modify in any way the terms of the Distributor Settlement, to which Governmental Entity hereby agrees. To the extent this Participation Form is interpreted differently from the Distributor Settlement in any respect, the Distributor Settlement controls.

I have all necessary power and authorization to execute this Participation Form on behalf of the Governmental Entity.

### **Adoption of a State-Subdivision Agreement**

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be agreed when it has been approved by the State and either (a) Subdivisions whose aggregate "*Population Percentages,*" determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes that do not function as local governments, fifteen percent (15%) of or more of the Settling State's General Purpose Governments that qualify as Subdivisions), by number.

2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes<sup>17</sup>, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each General Purpose Government (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

---

<sup>17</sup> Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

The compensation of sales personnel shall not include incentive compensation tied solely to sales of Controlled Substances.
- B. For any Injunctive Relief Distributor personnel who are compensated at least in part based on Customer sales, the Injunctive Relief Distributor shall ensure the compensation of such personnel is not decreased by a CSMP-related suspension or termination of a Customer or as a direct result of the reduction of sales of Controlled Substances to a Customer pursuant to the CSMP.
- C. The Injunctive Relief Distributors' sales personnel shall not be authorized to make decisions regarding the implementation of CSMP policies and procedures, the design of the CSMP, the setting or adjustment of Thresholds, or other actions

taken pursuant to the CSMP, except sales personnel must provide information regarding compliance issues to CSMP personnel promptly. The CSMP Committee shall have access to all CSMP reports. The CSMP Committee will review and approve the specific metrics used to identify the Red Flags set forth in Section VIII.

- C. On a quarterly basis, each Injunctive Relief Distributor's CSMP Committee shall send a written report to the Injunctive Relief Distributor's Chief Executive, Chief Financial, and Chief Legal Officer, as well as its Board of Directors, addressing: (1) the Injunctive Relief Distributor's substantial adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (2) recommendations as appropriate about the allocation of resources to ensure the proper functioning of the Injunctive Relief Distributor's CSMP; and (3) significant revisions to the CSMP. The Board of Directors or a committee thereof at each Injunctive Relief Distributor shall document in its minutes its review of the quarterly CSMP Committee reports.
- D. To the extent not already established, the Board of Directors of each Injunctive Relief Distributor shall establish its own compliance committee (the "*Board Compliance Committee*") to evaluate, at a minimum, and on a quarterly basis: (1) the CSMP Committee's written reports; (2) the Injunctive Relief Distributor's substantial adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (3) the Injunctive Relief Distributor's code of conduct and any whistleblower reporting policies, including those prescribed by Section V.E; and (4) any significant regulatory and/or government enforcement matters within the review period relating to the distribution of Controlled Substances. An Injunctive Relief Distributor meets this requirement if it established, prior to the Effective Date, multiple committees of its Board of Directors that together have responsibilities outlined in this paragraph.
- E. The Board Compliance Committee shall have the authority to: (1) require management of the Injunctive Relief Distributor to conduct audits on any CSMP or legal and regulatory concern pertaining to Controlled Substances distribution, and to update its full Board of Directors on those audits; (2) to commission studies, reviews, reports, or surveys to evaluate the Injunctive Relief Distributor's CSMP performance; (3) request meetings with the Injunctive Relief Distributor's management and CSMP staff; and (4) review the appointment, compensation, performance, and replacement of the Injunctive Relief Distributor's Chief Diversion Control Officer.

## **VII. MANDATORY TRAINING**

- A. Each Injunctive Relief Distributor shall require all new CSMP personnel to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, and its duties with respect to maintaining effective controls against potential diversion of Controlled Substances and reporting Suspicious Orders pursuant to state and federal laws and regulations prior to conducting any compliance activities for the Injunctive Relief Distributor without supervision.
- B. Each Injunctive Relief Distributor shall provide annual trainings to CSMP personnel on its CSMP, its obligations under the Injunctive Relief Terms, and its

duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.

- C. On an annual basis, each Injunctive Relief Distributor shall test its CSMP personnel on their knowledge regarding its CSMP, its obligations under the Injunctive Relief Terms, and its duties to maintain effective controls against potential diversion of Controlled Substances and to report Suspicious Orders pursuant to state and federal laws and regulations.
- D. Each Injunctive Relief Distributor shall train all third-party compliance consultants (defined as non-employees who are expected to devote fifty percent (50%) or more of their time to performing work related to the Injunctive Relief Distributor's CSMP, excluding information technology consultants not engaged in substantive functions related to an Injunctive Relief Distributor's CSMP) performing compliance functions for the Injunctive Relief Distributor in the same manner as the Injunctive Relief Distributor's CSMP personnel.
- E. At least every three (3) years in the case of existing employees, and within the first six months of hiring new employees, each Injunctive Relief Distributor shall require operations, sales, and senior executive employees to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, the hotline established in Section V.E, and its duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.

#### **VIII. RED FLAGS**

- A. Within one hundred and twenty days (120) of the Effective Date, each Injunctive Relief Distributor shall, at a minimum, apply specific metrics to identify the potential Red Flags described in Section VIII.D with respect to Independent Retail Pharmacy Customers. For Chain Customers, the metrics used to identify the Red Flags described in Section VIII.D may be adjusted based on the specific business model and supplier relationships of the Chain Customer.
- B. Each Injunctive Relief Distributor shall evaluate and, if necessary, enhance or otherwise adjust the specific metrics it uses to identify Red Flags set forth in Section VIII.D.
- C. Each Injunctive Relief Distributor shall provide annually to the Monitor the specific metrics it uses to identify Red Flags as set forth in Section VIII.D. The Monitor shall review the metrics used to identify Red Flags as set forth in Section VIII.D to assess whether the metrics are reasonable. The Monitor may, at its discretion, suggest revisions to the metrics in the annual Audit Report as part of the Red Flags Review set forth in Section XVIII.F.3.f. Each Injunctive Relief Distributor may rely on its specific metrics to comply with the requirements of

Section VIII unless and until the Monitor proposes a revised metric in connection with Section XVIII.H.

D. For purposes of the Injunctive Relief Terms, “*Red Flags*” are defined as follows:

1. **Ordering ratio of Highly Diverted Controlled Substances to non-Controlled Substances:** Analyze the ratio of the order volume of all Highly Diverted Controlled Substances to the order volume of all non-Controlled Substances to identify Customers with significant rates of ordering Highly Diverted Controlled Substances.
2. **Ordering ratio of Highly Diverted Controlled Substance base codes or drug families to non-Controlled Substances:** Analyze the ratio of the order volume of each Highly Diverted Controlled Substance base code or drug family to the total order volume of all non-Controlled Substances to identify Customers with significant rates of ordering each Highly Diverted Controlled Substance base code or drug family.
3. **Excessive ordering growth of Controlled Substances:** Analyze significant increases in the ordering volume of Controlled Substances using criteria to identify customers that exhibit percentage growth of Controlled Substances substantially in excess of the percentage growth of non-Controlled Substances.
4. **Unusual formulation ordering:** Analyze ordering of Highly Diverted Controlled Substances to identify customers with significant ordering of high-risk formulations. High-risk formulations include, but are not limited to, 10mg hydrocodone, 8mg hydromorphone, 2mg alprazolam, single-ingredient buprenorphine (*i.e.*, buprenorphine without naloxone), and highly-abused formulations of oxycodone. On an annual basis (or as otherwise necessary), high-risk formulations of Highly Diverted Controlled Substances may be added, removed, or revised based on the Injunctive Relief Distributors’ assessment and regulatory guidance.
5. **Out-of-area patients:** Analyze Pharmacy Customer Data or Dispensing Data to assess volume of prescriptions for Highly Diverted Controlled Substances for out-of-area patients (based on number of miles traveled between a patient’s zip code and the pharmacy location, depending on the geographic area of interest) taking into consideration the percentage of out-of-area patients for non-Controlled Substances.
6. **Cash prescriptions:** Analyze Pharmacy Customer Data or Dispensing Data to assess percentage of cash payments for purchases of Controlled Substances taking into consideration the percentage of cash payments for purchases of non-Controlled Substances.

7. **Prescriber activity of Customers:** Analyze Pharmacy Customer Data or Dispensing Data to identify Customers that are dispensing Highly Diverted Controlled Substance prescriptions for Top Prescribers as follows:
    - a) Top Prescribers representing a significant volume of dispensing where the prescriber's practice location is in excess of 50 miles from the pharmacy ("out-of-area"), relative to the percentage of out-of-area prescriptions for non-Controlled Substances.
    - b) Top Prescribers representing prescriptions for the same Highly Diverted Controlled Substances in the same quantities and dosage forms indicative of pattern prescribing (e.g., a prescriber providing many patients with the same high-dose, high-quantity supply of 30mg oxycodone HCL prescription without attention to the varying medical needs of the prescriber's patient population).
    - c) Top Prescribers where the top five (5) or fewer prescribers represent more than fifty percent (50%) of total prescriptions for Highly Diverted Controlled Substances during a specified period.
  8. **Public regulatory actions against Customers:** Review information retrieved from companies that provide licensing and disciplinary history records (e.g., LexisNexis), and/or other public sources, including governmental entities, showing that the Customer, pharmacists working for that Customer, or the Customer's Top Prescribers have been subject, in the last five (5) years, to professional disciplinary sanctions regarding the dispensing or handling of Controlled Substances or law enforcement action related to Controlled Substances diversion. Continued licensing by a relevant state agency may be considered, but shall not be dispositive, in resolving the Red Flag. For Chain Customer locations, representations from each Chain Customer that it reviews its pharmacists' licensing statuses annually and for the regulatory actions described in this paragraph has either (i) taken appropriate employment action, or (ii) disclosed the regulatory action to the Injunctive Relief Distributor, may be considered in resolving the Red Flag.
  9. **Customer termination data:** Review information from the Injunctive Relief Distributor's due diligence files and, when operable, from the Clearinghouse, subject to Section VIII.F, regarding Customers that have been terminated from ordering Controlled Substances by another distributor due to concerns regarding Controlled Substances.
- E. For any Red Flag evaluation in Section VIII.D that may be performed using Pharmacy Customer Data or Dispensing Data, an Injunctive Relief Distributor will analyze the Red Flag using Pharmacy Customer Data, to the extent feasible based on the functionality of a Customer's pharmacy management system, until

Dispensing Data is collected and analyzed by the Clearinghouse as described in Section XVII. Until Dispensing Data is collected and analyzed by the Clearinghouse, an Injunctive Relief Distributor may satisfy the Red Flag evaluations in Sections VIII.D.5 through VIII.D.7 by engaging in considerations of out-of-area patients, cash payments for prescriptions and Top Prescribers without satisfying the specific requirements of Sections VIII.D.5 through VIII.D.7. In the event that the Clearinghouse is not collecting and analyzing Dispensing Data within two years of the Effective Date, the Injunctive Relief Distributors and the State Compliance Review Committee shall meet and confer to consider alternatives for the performance of the analysis required by Sections VIII.D.5 through VIII.D.7 using Pharmacy Customer Data.

- F. As provided for in Section XVII.C.4, the foregoing Red Flag evaluations may be performed by the Clearinghouse and reported to the relevant Injunctive Relief Distributors.
- G. The Injunctive Relief Distributors and the State Compliance Review Committee shall work in good faith to identify additional potential Red Flags that can be derived from the data analytics to be performed by the Clearinghouse.

## **IX. ONBOARDING**

- A. For each Injunctive Relief Distributor, prior to initiating the sale of Controlled Substances to a potential Customer, a member of the Injunctive Relief Distributor's CSMP department (or a qualified third-party compliance consultant trained on the Injunctive Relief Distributor's CSMP) shall perform the following due diligence:
  - 1. Interview the pharmacist-in-charge, either over the telephone, via videoconference, or in person. The interview shall include questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled Substances.
  - 2. Obtain a "Pharmacy Questionnaire" completed by the owner and/or pharmacist-in-charge of the potential Customer. The Pharmacy Questionnaire shall require going-concern potential Customers to list their top ten (10) prescribers for Highly Diverted Controlled Substances combined, along with the prescriber's specialty, unless the Injunctive Relief Distributor is able to obtain this data otherwise. The Pharmacy Questionnaire shall also require disclosure of the identity of all other distributors that serve the potential Customer, and whether the potential Customer has been terminated or suspended from ordering Controlled Substances by another distributor and the reason for any termination or suspension. The Pharmacy Questionnaire shall request information that would allow the Injunctive Relief Distributor to identify Red Flags, including questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled

Substances. A potential Customer's responses to the Pharmacy Questionnaire shall be verified, to the extent applicable and practicable, against external sources (for example, the Clearinghouse, once operational, and Automation of Reports and Consolidated Orders System ("ARCOS") data made available to the Injunctive Relief Distributor by the DEA). The Pharmacy Questionnaire shall be maintained by the Injunctive Relief Distributor in a database accessible to its CSMP personnel.

3. Complete a written onboarding report to be maintained in a database accessible to the Injunctive Relief Distributor's CSMP personnel reflecting the findings of the interview and any site visit, the findings regarding the identification of and, if applicable, conclusion concerning any Red Flag associated with the pharmacy, as well as an analysis of the Pharmacy Questionnaire referenced in the preceding paragraph.
  4. For going-concern potential Customers, review Pharmacy Customer Data to assist with the identification of any Red Flags.
  5. Document whether the potential Customer or the pharmacist-in-charge has been subject to any professional disciplinary sanctions or law enforcement activity related to Controlled Substances dispensing, and, if so, the basis for that action. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- B. For Chain Customers, each Injunctive Relief Distributor may obtain the information in Section IX.A from a corporate representative of the Chain Customer.
- C. In the event that an Injunctive Relief Distributor identifies one or more unresolved Red Flags or other information indicative of potential diversion of Controlled Substances through the onboarding process or otherwise, the Injunctive Relief Distributor shall refrain from selling Controlled Substances to the potential Customer pending additional due diligence. If following additional due diligence, the Injunctive Relief Distributor is unable to resolve the Red Flags or other information indicative of diversion, the Injunctive Relief Distributor shall not initiate the sale of Controlled Substances to the potential Customer and shall report the potential Customer consistent with Section XIV. If the Injunctive Relief Distributor determines that the potential Customer may be onboarded for the sale of Controlled Substances, the Injunctive Relief Distributor shall document the decision and the bases for its decision. Such a good faith determination, if documented, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms. For Chain Customers, these provisions shall apply to the potential specific pharmacies in question.

**X. ONGOING DUE DILIGENCE**

- A. Each Injunctive Relief Distributor shall periodically review its procedures and systems for detecting patterns or trends in Customer order data or other information used to evaluate whether a Customer is maintaining effective controls against diversion.
- B. Each Injunctive Relief Distributor shall conduct periodic proactive compliance reviews of its Customers' performance in satisfying their corresponding responsibilities to maintain effective controls against the diversion of Controlled Substances.
- C. Each Injunctive Relief Distributor shall review ARCOS data made available to it by the DEA and, once operational, by the Clearinghouse, to assist with Customer specific due diligence. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- D. Each Injunctive Relief Distributor shall conduct due diligence as set forth in its CSMP policies and procedures in response to concerns of potential diversion of Controlled Substances at its Customers. For Chain Customers, these provisions shall apply to the specific pharmacies in question. The due diligence required by an Injunctive Relief Distributor's CSMP policies and procedures may depend on the information or events at issue. The information or events raising concerns of potential diversion of Controlled Substances at a Customer include but are not limited to:
1. The discovery of one or more unresolved Red Flags;
  2. The receipt of information directly from law enforcement or regulators concerning potential diversion of Controlled Substances at or by a Customer;
  3. The receipt of information concerning the suspension or revocation of pharmacist's DEA registration or state license related to potential diversion of Controlled Substances;
  4. The receipt of reliable information through the hotline established in Section V.E concerning suspected diversion of Controlled Substances at the Customer;
  5. The receipt of reliable information from another distributor concerning suspected diversion of Controlled Substances at the Customer; or
  6. Receipt of other reliable information that the Customer is engaged in conduct indicative of diversion or is failing to adhere to its corresponding responsibility to prevent the diversion of Highly Diverted Controlled Substances.

- E. On an annual basis, each Injunctive Relief Distributor shall obtain updated pharmacy questionnaires from five hundred (500) Customers to include the following:
1. The top 250 Customers by combined volume of Highly Diverted Controlled Substances purchased from the Injunctive Relief Distributor measured as of the end of the relevant calendar year; and
  2. Additional Customers selected as a representative sample of various geographic regions, customer types (Independent Retail Pharmacy Customers and Chain Customers), and distribution centers. Each Injunctive Relief Distributor's Chief Diversion Control Officer shall develop risk-based criteria for the sample selection.
- F. Scope of Review
1. For reviews triggered by Section X.D, an Injunctive Relief Distributor shall conduct due diligence and obtain updated Pharmacy Customer Data or equivalent, or more comprehensive data from the Clearinghouse if needed, as set forth in its CSMP policies and procedures.
  2. For questionnaires collected pursuant to Section X.E, Injunctive Relief Distributors shall conduct a due diligence review consistent with the Injunctive Relief Distributors' CSMP policies and procedures. These annual diligence reviews shall be performed in addition to any of the diligence reviews performed under Section X.D, but may reasonably rely on reviews performed under Section X.D.
  3. If the Injunctive Relief Distributor decides to terminate the Customer due to concerns regarding potential diversion of Controlled Substances, the Injunctive Relief Distributor shall promptly cease the sale of Controlled Substances to the Customer and report the Customer consistent with Section XIV. If the Injunctive Relief Distributor decides not to terminate the Customer, the Injunctive Relief Distributor shall document that determination and the basis therefor. Such a good faith determination, if documented, shall not, without more, serve as the basis of a future claim of non-compliance with the Injunctive Relief Terms.

## **XI. SITE VISITS**

- A. Each Injunctive Relief Distributor shall conduct site visits, including unannounced site visits, where appropriate, of Customers, as necessary, as part of Customer due diligence.
- B. During site visits, an Injunctive Relief Distributor's CSMP personnel or qualified third-party compliance consultants shall interview the pharmacist-in-charge or other relevant Customer employees, if appropriate, about any potential Red Flags

and the Customer's maintenance of effective controls against the potential diversion of Controlled Substances.

- C. An Injunctive Relief Distributor's CSMP personnel or qualified third-party compliance consultants who conduct site visits shall document the findings of any site visit.
- D. Site visit and all other compliance reports shall be maintained by each Injunctive Relief Distributor in a database accessible to all CSMP personnel.

## **XII. THRESHOLDS**

- A. Each Injunctive Relief Distributor shall use Thresholds to identify potentially Suspicious Orders of Controlled Substances from Customers.
- B. Each Injunctive Relief Distributor's CSMP department shall be responsible for the oversight of the process for establishing and modifying Thresholds. The sales departments of the Injunctive Relief Distributors shall not have the authority to establish or adjust Thresholds for any Customer or participate in any decisions regarding establishment or adjustment of Thresholds.
- C. Injunctive Relief Distributors shall not provide Customers specific information about their Thresholds or how their Thresholds are calculated.
  - 1. Threshold Setting
    - a) Injunctive Relief Distributors shall primarily use model-based thresholds. For certain circumstances, Injunctive Relief Distributors may apply a non-model threshold based on documented customer diligence and analysis.
    - b) Each Injunctive Relief Distributor shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.F.3.c) to the Monitor summary statistics regarding the use of non-model thresholds and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.
    - c) For the purposes of establishing and maintaining Thresholds, each Injunctive Relief Distributor shall take into account the Controlled Substances diversion risk of each drug base code. The diversion risk of each base code should be defined and reassessed annually by the Injunctive Relief Distributor's CSMP Committee and reviewed by the Monitor.
    - d) Each Injunctive Relief Distributor shall establish Thresholds for new Customers prior to supplying those Customers with Controlled Substances and shall continue to have Thresholds in

place at all times for each Customer to which it supplies Controlled Substances.

- e) When ordering volume from other distributors becomes readily available from the Clearinghouse, an Injunctive Relief Distributor shall consider including such information as soon as reasonably practicable in establishing and maintaining Thresholds.
- f) Each Injunctive Relief Distributor shall incorporate the following guiding principles in establishing and maintaining Customer Thresholds, except when inapplicable to non-model Thresholds:
  - (1) Thresholds shall take into account the number of non-Controlled Substance dosage units distributed to, dispensed and/or number of prescriptions dispensed by the Customer to assist with the determination of Customer size. As a general matter, smaller customers should have lower Thresholds than larger customers.
  - (2) For the purposes of establishing and maintaining Thresholds, Injunctive Relief Distributors shall use statistical models that are appropriate to the underlying data.
  - (3) For the purposes of establishing and maintaining Thresholds, Injunctive Relief Distributors shall take into account a Customer's ordering and/or dispensing history for a specified period of time.
  - (4) For the purposes of establishing and maintaining Thresholds, Injunctive Relief Distributors shall take into account the ordering history of Customers within similar geographic regions, or, where appropriate for Chain Customers, ordering history within the chain.
  - (5) If appropriate, Thresholds may take into account the characteristics of Customers with similar business models.
    - (a) A Customer's statement that it employs a particular business model must be verified, to the extent practicable, before that business model is taken into account in establishing and maintaining a Customer's Threshold.

2. Threshold Auditing

- a) The Injunctive Relief Distributors shall review their respective Customer Thresholds at least on an annual basis and modify them where appropriate.
- b) Each Injunctive Relief Distributor's CSMP department shall annually evaluate its Threshold setting methodology and processes and its CSMP personnel's performance in adhering to those policies.

3. Threshold Changes

- a) An Injunctive Relief Distributor may increase or decrease a Customer Threshold as set forth in its CSMP policies and procedures, subject to Sections XII.C.3.b through XII.C.3.e.
- b) Prior to approving any Threshold change request by a Customer, each Injunctive Relief Distributor shall conduct due diligence to determine whether an increase to the Threshold is warranted. This due diligence shall include obtaining from the Customer the basis for the Threshold change request, obtaining and reviewing Dispensing Data and/or Pharmacy Customer Data for the previous three (3) months for due diligence purposes, and, as needed, conducting an on-site visit to the Customer. This Threshold change request diligence shall be conducted by the Injunctive Relief Distributor's CSMP personnel.
- c) No Injunctive Relief Distributor shall proactively contact a Customer to suggest that the Customer request an increase to any of its Thresholds, to inform the Customer that its Orders-to-date are approaching its Thresholds or to recommend to the Customer the amount of a requested Threshold increase. It shall not be a violation of this paragraph to provide Chain Customer headquarters reporting on one or more individual Chain Customer pharmacy location(s) to support the anti-diversion efforts of the Chain Customer's headquarters staff, and it shall not be a violation of this paragraph for the Injunctive Relief Distributor's CSMP personnel to contact Customers to seek to understand a Customer's ordering patterns.
- d) An Injunctive Relief Distributor's Chief Diversion Control Officer may approve criteria for potential adjustments to Customer Thresholds to account for circumstances where the Thresholds produced by the ordinary operation of the statistical models require modification. Such circumstances include adjustments to account for seasonal ordering of certain Controlled Substances that are

based on documented diligence and analysis, adjustments made to permit ordering of certain Controlled Substances during a declared national or state emergency (e.g., COVID-19 pandemic), IT errors, and data anomalies causing results that are inconsistent with the design of the statistical models. Each Injunctive Relief Distributor shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.F.3.c) to the Monitor information regarding the use of this paragraph and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.

- e) Any decision to raise a Customer's Threshold in response to a request by a Customer to adjust its Threshold must be documented in a writing and state the reason(s) for the change. The decision must be consistent with the Injunctive Relief Distributor's CSMP and documented appropriately.

### **XIII. SUSPICIOUS ORDER REPORTING AND NON-SHIPMENT**

- A. Each Injunctive Relief Distributor shall report Suspicious Orders to the Settling States ("*Suspicious Order Reports*" or "*SORs*"), including those Settling States that do not currently require such SORs, at the election of the Settling State.
- B. For the SORs required by the Injunctive Relief Terms, each Injunctive Relief Distributor shall report Orders that exceed a Threshold for Controlled Substances set pursuant to the processes in Section XII that are blocked and not shipped.
- C. No Injunctive Relief Distributor shall ship any Order that it (i) reports pursuant to Sections XIII.A or XIII.B, or (ii) would have been required to report pursuant to Sections XIII.A or XIII.B had the Settling State elected to receive SORs.
- D. In reporting Suspicious Orders to the Settling States, the Injunctive Relief Distributors shall file SORs in a standardized electronic format that is uniform among the Settling States and contains the following information fields:
  - 1. Customer name;
  - 2. Customer address;
  - 3. DEA registration number;
  - 4. State pharmacy license number;
  - 5. Date of order;
  - 6. NDC number;
  - 7. Quantity;

8. Explanation for why the order is suspicious (up to 250 characters): Details that are order-specific regarding why an order was flagged as a Suspicious Order, including specific criteria used by an Injunctive Relief Distributor's Threshold system (except phrases such as "order is of unusual size" without any additional detail are not acceptable); and
  9. Name and contact information for a knowledgeable designee within the Injunctive Relief Distributor's CSMP department to be a point of contact for the SORs.
- E. On a quarterly basis, each Injunctive Relief Distributor shall provide a summary report to the Settling States that elect to receive it that provides the following information for the relevant quarter with respect to the top ten (10) Customers by volume for each Highly Diverted Controlled Substance base code that have placed a Suspicious Order for that base code, in that quarter (for Chain Customers, only individual pharmacies in the chain will be considered for evaluation as a top ten (10) Customer):
1. The number of SORs submitted for that Customer by base code;
  2. The Customer's order volume by base code for the quarter for all Highly Diverted Controlled Substances;
  3. The Customer's order frequency by base code for the quarter for all Highly Diverted Controlled Substances;
  4. For each Highly Diverted Controlled Substance base code, the ratio of the Customer's order volume for that base code to the volume of all pharmaceutical orders for the quarter; and
  5. The ratio of the Customer's order volume of all Controlled Substances to the volume of all pharmaceutical orders for the quarter.
- F. The Injunctive Relief Distributors shall only be required to file a single, uniform, electronic form of SOR with any Settling State that receives SORs pursuant to these Injunctive Relief Terms. A Settling State retains the authority pursuant to applicable state law or relevant state agency authority to request additional information about a particular SOR.
- G. It is the objective of the Settling States and the Injunctive Relief Distributors for the Injunctive Relief Distributors to provide SORs to Settling States that identify the same Suspicious Orders as reported to the DEA pursuant to the definition and requirements of the federal Controlled Substances Act and its regulations, although the fields of the SORs submitted to the Settling States as required by Section XIII may differ from the content required by the DEA. To the extent federal definitions and requirements materially change during the term of the Injunctive Relief Terms, the Injunctive Relief Distributors may be required to adjust the format and content of the SORs to meet these federal requirements. The

Injunctive Relief Distributors and the State Compliance Review Committee will engage in good faith discussions regarding such adjustments.

- H. It shall not be a violation of the Injunctive Relief Terms if an Injunctive Relief Distributor ships a Suspicious Order or fails to submit or transmit a SOR if:
1. The shipment of the Suspicious Order or failed SOR transmission was due to a computer error (data entry mistakes, coding errors, computer logic issues, software malfunctions, and other computer errors or IT failures); and
  2. The Injunctive Relief Distributor reports the error, including a description of measures that will be taken to prevent recurrence of the error, to any affected Settling State, the State Compliance Review Committee, and the Monitor within five (5) business days of its discovery.

#### **XIV. TERMINATED CUSTOMERS**

- A. Each Injunctive Relief Distributor shall report to the Clearinghouse, once operational, within five (5) business days (or as otherwise required by state statute or regulation), Customers it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date.
- B. The Injunctive Relief Distributors shall report to the relevant Settling State(s), within five (5) business days (or as otherwise required by state statute or regulation) Customers located in such Settling States that it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date. Such reports will be made in a uniform format. The Injunctive Relief Distributors and the State Compliance Review Committee shall use best efforts to agree on such uniform format for inclusion prior to the requirement taking effect.
- C. In determining whether a Customer should be terminated from eligibility to receive Controlled Substances, Injunctive Relief Distributors shall apply factors set out in their CSMP policies and procedures, which shall include the following conduct by a Customer:
1. Has generated an excessive number of Suspicious Orders, which cannot otherwise be explained;
  2. Has routinely demonstrated unresolved Red Flag activity;

3. Has continued to fill prescriptions for Highly Diverted Controlled Substances that raise Red Flags following an Injunctive Relief Distributor's warning or communication about such practices;
  4. Has failed to provide Pharmacy Customer Data or Dispensing Data in response to a request from an Injunctive Relief Distributor or otherwise refuses to cooperate with the Injunctive Relief Distributor's CSMP after providing the Customer with a reasonable amount of time to respond to the Injunctive Relief Distributor's requests;
  5. Has been found to have made material omissions or false statements on a Pharmacy Questionnaire (the requirements for the contents of a Pharmacy Questionnaire are described in Section IX); or
  6. Has been the subject of discipline by a State Board of Pharmacy within the past three (3) years or has had its owner(s) or pharmacist-in-charge subject to license probation or termination within the past five (5) years by a State Board of Pharmacy for matters related to Controlled Substances dispensing or a federal or state felony conviction.
- D. Once the Clearinghouse has made Customer termination data available to each Injunctive Relief Distributor, each Injunctive Relief Distributor shall consider terminating Customers that have been terminated from eligibility to receive Controlled Substances by another distributor as a result of suspected diversion of Controlled Substances if the Customer is ordering only Controlled Substances from the Injunctive Relief Distributor. If the Injunctive Relief Distributor determines not to terminate Customers to which this paragraph applies, the Injunctive Relief Distributor shall document its decision-making. A good-faith decision to continue shipping Controlled Substances to Customers to which this paragraph applies, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms.
- E. For Chain Customers, the provisions in Section XIV.A-D shall apply to the specific pharmacies in question.

## **XV. EMERGENCIES**

- A. In the circumstances of declared national or state emergencies in which the healthcare community relies on the Injunctive Relief Distributors for critical medicines, medical supplies, products, and services, the Injunctive Relief Distributors may be required to temporarily modify their respective CSMP processes to meet the critical needs of the supply chain. These modifications may conflict with the requirements of the Injunctive Relief Terms.
- B. In the case of a declared national or state emergency, the Injunctive Relief Distributors shall be required to give notice to the State Compliance Review Committee of any temporary material changes to their CSMP processes which

may conflict with the requirements of the Injunctive Relief Terms and specify the sections of the Injunctive Relief Terms which will be affected by the temporary change.

- C. The Injunctive Relief Distributors shall document all temporary changes to their CSMP processes and appropriately document all customer-specific actions taken as a result of the declared national or state emergency.
- D. The Injunctive Relief Distributors shall provide notice to the State Compliance Review Committee at the conclusion of the declared national or state emergency, or sooner, stating that the temporary CSMP processes put into place have been suspended.
- E. Provided the Injunctive Relief Distributors comply with the provisions of Sections XV.A through XV.D, the Injunctive Relief Distributors will not face liability for any deviations from the requirements of the Injunctive Relief Terms taken in good faith to meet the critical needs of the supply chain in response to the declared national or state emergency. Nothing herein shall limit Settling States from pursuing claims against the Injunctive Relief Distributors based on deviations from the requirements of the Injunctive Relief Terms not taken in good faith to meet the critical needs of the supply chain in response to a declared national or state emergency.

#### **XVI. COMPLIANCE WITH LAWS AND RECORDKEEPING**

- A. The Injunctive Relief Distributors acknowledge and agree that they must comply with applicable state and federal laws governing the distribution of Controlled Substances.
- B. Good faith compliance with the Injunctive Relief Terms creates a presumption that the Injunctive Relief Distributors are acting reasonably and in the public interest with respect to Settling States' existing laws requiring effective controls against diversion of Controlled Substances and with respect to the identification, reporting, and blocking of Suspicious Orders of Controlled Substances.
- C. The requirements of the Injunctive Relief Terms are in addition to, and not in lieu of, any other requirements of state or federal law applicable to Controlled Substances distribution. Except as provided in Section XVI.D, nothing in the Injunctive Relief Terms shall be construed as relieving Injunctive Relief Distributors of the obligation to comply with such laws, regulations, or rules. No provision of the Injunctive Relief Terms shall be deemed as permission for Injunctive Relief Distributors to engage in any acts or practices prohibited by such laws, regulations, or rules.
- D. In the event of a conflict between the requirements of the Injunctive Relief Terms and any other law, regulation, or requirement such that an Injunctive Relief Distributor cannot comply with the law without violating the Injunctive Relief

Terms or being subject to adverse action, including fines and penalties, the Injunctive Relief Distributor shall document such conflicts and notify the State Compliance Review Committee and any affected Settling State the extent to which it will comply with the Injunctive Relief Terms in order to eliminate the conflict within thirty (30) days of the Injunctive Relief Distributor's discovery of the conflict. The Injunctive Relief Distributor shall comply with the Injunctive Relief Terms to the fullest extent possible without violating the law.

- E. In the event of a change or modification of federal or state law governing the distribution of Controlled Substances that creates an actual or potential conflict with the Injunctive Relief Terms, any Injunctive Relief Distributor, any affected Settling State, or the State Compliance Review Committee may request that the Injunctive Relief Distributors, State Compliance Review Committee, and any affected Settling State meet and confer regarding the law change. During the meet and confer, the Injunctive Relief Distributors, the State Compliance Review Committee, and any affected Settling State will address whether the change or modification in federal or state law requires an amendment to the Injunctive Relief Terms. In the event the Injunctive Relief Distributors, the State Compliance Review Committee, and any affected Settling State cannot agree on a resolution, and the dispute relates to whether the generally applicable Injunctive Relief Terms herein should be changed, an Injunctive Relief Distributor, the State Compliance Review Committee, or any affected Settling State may submit the question to the National Arbitration Panel. If the dispute relates to whether a change in an individual State's law requires a modification of the Injunctive Relief Terms only with respect to that State, an Injunctive Relief Distributor, the State Compliance Review Committee, or any affected Settling State may seek resolution of the dispute pursuant to Section XIX. Maintenance of competition in the industry and the potential burden of inconsistent obligations by Injunctive Relief Distributors shall be a relevant consideration in such resolution.
- F. Recordkeeping: Each Injunctive Relief Distributor shall retain records it is required to create pursuant to its obligations hereunder in an electronic or otherwise readily accessible format. The Settling States shall have the right to review records provided to the Monitor pursuant to Section XVIII. Nothing in the Injunctive Relief Terms prohibits a Settling State from issuing a lawful subpoena for records pursuant to an applicable law.

## **XVII. CLEARINGHOUSE**

- A. Creation of the Clearinghouse
1. The Clearinghouse functions shall be undertaken by a third-party vendor or vendors.
  2. The vendor(s) will be chosen through a process developed and jointly agreed upon by the Injunctive Relief Distributors and the State Compliance Review Committee.

3. Consistent with the process developed by the Injunctive Relief Distributors and the State Compliance Review Committee, within two (2) months of the Effective Date, the Injunctive Relief Distributors shall issue a Request for Proposal to develop the systems and capabilities for a Clearinghouse to perform the services of a data aggregator.
4. Within five (5) months of the Effective Date, the Clearinghouse Advisory Panel shall select one or more entities to develop the systems for the Clearinghouse and perform data aggregator services. The Clearinghouse Advisory Panel shall select a vendor or vendors that employ or retain personnel who have adequate expertise and experience related to the pharmaceutical industry, the distribution of Controlled Substances, and the applicable requirements of the Controlled Substances Act and the DEA's implementing regulations.
5. Within sixty (60) days of the selection of a vendor(s) to serve as the Clearinghouse, the Injunctive Relief Distributors shall negotiate and finalize a contract with the vendor(s). The date that the contract is signed by the Injunctive Relief Distributors and the vendor(s) shall be referred to as the "*Clearinghouse Retention Date*."
6. The development of the Clearinghouse shall proceed on a phased approach as discussed in Sections XVII.C and XVII.D.

**B. Governance and Staffing of the Clearinghouse**

1. *Capabilities.* The selected vendor or vendors shall staff the Clearinghouse in a manner that ensures the development of robust data collection, analytics and reporting capabilities for the Settling States and Injunctive Relief Distributors. To the extent additional expertise is required for the engagement, the vendor(s) may retain the services of third-party consultants.
2. *Independence.* While performing services for the Clearinghouse, all vendors and consultants, and their staff working on the Clearinghouse, shall be independent (*i.e.*, not perform services of any kind, including as a consultant or an employee on behalf of any Injunctive Relief Distributor outside of the ordinary business operations of the Clearinghouse). Independence may be achieved by implementing appropriate ethical walls with employees who are currently performing or who have previously performed work for an Injunctive Relief Distributor within two years of the Clearinghouse Retention Date.
3. *Liability.* The Injunctive Relief Distributors are entitled to rely upon information or data received from the Clearinghouse, whether in oral, written, or other form. No Injunctive Relief Distributor, and no individual serving on the Clearinghouse Advisory Panel, shall have any liability

(whether direct or indirect, in contract or tort or otherwise) to any Party for or in connection with any action taken or not taken by the Clearinghouse. In addition, no Injunctive Relief Distributor, and no individual serving on the Clearinghouse Advisory Panel, shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any Party for or in connection with any action taken or not taken by an Injunctive Relief Distributor based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Clearinghouse, unless the information or data was incorrect, inaccurate, incomplete or otherwise erroneous because the Injunctive Relief Distributor itself provided incorrect, inaccurate, incomplete or otherwise erroneous data or information to the Clearinghouse. For any legal requirements that are assumed by the Clearinghouse during Phase 2-B pursuant to Section XVII.D.3, liability shall be addressed pursuant to Section XVII.D.3.c.

4. *Clearinghouse Advisory Panel.* The State Compliance Review Committee and Injunctive Relief Distributors shall create a Clearinghouse Advisory Panel no later than sixty (60) days after the Effective Date to oversee the Clearinghouse.
  - a) The Clearinghouse Advisory Panel shall have an equal number of members chosen by the State Compliance Review Committee on the one hand, and the Injunctive Relief Distributors on the other. The size of the Clearinghouse Advisory Panel will be decided by the State Compliance Review Committee and the Injunctive Relief Distributors, and the State Compliance Review Committee and the Injunctive Relief Distributors may select as members third-party experts, but no more than one half of each side's representatives may be such third-party experts. At least one member chosen by the State Compliance Review Committee will be based on consultation with the National Association of State Controlled Substances Authorities.
  - b) During the first two years of the operation of the Clearinghouse, the Clearinghouse Advisory Panel shall meet (in-person or remotely) at least once per month. After the first two years of operation, the Clearinghouse Advisory Panel shall meet at least quarterly. The Monitor may attend Clearinghouse Advisory Panel meetings and may provide recommendations to the Clearinghouse Advisory Panel.
  - c) The Clearinghouse Advisory Panel shall establish a subcommittee to advise on issues related to privacy, the Health Insurance Portability and Accountability Act of 1996 ("*HIPAA*"), and data security and a subcommittee to advise on issues related to Dispensing Data. It may establish additional subcommittees. Subcommittees may include individuals who are not members of

the Clearinghouse Advisory Panel. The Clearinghouse Advisory Panel may invite one or more prescribers, dispensers, and representatives from state Prescription Drug Monitoring Programs (“*PDMP*”) to serve on the Dispensing Data subcommittee. Each Injunctive Relief Distributor shall have a representative on each subcommittee created by the Clearinghouse Advisory Panel.

d) The Clearinghouse Advisory Panel may delegate tasks assigned to it by the Injunctive Relief Terms to the Executive Director.

5. *Executive Director.* One employee of the vendor, or one representative from the vendor group in the event that there are multiple vendors, shall be an Executive Director who shall manage day-to-day operations and report periodically to the Clearinghouse Advisory Panel.

**C. Phase 1 of the Clearinghouse: Data Collection, Initial Analytics and Reporting**

1. System Development

a) Within one (1) year of the Clearinghouse Retention Date, the Clearinghouse shall develop systems to receive and analyze data obtained from the Injunctive Relief Distributors pursuant to electronic transmission formats to be agreed upon by the Clearinghouse Advisory Panel.

b) In developing such systems, the Clearinghouse shall ensure that:

(1) The systems provide robust reporting and analytic capabilities.

(2) Data obtained from Injunctive Relief Distributors shall be automatically pulled from the existing order management data platforms (e.g., SAP).

(3) The systems shall be designed to receive data from sources other than the Injunctive Relief Distributors, including pharmacies, non-Injunctive Relief Distributors, the DEA, State Boards of Pharmacy, and other relevant sources, pursuant to standardized electronic transmission formats.

(4) The systems shall be designed to protect personally identifiable information (“*PII*”) and protected health information (“*PHI*”) from disclosure and shall comply with HIPAA and any federal and state laws relating to the protection of PII and PHI.

- (5) The Clearinghouse will establish a HIPAA-compliant database that can be accessed by state authorities, the Injunctive Relief Distributors, and any entities that subsequently participate in the Clearinghouse. The database that will be made available to the Injunctive Relief Distributors and any non-governmental entities that subsequently participate in the Clearinghouse will also blind commercially sensitive information.
- (6) State authorities shall have access to the HIPAA-compliant database via web-based tools and no additional or specialized equipment or software shall be required. This access shall allow state authorities to query the HIPAA-compliant database without limitation.
- (7) The Injunctive Relief Distributors shall be permitted to use data obtained from the Clearinghouse for anti-diversion purposes, including the uses expressly contemplated by the Injunctive Relief Terms. The Injunctive Relief Distributors shall not sell (or obtain license fees for) data obtained from Clearinghouse to any third-parties. Nothing in the Injunctive Relief Terms shall prohibit an Injunctive Relief Distributor from using its own data, including data provided to the Injunctive Relief Distributor by third-parties other than the Clearinghouse, for any commercial purposes, including selling or licensing its data to third-parties.

2. Aggregation of Data

- a) It is the goal of the Settling States and the Injunctive Relief Distributors for the Clearinghouse to obtain comprehensive data from all distributors, pharmacies, and other relevant data sources to provide maximum permissible transparency into the distribution and dispensing of Controlled Substances. During Phase 1, the Clearinghouse Advisory Panel shall develop recommendations for ways to achieve this goal.
- b) In Phase 1, the Injunctive Relief Distributors shall provide and/or facilitate the collection of, and the Clearinghouse shall collect and maintain, the following:
  - (1) Injunctive Relief Distributor transaction data for Controlled Substances and non-Controlled Substances, specified at the NDC, date, quantity, and customer level.

- (2) Injunctive Relief Distributor information on Customers that have been terminated and/or declined onboarding due to concerns regarding Controlled Substance dispensing following the Effective Date.
  - c) The Clearinghouse shall make available to the Injunctive Relief Distributors, in a format to be determined by the Clearinghouse Advisory Panel, blinded data for their CSMP due diligence functions. The data will include all Controlled Substances and non-Controlled Substances and be refreshed on a regular basis. The Clearinghouse will also seek to provide non-identifying information regarding whether a single distributor is associated with multiple warehouses with unique DEA registrations (e.g., multiple distribution centers operated by a single distributor), in the data it makes available.
  - d) During Phase 1, the Clearinghouse Advisory Panel (with input from its Dispensing Data subcommittee) will develop an operational plan to obtain Dispensing Data directly from pharmacies, unless the Clearinghouse Advisory Panel determines it is inadvisable to do so. The operational plan developed by the Clearinghouse Advisory Panel shall address compliance with HIPAA and shall include recommendations to facilitate the collection of Dispensing Data in compliance with HIPAA and relevant state privacy laws. To the extent possible, the Clearinghouse will begin collecting Dispensing Data during Phase 1.
  - e) Nothing in the Injunctive Relief Terms shall require the Injunctive Relief Distributors to indemnify or otherwise be responsible to pharmacy customers for any claims resulting from the provision of Dispensing Data to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse.
3. State and Federal Reporting Requirements
- a) The Injunctive Relief Distributors shall comply with state and federal transactional and Suspicious Order reporting requirements related to Controlled Substances as follows:
    - (1) Until such time as the Clearinghouse is able to provide transactional and Suspicious Order regulatory reporting to the states on behalf of the Injunctive Relief Distributors, the Injunctive Relief Distributors shall continue to file all required reports under state law and those reports required by these Injunctive Relief Terms.

- (2) Once the Clearinghouse is able to process and submit such reports, the Clearinghouse may process and submit those reports on behalf of each Injunctive Relief Distributor to the states. At all times during Phase 1, each Injunctive Relief Distributor shall remain responsible for the identification of Suspicious Orders and will remain liable for a failure to submit transactional data or Suspicious Order reports required under state law or these Injunctive Relief Terms.
- (3) An Injunctive Relief Distributor may elect to fulfill its reporting obligations directly, rather than have the Clearinghouse assume the responsibility for the transmission of the various reports.

4. Additional Reports and Analytics

- a) In consultation with the Clearinghouse Advisory Panel, the Clearinghouse shall work to develop additional reports and analyses to assist the Settling States and the Injunctive Relief Distributors in addressing Controlled Substance diversion, including, but not limited to, identifying Red Flags consistent with Section VIII.
- b) The Clearinghouse will generate analyses and reports to be used by the Settling States and the Injunctive Relief Distributors based on format and content recommended by the Clearinghouse Advisory Panel. In order to refine the format and reach final recommendations, the Clearinghouse shall prepare sample analytical reports for a sample geographic region to review with the Clearinghouse Advisory Panel. The sample reports will also be shared with the DEA in an effort to receive additional feedback.
- c) After the content and format of the sample reports have been approved by the Clearinghouse Advisory Panel, the Clearinghouse will begin producing reports on a periodic basis.
- d) The Clearinghouse will develop capabilities to provide Settling States customized reports upon reasonable request to assist in their efforts to combat the diversion of Controlled Substances and for other public health and regulatory purposes.
- e) After the Clearinghouse has obtained sufficient Dispensing Data from Customers, the Clearinghouse shall commence providing standard reports to the Settling States and Injunctive Relief Distributors that will include summaries and analysis of Dispensing Data. The reports and analytics of Dispensing Data

shall be developed in consultation with the Clearinghouse Advisory Panel (including its Dispensing Data subcommittee) and shall include, but not be limited to:

- (1) Identification of Customers whose dispensing may indicate Red Flags consistent with Section VIII, as determined by the Clearinghouse from aggregate data; and
  - (2) Identification of Customers whose aggregate dispensing volumes for Highly Diverted Controlled Substances are disproportionately high relative to the population of the relevant geographic area.
- f) The Clearinghouse shall also prepare reports and analyses for the Settling States and Injunctive Relief Distributors identifying prescribers whose prescribing behavior suggests they may not be engaged in the legitimate practice of medicine. Such reports and analysis shall be developed in consultation with the Clearinghouse Advisory Panel (including its Dispensing Data subcommittee) and shall seek to identify and evaluate:
- (1) Prescribers who routinely prescribe large volumes of Highly Diverted Controlled Substances relative to other prescribers with similar specialties, including health care professionals who prescribe a large number of prescriptions for high dosage amounts of Highly Diverted Controlled Substances;
  - (2) Prescribers whose prescriptions for Highly Diverted Controlled Substances are routinely and disproportionately filled in a geographic area that is unusual based on the prescriber's location; and
  - (3) Prescribers who routinely prescribe out-of-specialty or out-of-practice area without legitimate reason.
- g) Reports or analysis generated by the Clearinghouse may not be based on complete data due to a lack of participation by non-Injunctive Relief Distributors and pharmacies. As such, Injunctive Relief Distributors shall not be held responsible for actions or inactions related to reports and analysis prepared by the Clearinghouse which may be based on incomplete data due to a lack of participation by non-Injunctive Relief Distributors and pharmacies.

**D. Phase 2 of the Clearinghouse: Additional Data Collection and Analytics and Assumption of CSMP Functions**

Within one (1) year of Phase 1 of the Clearinghouse being operational, the Clearinghouse and the Clearinghouse Advisory Panel shall develop a detailed strategic and implementation plan for Phase 2 of the Clearinghouse (“*Phase 2 Planning Report*”). Phase 2 will consist of two parts. Phase 2-A will focus on increasing data collection from non-Injunctive Relief Distributors, pharmacies and other data sources and developing enhanced analytics based on the experiences gained from Phase 1. Phase 2-A will also include recommendations for the development of uniform federal and state reporting. Phase 2-B will involve the potential assumption of various CSMP activities, including Threshold setting and order management by the Clearinghouse. The Phase 2 Planning Report will address both Phase 2-A and Phase 2-B. After the completion of the Phase 2 Planning Report, individual Injunctive Relief Distributors, in their sole discretion, may elect not to proceed with Phase 2-B as provided by Section XVII.E. If one or more Injunctive Relief Distributors elect to proceed with Phase 2-B, the goal will be to have Phase 2-B fully operational within two (2) years of the Clearinghouse Retention Date and no later than three (3) years of the Clearinghouse Retention Date.

1. Phase 2-A: Additional Data Collection and Analytics

- a) During Phase 2-A, the Clearinghouse will continue the functions defined in Phase 1 and work to expand the scope of its data collection and enhance its analytics and reporting capabilities including the following:
  - (1) Integration of data from additional sources, including:
    - (a) Transaction data from other distributors, including manufacturers that distribute directly to retail pharmacies and pharmacies that self-warehouse; and
    - (b) Where possible, state PDMP data and other data, including, but not limited to, State Board of Medicine and Board of Pharmacy sanctions, and agreed-upon industry data. If state PDMP data is effectively duplicative of Dispensing Data already obtained in Phase 1, it will not be necessary for the Clearinghouse to obtain state PDMP data.
  - (2) Development of additional metrics analyzing the data available from the additional data sources (PDMP, other pharmacy data, sanction authorities, and third-party volume projections).

- (3) Development of real-time or near real-time access to distribution data, dispensing data and other data sources.
- (4) Refinement of methodologies for analyzing Dispensing Data to identify suspicious prescribers.
- (5) Development of additional capabilities to provide Settling States, the Injunctive Relief Distributors and potentially the DEA customized reporting from the Clearinghouse upon reasonable request.

2. Phase 2-A: Uniform Required Reporting

- a) The Clearinghouse and the Clearinghouse Advisory Panel shall develop uniform reporting recommendations for potential implementation by state regulators in order to allow the Injunctive Relief Distributors to satisfy their obligations under the Injunctive Relief Terms and state and federal laws in a uniform and consistent manner.
- b) It is a goal of the Settling States and the Injunctive Relief Distributors to:
  - (1) Streamline and simplify required reporting which will benefit the Injunctive Relief Distributors and the Settling States, as well as the DEA;
  - (2) Develop uniform transactional and Suspicious Order reporting requirements; and
  - (3) Provide for the submission of uniform Suspicious Order reports.

3. Phase 2-B: Clearinghouse Assumption of CSMP Functions

- a) With respect to Phase 2-B, the Phase 2 Planning Report shall address:
  - (1) Engagement with stakeholders, including the DEA, to develop the system of Threshold setting and Suspicious Order reporting to potentially be provided by the Clearinghouse;
  - (2) Development of technology and rules, including any proposed changes to federal law or regulations;
  - (3) Development of models for the identification of Suspicious Orders and setting universal Thresholds in a manner

consistent with Section XII. These models shall include active order management and order fulfillment protocols to ensure that orders are compared to relevant Thresholds by the Clearinghouse before shipment instructions are provided by the Clearinghouse to the Injunctive Relief Distributors. The models shall also include the identification of Suspicious Orders when they are placed by Customers, which will be held before shipment or blocked based on instructions provided by the Clearinghouse to the Injunctive Relief Distributors.

- (4) Development of criteria governing distribution to Customers that have placed one or more Orders that exceed a Threshold;
  - (5) Development of rules for allocating Orders placed by Customers that have more than one Distributor if one or more Orders exceed a Threshold;
  - (6) Development of a pilot project for a sample geographic region to perform data analysis to test the models for Threshold setting and the identification of Suspicious Orders.
- b) Following implementation of Phase 2-B, the Injunctive Relief Distributors participating in Phase 2-B and the State Compliance Review Committee shall meet and confer with respect to whether to expand the scope of the Clearinghouse to cover additional anti-diversion functions, such as the performance of due diligence.
- c) CSMP functions that have been assumed by the Clearinghouse during Phase 2-B will no longer be performed by participating Injunctive Relief Distributors individually through their CSMPs. CSMP functions performed by the Clearinghouse will assist participating Injunctive Relief Distributors to satisfy the applicable legal obligations of those Injunctive Relief Distributors. The Clearinghouse's performance of CSMP functions will not relieve participating Injunctive Relief Distributors from their legal obligations unless (i) the Injunctive Relief Distributors and the State Compliance Review Committee jointly enter into a written agreement for the Clearinghouse to assume legal requirements during Phase 2-B; and (ii) all vendors and consultants working on the Clearinghouse agree in writing to assume such obligations. Nothing in this paragraph shall apply to any Injunctive Relief Distributor that does not participate in Phase 2-B pursuant to Section XVII.E.

**E. Option to Opt Out of Phase 2-B**

1. Each Injunctive Relief Distributor shall have the option, in its sole discretion, to elect not to participate in Phase 2-B at any point. In the event that an Injunctive Relief Distributor elects not to participate in Phase 2-B, that Injunctive Relief Distributor shall cease to have any obligation to fund future costs directly related to Phase 2-B of the Clearinghouse or to implement the Clearinghouse's determinations as to identification of Suspicious Orders and Suspicious Order reporting. If an Injunctive Relief Distributor elects not to participate in Phase 2-B, that Injunctive Relief Distributor shall remain responsible for the requirements specified for Phase 1 and Phase 2-A of the Clearinghouse and shall be responsible for contributing to the costs associated with Phase 1 and Phase 2-A.
2. In the event that an Injunctive Relief Distributor elects not to participate in Phase 2-B, the Clearinghouse Advisory Panel shall discuss and make recommendations for any necessary adjustments to the Phase 2-B capabilities described in Section XVII.D.3.

**F. Funding**

1. The establishment and ongoing operations of the Clearinghouse shall be funded by the Injunctive Relief Distributors for a period of ten (10) years commencing on the Clearinghouse Retention Date.
2. For each of the first two (2) years of the operation of the Clearinghouse, the Injunctive Relief Distributors will make total payments of \$7.5 million per year combined. For years three (3) through ten (10), the Injunctive Relief Distributors will make total payments of \$3 million per year combined. Additional costs associated with Phase 2-B shall be billed to the Injunctive Relief Distributors participating in Phase 2-B.
3. Payments by the Injunctive Relief Distributors for the Clearinghouse shall be allocated among the Injunctive Relief Distributors as set forth in Section IV.H of the Settlement Agreement, dated as of July 21, 2021, which incorporates these Injunctive Relief Terms as Exhibit P.
4. In the event that the cost of the Clearinghouse exceeds the amounts provided by the Injunctive Relief Distributors, the Injunctive Relief Distributors and State Compliance Review Committee shall meet-and-confer on alternatives, which may include:
  - a) Limiting the operations of the Clearinghouse consistent with a revised budget;
  - b) Seeking additional sources of funding for the Clearinghouse; and/or

- c) Allocating, in a manner consistent with the allocation of payments between the Injunctive Relief Distributors as set forth in Section XVII.F.3, additional amounts that are the responsibility of the Injunctive Relief Distributors to be used for the operation of the Clearinghouse.
5. The Injunctive Relief Distributors and the State Compliance Review Committee agree to engage in good faith discussions regarding potential continued operation and funding of the Clearinghouse following the initial ten (10) year period of Clearinghouse operations.
6. The Injunctive Relief Distributors and the State Compliance Review Committee shall develop a means to obtain payments from other parties that may use or benefit from the Clearinghouse, including, but not limited to, other settling defendants, non-Injunctive Relief Distributors, or other parties and the Clearinghouse Advisory Panel shall consider other funding sources for the Clearinghouse. This may include consideration of a user fee or other model by which non-Injunctive Relief Distributors that use the Clearinghouse will contribute to funding the Clearinghouse.
7. In the event that ten (10) or more Settling States reach agreements with any national retail chain pharmacies to resolve claims related to the distribution of Controlled Substances, the Settling States' Attorneys' General agree to make participation in the Clearinghouse, including providing data to the Clearinghouse and contribution to the cost of the operation of the Clearinghouse, a condition of any settlement. The Settling States' Attorneys' General agree to make best efforts to ensure that any other settling distributors and/or pharmacies participate in the Clearinghouse. To the extent that the Attorneys General are able to secure participation by additional distributors and/or pharmacies, it is anticipated that, to the extent practicable based on the financial and relative size of the settling distributor and/or pharmacy, those entities will contribute to the cost of the operation of the Clearinghouse. The Injunctive Relief Distributors' obligation to fund the Clearinghouse shall be partially reduced by contributions obtained from other distributors and/or pharmacies pursuant to a formula to be determined by the Clearinghouse Advisory Panel.

**G. Confidentiality**

1. All data provided to the Clearinghouse shall be confidential.
2. Information provided by distributors participating in the Clearinghouse may not be provided to any other entity or individual outside those expressly contemplated by the Injunctive Relief Terms.

3. The Clearinghouse may not provide to any distributor information specific to another distributor. Notwithstanding the prior sentence, the Clearinghouse may provide blinded data to a distributor reflecting total Orders (across all distributors) for a particular Customer, region, and/or state at the base code and NDC number level and all transactional data information. Such information may only be used by receiving distributors for purposes of identifying, minimizing, or otherwise addressing the risk of Controlled Substances diversion. No distributor or pharmacy, including the Injunctive Relief Distributors, shall attempt to obtain revenue from this information. Such information provided by the Clearinghouse shall be compliant with all applicable laws and regulations.
4. If the Clearinghouse receives a request for disclosure of any data, material or other information created or shared under the Injunctive Relief Terms, pursuant to a Third Party Request, the Clearinghouse shall notify the Injunctive Relief Distributors and the Clearinghouse Advisory Panel of the Third Party Request and any confidential information to be disclosed so that the Injunctive Relief Distributors may seek a protective order or otherwise challenge or object to the disclosure. The Clearinghouse shall provide the Injunctive Relief Distributors and the Clearinghouse Advisory Panel with at least ten (10) days' advance notice before complying with any Third Party Request for confidential information, except where state law requires a lesser period of advance notice.

#### **H. Data Integrity**

1. The Clearinghouse shall use best-in-class technology to preserve the integrity of the data.
2. The Clearinghouse shall report any data breaches under HIPAA and state law that occur as a result of any of its data collection and reporting activities to the Settling States and other authorities as required by law.
3. The Injunctive Relief Distributors and the Settling States shall not be liable for any breaches of any databases maintained by the Clearinghouse. This does not excuse the Clearinghouse or its vendor(s) from compliance with all state and federal laws and regulations governing (1) the protection of personal information and protected health information, or (2) notifications relating to Data Security Events.

#### **I. Credit for Investment in the Clearinghouse**

1. The Injunctive Relief Distributors and the State Compliance Review Committee shall negotiate in good faith regarding a potential credit against Injunctive Relief Distributors' overall settlement obligations if costs exceed the amounts specified in Section XVII.F.

## **XVIII. MONITOR**

### **A. Monitor Selection and Engagement**

1. The Injunctive Relief Distributors shall engage a Monitor to perform the reviews described in Section XVIII.F. The Monitor shall employ or retain personnel who have appropriate qualifications related to the pharmaceutical industry and the laws governing the distribution of pharmaceuticals, the distribution of Controlled Substances, and the applicable requirements of federal and state law. The Monitor may also employ or retain personnel who have appropriate qualifications in the audit and review of sample documents in order to conduct the reviews described in Section XVIII.F. To the extent additional expertise is required for the engagement, the Monitor may retain the services of third-party consultants.
2. The Monitor must perform each review described in Section XVIII.F in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the United States Government Accountability Office. A Monitor shall not be engaged in active litigation involving one or more of the Injunctive Relief Distributors or Settling States or present a potential conflict of interest involving matters concerning an Injunctive Relief Distributor, except by agreement of the affected parties. If the Monitor is employed by an entity that performed work for any Injunctive Relief Distributor or any of the Settling States prior to the Effective Date, the Monitor will cause to be implemented appropriate ethical walls between the Monitor team and the employees of the firm who have previously performed work for an Injunctive Relief Distributor or any of the Settling States.
3. The process for selecting the Monitor shall be as follows:
  - a) Within sixty (60) calendar days of the Effective Date, the Injunctive Relief Distributors and the State Compliance Review Committee shall exchange pools of recommended candidates to serve as the Monitor. The pools shall each contain the names of three (3) individuals, groups of individuals, or firms.
  - b) After receiving the pools of Monitor candidates, the Injunctive Relief Distributors and the State Compliance Review Committee shall have the right to meet with the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The Injunctive Relief Distributors (individually or in combination) and the State Compliance Review Committee may veto any of the candidates, and must do so in writing within thirty (30) days of receiving the pool of candidates. If all three (3) candidates within a pool are rejected by either the Injunctive Relief

Distributors or the State Compliance Review Committee, the party who rejected the three (3) candidates may direct the other party to provide up to three (3) additional qualified candidates within thirty (30) calendar days of receipt of said notice.

- c) If the Injunctive Relief Distributors or the State Compliance Review Committee do not object to a proposed candidate, the Injunctive Relief Distributors or the State Compliance Review Committee shall so notify the other in writing within thirty (30) days of receiving the pool of candidates. If more than one candidate remains, the State Compliance Review Committee shall select the Monitor from the remaining candidates. Within thirty (30) calendar days of the selection of the Monitor, the Injunctive Relief Distributors shall retain the Monitor, and finalize all terms of engagement, supplying a copy of an engagement letter to the State Compliance Review Committee. The terms of engagement shall include a process by which Injunctive Relief Distributors may challenge Monitor costs as excessive, duplicative or unnecessary, which process must be approved by the State Compliance Review Committee.
4. The Injunctive Relief Distributors shall be responsible for the Monitor's fees and costs directly related to its performance of the work specified by the Injunctive Relief Terms up to a limit of \$1,000,000 per year per Injunctive Relief Distributor (*i.e.*, a total of \$3,000,000 per year).
5. Prior to each year, the Monitor shall submit a combined annual budget to the Injunctive Relief Distributors and State Compliance Review Committee that shall not exceed a total of \$3,000,000. The Monitor shall submit quarterly reports to the Injunctive Relief Distributors and the State Compliance Review Committee tracking actual spend to the annual budget.
6. In the event that any of the Injunctive Relief Distributors or State Compliance Review Committee believe that the Monitor is not performing its duties and responsibilities under the Injunctive Relief Terms in a reasonably cost effective manner, an Injunctive Relief Distributor or the State Compliance Review Committee shall recommend in writing changes to the Monitor's practices to reduce cost. The Monitor, Injunctive Relief Distributors, and the State Compliance Review Committee shall meet and confer in good faith in response to such a recommendation.
7. In the event that the Injunctive Relief Distributor and the State Compliance Review Committee cannot agree on whether the recommended cost reductions are warranted, either the State Compliance Review Committee or the Injunctive Relief Distributors may submit the question to the National Arbitration Panel, who shall determine whether

the Monitor is performing its duties and responsibilities under the Injunctive Relief Terms in a reasonably cost effective manner, and, if not, the necessary changes to the Monitor's practices to reduce cost.

8. If the National Arbitration Panel determines that the Monitor cannot complete the reviews described in Section XVIII.F within the combined annual budget of \$3,000,000, the National Arbitration Panel shall require the Monitor to provide the Injunctive Relief Distributors and the State Compliance Review Committee with a written report explaining why it is not possible to complete the reviews within budget and all steps the Monitor has taken to perform its duties and responsibilities under the Injunctive Relief Terms in a reasonably cost effective manner. After receiving the Monitor's report, the Injunctive Relief Distributors, and the State Compliance Review Committee shall meet and confer in good faith to determine whether an increase in the combined budget is appropriate. If the Injunctive Relief Distributors and the State Compliance Review Committee cannot reach an agreement on the amount of the reasonable costs in excess of \$3,000,000 for the relevant year, the issue will be submitted to the National Arbitration Panel for resolution. The National Arbitration Panel may award additional costs up to total cap of \$5,000,000 for the relevant year (\$3,000,000 plus an additional \$2,000,000).
9. Unless the Injunctive Relief Distributors and the State Compliance Review Committee agree otherwise as part of the meet and confer process in the prior paragraph (such as by agreeing to limit the Monitor's duties and responsibilities for the remainder of the year), the amount above \$3,000,000 and up to the total cap of \$5,000,000 in a given year necessary for the Monitor to complete the reviews described in Section XVIII.F shall be divided evenly among the Injunctive Relief Distributors without reducing any other amounts that are the responsibility of the Injunctive Relief Distributors.

B. Early Termination of the Monitor

1. In the event any of the Injunctive Relief Distributors or State Compliance Review Committee believe that the Monitor is not performing its duties and responsibilities under the Injunctive Relief Terms in a reasonably professional, competent and independent manner, an Injunctive Relief Distributor or the State Compliance Review Committee shall recommend replacement of the Monitor in writing. The Injunctive Relief Distributors and the State Compliance Review Committee shall meet and confer in good faith in response to a recommendation to replace the Monitor. If the State Compliance Review Committee and the Injunctive Relief Distributors agree that the Monitor should be replaced, a replacement Monitor will be selected in the manner set forth in Section XVIII.A.3.

2. In the event the Injunctive Relief Distributor and the State Compliance Review Committee cannot agree on whether the Monitor should be replaced, either the State Compliance Review Committee or the Injunctive Relief Distributors may submit the question of the Monitor's dismissal to the National Arbitration Panel, and the Monitor shall only be dismissed if that panel finds that there is Good Cause for dismissal. Good Cause for dismissal shall mean (a) a material and substantial breach of the terms of the Monitor's obligations under the Injunctive Relief Terms; (b) any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct by the Monitor; (c) any clear pattern of bias or prejudice in favor or against any party by the Monitor; (d) conduct by the Monitor that demonstrates unfitness to fulfill the functions of the Monitor reasonably and competently; or (e) conflicts of interest described in Section XVIII.A.2. If the panel finds that the Monitor should be dismissed, a replacement Monitor will be selected in the manner set forth in Section XVIII.A.3.
3. In addition, if the Monitor resigns for any reason, a replacement Monitor will be selected in the manner set forth in Section XVIII.A.3.

C. Term and Reporting Periods

1. The term of the Monitor will be five (5) years from the date the Monitor is appointed, divided into one-year periods for purposes of the reviews and reporting described in Section XVIII ("*Reporting Periods*").

D. Monitor Access to Information

1. In connection with its reviews set forth in Section XVIII.F, the Monitor may request to interview employees with appropriate authority and responsibilities as necessary. In the event that an Injunctive Relief Distributor believes that the Monitor is requesting an unreasonable number of interviews or requesting interviews of employees who do not have relevant information to the reviews required by Section XVIII.F, the Injunctive Relief Distributor and State Compliance Review Committee shall meet and confer in good faith to resolve this issue.
2. The Chief Diversion Control Officer of each Injunctive Relief Distributor or a direct report of the Chief Diversion Control Officer shall serve as the primary point of contact for the Monitor to facilitate the Monitor's access to documents, materials, or staff necessary to conduct the reviews specified in Section XVIII.F. The Monitor shall communicate any request for documents, materials, or access to staff to the Chief Diversion Control Officers or their designees.
3. If at any time the Monitor believes there is undue delay, resistance, interference, limitation, or denial of access to any records or to any

employee or former employee deemed necessary by the Monitor to conduct the reviews specified in Section XVIII.F, the Monitor shall notify the Chief Diversion Control Officer of the Injunctive Relief Distributor and they shall meet and confer to resolve such issue. If the Monitor believes that the matter was not resolved, the Monitor shall immediately report the issue to the State Compliance Review Committee.

4. To the extent any of the documents requested by the Monitor contain material protected from disclosure by any legal privilege, including the attorney-client privilege or attorney work product protections, an Injunctive Relief Distributor may redact such material before providing the documents to the Monitor, but must provide the Monitor with a privilege log describing the redacted information and identifying the basis for redaction.
5. Notwithstanding any other information referenced and produced pursuant to Section XVIII, the Monitor shall have access to, and each Injunctive Relief Distributor's Chief Diversion Control Officer shall produce to the Monitor, any settlement agreements with government entities entered into after the Effective Date specifically concerning the requirements contained in the Injunctive Relief Terms and an Injunctive Relief Distributor's distribution of Controlled Substances (as opposed to distribution of pharmaceutical products in general).

E. Settling States' Access to Monitor

1. Other than in connection with the initiation of a Notice of Potential Violation set forth in Section XIX.B.2, should the Monitor believe it needs to initiate communication with the State Compliance Review Committee regarding an Injunctive Relief Distributor's compliance with the Injunctive Relief Terms, the Monitor's communications should include the Chief Diversion Control Officer or counsel of the affected Injunctive Relief Distributor, regardless of the form of communication.
2. The State Compliance Review Committee shall have access to any settlement agreements produced to the Monitor pursuant to Section XVIII.D.5.

F. Reviews to be Conducted by the Monitor

1. There shall be two (2) types of reviews to be conducted by the Monitor:
  - a) Customer-specific reviews, as set forth in Section XVIII.F.2; and

The Monitor shall select a sample representative of various geographic regions, customer types (Independent Retail Pharmacy Customers or Chain Customer), and distribution centers.
  - (2) The Monitor will meet and confer with each of the Injunctive Relief Distributors to determine the appropriate audit period within each Reporting Period from which the samples will be selected (e.g. samples will be selected from the first six (6) months of a reporting period to allow the Monitor time to perform its review during the remainder of the reporting period).
  - (3) Within thirty (30) calendar days following the close of the agreed-upon audit period, the Injunctive Relief Distributors (or the Clearinghouse once operational, if able to do so) will provide the Monitor with the following lists of relevant Customers for each type of review:
    - (a) A list of all Customers that requested at least one Threshold increase for a Highly Diverted Controlled

Substance during the relevant audit period, including the number of such requests by each Customer;

- (b) A list of all Customers that were onboarded during the relevant audit period and, during that period, ordered and received Highly Diverted Controlled Substances;
  - (c) A list of all Customers that were the subject of an Ongoing Diligence Review during the relevant audit period;

- (4) Within fifteen (15) calendar days of compiling this Customer information for sample selection, each Injunctive Relief Distributor shall propose a reasonable number of customer files for each review to the Monitor.
  - (5) Within fifteen (15) calendar days of receiving the lists specified above from the Injunctive Relief Distributors, the Monitor shall choose representative files to be reviewed from these lists. Each list will include the Customers' zip code, geographic region, distribution center, and customer type (Independent Retail Pharmacy Customer or Chain Customer).

- e) Ongoing Diligence Reviews

For the Exceeded Threshold Reviews, the Monitor shall review the information contained in the Customer files related to the Orders and determine whether the information reflects substantial compliance with the requirements of Section XIII.B.

- d) Suspicious Orders and Suspicious Order Reporting Review:
  - (1) For each Reporting Period, each Injunctive Relief Distributors will provide the Monitor with a report containing summary metrics for the Suspicious Orders that were reported to the DEA and the Settling States (the “*Suspicious Order Metrics Report*”). In the Suspicious Order Metrics Report, the Injunctive Relief Distributors will also provide summary metrics for Orders of Highly Diverted Controlled Substances that exceeded a Threshold but were still shipped.

g) Review of CSMP Integration with the Clearinghouse:

- (1) For each Reporting Period, each Injunctive Relief Distributor shall prepare a report summarizing the status of the Injunctive Relief Distributor's CSMP integration with the operation of the Clearinghouse ("*Clearinghouse Integration Report*"). The Monitor shall review each Injunctive Relief Distributor's Clearinghouse Integration Report, determine whether the information reflects substantial compliance with the requirements of Section XVII, and include any Observations and Recommendations in its annual Audit Report.

G. Observations and Recommendations:

1. If the Monitor notes any areas for potential improvement during the course of the reviews conducted pursuant to the Injunctive Relief Terms, the Monitor shall include any such recommendations in the Audit Report. Collectively, any such questions, concerns or recommendations will be referred to as "*Observations and Recommendations.*"

H. Audit Reports:

1. No later than one hundred and twenty (120) calendar days prior to the end of a Reporting Period and/or at any other time deemed reasonably necessary by the Monitor, the Monitor shall provide each Injunctive Relief Distributor with a draft report detailing any instances of substantial non-compliance with the applicable provisions of the Injunctive Relief Terms from the reviews in Section XVIII.F (the "*Draft Report*"). The Draft Report will also describe any Observations and Recommendations.
2. Within thirty (30) calendar days of its receipt of the Draft Report, the Injunctive Relief Distributor will provide comments and responses to the Draft Report. The Injunctive Relief Distributor will, among other things:
  - a) Respond to each instance of substantial non-compliance, including, where appropriate, describing any corrective action taken (or to be taken).
  - b) Respond to each Observation and Recommendation.

3. Within thirty (30) calendar days of its receipt of the Injunctive Relief Distributors' responses to the Draft Report, the Monitor shall provide a final report (the "*Audit Report*") to each Injunctive Relief Distributor and the State Compliance Review Committee. The Monitor shall provide the State Compliance Review Committee with a copy of an Injunctive Relief Distributor's response to the Draft Report.
4. No action or lack of action by the Settling States regarding information received from the Monitor concerning an Injunctive Relief Distributor's conduct shall be considered affirmation, acceptance, or ratification of that conduct by the Settling States.

I. Confidentiality:

1. Materials and information provided by the Injunctive Relief Distributors to the Monitor that are designated "*Confidential*" (and any parts, portions, or derivations thereof) (the "*Confidential Information*") will be kept confidential and not be shown, disclosed, or distributed to any other party, including any other Injunctive Relief Distributor.
2. The Monitor will not use materials or information received from one Injunctive Relief Distributor, or information or analysis developed using the Confidential Information of an Injunctive Relief Distributor, in its assessment of any other Injunctive Relief Distributor. Because each Injunctive Relief Distributor operates pursuant to its own unique policies and procedures intended to comply with legal and other requirements of the Injunctive Relief Terms, the Monitor shall apply the standards of each Injunctive Relief Distributor to its reviews without preference to the practices or standards applied by any other Injunctive Relief Distributor.
3. If any of the Settling States or the Monitor receive a request for disclosure of any material or information created or shared under the Injunctive Relief Terms, pursuant to a Third Party Request, the Settling State or the Monitor, respectively, shall notify the Injunctive Relief Distributors of the Third Party Request and the Confidential Information to be disclosed so that the Injunctive Relief Distributors may seek a protective order or otherwise challenge or object to the disclosure. The Settling State or the Monitor will provide the Injunctive Relief Distributors with at least ten (10) days' advance notice before complying with any Third Party Request for Confidential Information, except where state law requires a lesser period of advance notice.
4. Nothing herein will be deemed to prevent any party from claiming any applicable exemption to the public information act, freedom of information act, public records act, or similar law.

**XIX. ENFORCEMENT OF INJUNCTIVE RELIEF TERMS**

- A. State Compliance Review Committee:
1. Any Settling State may initiate a review of a Potential Violation consistent with the process set forth in Section XIX.
  2. The State Compliance Review Committee shall assign the Monitor the responsibilities set forth in Sections XIX.B.3 through XIX.B.7, regarding review of a Potential Violation and an opportunity to cure, except with respect to matters requiring interpretation of the Injunctive Relief Terms subject to Section XIX.C.2. The objective of the Monitor shall be to facilitate a resolution among the parties, providing an opportunity to cure, as applicable, for the party against whom a Potential Violation has been alleged.
  3. No less than six (6) months before the Monitor's term expires pursuant to Section XVIII, the State Compliance Review Committee and Injunctive Relief Distributors shall meet and confer in good faith to determine the parameters and processes for continued enforcement, consistent to the maximum extent possible with the provisions set forth in Section XIX, for the period after the Monitor's term has ended. Absent agreement between the State Compliance Review Committee and Injunctive Relief Distributors, all provisions set forth in Section XIX involving the Monitor are excused after the Monitor's term has ended.
  4. Should an Injunctive Relief Distributor allege in good faith that a Settling State or the Monitor has impaired the ability of the Injunctive Relief Distributor to meet the Injunctive Relief Terms, the Injunctive Relief Distributor may request the State Compliance Review Committee to mediate any dispute in an effort to avoid the time and expense of litigation regarding interpretation and enforcement of the Injunctive Relief Terms.
- B. Process for Review of Potential Violations and Opportunity to Cure:
1. Definition of "Potential Violation": A Potential Violation occurs when an Injunctive Relief Distributor is alleged to not be in substantial compliance with (i) the Injunctive Relief Terms or (ii) a Corrective Action Plan adopted consistent with the process set forth in Section XIX.B.7.
  2. Submission of Notice of Potential Violation. An allegation of a Potential Violation shall be submitted to the State Compliance Review Committee in writing by one or more Settling States ("*Notice of Potential Violation*" or "*Notice*") and shall include the following to the extent practicable:
    - a) Specification of the particular Injunctive Relief Term(s) and/or Corrective Action Plan(s) implicated by the Potential Violation;

- b) Description of the Potential Violation with specificity;
  - c) The reasoning for and, if available, any documentation supporting the allegation that a Potential Violation has occurred, including whether the Potential Violation is a matter identified by the Monitor in an Audit Report; and
  - d) Description of the time-sensitivity of the Potential Violation, if relevant.
3. Assignment to Monitor. The State Compliance Review Committee shall review every Notice. If the State Compliance Review Committee reasonably believes that further review is warranted, the State Compliance Review Committee shall forward the Notice to the Monitor. The Monitor shall ensure that the Injunctive Relief Distributor that is the subject of the Notice receives a copy of the Notice and a proposed schedule consistent with the process set forth in Sections XIX.B.4 and XIX.B.5.
4. Response to Notice of Potential Violation. Within thirty (30) days of receipt of the Notice of Potential Violation, the Injunctive Relief Distributor that is the subject of the Notice shall provide a written response to the referring Settling State(s), the Monitor, and the State Compliance Review Committee. The response (a) shall set forth the reasons the Injunctive Relief Distributor that is the subject of the Notice believes that it is in substantial compliance with the relevant Injunctive Relief Term(s) and/or Corrective Action Plan(s), and (b) as applicable, shall explain efforts undertaken to cure the Potential Violation and a schedule for completing the efforts to cure.
5. Conference for Parties re Notice of Potential Violation. The parties to the Notice shall meet or otherwise confer regarding the Potential Violation. The parties and the Monitor shall make themselves available for such a meeting (which may at any party's election be a virtual or technology-based meeting), provided, however, that the meeting is not required to take place sooner than fifteen (15) days after a written response to the Notice of Potential Violation.
6. Process for Previously-Submitted Notices of Potential Violation. At the request of the parties to a Notice, the Monitor shall determine whether the Notice implicates the same or similar issues as a previously submitted Notice or is a matter previously identified by the Monitor in an Audit Report involving the same party alleged to have engaged in a Potential Violation, and make an initial determination as to whether the issues needs to be addressed anew. The Monitor shall inform the Settling State and Injunctive Relief Distributor involved in the previous Notice or the subject of a matter previously identified by the Monitor in an Audit Report of its determination within five (5) business days of receipt of the Notice. The

Settling State and Injunctive Relief Distributor shall have five (5) business days to object to the determination. If an objection is made, the Monitor shall respond to the objection within five (5) business days. If no objection is made, the party involved in the prior Notice may rely on the response to the previously submitted Notice or matter previously identified by the Monitor in an Audit Report and no further action shall be required.

7. Monitor Resolution of Potential Violation and Opportunity to Cure. Within thirty (30) days of the meeting pursuant to Section XIX.B.5, the Monitor, taking into consideration the submissions of the parties involved in the Notice and other information available to the Monitor, shall resolve the Notice as follows:
- a) If the Monitor reasonably believes that a Potential Violation is not ongoing or has been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice.
  - b) If the Monitor reasonably believes that a Potential Violation is ongoing and has not been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice and request that the Injunctive Relief Distributor prepare, within thirty (30) days of the receipt of such written notice, a Corrective Action Plan to remedy such Potential Violation, including a reasonable period for implementation of such plan. The Monitor may extend the period of time to submit a Corrective Action Plan up to ninety (90) days based on a reasonable request by the affected party.
  - c) A Corrective Action Plan may address multiple Potential Violations, and an existing Corrective Action Plan may be amended to address additional Potential Violations.
  - d) Within ten (10) business days of submission of a Corrective Action Plan regarding a Potential Violation, the Monitor shall confer with the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice regarding the proposed Corrective Action Plan. The Monitor may recommend revisions in its discretion. The conference required by this paragraph may at any party's election be a virtual or technology-based meeting.

- e) Within thirty (30) days of the conference in Section XIX.B.7.d, the Monitor shall advise the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice whether the Monitor has adopted the proposed Corrective Action Plan or whether the Monitor has adopted it after making modifications. The Monitor shall also set forth a reasonable period for implementation of any such plan that has been adopted. The Injunctive Relief Distributor that is subject to a Corrective Action Plan adopted by the Monitor must begin to comply with the Corrective Action Plan within five (5) business days of receiving notice of the Corrective Action Plan has been adopted, unless it seeks review by the State Compliance Review Committee pursuant to Section XIX.C.1.

C. Enforcement Responsibilities of State Compliance Review Committee:

1. The Settling State(s) or Injunctive Relief Distributor involved in a Notice may request the State Compliance Review Committee to review the resolution (including a resolution pursuant to Section XIX.B.7.a) and/or Corrective Action Plan adopted by the Monitor regarding that Notice. Any such request must be made within five (5) business days of a resolution or adoption of a Corrective Action Plan by the Monitor. The State Compliance Review Committee, taking into consideration the resolution by the Monitor, submissions of the Settling State(s) or Injunctive Relief Distributor, and other information available to the Committee, shall within thirty (30) days of receipt of the request resolve the matter by written notice to the affected parties, which shall include the State Compliance Review Committee's reasoning in reaching its resolution. The State Compliance Review Committee may agree, disagree, or modify any resolution or Corrective Action Plan that it reviews. An Injunctive Relief Distributor that is subject to a Corrective Action Plan that is affirmed or affirmed as amended by the State Compliance Review Committee must within five (5) business days begin to comply with the Corrective Action Plan.
2. The State Compliance Review Committee shall review any issues raised by a Notice regarding the interpretation of the Injunctive Relief Terms at the request of the Settling State(s), Injunctive Relief Distributor involved in a Notice, or the Monitor. Such a request may be made at any time after the Notice's submission, and the request will not extend the timelines set forth in Sections XIX.B and XIX.C.1. The State Compliance Review Committee shall notify the Monitor, Settling State(s) and Injunctive Relief Distributor involved in the Notice of its determination. Settling States and Injunctive Relief Distributors do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.

3. The State Compliance Review Committee may, independent of a Notice of Potential Violation, review requests by a Monitor, Settling State, or Injunctive Relief Distributor regarding the interpretation of the Injunctive Relief Terms. The State Compliance Review Committee shall notify the Monitor and requesting party of its interpretation, including the State Compliance Review Committee's reasoning in reaching its conclusion. Settling States and Injunctive Relief Distributors do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.
4. The State Compliance Review Committee shall make available to all Settling States and Injunctive Relief Distributors any interpretation it issues pursuant to Sections XIX.C.2 and XIX.C.3.

D. Composition of State Compliance Review Committee:

1. A Settling State on the State Compliance Review Committee that is in active litigation with one or more of the Injunctive Relief Distributors, or in another potential conflict of interest involving compliance with Controlled Substances laws and regulations, may not serve on the State Compliance Review Committee for matters involving the affected Injunctive Relief Distributor, and the remaining Settling States on the State Compliance Review Committee shall within five (5) business days select an alternate Settling State as a replacement.
2. If the affected state on the State Compliance Review Committee disputes that it has a disqualifying active litigation or other conflict of interest, the determination of whether that state has a conflict disqualifying it from serving on the State Compliance Review Committee shall be made by the remaining states on the State Compliance Review Committee.

E. Enforcement Actions:

1. Any written notice or resolution by the State Compliance Review Committee regarding the matters set forth in Sections XIX.B and XIX.C shall provide the State Compliance Review Committee's assessment of the matter but will not be an official opinion of any individual Settling State.
2. Following the issuance of a written notice or resolution of the State Compliance Review Committee pursuant to Section XIX.C, a Settling State or Injunctive Relief Distributor may take whatever action it deems necessary related to the written notice or resolution issued by the State Compliance Review Committee, provided that the Settling State or Injunctive Relief Distributor is either (a) the Settling State that sought review by the State Compliance Review Committee, or (b) the Injunctive Relief Distributor that is the subject of the Potential Violation at issue.

Such action may include but is not limited to bringing an action to enforce the settlement agreement, filing a new original action, or, the parties to a Notice attempting to negotiate a Corrective Action Plan directly with each other.

3. The Settling States agree that prior to taking any court or administrative action, other than an action that is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined in Sections XIX.B and XIX.C.
4. A Settling State or Injunctive Relief Distributor must bring a court or administrative action within six (6) months of any resolution of the State Compliance Review Committee, unless the alleged violation is also an independent violation of state or federal law, or an action that a Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the State, or that a public emergency requiring immediate action exists, in which cases, the applicable statute of limitations (if any) for sovereign actions shall apply.

A. *Total Attorneys’ Fees and Costs.*

1. Total attorneys’ fees and costs to be paid by Settling Distributors to Attorneys in each of the relevant Payment Years under this Fee Agreement shall be up to the following amounts, subject to the provisions set forth below, including with respect to the division of the Attorney Fee Fund into its sub funds:

	<b>Attorney Fee Fund</b> <i>(Contingency Fee Fund and Common Benefit Fund)</i>	<b>MDL Expense Fund</b>	<b>Litigating Subdivision Cost Fund</b>
<b>Payment Year 1</b>	\$136,044,378.70	\$40,384,615.39	\$40,000,000
<b>Payment Year 2</b>	\$150,934,911.25		\$40,000,000

<b>Payment Year 6</b>	\$183,625,739.69		
<b>Payment Year 7</b>	\$183,625,739.69		

2. The sub funds within the Attorney Fee Fund shall include the Common Benefit Fund and the Contingency Fee Fund. The Cost Funds shall include the MDL Expense Fund, and the Litigating Subdivision Cost Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of costs pursuant to this Fee Agreement and the MDL Court's Order.

4. The fees and costs to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations only. Fees and costs to be paid under this Fee Agreement are not available prior to the Effective Date of the Distributor Agreement or if the Distributor Agreement does not proceed past the Settling Distributors' determination in Section VIII.A of the Distributor Agreement. Fees and costs to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees and costs under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. Payments due to the Attorney Fee Fund and the Cost Funds from the Settling Distributors under this Section II will be allocated among the Settling Distributors as follows: McKesson — 38.1%; Amerisource — 31.0%; Cardinal — 30.9%. A Settling Distributor's sole responsibility for payments under this Fee Agreement shall be to make its share of each payment. The obligations of the Settling Distributors in this Fee Agreement are several and not joint. No Settling Distributor shall be responsible for any portion of another Settling Distributor's share.

*B. Attorney Fee Fund and Sub Funds.*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. In no event shall Settling Distributors be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in Section II.A.1, which amounts are reflected in Exhibit M to the Distributor Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Distributor Agreement, as set forth in Exhibit G to the Distributor Agreement, and shall be made applying the Mathematical Model attached as Exhibit A to this Fee Agreement (“*Mathematical Model*”). The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of an Attorney to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund.* (60% of the Attorney Fee Fund.)

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in Section II.C.5. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	\$81,626,627.22
Payment Year 2	\$90,560,946.75
Payment Year 3	\$162,495,266.28
Payment Year 4	\$110,175,443.79
Payment Year 5	\$110,175,443.79
Payment Year 6	\$110,175,443.79
Payment Year 7	\$110,175,443.79
<b>Total:</b>	<b>\$775,384,615.41</b>

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions who:

- a. have performed work for the common benefit of all subdivisions pursuant to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated June 19, 2018, under docket number 636, which is included herein by reference; and
- b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding Section II.A.4 above, Attorneys representing Tribal Nations litigating against the Settling Distributors that have reached a settlement for Released Claims with Settling Distributors and/or Released Entities and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the June 19, 2018 Order.

4. In assessing the benefits that an Attorney has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribal Nations for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Attorney and his or her clients have contributed to increasing (or reducing) the Initial Participation Tier achieved through participation in the Distributor Agreement; (ii) the Attorney and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Distributor Agreement; and (iii) the Attorney and his or her clients have contributed to the potential triggering of any suspension, reduction, or offset of Payment amounts under the Distributor Agreement. The Fee Panel may also consider additional fee recoveries the Attorney may potentially obtain, including, but not limited to, from State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Distributor Agreement or not. It is the intent of this provision to recognize that the goal of the Distributor Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Distributor Agreement and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions is antithetical to the Distributor Agreement, detracts from Common Benefit, and is addressed by the ethics opinion discussed in Section II.I.4. The Fee Panel shall consider this concept of "*common detriment*" set forth in this Section II.C.4 in all of its decisionmaking with respect to the allocation of the Attorney Fee Fund among Attorneys, as well as, in its discretion, any offsets provided to Settling Distributors as set forth in Section II.C.6. The Fee Panel shall consider the totality of the Attorney's Participating Litigating Subdivisions as compared to the Attorney's Non-Participating Litigating

Subdivisions; the Parties recognize that, although the goal is for 100% participation, Attorneys with a higher number of clients have a higher probability of having one or more Non-Participating Litigating Subdivision client. As used in this Section II.C.4, “*client*” or “*representing*” a Subdivision shall include any Litigating Subdivision as to which the Attorney has a Fee Entitlement.

5. As set forth in Section II.C.6, the Fee Panel must consider the factors described in Section II.C.4 to determine how and whether to reduce the amounts to be paid by Settling Distributors under this Fee Agreement and to determine how to allocate funds among Attorneys. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given a Settling Distributor in this Fee Agreement shall be applied against Payment Year 7 and working backwards. Any reduction to an Attorney not credited to Settling Distributors shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

6. The amounts to be provided as a credit or offset to Settling Distributors from the Common Benefit Fund shall depend on the relevant Participation Tier achieved, set forth in Exhibit H of the Distributor Agreement, as follows:

a. At Participation Tier 1 or below, the Common Benefit Fund payments to be paid by Settling Distributors shall be reduced as follows:

(i) With respect to any Attorney seeking payment from the Common Benefit Fund, the Fee Panel shall compare the aggregate allocation that Participating Litigating Subdivisions with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics with the aggregate amount that all Litigating Subdivisions (Participating and Non-Participating) with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics, provided that only Litigating Subdivisions in Settling States shall be considered for this ratio. The Fee Panel will multiply the amount to be paid to that Attorney from the Common Benefit Fund by that ratio, reduce the Attorney’s award by a maximum reduction of 15%, and the dollar amount of such reduction shall be deducted, dollar-for-dollar, from the amount owed by Settling Distributors to the Common Benefit Fund of the Attorney Fee Fund.

(ii) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Distributor Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Settling Distributors’ obligation to pay fees under this Fee Agreement, Settling Distributors’

obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar for any amount of such fee assessments or payments (in the aggregate based on all reductions in this Section II.C.6.a.ii that exceed the reductions in Section II.C.6.a.i).

(iii) For the avoidance of doubt, in Tier 1 for each settlement or judgment with the Settling Distributors that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for the Settling Distributors, unless the assessment or payment occurs after the Payment Date for Year 7.

b. At Participation Tier 2, the Common Benefit Fund payments to be made by Settling Distributors shall be reduced only as follows:

(i) Reduction by the Fee Panel. With respect to all Attorneys making an application that seeks payment from the Common Benefit Fund, the Fee Panel shall, following a determination that an Attorney is eligible under Section II.G, apply the criteria specified in Section II.C.4 in determining whether the lack of participation by Subdivisions with which an Attorney has a Fee Entitlement has resulted in a reduction in the Participation Tier achieved, reduction in benefit to Participating Subdivisions as a result of reductions in Incentive Payments A-D, and/or potential triggering of a suspension, reduction or offset under the Distributor Agreement. If the Fee Panel concludes that such a reduction has occurred, it must consider (1) the relative size of the Non-Participating Subdivision, as adjusted by the severity measures reflected in Exhibit H (governing the Participation Tiers) of the Distributor Agreement, and the impact of its non-participation on the Distributor Agreement as a whole (including amounts of Incentive Payments and triggering of suspensions, reductions or offsets); (2) whether and by how much the payment to the Attorney from the Common Benefit Fund should be reduced as a result of the impact of such non-participation on Participating Subdivisions; and (3) whether some or all of said reduction should revert to Settling Distributors due to the reduction in peace obtained from the Distributor Agreement. Consideration of the factors discussed in this Section II.C.6.b.i and Section II.C.4 is mandatory. The decision whether to (and by how much to) reduce payments by Settling Distributors or to reduce the payment to any Attorney based on the factors in Section II.C.4 shall be in the sole discretion of the Fee Panel.

(ii) Offsets.

(1) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement

settles with or wins a judgment against a Released Entity separate from the Distributor Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Settling Distributors' obligation to pay Common Benefit Fees under this Fee Agreement, Settling Distributors' obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar up to the amount of the fee assessment or payment, except that such amount shall be capped at 7.5% of the amount of the settlement or judgment. Such reduction shall be taken first from Payment Year 7 of Settling Distributors' payments to the Common Benefit Fund of the Attorney Fee Fund up to the full amount of Settling Distributors' payment obligation in Payment Year 7, then from Payment Year 6, and so on.

(2) For the avoidance of doubt, for each settlement or judgment with the Settling Distributors that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for the Settling Distributors, unless the assessment or payment occurs after the Payment Date for Payment Year 7.

c. At Participation Tier 3, the reductions to the Attorney Fee Fund shall be the same as set forth in Section II.C.6.b, except that the cap on each offset shall be 5% of the amount of such settlement or judgment.

d. At Participation Tier 4, there shall be no reductions to the Settling Distributors' obligations to make payment into the Common Benefit Fund, but the principles set forth in Section II.C.4 shall continue to apply.

D. *Contingency Fee Fund.* (40% of the Attorney Fee Fund.)

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	\$54,417,751.48
Payment Year 2	\$60,373,964.50
Payment Year 3	\$108,330,177.52
Payment Year 4	\$73,450,295.88
Payment Year 5	\$73,450,295.88
Payment Year 6	\$73,450,295.88
Payment Year 7	\$73,450,295.88
<b>Total:</b>	<b>\$516,923,077.32</b>

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

3. The Contingency Fee Fund shall be available to Attorneys who:

a. represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court; and

b. meet the eligibility criteria of Section II.G.

c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

4. The amounts owed by Settling Distributors to the Contingency Fee Fund shall depend on the relevant Participation Tier set forth in Exhibit H of the Distributor Agreement as follows:

a. At Participation Tiers 1, 2 and 3, the Contingency Fee Fund payments shall be reduced as follows:

(i) For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to Section II.H.6, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.

(ii) Following the calculation in Section II.D.4.a.i, the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to Section II.H.6, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

b. At Participation Tier 4, there shall be no reductions in the Contingency Fee Fund.

c. In the event that the Settling Distributors, prior to the Effective Date of the Distributor Agreement, settle with any Litigating Subdivision and, under such settlement agreement pay attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating

Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Distributor Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settled Litigating Subdivision, shall be credited and/or returned to the Settling Defendants as if determined under Section II.D.4.a.ii above, except that such credit shall not be greater than the amount to the Attorneys paid under the Litigating Subdivision's prior settlement agreement.

E. *Litigating Subdivision Cost Fund.*

1. The Settling Distributors shall pay \$120,000,000 into the Subdivision Cost Fund, according to the schedule set forth below:

Payment Year 1	\$40,000,000
Payment Year 2	\$40,000,000
Payment Year 3	\$40,000,000

2. The Litigating Subdivision Cost Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions or to compensate Participating Litigating Subdivisions for direct in-house costs for expenditures related to their litigation against the Settling Distributors, including the cost of in-house employees. No funds in the Litigating Subdivision Cost Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Litigating Subdivision Cost Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021.

3. During the period between July 21, 2021, and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Litigating Subdivision Cost Fund shall make best efforts to cease litigation activity against Settling Distributors, including by jointly seeking stays or severance of claims against the Settling Distributors, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that the Settling Distributors, prior to the Effective Date of the Distributor Agreement, settle with any Litigating Subdivision and, under such settlement agreement pay costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Litigating Subdivision Cost Fund if it had settled under the Distributor Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to the Settling Defendants, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The MDL Court shall appoint a Cost and Expense Fund Administrator, who shall develop a process and criteria, with input from participating counsel, by which to (a) determine the distribution of amounts from the MDL Expense Fund in pursuit of the claims against Settling Distributors; and (b) receive and evaluate applications from Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement from the Litigating Subdivision Cost Fund for eligible costs under Section II.E.2 in pursuit of the claims against the Settling Distributors. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Litigating Subdivisions for costs incurred. The Cost and Expense Fund Administrator shall be compensated from the Fund.

6. In the event that the total amount of reimbursements from the Litigating Subdivision Cost Fund approved as reasonable by the Cost and Expense Administrator is less than the \$120,000,000, any remaining funds shall revert to the Settling Distributors.

F. *MDL Expense Fund.*

1. In Payment Year 1 of the Distributor Agreement, the Settling Distributors shall pay the following amount into the MDL Expense Fund:

MDL Expense Fund	\$40,384,615
------------------	--------------

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to July 21, 2021 and that special circumstances exist to justify costs incurred following the public announcement of the Distributor Agreement.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees, including referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a

Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in Section II.G, must be subject to the criteria set forth in Section II.C.4, and must be disclosed to the Fee Panel.

2. An Attorney may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and the Litigating Subdivision Cost Fund and any fund created by a past or future State Back-Stop Agreement, provided the Attorney satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund or costs from the Cost Funds. All applications for attorneys' fees or costs under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or any Releasor with respect to Released Claims against Released Entities.

c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation that the Attorney could not undertake consistent with the ethics opinion referenced in Section II.I.4.

d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions. For the avoidance of doubt, this representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions represented by other Attorneys that are the result of the MDL Court's Common Benefit order.

e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision.

f. The Attorney must certify that s/he has reviewed the ethics opinion referenced in Section II.I.4 and will act in conformity with such opinion.

g. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Distributor Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

h. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, and deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement, and for which case(s) it was signed.

i. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Distributor Agreement to be fair and will make or has made best efforts to recommend the Distributor Agreement to his or her Subdivision clients in Settling States. For the avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section II shall include an affirmation by the Attorney in compliance with this Section II.G.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision. All applications for attorneys' fees under this Section II shall include an affirmation by the Attorney of compliance with this Section II.

5. An Attorney who has filed an application under this Section II and received an award of attorneys' fees shall provide a certification of compliance this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section II.G.3, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement from a Later Litigating Subdivision or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Settling Distributors and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement to, a Later Litigating Subdivision shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify Settling Distributors and the Fee Panel of such Fee Entitlement to a Later Litigating Subdivision, the Attorney shall be required to refund amounts previously paid.

8. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could reconsider the Attorney's eligibility.

9. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Distributor Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

10. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the arbitration procedures outlined herein.

#### H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Attorney and each Participating Subdivision that applies under this Section II. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section II, except that the Fee Panel may receive information from the Settling Distributors (a) as to the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in Section II.C.4; and (c) such other information as Settling Distributors may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for the arbitration process consistent with this Fee Agreement and orders of the MDL Court. Such procedures may

include submission of documentary and/or other evidence, interviews with applicants and/or other counsel (including counsel for Settling Distributors) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. In addition, the Fee Panel will give consideration in regard to Common Benefit awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

- a. The Attorney's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Attorney's financial commitment to such Qualifying Representations. Claimed "*time*" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
- b. The novelty, time, and complexity of the Qualifying Representations;
- c. The skill requisite to perform legal services properly and undesirability of the case;
- d. The preclusion of other employment by the Attorney due to time dedicated to Qualifying Representations;
- e. The "*common benefit*," if any alleged to have been conferred by the Attorney and whether such common benefit work product by that Attorney was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that for any Attorney claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
- f. Any "*common detriment*," as set forth in Section II.C.4.
- g. Any contingent fee agreements or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Attorney;

- i. Whether the Attorney's clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Attorney;
- k. The nature of any work by the Attorney on "bellwether" cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Attorney in cases against Settling Distributors or any risk for Settling Distributors created by the Attorney in cases against them;
- m. Any risk for defendants created by applicants in cases against the Settling Distributors;
- n. Successful and unsuccessful motion practice in cases worked on by the Attorney;
- o. The date of filing of any cases filed by the Attorney;
- p. Obtaining consolidation of the litigation in the Attorney's jurisdiction;
- q. The number and population of entities represented by the Attorney and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Attorney's clients brought claims against the Settling Distributors;
- s. Whether the Attorney has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Attorney has had a leadership role in any negotiations aimed at resolving the litigation;
- u. Whether the Attorney's cases have survived motions to dismiss;
- v. The extent to which the Attorney contributed to the work product user for the common benefits of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
- w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Distributor Agreement, such latter

litigation both being of less value and potentially resulting a common detriment to the settlement process; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from applicants to the Attorney Fee Fund.

4. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Attorney seeking compensation from the Attorney Fee Fund, procedures shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Attorney shall, at a minimum, require each Attorney to:

a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

b. Identify all Subdivisions in both Settling and Non-Settling States with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

c. Identify which of those Subdivisions are Participating Subdivisions and which are not;

d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund; and

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters.

Notwithstanding Sections II.H.4.a-f above, the Panel may consider a supplemental application if the Attorney shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Attorney having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier or an Allocation Agreement is reached.

5. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

a. Review the applications of all Attorneys seeking compensation from the Common Benefit Fund, including determining eligibility for each Attorney as set forth in Section II.G.

b. Reduce, on an annual basis, the Distributor's payment obligations, as set forth in Section II.C.6. The Panel shall inform the Settling Distributors and the MDL PEC of all such amounts and adjust the Settling Distributors' payment obligations accordingly.

c. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Attorneys, including payment amounts for each Payment Year. In making such allocations (regardless of the Participation Tier achieved), the Panel shall apply the principles set forth in Section II.C.4 and shall allocate any reduction in the payments of Settling Distributors specified in Section II.C.6 to the amounts paid to Attorneys with a Fee Entitlement to Litigating Subdivisions that are not Participating Subdivisions.

6. With respect to the Contingency Fee Fund, the Fee Panel shall:

a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

b. Apply the Mathematical Model in Exhibit A.

c. Use such allocations to reduce payments, on an annual basis, the payment obligations of the Settling Distributors to the Attorney Fee Fund as set forth in Section II.D.4, and distributions therefrom, and inform the Settling Distributors and MDL PEC of all such adjustments.

7. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Settling Distributors are required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

8. For purposes of determination of fee or cost awards, allocations, reductions and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee or cost award at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

9. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision or allocates cost to such Participating Litigating Subdivision and that Subdivision is in a

Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The costs associated with the Fee Panel prior to the Effective Date of this Fee Agreement shall be funded by Settling Distributors. The Fee Panel shall charge an hourly rate that has been previously approved by a federal or state court and shall provide a budget and a cap for such work prior to the Effective Date, which shall be approved by Settling Distributors and such approval shall not be unreasonably withheld. Settling Distributors shall receive a refund for any such payment of pre-Effective Date costs from interest that accrues on the monies in the Attorney Fee Fund (including interest that accrues during such time as the Attorney Fee Fund monies are in escrow prior to the Effective Date of the Distributor Agreement), up to the amount of such costs. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Settling Distributors. The costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Expense Fund and the Litigating Subdivision Cost Fund and shall not be otherwise funded by Settling Distributors.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the Settling Distributors will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to Settling Distributors information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or to having signed a Participation Agreement.

4. The MDL PEC shall retain ethics counsel of its choice to provide an opinion that addresses the compliance of its ethical obligations, as it relates to the Distributor Agreement. Such opinion shall address the issue of the potential conflict of interest for an Attorney that had represented a Participating Subdivision also representing a Later Litigating Subdivision as defined in the Distributor Agreement. This Section II.I shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The opinion shall be provided to the Settling Distributors as soon as it is completed and, in any event, prior to July 31, 2021 and shall be disseminated to counsel eligible to apply to the Attorney Fee Fund within 30 days of the announcement of the Distributor Agreement. The MDL PEC represents that it will comply with this opinion until the Reference Date and thereafter if the Distributor Agreement proceeds. The cost of such expert work done

prior to the Effective Date of the Distributor Agreement shall be funded by Settling Distributors.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as secret under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

### **III. Miscellaneous.**

A. *Termination.* If the Distributor Agreement does not proceed past the Reference Date, whether because the Settling Distributors do not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Settling Distributors shall have no obligation to make any payments under this Fee Agreement, and the Settling Distributors and the MDL PEC shall take such steps as are necessary to restore the status quo ante.

B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Distributor Agreement. This Fee Agreement shall also be submitted jointly by the Settling Distributors and the MDL PEC to the MDL Court for approval pursuant to the motion that shall be attached, prior to the Preliminary Agreement Date of the Distributor Agreement, to this Fee Agreement as Exhibit B.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Settling Distributors under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in Section II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, the Settling Distributors and the MDL PEC shall meet and confer concerning such changes.

2. If the Settling Distributors and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement in the event discussed in Section III.B.1, this Fee Agreement shall be null and void, Settling Distributors shall have no obligation to make any payments under this Fee Agreement, and the Settling Distributors and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of the Settling Distributors and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of the Settling Distributors as set forth in this Fee Agreement, and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or

allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against the Settling Defendants, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this Section III.D authorizes the MDL Court to act contrary to this Fee Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Distributor Agreement.

## Description of Mathematical Model for the Allocation of the Contingency Fee Funds

### Distributor Settlement Agreement and Janssen Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorney's Fees, Expenses and Costs) to the Distributor Settlement Agreement and the Janssen Settlement Agreement, respectively.<sup>18</sup> Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the corresponding agreements.<sup>19</sup> A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

Each Settling Defendant is responsible only for its own share of payments.<sup>20</sup> In other words, to collect a fee award from the Contingency Fee Fund against a Settling Defendant, the Participating Litigating Subdivision must have named the Settling Defendant in its lawsuit. The total amount of the Contingency Fee Fund in the Distributor Settlement Agreement is \$516,923,077.<sup>21</sup> Amerisource's share is \$160,246,153.97 (31.0%), Cardinal's share is \$159,729,230.89 (30.9%), and McKesson's share is \$196,947,692.46 (38.1%). The total amount of the Contingency Fee Fund in the Janssen Settlement Agreement is \$123,076,923.<sup>22</sup>

More specifically, allocation of each Settling Defendant's share of the corresponding Contingency Fee Fund shall be made according to the following steps. These steps must be performed separately for each Settlement Agreement, and each Defendant is responsible for paying only its share of the Contingency Fee Fund. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, *not* for determining the dollar amount each Subdivision will receive.

<sup>18</sup> See Distributor Settlement Agreement, Exhibit R § II.B.3; Janssen Settlement Agreement, Exhibit R § II.B.3.

<sup>19</sup> Distributor Settlement Agreement, Exhibit R § II.B.3; Janssen Settlement Agreement, Exhibit R § II.B.3

<sup>20</sup> Distributor Settlement Agreement, Exhibit R § II.A.5.

<sup>21</sup> Distributor Settlement Agreement, Exhibit R § II.D.1.

<sup>22</sup> Janssen Settlement Agreement, Exhibit R § II.D.1.

- (1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Distributor Settlement Agreement or Janssen Settlement Agreement, as appropriate.

Illustrative example for the Distributor Agreement:

- Assume that State A is allocated 1.00000% of the \$18,554,013,691.11 Restitution/Abatement amount [see Exhibit M of the Agreement].
- 50% of the 1% share allocated to State A is \$92,770,068.46.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$92,770,068.46, or \$927,700.68.

- (2) Adjust the amounts in paragraph 1 as follows:

- a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named the defendant(s) in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. This adjustment must be done individually for each defendant. If the Litigating Subdivision did not name a Settling Defendant in a suit before January 1, 2021, then fees from the Contingency Fee Fund for that defendant will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
  - If City C named the defendant(s) before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.
- b. *Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only for Settling Defendants the Subdivision timely named in a lawsuit).<sup>23</sup>

Illustrative example for Distributor Settlement Agreement:

- $\$220,000$  [from para. 2.b]  $\div$   $\$1,800,000,000$  [total amount owed under contingency fee contracts nationwide] =  $0.012222\%$ <sup>24</sup>
- $0.012222\% * \$516,923,077.32$  [Contingency Fee Fund] =  $\$63,179.49$

- b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the relevant Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only for Settling Defendants the Subdivision timely named in a lawsuit).

Illustrative example for Distributor Settlement Agreement:

- $1\% * \$516,923,077.32 = \$5,169,230.77$  [amount of the Contingency Fee Fund corresponding to State A]

---

<sup>23</sup> Because a few Litigating Subdivisions named only one or two of the Distributors in a lawsuit before January 1, 2021, each Subdivision's share of the Contingency Fee Fund is slightly different for each distributor. Therefore, under the Distributor Settlement Agreement, the calculations described in this step need to be made separately for each Settling Defendant. It is shown in a single calculation here for ease of illustration only.

<sup>24</sup> In this example, \$1.8 billion is the amount theoretically owed under all contingency fee contracts for litigation against distributors as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of all of their contingency fee contracts are collected.

- Assume a total of \$17,600,000 is owed under contingency fee contracts for State A.
- $\$220,000$  [from para. 2.b]  $\div$   $\$17,600,000 = 1.25\%$
- $1.25\% * \$5,169,230.77 = \$64,615.38$

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above.<sup>25</sup>

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting. This is illustrated below.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating

<sup>25</sup> The model also enforces a maximum fee award of 20% of the amount calculated in 2.b. This rule is designed to prevent windfalls by addressing over-allocation in a small number of states with relatively few Litigating Subdivisions. An estimated 97% of Qualifying Representations are not impacted this rule. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

**EXHIBIT S**

**Agreement on the State Outside Counsel Fee Fund**

1. **Creation of a State Outside Counsel Fee Fund.** The Settling Distributors and the Settling States agree to the creation of a state outside counsel fee fund to pay reasonable attorneys' fees of Settling States which have retained outside counsel in connection with litigation against the Settling Distributors (such fund, the "*State Outside Counsel Fee Fund*").

2. **State Outside Counsel Fee Fund Administration.** The State Outside Counsel Fee Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Cost Fund, and the MDL Expense Fund. A committee of Attorneys General shall oversee the State Outside Counsel Fee Fund (the "*Fee Fund Committee*"). The Fee Fund Committee shall initially consist of the following States: (a) Delaware; (b) Florida; (c) Georgia; (d) Indiana; (e) Michigan; (f) Ohio; and (g) Rhode Island. The Fee Fund Committee shall select a settlement fund administrator, who may or may not be different from the Settlement Fund Administrator (the "*Fee Fund Administrator*") and who shall administer the State Outside Counsel Fee Fund according to the guidelines and directives of the Fee Fund Committee.

3. **State Outside Counsel Fee Eligibility.** To receive any amount from the State Outside Counsel Fee Fund, an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Settling Distributor in a state or federal court as of June 1, 2021. No Settling State shall receive funds from both the State Outside Counsel Fee Fund and the Additional Restitution Amount as set forth in Section IX.

4. **State Outside Counsel Fee Fund Amount.** The Settling Distributors shall pay funds into the State Outside Counsel Fee Fund according to the schedule set forth below, subject to any suspensions, offsets, reductions, or adjustments provided for in the Agreement or described below:

Payment Year 1 Payment Date	\$136,044,379
Payment Year 2 Payment Date	\$129,230,769
Payment Year 3 Payment Date	\$17,417,160

5. **State Outside Counsel Fee Fund Availability and Calculation of Amount.**
- a. The State Outside Counsel Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule developed by the Fee Fund Committee and provided to the Settling Distributors.
  - b. Fees shall be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount allocated to a Settling State pursuant to Exhibit F multiplied by 4.5%; and (b) a proportional percentage of the remaining fee due under that Settling State's contract assuming that fifty

percent (50%) of the Settling State's recovery is allocable to a Settling State (rather than allocable to the Settling State's Participating Subdivisions) so that the fees of all Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Fee Fund. All amounts paid will be less any costs or fees of the Fee Fund Administrator.

6. **Payment by the Fee Fund Administrator.**

- a. If a Settling State's outside counsel agrees that the amount calculated in Paragraph 5 above either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel, then upon written notice waiving all entitlement to any additional fee, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount that satisfies the Settling State's obligation in full and, in no event more than (i) such obligation or (ii) the amount pursuant to the calculation and any schedule created by the Fee Fund Committee.
- b. If a Settling State's outside counsel does not agree that the amount calculated in Paragraph 5 above either satisfies in full or exceeds the amounts owed by the Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until the Settling State and its outside counsel agree in a signed writing to a resolution of the amount outstanding or there is a final judgment entered that is no longer appealable.
- c. Upon being provided a signed, written agreement or the final non-appealable judgment, the Fee Fund Administrator shall release monies from the State Outside Counsel Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- d. Nothing herein, including the amounts listed in paragraph 5 above, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the Settlement Agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the Settlement Agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also

represented; or (iv) any limitation placed by the Settling Distributors bars payment of a higher fee to outside counsel.

- e. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Settling Distributor.
- f. Amounts owed by Settling Distributors to the State Outside Counsel Fee Fund shall be reduced and/or credited to Settling Distributors by amounts allocated on the above-mentioned schedule for outside counsel in Non-Settling States.

7. **Reversion or Reduction of Amounts owed to Non-Settling States.** Amounts owed by Settling Distributors to the State Outside Counsel Fee Fund shall be reduced proportionally across payments owed by the Settling Distributors by amounts allocated to the fixed amount on the below schedule for outside counsel in the event that a listed State becomes a Non-Settling State. In the event the Fee Fund Administrator receives part or all of the fixed amount due to a Non-Settling State from a Settling Distributor, the Fee Fund Administrator shall return the amount allocable to that Non-Settling State's fixed amount to the Settling Distributor.

**EXHIBIT T**

**Agreement on the State Cost Fund Administration**

1. **Creation of a State Cost Fund.** The Settling Distributors and the Settling States agree to the creation of a state cost fund to pay litigation costs and expenses associated with litigation and investigation related to the opioid litigation (such fund, the “*State Cost Fund*”). The State Cost Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Counsel Fee Fund, and the MDL Expense Fund.
2. **State Cost Fund Amount and to Whom Owed.** On the Payment Date of Payment Year 1, the Settling Distributors shall pay into the State Cost Fund \$56,538,461.00 (the “*State Cost Fund Amount*”). No funds may be released from the State Cost Fund to Non-Settling States.
3. **State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “*State Cost Fund Committee*”) shall oversee the State Cost Fund. The committee shall initially consist of the following States: (a) Delaware; (b) Florida; (c) Georgia; (d) New York; (e) North Carolina; (f) Ohio; (g) Tennessee; and (h) Texas. The Attorneys General may by majority vote add or change the composition of the State Cost Fund Committee, including replacing any above State, if that State is not a Settling State.
4. **State Cost Fund Administrator.** The State Cost Fund Committee shall select an administrator (the “*State Cost Fund Administrator*”). The State Cost Fund Administrator may or may not be different from the Settlement Fund Administrator. The State Cost Fund Administrator shall administer the State Cost Fund and direct payments to Settling States.
5. **State Cost Fund Guidelines.** Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation. In allocating the State Cost Fund, no funds shall be allocated for costs incurred after July 21, 2021. The State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the State Cost Fund. The State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense attributable to litigation or investigation related to the opioid litigation, including any outstanding National Association of Attorneys General grant.
6. **State Cost Fund Payment Priorities and Residual.** To the extent the aggregate eligible submissions of costs and expenses from Settling States exceed the State Cost Fund Amount, payments to Settling States shall be paid in the order described in this section until the State Cost Fund is exhausted. If the State Cost Fund is unable to fully pay costs at any of the following levels, then Settling States with costs at that level shall be paid on a proportional basis. All expenses with a lesser priority from the level where the State Cost Fund is exhausted will not be reimbursed from the State Cost Fund. Costs shall be paid in the following order of priority:

(a) the reasonable costs of the State Cost Fund Administrator, if any; (b) repayment of the National Association of Attorneys General grants connected to opioid litigation; (c) costs incurred or paid by outside counsel for a Settling State litigating against the Settling Distributors apart from any fee owed; (d) litigation-related costs attributable to the Settling Distributors incurred or paid by a Settling State litigating against the Settling Distributors; and (e) pre-suit investigation-related costs attributable to the Settling Distributors incurred or paid by either a Settling State outside counsel (not including any amount of fees or any costs which have already been reimbursed pursuant to clause (c), above) or a Settling State investigating the Settling Distributors. If the State Cost Fund has additional monies after payment of the State Cost Fund Administrator's and all Settling States' submitted costs, then the remaining funds will be provided to the National Association of Attorneys General to be placed in the Financial Services Fund for the purpose of funding grants for consumer protection- or healthcare-related enforcement or training activities. In determining what costs are attributable to the Settling Distributors, the State Fund Committee shall develop a guideline that ensures that all Settling States are treated equitably.

## JANSSEN SETTLEMENT AGREEMENT

This settlement agreement dated as of July 21, 2021 (the “*Agreement*”) sets forth the terms of settlement between and among the Settling States, Participating Subdivisions, and Janssen (as those terms are defined below). Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Janssen, and Participating Subdivisions. This Agreement will then be filed as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

### I. Definitions

Unless otherwise specified, the following definitions apply:

1. “*Abatement Accounts Fund*” means a component of the Settlement Fund described in subsection VI.E.
2. “*Additional Restitution Amount*” means the amount available to Settling States listed in Exhibit N of \$67,307,692.
3. “*Agreement*” means this agreement as set forth above, inclusive of all exhibits.
4. “*Alleged Harms*” means the alleged past, present, and future financial, societal, and related expenditures arising out of the alleged misuse and abuse of opioid products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Janssen.
5. “*Allocation Statute*” means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation, as set forth in subsection VI.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditure of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.
6. “*Annual Payment*” means the total amount payable to the Settlement Fund by Janssen on the Payment Date each year in 2023 and onward, as calculated by the Settlement Fund Administrator pursuant to Section V. For the avoidance of doubt, this term does not include the Additional Restitution Amount or amounts paid pursuant to Section XI.
7. “*Appropriate Official*” means the official defined in subsection XIII.E.

8. “*Attorney Fee Fund*” means an account consisting of funds allocated to pay attorneys’ fees and costs pursuant to the agreement on attorneys’ fees and costs attached as Exhibit R.

For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments by Janssen incurred under the Agreement) shall not constitute a Bar.
10. “*Case-Specific Resolution*” means either (1) a law barring specified Subdivisions or Special Districts from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and that authority is exercised in full); (2) a ruling by a court of competent jurisdiction over a particular Subdivision or Special District that has the legal effect of barring the Subdivision or Special District from maintaining any Released Claims at issue against Released Entities, whether on the ground of the Agreement (or the release in it) or otherwise; or (3) in the case of a Special District, a release consistent with Section IV below. For the avoidance of doubt, a law, ruling, or release that is conditioned or predicated upon a post-Effective Date payment by a Released Entity (apart from payments by Janssen incurred under the Agreement or injunctive relief obligations incurred by it) shall not constitute a Case-Specific Resolution.
11. “*Claim*” means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, parens patriae claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including but not limited to any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert

57. “*Prior Litigating Subdivision*” means a Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for alleged harms to the Subdivision and/or the people thereof) that brought any Released Claim against any Released Entity prior to the Trigger Date and all such Released Claims were separately settled or finally adjudicated prior to the Trigger Date; *provided, however,* that if the final adjudication was pursuant to a Bar, such Subdivision shall not be considered a Prior Litigating Subdivision. Notwithstanding the prior sentence, Janssen and the State of the relevant Subdivision may agree in writing that such Subdivision shall not be considered a Prior Litigating Subdivision.

The Reference Date shall be thirty (30) days after the Initial Participation Date, unless it is extended by written agreement of Janssen and the Enforcement Committee.
60. “*Released Claims*” means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct occurring prior to the Reference Date. Without limiting the foregoing, “Released Claims” include any Claims that have been asserted against the Released Entities by any Settling State or any of its Litigating Subdivisions or Litigating Special Districts in any federal, state or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of or relating to, in whole or in part, the Covered Conduct, or any such Claims that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, any of its Subdivisions or Special Districts, or any Releasors (whether or not such State, Subdivision, Special District, or Releasor has brought such action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that “Released Claims” be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. to the Released Claims); (4) all of Janssen's, or of any entity described in subsection (1), past and present joint ventures; and (5) the respective past and present officers, directors, members, shareholders (solely in their capacity as shareholders of the foregoing entities), partners, trustees, agents, and employees of any of the foregoing (for actions that occurred during and related to their work for, or employment with, Janssen). Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, the entities listed in Exhibit Q are not Released Entities; *and provided further* that any joint venture partner of Janssen or Janssen's subsidiary is not a Released Entity unless it falls within subsections (1)-(5) above. A list of Janssen's present subsidiaries and affiliates can be found at <https://johnsonandjohnson.gcs-web.com/static-files/f61ae5f3-ff03-46c1-bfc9-174947884db2>. Janssen's predecessor entities include but are not limited to those entities listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by Janssen after the Reference Date is not a Released Entity.

62. “*Releasers*” means (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in the Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. In addition to being a Releaser as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form or the Election and Release Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority, which shall be attached as an exhibit to the Agreement. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in the Representation and Warranty subsection of Section IV.
63. “*Revocation Event*” means with respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a legislative amendment or a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar,

Settlement Class Resolution, or Case-Specific Resolution on Released Claims or any other action or event that otherwise deprives the Bar, Settlement Class Resolution or Case-Specific Resolution of force or effect in any material respect.

64. “*Settlement Class Resolution*” means a class action resolution in a court of competent jurisdiction in a Settling State with respect to a class of Subdivisions and Special Districts in that State that (1) conforms with that Settling State’s statutes, case law, and/or rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and has become final as defined in “State-Specific Finality”; (3) is binding on all Non-Participating Subdivisions and Special Districts in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions or Special Districts may not bring Released Claims against Released Entities, whether on the ground of the Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Janssen other than those provided for in the Agreement, or contain any provision inconsistent with any provision of the Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than 1% of the total population of all of that State’s Subdivisions listed in Exhibit G opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case.
65. “*Settlement Fund*” means the interest-bearing fund established under the Agreement into which all payments by Janssen are made other than amounts paid as attorneys’ fees and costs or identified pursuant to subsection VI.B.2 as being used to pay attorneys’ fees and costs. 66. “*Settlement Fund Administrator*” means the entity that determines the Annual Payments (including calculating Incentive Payments pursuant to Section V) and any amounts subject to suspension or offset pursuant to Sections V and IX), determines the Participation Tier, and administers and distributes amounts into the Settlement Fund. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Participation Date, the Parties shall agree to selection and removal processes for and a detailed description of the Settlement Fund Administrator’s duties, including a detailed mechanism for paying the Settlement Fund Administrator’s fees and costs, all of which shall be appended to the Agreement as Exhibit L.

70. “*Special District*” means a formal and legally recognized sub-entity of a State that is authorized by State law to provide one or a limited number of designated functions, including but not limited to school districts, fire districts, healthcare & hospital districts, and emergency services districts. Special Districts do not include sub-entities of a State that provide general governance for a defined area that would qualify as a Subdivision.
71. “*State*” means any state of the United States of America, the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Additionally, the use of non-capitalized “state” to describe something (e.g., “state court”) shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (e.g., “territorial court”).
72. “*State Fund*” means a component of the Settlement Fund described in subsection VI.C.
73. “*State-Specific Finality*” means, with respect to the Settling State in question:

longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

74. “*State-Subdivision Agreement*” means an agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to Participating Subdivisions in that State. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise, supplement, or refine a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O or if adopted by statute.
75. “*Statutory Trust*” means a trust fund established by state law to receive funds allocated to a State’s Abatement Accounts Fund and restrict their expenditure to Opioid Remediation purposes subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one or more of the three Settlement Funds, but this is not required.
76. “*Subdivision*” means a formal and legally recognized sub-entity of a State that provides general governance for a defined area, including a county, parish, city, town, village, or similar entity. Unless otherwise specified, “Subdivision” includes all functional counties and parishes and other functional levels of sub-entities of a State that provide general governance for a defined area. Historic, non-functioning sub-entities of a State (such as Connecticut counties) are not Subdivisions, unless the entity has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, parens patriae, or any other capacity. For purposes of this Agreement, the term Subdivision does not include Special Districts. A list of Subdivisions by state will be agreed to prior to any Subdivision sign-on period.
77. “*Subdivision Allocation Percentage*” means for Subdivisions in a Settling State that are eligible to receive an allocation from the Subdivision Fund pursuant to subsection VI.C or subsection VI.D, the percentage as set forth in Exhibit G. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal 100%. Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, or upon any, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to subsection VII.A, except upon the effectiveness of any State-

Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

78. “*Subdivision Fund*” means a component of the Settlement Fund described in subsection VI.C.
79. “*Subdivision Settlement Participation Form*” means the form attached as Exhibit K that Participating Subdivisions must execute and return to the Settlement Fund Administrator, and which shall (1) make such Participating Subdivisions signatories to this Agreement, (2) include a full and complete release of any and of such Subdivision’s claims, and (3) require the prompt dismissal with prejudice of any Released Claims that have been filed by any such Participating Subdivision.
80. “*Threshold Motion*” means a motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal, any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.
81. “*Trigger Date*” means, in the case of a Primary Subdivision, the Reference Date, or, in the case of all other Subdivisions, the Preliminary Agreement Date.

## **II. Participation by States and Condition to Preliminary Agreement**

- A. *Notice to States.* On July 22, 2021 this Agreement shall be distributed to all States. The States’ Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. States that determine to become Settling States shall so notify the National Association of Attorneys General and Janssen and shall further commit to obtaining any necessary additional State releases prior to the Reference Date. This notice period may be extended by written agreement of Janssen and the Enforcement Committee.
- B. *Condition to Preliminary Agreement.* Following the notice period set forth in subsection II.A above, Janssen shall determine on or before the Preliminary Agreement Date whether, in its sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If Janssen determines that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator on the Preliminary Agreement Date. If Janssen determines that this condition has not been satisfied, it will so

notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

- C. *Later Joinder by States.* After the Preliminary Agreement Date, a State may only become a Settling State with the consent of Janssen, in its sole discretion. If a State becomes a Settling State more than sixty (60) days after the Preliminary Agreement Date, but on or before January 1, 2022, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts. A State may not become a Settling State after January 1, 2022.

### III. Injunctive Relief

- A. *Entry of Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the injunctive relief terms attached as Exhibit P.

### IV. Release

- A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. The Release shall be a complete bar to any Released Claim.
- B. *Claim Over and Non-Party Settlement.*

1. *Statement of Intent.* It is the intent of the Parties that:
  - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Settlement Agreement;
  - b. the payments made under this Settlement Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
  - c. Claims by Releasers against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

- d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.
  - e. The provisions of this subsection IV.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.
2. *Contribution/Indemnity Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.
3. *Non-Party Settlement.* To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Janssen in subsection IV.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.
4. *Claim-Over.* In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection IV.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection IV.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, that Releasor and Janssen shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Janssen:
- a. Janssen shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or sixty (60) days of the Effective Date of this Settlement Agreement, whichever is later;
  - b. Janssen and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay

more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement;

- c. That Releasor and Janssen shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement. Such steps may include, where permissible:
- (1) Filing of motions to dismiss or such other appropriate motion by Janssen or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;
  - (2) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
  - (3) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;
  - (4) Return of monies paid by Janssen to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;
  - (5) Payment of monies to Janssen by that Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
  - (6) Credit to Janssen under this Settlement Agreement to reduce the overall amounts to be paid under the Settlement Agreement such that it is held harmless from the Claim-Over; and
  - (7) Such other actions as that Releasor and Janssen may devise to hold Janssen harmless from the Claim Over.
- d. The actions of that Releasor and Janssen taken pursuant to paragraph (c) must, in combination, ensure Janssen is not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement.
- e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Janssen may seek review by

the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasers to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Janssen shall have a claim for breach of this Settlement Agreement by Releasers, with the remedy being payment of sufficient funds to hold Janssen harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Janssen may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under subsection IV.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Janssen shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.

- C. *General Release.* In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasers) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releaser may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasers) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasers do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement or the Participating Subdivisions' decision to participate in the Agreement.

- D. *Res Judicata.* Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement,

and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.

- E. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States and its Participating Subdivisions expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; and (4) any Participating Subdivisions. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.
- F. *Effectiveness.* The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.
- G. *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.
- H. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals and any claims arising under the Agreement for enforcement of the Agreement.

## **V. Monetary Relief and Payments**

### **A. Structure of Payments**

1. All payments under this Section V shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VI.
2. Janssen shall pay into the Settlement Fund the sum of Four Billion, Five Hundred Thirty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five

Dollars (\$4,534,615,385) minus (1) the offsets and credits specified in subsection V.C below, (2) any unearned incentive payments under subsection V.E below, and (3) any adjustments under Section IX below.

3. The payments to the Settlement Fund shall be divided into base and incentive payments as provided in subsections V.D and V.E below.

**B. Payment Process**

1. Except as otherwise provided in this Agreement, Janssen shall make two Initial Year Payments and nine (9) Annual Payments. The Initial Year Payments will consist of base payments. The first Annual Payment shall consist of incentive payments and subsequent Annual Payments shall each consist of base and incentive payments. The amount of all Initial Year Payments and Annual Payments shall be determined by the Settlement Fund Administrator applying Section V and Exhibit M. The Payment Date for the first Initial Year Payment shall be no later than ninety (90) days after the Effective Date. The Payment Date for the second Initial Year Payment shall be no later than July 15, 2022. The Payment Date for the first Annual Payment shall be no later than one year and sixty days following the Effective Date; the Payment Date for the second Annual Payment shall be no later than two years and sixty days following the Effective Date, and so forth, until all Annual Payments are made.
2. All data relevant to the determination of each such payment shall be submitted to the Settlement Fund Administrator sixty (60) days prior to the Payment Date for each payment. Prior to the Initial Participation Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for submitting such data to the Settlement Fund Administrator prior to each Payment Date. The Settlement Fund Administrator shall then determine the Initial Year Payment or Annual Payment and the amount to be paid to each Settling State and its Participating Subdivisions, consistent with the provisions in Exhibit L, by:
  - a. determining, for each Settling State, the amount of base and incentive payments to which the State is entitled by applying the criteria in this Section;
  - b. applying any reductions, suspensions, or offsets required by Sections V and IX; and
  - c. determining the total amount owed by Janssen to all Settling States and Participating Subdivisions.
3. The Settlement Fund Administrator shall then allocate the Initial Year Payment or Annual Payment pursuant to Section VI among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions.

4. As soon as possible, but no later than fifty (50) days prior to the Payment Date for each payment and following the determination described in subsection V.B.2, the Settlement Fund Administrator shall give notice to Janssen, the Settling States, and the Enforcement Committee of the amount of the Initial Year Payment or Annual Payment, the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Participating Subdivisions.
5. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any party may dispute, in writing, the calculation of the Initial Year Payment or Annual Payment, or the amount to be received by a Settling State and/or its Participating Subdivisions. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
6. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the basis for disagreement with the notice of dispute.
7. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Janssen shall pay the adjusted amount as the Initial Year Payment or Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Janssen of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of suspended payments from the Settlement Fund Escrow does not count toward determining whether the amount to be paid is higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M.
8. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Janssen into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions receiving direct allocations within fifteen (15) days of the Payment Date or at such later time as directed by each Settling State.
9. Disputes described in this subsection (other than those for which no response is filed under subsection V.B.6) shall be resolved in accordance with the terms of Section XII.

10. The process described in this subsection V.B shall also apply to accelerated payments made pursuant to Incentive A under subsection V.E.4.
11. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

**C. Offsets for Non-Settling States and Credits**

1. An offset equal to Four Billion, Five Hundred Thirty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five Dollars (\$4,534,615,385) times the percentage allocation assigned to each Non-Settling State in Exhibit F shall be deducted from the total amount to be paid by Janssen to the Settlement Fund under subsection V.A.2 above.
2. In addition to the offset, a credit of Two Hundred and Seventy Million Dollars (\$270,000,000) shall be deducted from the maximum Settlement Fund amount to be paid by Janssen under subsection V.A.2 above and applied to the payment amounts as specified by Exhibit M. For the avoidance of doubt, the base payments and maximum incentive payment amounts shown on Exhibit M already reflect the deduction of the offset.
3. Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) Janssen enters into an agreement with any Settling State that resolves with finality such Settling State's Claims consistent with Section IV of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "State-Specific Agreement") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by Janssen thereunder are made in lieu of any payments (for the avoidance of doubt, including the Additional Restitution Amount), or any portion thereof, to be made under this Agreement and Janssen makes such a payment pursuant to the State-Specific Agreement, then Janssen will reduce any payments allocable to such Settling State (whether made to the Settlement Fund Escrow or the Settlement Fund) made pursuant to this Agreement to the extent such amount was already paid pursuant to the terms of the State-Specific Agreement. This provision includes but is not limited to any corresponding amounts already paid to the Qualified Settlement Fund established under the Agreement between Janssen and the State of New York dated June 25, 2021.
4. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the payments specified in Exhibit M are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F.

**D. Base Payments**

1. Janssen shall make base payments into the Settlement Fund totaling One Billion, Nine Hundred Forty-Two Million, Three Hundred Forty-Six Thousand, One Hundred Fifty-Five Dollars (\$1,942,346,155) minus the offsets and credits

specified in subsection V.C above. The base payments will be paid in accordance with the payment schedule specified by Exhibit M, subject to potential acceleration and potential deductions as provided herein.

2. The base payments will be allocated by Settling State proportionate to each Settling State's assigned percentages in Exhibit F, adjusted for any Non-Settling States.
3. If a State qualifies for Incentive A (described below), Janssen will accelerate the base payment schedule so that the State receives its Payment Year 1-4 base payment allocations and full Payment Year 1-4 Incentive A payment amounts within ninety (90) days of notice, on or after the Effective Date, of the Bar's implementation. Payment Year 5-10 payments are made annually and cannot be accelerated.
4. The exemplar payment schedule in Exhibit M does not account for deductions for offsets or unearned incentives, which will be separately calculated for each payment.

#### **E. Incentive Payments**

1. Janssen shall make incentive payments into the Settlement Fund potentially totaling up to Two Billion, Three Hundred Twenty-Two Million, Two Hundred Sixty-Nine Thousand, Two Hundred Thirty Dollars (\$2,322,269,230), consisting of \$2,109,038,461 for Incentive A (or, alternatively up to \$2,109,038,461 for combined Incentives B and C if Incentive A is not achieved) and \$213,230,769 for Incentive D, prior to being adjusted for credits if every State is a Settling State and were to satisfy the requirements specified below to earn its maximum incentive amount. The incentive payments will be paid in accordance with the payment schedule in Exhibit M, subject to potential acceleration and potential deductions as provided herein.
2. The maximum incentive amount for any Settling State shall be \$2,322,269,230 times the percentage allocation assigned that Settling State in Exhibit F.
3. A Settling State may qualify to receive incentive payments in addition to base payments if, as of the Incentive Payment Final Eligibility Date, it meets the incentive eligibility requirements specified below. Settling States may qualify for incentive payments in four ways. If a Settling State qualifies for "Incentive A," it will become entitled to receive the maximum Incentive A payment allocable to the State as stated in subsection V.E.1. If a Settling State does not qualify for Incentive A, it can alternatively qualify for "Incentive B" and/or "Incentive C." A Settling State can qualify for "Incentive D" regardless of whether it qualifies for another incentive payment. The Incentive Payment Final Eligibility Date is not relevant to Incentive D.

4. *Incentive A: Accelerated Incentive Payment for Full Participation.*
- a. A Settling State shall receive an accelerated Incentive A payment allocable to the State for full participation as described in subsection V.E.4.b.
  - b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section IV above from all Litigating Subdivisions and Litigating Special Districts, Non-Litigating Subdivisions with population over 10,000, and Non-Litigating Covered Special Districts (as defined in subsection V.E.7.e); (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a “Litigating Subdivision” or “Litigating Special District” if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered “Non-Litigating.” For purposes of Incentive A, Non-Litigating Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.
  - c. Qualification for Incentive A entitles the qualifying Settling State to expedited payment of base payments and incentive payments for Payment Years 1-4, which Janssen shall pay into the Settlement Fund within ninety (90) days after receiving notice from the Settlement Fund Administrator that a State has qualified for Incentive A, but in no event less than ninety (90) days from the Effective Date. Base and incentive payments for Payment Years 5-10 will not be expedited.
  - d. If a Settling State qualifies for Incentive A after receiving an incentive payment under Incentives B or C, described below, the Settling State’s payments under Incentive A will equal the remainder of its total Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its maximum incentive allocation under Incentive A shall not receive additional incentive payments under Incentives B or C.
  - e. A Settling State that is not eligible for Incentive A as of the Incentive Payment Final Eligibility Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.

5. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*
- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.
  - b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population are either Participating Subdivisions or have their claims resolved through Case-Specific Resolutions.
    - (1) A Settling State’s litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State’s litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.
    - (2) For example, if a Litigating Special District and a city that is a Litigating Subdivision are located within a county that is a Litigating Subdivision, then each of their individual populations would be added together to determine the total litigating population. Special District populations shall be counted in the manner set forth in subsection XIII.B. If each qualifies as a Litigating Subdivision or Litigating Special District and the county has a population of 10, the City has a population of 8, and the Special District has a population of 1, the total litigating population would be 19.
  - c. The following time periods apply to Incentive B payments:
    - (1) Period 1: Zero to two hundred ten (210) days after the Effective Date.
    - (2) Period 2: Two hundred eleven (211) days to one year after the Effective Date.
    - (3) Period 3: One year and one day to two years after the Effective Date.
  - d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State’s litigating population are Participating Subdivisions or have their claims resolved through Case-Specific Resolutions during Period 1, a sliding scale will determine the share of the funds available under Incentive B, with a

maximum of 60% of the Settling State’s total potential incentive payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

<b>Participation or Case-Specific Resolution Levels</b> (As percentage of litigating population)	<b>Incentive B Award</b> (As percentage of total amount available to State under Incentive B)
75%	50%
76%	52%
77%	54%
78%	56%
79%	58%
80%	60%
85%	70%
90%	80%
95%	90%
100%	100%

- e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.
- f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.
- g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and Litigating Special Districts (or Case-Specific Resolutions of their claims) during Periods 2 and/or 3.

Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.

- h. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or achieved Case-Specific Resolution status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.
- i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.
- j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. After each period, the Settlement Fund Administrator shall conduct a look-back to assess which Settling States vested an Incentive B payment in the preceding period. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive B for the period; *provided* that the percentage of Incentive B for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

6. *Incentive C: Early Participation of Subdivisions*

- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.
  - (1) Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.
  - (2) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). Because Subdivisions include Subdivisions whose populations overlap in whole or in part with other

Subdivisions, for instance in the case of a city or township contained within a county, the Settling State’s Primary Subdivision population is greater than Settling State’s total population. (Special Districts are not relevant for purposes of Incentive C calculations.)

- (3) A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

<b>Participation or Case-Specific Resolution Levels</b> (As percentage of total Primary Subdivision population)	<b>Incentive C Award</b> (As percentage of total amount available to State under Incentive C, Part 1)
60%	40%
70%	45%
80%	50%
85%	55%
90%	60%
91%	65%
92%	70%
93%	80%
94%	90%
95%	100%

- b. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.
- c. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the

Effective Date, the Settlement Fund Administrator will conduct a look-back to assess which Subdivisions had agreed to participate or had their claim resolved through a Case-Specific Resolution that year. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year; *provided* that the percentage of Incentive C for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

7. *Incentive D: Release of Payments if No Qualifying Special District Litigation.*
- a. \$213,230,769 shall be available for potential Incentive D payments according to the terms specified in this subsection V.E.7.
  - b. If, within five years of the Reference Date, a Covered Special District files litigation against any Released Entity, Janssen shall, within thirty (30) days of Janssen being served, provide notice of the litigation to the Settling State in which the Covered Special District sits, which shall file a motion to intervene in the litigation and use its best efforts to obtain either dismissal of the litigation in cooperation with Janssen, or a release consistent with Section IV of the Special District’s Claims.
  - c. A Settling State shall receive its allocation of the Incentive D payment if, within five years after the Effective Date (the “look-back date”), no Covered Special District within the Settling State has filed litigation which has survived a Threshold Motion and remains pending as of the look-back date, unless the dismissal after the litigation survived the Threshold Motion is conditioned or predicated upon payment by a Released Entity (apart from payments by Janssen incurred under the Agreement or injunctive relief obligations incurred by it).
  - d. Prior to the look-back date, a Released Entity shall not enter into a settlement with a Covered Special District unless the State in which the Covered Special District sits consents to such a settlement or unreasonably withholds consent of such a settlement.
  - e. “*Covered Special Districts*” are school districts, healthcare/hospital districts, and fire districts, subject to the following population thresholds:
    - (1) For school districts, the K-12 student enrollment must be 25,000 or 0.12% of a State’s population, whichever is greater;
    - (2) For fire districts, the district must cover a population of 25,000, or 0.20% of a State’s population if a State’s population is greater than 18 million. If not easily calculable from state data sources and agreed to between the State and Janssen, a fire district’s population is calculated by dividing the population of the county or counties a

fire district serves by the number of fire districts in the county or counties.

- (3) For healthcare/hospital districts, the district must have at least 125 hospital beds in one or more hospitals rendering services in that district.

## **VI. Allocation and Use of Settlement Funds**

- A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section V into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Janssen.
- B. *Use of Settlement Payments.*
  1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions listed in Exhibit G be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VI.B.2. In no event may less than 86.5% of Janssen’s maximum amount of payments pursuant to Sections V, X, and XI over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.
  2. While disfavored by the Parties, a Settling State or Participating Subdivision listed on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision shall identify such amounts and report to the Settlement Fund Administrator and Janssen how such funds were used, including if used to pay attorneys’ fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this subsection VI.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VI.B.2 as used to pay attorneys’ fees, investigation costs, or litigation costs shall be included in the “Compensatory Restitution Amount” for purposes of subsection VI.F and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

- C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions listed on Exhibit G, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.
1. Base Payments. The Settlement Fund Administrator will allocate base payments under subsection V.D among the Settling States in proportion to their respective Overall Allocation Percentages. Base payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.
  2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under subsection V.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection V.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.
  3. Application of Adjustments. If a reduction, offset, or suspension under Section IX applies with respect to a Settling State, the reduction, offset, or suspension shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.
  4. Settlement Fund Administrator. Prior to the Initial Participation Date, Janssen and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.
  5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L with regard to Janssen's payments to the Settlement Fund shall be paid out of interest accrued on the Settlement Fund and from the Settlement Fund should such interest prove insufficient.
- D. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the

apportionment of amounts is not addressed and controlled under subsections VI.D.1-2, then the default provisions of subsection VI.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VI.D.1-2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to Janssen and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.
2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VI.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VI.D.2 only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.
3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. A Participating Subdivision listed on Exhibit G may choose to reallocate all or a portion of its

allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. For a voluntary redistribution to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VI.D.1-2 do not apply, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be distributed as follows:
  - a. Amounts apportioned to that State's State Fund shall be distributed to that State.
  - b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VI.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.
  - c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.
  - d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VI.D.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.
5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection VII.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed

into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VI.D.1 or by an Allocation Statute or a Statutory Trust described in subsection VI.D.2.

E. *Provisions Regarding Abatement Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsection VI.D.1 or VI.D.2 as applicable, and all direct payments to Subdivisions comply with subsections VII.E-H.
2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:
  - a. *Regional Remediation.*
    - (1) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VI.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.
    - (2) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

- (3) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.
- b. *Subdivision Block Grants.* Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.
  - c. *Small States.* Notwithstanding the provisions of subsection VI.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VI.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VI.E.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the state is a region.
  - d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); provided, however, the Advisory Committee or similar entity shall meet the following requirements:
    - (1) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
    - (2) Composition that includes at least an equal number of local representatives as state representatives;
    - (3) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their

communities, their abatement needs, and proposals for abatement strategies and responses; and

- (4) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

F. *Nature of Payment*. Janssen, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. Janssen has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions;
3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (b) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;
4. The payment of the Compensatory Restitution Amount by Janssen constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Janssen;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States and Participating Subdivisions to the same position or condition that they would be in had the Settling States and Participating Subdivisions not suffered the Alleged Harms;
6. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount

is properly characterized as described in subsection VI.F, and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and

7. New York, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Janssen.

## **VII. Participation by Subdivisions and Special Districts**

- A. *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Janssen, shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States of this Agreement that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G as eligible to become Participating Subdivisions. Janssen's share of costs of the written notice to such Subdivisions shall be advanced by Janssen and deducted from its initial settlement payment. Notice shall also be provided simultaneously to counsel of record for Litigating Subdivisions and Non-Litigating Subdivisions listed on Exhibit G as eligible to become Participating Subdivisions. The Settling States, with the cooperation of Janssen, will also provide general notice reasonably calculated to alert Non-Litigating Subdivisions listed on Exhibit G in the Settling States to this Agreement, the opportunity to participate in it and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.
- B. *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State that is listed on Exhibit G may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VI, and (4) that the Subdivision submits to the jurisdiction of the court where the Consent Judgment is filed

for purposes limited to that court's role under the Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

- C. *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator and upon prompt dismissal of its legal action. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and intends to seek fees according to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections VII.B or VII.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Settlement Fund Administrator until Janssen provides the notice in subsection VIII.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.
- E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VI.D or VI.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):
1. A Later Participating Subdivision shall not receive any share of any base or incentive payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.
  2. A Later Participating Subdivision that becomes a Participating Subdivision after July 15, 2022 shall receive 75% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision before that date (unless the Later Participating Subdivision is subject to subsections VII.E.3 or VII.E.4 below).
  3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50%

of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however,* that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any base payment or incentive payment.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.
- F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Janssen.
- G. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.
- H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any base or incentive payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.
- I. *Unpaid Allocations to Later Participating and Non-Participating Subdivisions.* Any base payment and incentive payments allocated pursuant to subsection VI.D to a Later Participating or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.
- J. *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts.* A Non-Litigating Special District may become a Participating Special District by either executing a release consistent with Section IV or by having its claims extinguished by operation of law or released by a Settling State.
- K. *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by either executing a release consistent with Section IV and upon prompt dismissal of its legal action or by having its claims extinguished by operation of law or released by a Settling State.
- L. *Initial Participating Special Districts.* A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District by the Initial Participation Date.

- M. *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of any agreement reached by the applicable Settling State with Initial Participating Special Districts. A Later Participating Special District shall not receive any share of any base or incentive payments paid to the Settlement Fund that were due before it became a Participating Special District.

### **VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment**

- A. *Determination to Proceed With Settlement.* Janssen will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Janssen and may be based on any criteria or factors deemed relevant by Janssen.
- B. *Notice by Janssen.* On or before the Reference Date, Janssen shall inform the Settling States and MDL PEC of its determination pursuant to subsection VIII.A. If Janssen determines to proceed, the Parties will proceed to file the Consent Judgments. If Janssen determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions) and other commitments or obligations contained herein will be void.
- C. *Determination of the Participation Tier.*
1. On the Reference Date, provided that Janssen determines to proceed with this Agreement, the Settlement Fund Administrator shall determine the Participation Tier. The criteria used to determine the Participation Tier are set forth in Exhibit H. Any disputes as to the determination of the Participation Tier shall be decided by the National Arbitration Panel.
  2. The Participation Tier shall be redetermined by the Settlement Fund Administrator annually as of the Payment Date, beginning with Payment Year 1, pursuant to the criteria set forth in Exhibit H.
  3. After Payment Year 3, the Participation Tier cannot move higher, unless this restriction is waived by Janssen.
  4. In the event that a Participation Tier redetermination moves the Participation Tier higher, and that change is in whole or in part as a result of the post-Reference Date enactment of a Bar and there is later a Revocation Event with respect to that Bar, then on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, the Participation Tier shall move down to the Participation Tier that would have applied had the Bar never been enacted, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the

Revocation Event. This is the sole circumstance in which, on a nationwide basis, the Participation Tier can move down.

5. In the event that there is a post-Reference Date Revocation Event with respect to a Bar that was enacted in a Settling State prior to the Reference Date, then, on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the Revocation Event, the Participation Tier shall decrease – solely for the State in which the Revocation Event occurred – to the Participation Tier commensurate with the percentage of Litigating Subdivisions in that State that are Participating Subdivisions and the percentage of Non-Litigating Subdivisions that are both Primary Subdivisions and Participating Subdivisions, according to the criteria set forth in Exhibit H, except that the calculations shall be performed as to that State alone. For the avoidance of doubt and solely for the calculation in this subparagraph, the Settling States Column of Exhibit H shall play no role. This is the sole circumstance in which one Settling State will have a different Participation Tier than other Settling States.
6. The redetermination of the Participation Tier under subsection VIII.C.2 shall not affect payments already made or suspensions or offsets already applied.

## **IX. Potential Payment Adjustments**

### **A. *Later Litigating Subdivisions.***

1. If a Later Litigating Subdivision in a Settling State with a population above 10,000 brings a lawsuit or other legal proceeding against Released Entities asserting Released Claims, Janssen shall, within thirty (30) days of the lawsuit or other legal proceeding being served on Janssen, provide notice of the lawsuit or other legal proceeding to the Settlement Fund Administrator and the Settling State in which the Later Litigating Subdivision sits and provide the Settling State an opportunity to intervene in the lawsuit or other legal proceeding. A Released Entity shall not enter into a settlement with a Later Litigating Subdivision unless the State in which the Later Litigating Subdivision sits consents to such a settlement or unreasonably withholds consent to such a settlement.
2. If no Participation Tier applies and the Later Litigating Subdivision’s lawsuit or other legal proceeding survives a Threshold Motion before Janssen makes its last settlement payment to the Settling State, the following shall apply:
  - a. Janssen will, from the date of the entry of the order denying the Threshold Motion and so long as the lawsuit or other legal proceeding is pending, be entitled to a suspension of the following payments it would otherwise owe the Settling State in which the Later Litigating Subdivision is located: (1) all remaining incentive payments to the relevant state; and (2) the last two scheduled base payments, if not already paid (the “Suspended Payments”).

- b. For each Payment Year that Janssen is entitled to a suspension of payments, the Settlement Fund Administrator shall calculate the Suspended Payments applicable to the next Payment due from Janssen. The Suspended Payments shall be paid into the Settlement Fund Escrow account.
  3. If a Participation Tier applies at the time the Threshold Motion is denied, Janssen will be entitled to a suspension of the following percentages of Suspended Payments depending on the applicable Tier—75% for Tier 1, 50% for Tier 2, 35% for Tier 3, and 25% for Tier 4. Otherwise, the requirements of subsection IX.A.2 apply.
  4. If the Released Claim is resolved with finality without requirement of payment by a Released Entity, the placement of any remaining balance of the Suspended Payments into the Settlement Fund Escrow shall cease and the Settlement Fund Administrator shall immediately transfer amounts in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. The lawsuit will not cause further suspensions unless the Released Claim is reinstated upon further review, legislative action, or otherwise.
  5. If the Released Claim is resolved with finality on terms requiring payment by a Released Entity (*e.g.*, if the lawsuit in which the Released Claim is asserted results in a judgment against Janssen or a settlement with Janssen), the Settlement Fund Administrator will transfer the amounts in the Settlement Fund Escrow on account of the suspension to Janssen necessary to satisfy 75% of the payment obligation of the Released Entity to the relevant Later Litigating Subdivision. The Settlement Fund Administrator shall immediately transfer any remaining balance in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. If the amount to be transferred to Janssen exceeds the amounts in the Settlement Fund Escrow on account of the suspension, Janssen shall receive a dollar-for-dollar offset for the excess amount against its obligation to pay any remaining payments that would be apportioned to the Settling State at issue and to its Participating Subdivisions listed on Exhibit G.
- B. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Janssen shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. For the avoidance of doubt, an offset shall not be

applicable under this subsection if it is applicable under subsection IX.A with respect to the Subdivision at issue.

C. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*

1. If Janssen made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Janssen shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by Janssen during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Janssen during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of incentive payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision (in addition to all other Participating Subdivisions) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for Incentive D, the Settling State shall return to Janssen all payments made under Incentive D.
2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Janssen's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any incentive payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

**X. Additional Restitution Amount**

- A. *Additional Restitution Amount.* Pursuant to the schedule set forth below and subject to the reduction specified in subsection X.B below, Janssen shall pay an Additional Restitution Amount to the Settling States listed in Exhibit N. Such funds shall be paid on the schedule set forth on Exhibit M on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

Payment Year 1	\$15,384,615.38
Payment Year 2	\$26,923,076.92

Payment Year 3          \$25,000,000.00

- B. *Reduction of Additional Restitution Amount.* In the event that any Non-Settling State appears on Exhibit N, the amounts owed by Janssen pursuant to this Section X shall be reduced by the allocation set forth on Exhibit N for any such Non-Settling States.
- C. *Use of Funds.* All funds paid as an Additional Restitution Amount shall be part of the Compensatory Restitution Amount, shall be used for Opioid Remediation, except as allowed by subsection VI.B.2, and shall be governed by the same requirements as specified in subsection VI.F.

**XI. Plaintiffs’ Attorneys’ Fees and Costs**

- A. The Agreement on Attorneys’ Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the State Cost Fund Administration are set forth in Exhibit U and Exhibit S, respectively, and are incorporated herein by reference.

**XII. Enforcement and Dispute Resolution**

- A. *Enforceability.* The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Janssen. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Janssen with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VI; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.
- B. *Jurisdiction.* Janssen consents to the jurisdiction of the court in which the Consent Judgment is filed, limited to resolution of disputes identified in subsection XII.F.2 for resolution in the court in which the Consent Judgment is filed.
- C. *Specific Terms Dispute Resolution.*
  - 1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief terms in Exhibit P shall be resolved as provided therein.
  - 2. In the event Janssen believes the 86.5% threshold established in subsection VI.B.1 is not being satisfied, any Party may request that Janssen and the Enforcement Committee meet and confer regarding the use of funds under subsection VI.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VI.B.1 shall: (i) be limited to Janssen seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 86.5% threshold established in subsection VI.B.1; (ii) only reduce Annual

Payments to those Settling States and its Participating Subdivisions that are below the 86.5% threshold established in subsection VI.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VI.E.2.b.
2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.
3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XII.F.4.a(4) to seek resolution of any failure by Janssen to make its required base and/or incentive payments in a Payment Year.

F. *Other Dispute Resolution Terms.*

1. Except as provided in subsection XII.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this subsection XII.F to resolve the dispute.
2. Except as provided in subsections XII.C and XII.F.4, disputes not resolved informally shall be resolved in either the court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

- a. disputes concerning whether expenditures qualify for Opioid Remediation;
  - b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XII.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;
  - c. whether this Agreement and relevant Consent Judgment are binding under state law;
  - d. the extent of the Attorney General’s or other participating entity’s authority under state law, including the extent of the authority to release claims;
  - e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and
  - f. all other disputes not specifically identified in subsections XII.C and XII.F.4.
3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court’s rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys’ fees and costs for preparing any such filing shall be paid for by the requesting Party.
4. National Disputes involving a Settling State, Participating Subdivision, and/or Janssen shall be resolved by a National Arbitration Panel.
- a. “*National Disputes*” are disputes that are exceptions to subsection XII.F.2’s presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State’s law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:
    - (1) the amount of offset and/or credit attributable to Non-Settling States and Tribes;
    - (2) issues involving the scope and definition of “Product”;

- (3) interpretation and application of the terms “Covered Conduct” and “Released Entities”;
- (4) disputes over a given year’s payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Janssen over the amounts owed to only that State shall not be considered National Disputes);
- (5) questions regarding the performance and/or removal of the Settlement Fund Administrator;
- (6) disputes involving liability of successor entities;
- (7) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D, as well as disputes over qualification for Participation Tiers;
- (8) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and
- (9) any dispute subject to resolution under subsection XII.F.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XII.F.4.

b. The “*National Arbitration Panel*” shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Janssen, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

- (1) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.
- (2) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.
- (3) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party’s request) the National

Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

- (4) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Janssen on a state law issue.
  - (5) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Janssen, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Janssen whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.
- c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.
  - d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XII.F. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Janssen and Settling States/Participating Subdivisions shall be split 50% by Janssen and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.
5. Prior to initiating an action to enforce pursuant to this subsection XII.F, the complaining party must:
- a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice.

The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

- b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.
- 6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XII.F.2 or XII.F.4, a committee comprising the Enforcement Committee and sufficient representatives of Janssen such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.
- G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Janssen reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

### **XIII. Miscellaneous**

- A. *No Admission.* Janssen does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Janssen.
- B. *Population of Subdivisions.* The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.
- C. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used, other than the use of "Covered Special District": (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at 25% of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at 10% of the population served.
- D. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.

E. *Tax Reporting and Cooperation.*

1. Upon request by Janssen, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Janssen to establish the statements set forth in subsection VI.E.3 to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
2. Without limiting the generality of subsection VI.C.1, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Janssen with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
3. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
4. For the avoidance of doubt, neither Janssen nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

F. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

G. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

H. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

I. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment

by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

- J. *Entire Agreement.* This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.
- K. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.
- L. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.
- M. *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.
- N. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this subsection.

- P. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.
- Q. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.
- R. *Successors.* This Agreement shall be binding upon, and inure to the benefit of, Janssen and its respective successors and assigns. Janssen shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Janssen's obligations under this Agreement.
- S. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Janssen along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VI.E.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing.

Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Janssen will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

T. *Termination.*

1. 1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.

4. Provide resources to staff government oversight and management of opioid abatement programs.

## **K. TRAINING**

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (*e.g.*, health care, primary care, pharmacies, PDMPs, etc.).

## EXHIBIT G

### Subdivisions Eligible to become Participating Subdivisions and Default Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to become Participating Subdivisions. By default, the Subdivisions set forth on this Exhibit G shall include: (1) all Litigating Subdivisions; (2) all counties and parishes in States with functional counties or parishes; (3) all Subdivisions that are the highest level of general purpose government in States without functional counties or parishes; and (4) all other Subdivisions with a population of 10,000 or greater. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

The Parties recognize the benefits of remediation funds reaching all communities, including through direct payments from the Subdivision Fund. However, to promote efficiency in the use of such funds and avoid administratively-burdensome disbursements that would be too small to add a meaningful abatement response, certain Subdivisions do not receive a direct allocation from the Subdivision Fund. However, such Subdivisions will benefit from Opioid Remediation in their community, and are eligible to receive direct benefits from the Abatement Accounts Fund in their State. All settlement funds, whether allocated to a Settling State, an Abatement Accounts Fund or a Subdivision listed on this Exhibit G can be used for Opioid Remediation in communities not listed herein.

As provided by subsection VI.D.4.c, the Allocation Percentages shown below apply to distribution of each Settling State's Subdivision Fund in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. The allocation that would have otherwise gone to Subdivisions not listed below as receiving a direct allocation shall be (1) directed to the county or parish in which such Subdivision is located in Settling States with functional counties or parishes if the relevant county or parish is a Participating Subdivision or (2) to the highest-level general purpose government in which such Subdivision is located in Settling States without functional counties or parishes if the relevant highest-level general purpose government is a Participating Subdivision. Where the relevant county, parish or highest-level General Purpose Government is not a Participating Subdivision, allocations of General Purpose Subdivisions not

listed below as eligible to become Participating Subdivisions shall be allocated pursuant to subsection VII.I. The redirecting of funds described in this paragraph is intended to promote the efficient use of Opioid Remediation funds while keeping, where possible, local control of the distribution of those funds.

This Exhibit G will be updated with Subdivisions eligible to become Participating Subdivisions pursuant to subsection I.77.

**Participation Tier Determination\***

<b>Participation Tier</b>	<b>Settling States as of the Payment Date (beginning in Payment Year 1)</b>	<b>Percentage of Litigating Subdivisions that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Payment Date (beginning in Payment Year 1)</b>	<b>Percentage of Non-Litigating Subdivisions with Populations over 10,000 that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class resolution in effect as of the Payment Date (beginning in Payment Year 1)</b>
1	44	95%	90%
2	45	96%	96%
3	46	97%	97%
4	48	98%	97%

\* The following conditions apply to the determination of Participation Tiers:

1. For the sole purpose of the Participation Tier determination under this Exhibit, the States used to calculate each criterion (including the percentages of Litigating and Non-Litigating Subdivisions in Settling States that are Participating Subdivisions) will include each of the 50 states in the United States, excluding the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.
2. Assessment of Subdivision participation percentage will be national in scope.
3. For purposes of determining Participation Tiers, “Litigating Subdivisions” includes Special Districts that have brought any Released Claims against any Released Entities. Special Districts shall have their population measured as set forth in subsection XIII.C.
4. The percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000 will be calculated as follows: Each Litigating Subdivision and each Non-Litigating Subdivision with a population over 10,000 in the States used to calculate the Participation Tier will be assigned a metric reflecting both population and severity (the “Population-Severity Metric”). The Population-Severity Metric shall be the Subdivision’s population plus the Subdivision’s population multiplied by the severity factor for the State of the Subdivision (the severity factors for each State are attached as Exhibit T hereto) and then divided in two, thus giving 50% weight to each of population and population multiplied by the severity factor. The denominator for each percentage shall be the sum total of the Population-Severity Metric for all the Subdivisions in the

relevant category (Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States, notwithstanding that persons may be included within the population (and therefore the Population-Severity Metric) of more than one Subdivision. The numerator will be the sum total of the Population-Severity Metrics of all Subdivisions in the relevant category of Subdivision (*i.e.*, Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States that are either Participating Subdivisions or are subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution, notwithstanding that persons may be included within the population of more than one Subdivision. For the avoidance of doubt, Subdivisions in Non-Settling States are excluded from both the denominator and numerator of the calculations for the percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000.

5. When the Participation Tier is redetermined annually, Later Participating Subdivisions described in Section VII.E.3 or Section VII.E.4 shall not be included as Participating Subdivisions, and for Subdivisions subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution to be included, the Bar, Case-Specific Resolution, or Settlement Class Resolution must have been in effect both as of the relevant Payment Date and for the entire period since the prior Payment Date.
6. Subdivisions with populations over 10,000 are listed on Exhibit I.

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Janssen Settlement.

10. Nothing herein is intended to modify in any way the terms of the Janssen Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Janssen Settlement in any respect, the Janssen Settlement controls.

## EXHIBIT O

### Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section VI and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes<sup>3</sup>, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) 200% of the State's population. - M. “*MDL PEC.*” The Plaintiffs’ Executive Committee appointed by the MDL Court.
- N. “*Non-Participating Litigating Subdivision.*” A Litigating Subdivision that is not a Participating Subdivision.
- O. “*Participating Litigating Subdivision.*” A Litigating Subdivision that is also a Participating Subdivision.
- P. “*Participation Agreement.*” An agreement executed by an Attorney that acknowledges the obligation to pay an appropriate MDL Common Benefit Assessment.
- Q. “*Qualifying Representation.*” Legal services provided for representation of a Participating Litigating Subdivision regarding Released Claims against Released Entities.
- R. “*State Back-Stop Agreement.*” Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys’ fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.

**II. Fees and Costs**

- A. *Total Attorneys’ Fees and Costs.*
  - 1. Total attorneys’ fees and costs to be paid by Janssen to Attorneys in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below, including with respect to the division of the Attorney Fee Fund into its sub funds:

	Attorney Fee Fund (Contingency Fee Fund and Common Benefit Fund)	MDL Expense Fund	Litigating Subdivision Cost Fund
Payment Year 1	\$32,391,518.74	\$9,615,384.61	\$10,000,000.00
Payment Year 2	\$35,936,883.63		\$10,000,000.00
Payment Year 3	\$64,482,248.52		\$10,000,000.00
Payment Year 4	\$43,720,414.21		
Payment Year 5	\$43,720,414.21		
Payment Year 6	\$43,720,414.21		
Payment Year 7	\$43,720,414.21		

2. The sub funds within the Attorney Fee Fund shall include the Common Benefit Fund and the Contingency Fee Fund. The Cost Funds shall include the MDL Expense Fund, and the Litigating Subdivision Cost Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.
  
3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
  
4. The fees and costs to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations only. Fees and costs to be paid under this Fee Agreement are not available prior to the Effective Date of the Janssen Agreement or if the Janssen Agreement does not proceed past Janssen's determination in Section VIII.A of the Janssen Agreement. Fees and costs to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees and costs under this Fee Agreement are not available for representation of

any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

B. *Attorney Fee Fund and Sub Funds*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.
2. In no event shall Janssen be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in paragraph II.A.1, which amounts are reflected in Exhibit M to the Janssen Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.
3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Janssen Agreement, as set forth in Exhibit G to the Janssen Agreement, and shall be made applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.
4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund (60% of the Attorney Fee Fund.)*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph II.C.5. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	\$19,434,911.24
Payment Year 2	\$21,562,130.18
Payment Year 3	\$38,689,349.11
Payment Year 4	\$26,232,248.53
Payment Year 5	\$26,232,248.53
Payment Year 6	\$26,232,248.53
Payment Year 7	\$26,232,248.53
<b>Total:</b>	<b>\$184,615,384.64</b>

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions who:
  - a. have performed work for the common benefit of all subdivisions pursuant to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated June 19, 2018, under docket number 636, which is included herein by reference; and
  - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.4, Attorneys representing Tribal Nations litigating against Janssen that have reached a settlement for Released Claims with Janssen and/or Released Entities and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the June 19, 2018 Order;
4. In assessing the benefits that an Attorney has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Attorney and his or her clients have contributed to increasing (or reducing) the Initial Participation Tier achieved through participation in the Janssen Agreement, (ii) the Attorney and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Janssen Agreement, and (iii) the Attorney and his or her clients have contributed to the potential triggering of any suspension, reduction, or offset of Settlement payment amounts under the Janssen Agreement. The panel may also consider additional fee recoveries the Attorney may potentially obtain, including, but not limited to, from State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients,

whether they participated in the Janssen Agreement or not. It is the intent of this provision to recognize that the goal of the Janssen Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Janssen Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions is antithetical to the Janssen Settlement, detracts from Common Benefit, and is addressed by the ethics opinion discussed in paragraph II.I.4. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Attorneys, as well as, in its discretion, any offsets provided to Janssen as set forth in paragraph II.C.6 and Section II.H. The Fee Panel shall consider the totality of the Attorney's Participating Litigating Subdivisions as compared to the Attorney's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Attorneys with a higher number of clients have a higher probability of having one or more non-Participating Litigating Subdivision. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Attorney has a Fee Entitlement.

5. As set forth in paragraph II.C.6 and Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Janssen under this Fee Agreement and to determine how to allocate funds among Attorneys. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Janssen in this Fee Agreement shall be applied against Payment Year 7 and working backwards. Any reduction to an Attorney not credited to Janssen shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.
6. The amounts to be provided as a credit or offset to Janssen from the Common Benefit Fund shall depend on the relevant Participation Tier achieved, set forth in Exhibit H of the Janssen Agreement, as follows:
  - a. At Participation Tier 1 or below, the Common Benefit Fund payments to be paid by Janssen shall be reduced as follows:
    - i. With respect to any Attorney seeking payment from the Common Benefit Fund, the Fee Panel shall compare the aggregate allocation that Participating Litigating Subdivisions with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics with the aggregate amount that all Litigating Subdivisions (Participating and Non-Participating) with which the Attorney has a

Fee Entitlement would receive using the negotiating class allocation metrics, provided that only Litigating Subdivisions in Settling States shall be considered for this ratio. The Fee Panel will multiply the amount to be paid to that Attorney from the Common Benefit Fund by that ratio, reduce the Attorney's award by a maximum reduction of 15%, and the dollar amount of such reduction shall be deducted, dollar-for-dollar, from the amount owed by Janssen to the Common Benefit Fund of the Attorney Fee Fund.

- ii. In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar for any amount of such fee assessments or payments (in the aggregate based on all reductions in this subparagraph II.C.6.a.ii) that exceed the reductions in subparagraph II.C.6.a.i.
  - iii. For the avoidance of doubt, in Tier 1 for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Year 7.
- b. At Participation Tier 2, the Common Benefit Fund payments to be made by Janssen shall be reduced only as follows:
- i. Reduction by the Fee Panel. With respect to all Attorneys making an application that seeks payment from the Common Benefit Fund, the Fee Panel shall, following a determination that an Attorney is eligible under Section II.G, apply the criteria specified in paragraph II.C.4 in determining whether the lack of participation by Subdivisions with which an Attorney has a Fee Entitlement has resulted in a reduction in the Participation Tier achieved, reduction in benefit to Participating Subdivisions as a result of reductions in Incentives A-D, and/or potential triggering of a suspension, reduction, or offset under the Janssen Agreement. If the Fee Panel concludes that such a reduction has occurred, it must consider (1) the relative size of the Non-Participating Subdivision, as adjusted by the severity measures reflected in Exhibit H (governing the Participation Tiers) of the Janssen Agreement, and the impact of its non-participation on the

Janssen Agreement as a whole (including amounts of Incentive Payments and triggering of suspensions, reductions, or offsets); (2) whether and by how much the payment to the Attorney from the Common Benefit Fund should be reduced as a result of the impact of such non-participation on Participating Subdivisions; and (3) whether some or all of said reduction should revert to Janssen due to the reduction in peace obtained from the Janssen Agreement. Consideration of the factors discussed in this subparagraph and paragraph II.C.4 is mandatory. The decision whether to (and by how much) to reduce payments by Janssen or to reduce the payment to any Attorney based on the factors in paragraph II.C.4 shall be in the sole discretion of the Fee Panel.

ii. Offsets.

- (1) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay Common Benefit Fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar up to the amount of the fee assessment or payment, except that such amount shall be capped at 7.5% of the amount of the settlement or judgment. Such reduction shall be taken first from Payment Year 7 of Janssen's payments to the Common Benefit Fund of the Attorney Fee Fund up to the full amount of Janssen's payment obligation in Payment Year 7, then from Payment Year 6, and so on.
  - (2) For the avoidance of doubt, for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Payment Year 7.
- c. At Participation Tier 3, the reductions to the Attorney Fee Fund shall be the same as set forth in subparagraph II.C.6.b, except that the cap on each offset shall be 5% of the amount of such settlement or judgment.
  - d. At Participation Tier 4, there shall be no reductions to Janssen's obligations to make payment into the Common Benefit Fund, but the principles set forth in paragraph II.C.4 shall continue to apply.

D. *Contingency Fee Fund.* (40% of the Attorney Fee Fund.)

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	\$12,956,607.50
Payment Year 2	\$14,374,753.45
Payment Year 3	\$25,792,899.41
Payment Year 4	\$17,488,165.68
Payment Year 5	\$17,488,165.68
Payment Year 6	\$17,488,165.68
Payment Year 7	\$17,488,165.68
Total:	<b>\$123,076,923.09</b>

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.
3. The Contingency Fee Fund shall be available to Attorneys who
  - a. represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and
  - b. meet the eligibility criteria of Section II.G.
  - c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
4. The amounts owed by Janssen to the Contingency Fee Fund shall depend on the relevant Participation Tier set forth in Exhibit H of the Janssen Agreement as follows:
  - a. At Participation Tiers 1, 2 and 3, the Contingency Fee Fund payments shall be reduced as follows:
    - i. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.

- ii. Following the calculation in subparagraph II.D.4.a.i, the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
- b. At Participation Tier 4, there shall be no reductions in the Contingency Fee Fund.
- c. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Janssen Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen as if determined under (a)(ii) above, except that such credit shall not be greater than the amount to the Attorneys paid under the Litigating Subdivision's prior settlement agreement.

E. *Litigating Subdivision Cost Fund.*

- 1. Janssen shall pay \$30,000,000.00 into the Litigating Subdivision Cost Fund, according to the schedule set forth below:

Payment Year 1	\$10,000,000.00
Payment Year 2	\$10,000,000.00
Payment Year 3	\$10,000,000.00
<b>Total</b>	<b>\$30,000,000.00</b>

- 2. The Litigating Subdivision Cost Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions or to compensate Participating Litigating Subdivisions for direct in-house costs for expenditures related to their litigation against Janssen including the cost of in-house employees. No funds in the Litigating Subdivision Cost Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Litigating Subdivision Cost Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021.

3. During the period between July 21, 2021, and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Litigating Subdivision Cost Fund, shall make best efforts to cease litigation activity against Janssen, including by jointly seeking stays or severance of claims against Janssen, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.
4. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pay costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Litigating Subdivision Cost Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost Fund if they had settled under the Janssen Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.
5. The MDL Court shall appoint a Cost and Expense Fund Administrator, who shall develop a process and criteria, with input from participating counsel, by which to a) determine the distribution of amounts from the MDL Expense Fund in pursuit of the claims against Janssen; and b) receive and evaluate applications from Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement from the Litigating Subdivision Cost Fund for eligible costs under Section II.E.2 in pursuit of the claims against Janssen. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Litigating Subdivisions for costs incurred. The Cost and Expense Fund Administrator shall be compensated from the Fund.
6. In the event that the total amount of reimbursements from the Litigating Subdivision Cost Fund approved as reasonable by the Cost and Expense Administrator is less than the \$30,000,000.00, any remaining funds shall revert to Janssen.

F. *MDL Expense Fund.*

1. In Payment Year 1 of the Janssen Settlement, Janssen shall pay the following amount into the MDL Expense Fund:

MDL Expense Fund	\$9,615,384.61
------------------	----------------

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.
3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to July 21, 2021 and that special circumstances exist to justify costs incurred following the public announcement of the Janssen Agreement.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees, including referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.
2. An Attorney may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and the Litigating Subdivision Cost Fund and any fund created by a past or future State Back-Stop Agreement, provided the Attorney satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
  - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund or costs from the Cost Funds. All applications for attorneys' fees or costs under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees or costs under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
  - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or any Releasor with respect to Released Claims against Released Entities.
  - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation that the Attorney could not undertake consistent with the ethics opinion referenced in paragraph II.I.4.
  - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions. For the avoidance of doubt, this representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions represented by other Attorneys that are the result of the MDL Court's Common Benefit order.
  - e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision.

- f. The Attorney must certify that s/he has reviewed the ethics opinion referenced in paragraph II.I.4 and will act in conformity with such opinion.
  - g. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Janssen Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
  - h. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, and deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement, and for which case(s) it was signed.
  - i. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Janssen Agreement to be fair and will make or has made best efforts to recommend the Janssen Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this section shall include an affirmation by the Attorney in compliance with this Subsection.
4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
  5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments.
  6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Janssen and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify Janssen and the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision, the Attorney shall be required to refund amounts previously paid.
8. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
9. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Janssen Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
10. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the arbitration procedures outlined herein.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Attorney and each Participating Subdivision that applies under this Section. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Janssen as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Janssen may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for the arbitration process consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with applicants and/or other counsel (including counsel for Janssen) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. In addition, the Fee Panel will give consideration in regard to Common Benefit awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
  - a. The Attorney's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Attorney's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
  - b. The novelty, time, and complexity of the Qualifying Representations;
  - c. The skill requisite to perform legal services properly and undesirability of the case;
  - d. The preclusion of other employment by the Attorney due to time dedicated to Qualifying Representations;
  - e. The "common benefit," if any, alleged to have been conferred by the Attorney and whether such common benefit work product by that Attorney was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Attorney claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
  - f. Any "common detriment," as set forth in paragraph II.C.4.
  - g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such

Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

- h. The experience, reputation, and ability of the Attorney;
- i. Whether the Attorney's clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Attorney;
- k. The nature of any work by the Attorney on "bellwether" cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Attorney in cases against Janssen or any risk for Janssen created by the Attorney in cases against them;
- m. Any risk for defendants created by applicants in cases against Janssen;
- n. Successful and unsuccessful motion practice in cases worked on by the Attorney;
- o. The date of filing of any cases filed by the Attorney;
- p. Obtaining consolidation of the litigation in the Attorney's jurisdiction;
- q. The number and population of entities represented by the Attorney and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Attorney's clients brought claims against Janssen;
- s. Whether the Attorney has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Attorney has had a leadership role in any negotiations aimed at resolving the litigation;
- u. Whether the Attorney's cases have survived motions to dismiss;
- v. The extent to which the Attorney contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

- w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Janssen Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and
  - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from applicants to the Attorney Fee Fund.
4. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Attorney seeking compensation from the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Attorney shall, at a minimum, require each Attorney to
- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
  - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
  - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
  - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
  - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
  - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
  - g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Attorney shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award.

Examples would include, but are not limited to, an Attorney having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.

5. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
  - a. Review the applications of all Attorneys seeking compensation from the Common Benefit Fund, including determining eligibility for each Attorney as set forth in Section II.G.
  - b. Reduce, on an annual basis, Janssen's payment obligations, as set forth in paragraph II.C.5. The Panel shall inform Janssen and the MDL PEC of all such amounts and adjust Janssen's payment obligations accordingly.
  - c. Using criteria set forth in Sections II.C and II.I, allocate amounts from the Common Benefit Fund to eligible Attorneys, including payment amounts for each Payment Year. In making such allocations (regardless of the Participation Tier achieved), the Panel shall apply the principles set forth in paragraph II.C.4 and shall allocate any reduction in the payments of Janssen specified in paragraph II.C.5 to the amounts paid to Attorneys with a Fee Entitlement to Litigating Subdivisions that are not Participating Subdivisions.
6. With respect to the Contingency Fee Fund, the Fee Panel shall:
  - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
  - b. Apply the Mathematical Model in Exhibit A.
  - c. Use such allocations to reduce payments, on an annual basis, the payment obligations of Janssen to the Attorney Fee Fund as set forth in paragraph II.D.4, and distributions therefrom, and inform Janssen and the MDL PEC of all such adjustments.
7. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Janssen is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

8. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee or cost award at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
9. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision or allocates cost to such Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The costs associated with the Fee Panel prior to the Effective Date of the Attorney Fee Agreement shall be funded by Janssen. The Fee Panel shall charge an hourly rate that previously has been approved by a federal or state court and shall provide a budget and a cap for such work prior to the Effective Date, which shall be approved by Janssen and such approval shall not be unreasonably withheld. Janssen shall receive a refund for any such payment of pre-Effective Date costs from interest that accrues on the monies in the Attorney Fee Fund (including interest that accrues during such time as the Attorney Fee Fund monies are in escrow prior to the Effective Date of the Janssen Agreement), up to the amount of such costs. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Janssen. The costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Expense Fund and the Litigating Subdivision Cost Fund and shall not be otherwise funded by Janssen.
2. The MDL PEC will seek, and the Attorneys General for Settling States and Janssen will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.
3. The MDL PEC shall provide to Janssen information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or having signed a Participation Agreement.

4. The MDL PEC shall retain ethics counsel of its choice to provide an opinion that addresses the compliance of its ethical obligations, as it relates to the Janssen Agreement. Such opinion shall address the issue of the potential conflict of interest for an Attorney that had represented a Participating Subdivision also representing a Later Litigating Subdivision as defined in the Janssen Agreement. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The opinion shall be provided to Janssen as soon as it is completed and, in any event, prior to July 31, 2021 and shall be disseminated to counsel eligible to apply to the Attorney Fee Fund within 30 days of the announcement of the Janssen Agreement. The MDL PEC represents that it will comply with this opinion until the Reference Date and thereafter if the Janssen Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as secret under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

### **III. Miscellaneous**

A. *Termination.* If the Janssen Agreement does not proceed past the Reference Date, whether because Janssen does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Janssen Agreement. This Fee Agreement shall also be submitted by Janssen and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Janssen Agreement, as Exhibit B.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Janssen under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Janssen and the MDL PEC shall meet and confer concerning such changes.
2. If Janssen and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement in the event discussed in paragraph III.B.1, this Fee

Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Janssen and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Janssen as set forth in this section, and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Janssen, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Janssen Agreement.

## EXHIBIT S

### Agreement on the State Cost Fund Administration

1. **Creation of a State Cost Fund.** Janssen and the Settling States agree to the creation of a state cost fund to pay litigation costs and expenses associated with litigation and investigation related to the opioid litigation (hereinafter the “State Cost Fund”). This agreement is a material part of the Settlement Agreement. The State Cost Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Counsel Fee Fund, Subdivision Costs Fund, and the MDL Expense Fund. No funds may be released from the State Cost Fund to Non-Settling States.

2. **State Cost Fund Amount.** In Payment 1 of the Settlement, Janssen shall pay into the State Cost Fund \$13,461,539 (the “State Cost Fund Amount”). Janssen’s State Cost Fund payment shall be a component of its Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, for Payment 1.

3. **State Cost Fund Committee.** A committee of Attorneys General from Settling States or their designated representatives (hereinafter the “State Cost Fund Committee”) shall oversee the State Cost Fund. The committee shall initially consist of the following states: (a) Delaware; (b) Florida; (c) Georgia; (d) New York; (e) North Carolina; (f) Ohio; (g) Tennessee; and (h) Texas. The Settling State Attorneys General may by majority vote add or change the composition of the State Cost Fund Committee, including replacing any above State, if that State is not a Settling State.

4. **State Cost Fund Administrator.** The State Cost Fund Committee shall select an administrator (the “State Cost Fund Administrator”). The State Cost Fund Administrator may be different from the Settlement Administrator under the Settlement Agreement. The State Cost Fund Administrator shall be responsible for administering the State Cost Fund and making payments to Settling States.

5. **State Cost Fund Guidelines.** Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented opioid litigation and investigation costs incurred or paid. In allocating the State Cost Fund, no funds shall be allocated for costs incurred after July 21, 2021. The State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the State Cost Fund. The State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and/or payment of each expense attributable to investigation or litigation related to the opioid litigation, including any outstanding National Association of Attorneys General grant.

6. **State Cost Fund Payment Priorities and Residual.** To the extent that that the aggregate eligible submissions of costs and expenses from Settling States exceed the State Cost Fund Amount, payments to Settling States shall be paid in the following order until the State

Cost Fund is exhausted. If the State Cost Fund is unable to fully pay costs at any of the following levels, then Settling States with costs at that level shall be paid on a proportional basis. All expenses with a lesser priority from the level where the State Cost Fund is exhausted will not be reimbursed from the State Cost Fund. Costs shall be paid in the following order: (a) the reasonable costs of the State Cost Fund Administrator, if any; (b) repayment of the National Association of Attorneys General grants connected to opioid litigation; (c) costs incurred or paid by outside counsel for a Settling State litigating against Janssen apart from any fee owed; (d) litigation-related costs attributable to the Janssen case incurred or paid by a Settling State litigating against Janssen; (e) pre-suit investigation-related costs attributable to a Janssen investigation incurred or paid by either a Settling State outside counsel (not including any amount of fees or any costs which have already been reimbursed pursuant to clause (c), above) or a Settling State investigating Janssen; (f) costs incurred or paid by a Settling State or outside counsel litigating against another opioid defendant other than a cost share entered into by a Settling State, which costs have not yet been paid under a preceding clause of this paragraph; (g) the amounts paid by a Settling State as part of cost share related to the filing of a proof of claim in the Purdue Pharma, L.P. bankruptcy; and (h) the amounts paid by a Settling State as part of any other cost share, including, but not limited to the cost share entered into by the Non-Consenting States in the Purdue Pharma, L.P. bankruptcy. If the State Cost Fund has additional monies after payment of the State Cost Fund Administrator's and all Settling States' submitted costs, then the remaining funds will be provided to the National Association of Attorneys General to be placed in the Financial Services Fund for the purpose of funding grants for consumer protection or healthcare-related enforcement or training activities. In determining what costs are attributable to Janssen, the State Fund Committee shall develop a guideline that ensures that all Settling States are treated equitably.

**EXHIBIT U**

**Agreement on the State Outside Counsel Fee Fund**

1. **Creation of a State Outside Counsel Fee Fund.** Janssen and the Settling States agree to the creation of a state outside counsel fee fund to pay reasonable attorney’s fees of Settling States with outside counsel in connection with litigation against Janssen (the “State Outside Counsel Fee Fund”). This agreement is a material part of the Settlement Agreement. All terms utilized in this Agreement shall have the same meaning as in the Settlement Agreement unless otherwise indicated.
2. **State Outside Counsel Fee Fund Administration.** The State Outside Counsel Fee Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Cost Fund, and the MDL Expense Fund. A committee of Attorneys General shall oversee the State Outside Counsel Fee Fund (“Fee Fund Committee”). The Fee Fund Committee shall initially consist of the following: (a) Arkansas; (b) Florida; (c) New Jersey; and (d) Puerto Rico. The Fee Fund Committee shall select a settlement fund administrator (who may or may not be different from the Settlement Administrator under the Distributor Agreement) (the “Fee Fund Administrator”) who shall administer the State Outside Counsel Fee Fund according to the guidelines and directives of the Fee Fund Committee.
3. **State Outside Counsel Fee Eligibility.** To participate in the State Outside Counsel Fee Fund, an outside counsel for a Settling State must have filed and be maintaining an action in the name of a Settling State or its attorney general against Janssen in a state or federal court as of June 1, 2021. No Settling State can draw attorney’s fees from both the State Outside Counsel Fee Fund and the similarly sized fund to reimburse Settling State’s without outside counsel.
4. **State Outside Counsel Fee Fund Amount.** Janssen shall pay funds in the State Outside Counsel Fee Fund according to the schedule set forth below, as part of its annual Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, subject to the adjustments described below:

Payment Year 1	\$32,391,518.74
Payment Year 2	\$30,769,230.77
Payment Year 3	\$ 4,146,942.80
5. **State Outside Counsel Fee Fund Availability and Calculation of Amount.**
  - a. The State Outside Counsel Fee Fund shall be available to compensate private counsel for State Attorneys General for approved fees arising out of representation of the State pursuant to the schedule developed by the Fee Fund Committee and provided to Janssen.

- b. Fees shall be calculated by adding two components: (a) a fixed amount consisting of fifty (50%) of the amount allocated to a State utilizing the allocation percentage in the Settlement Agreement multiplied times 4.5%; and (b) a proportional percentage of the remaining fee due under that Settling State's contract assuming that fifty (50%) of the State's recovery is allocable to a Settling State (versus allocable to the Settling State's Subdivisions) so that the fees of all Settling States (minus the base amount that would have been due to any of Non-Settling States) exhausts the State Outside Counsel Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Fee Fund. All amounts paid will be less any costs or fees of the Fee Fund Administrator.

**6. Payment by the Fee Fund Administrator.**

- a. If a Settling State and a Settling State's outside counsel agree that the amount calculated in paragraph 5 above satisfies in full amounts owed to all Settling State outside counsel, then upon written notice of that agreement and counsel waiving in writing any entitlement to any additional fee, the Fee Fund Administrator shall pay that Settling State's outside counsel pursuant to the calculation and any schedule created by the Fee Fund Committee.
- b. If a Settling State's outside counsel does not agree that the amount calculated in Paragraph 5 above satisfies in full amounts owed by the Settling State, then the Settling State's share shall be placed in an interest bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until the Settling State and its outside counsel agree in a signed writing to a resolution of the amount outstanding or there is a final judgment entered that is no longer appealable.
- c. Upon being provided a signed, written agreement or the final non-appealable judgment, the Fee Fund Administrator shall release monies from the State Outside Counsel Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- d. Nothing herein, including the amounts listed in paragraph 5 above, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (a) its recovery was less than fifty (50%) percent of the recovery in the Settlement Agreement down to and including fifteen (15%) percent of the total recovery; (b) any payment should be discounted by an appropriate discount rate commensurate to the risk of the Settlement Agreement and the timeline that the Settling State is receiving its payments; (c) the settlement amount should be lower because a Settling State's amounts were reduced because a Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) who(m) the outside counsel also represented;

or (d) any limitation placed by Janssen bars payment of a higher fee to outside counsel.

- e. In the event the amount due to the Settling State’s outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State not being a Settling State, shall funds revert to Janssen.
- f. Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced and/or credited to Janssen by the amount specified in paragraph 7, below, for any Non-Settling outside counsel States.

7. **Reversion or Reduction of Amounts owed to Non-Settling States.** Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced on account of Non-Settling States as follows:

- a. If the State of Washington does not become a Participating State and eleven (11) of the other outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the State of Washington’s Fixed Amount in the table below.
- b. If ten (10) outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the allocated Fixed Amount in the table below for each Non-Settling State.
- c. If nine (9) or fewer of the outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by each Non-Settling State’s allocated Fixed Amount plus half the difference between the Non-Settling State’s full share of the “Fee Amount if all OC States Join” and the Fixed Amount for each Non-Settling State.

### I. PAYMENT ALLOCATION DETERMINATION

This Notice is an official communication from the Directing Administrator of the National Opioid Settlements. A copy of this Notice has been sent to the Enforcement Committee and Janssen pursuant to Section V.B of the Janssen Settlement Agreement, dated as of July 21, 2021, as amended, between and among the Settling States, Janssen, and Participating Subdivisions (the "Janssen Settlement Agreement"). All capitalized terms used in this letter have the meanings ascribed to them in the Janssen Settlement Agreement.

Pursuant to Section V.B and Exhibit M of the Janssen Settlement Agreement, Connecticut's Total 2022 Janssen Payment amount is **\$42,786,144.11**, which is broken down in Table 1 in Attachment 1 to this Allocation Notice.

As provided under Section VI.C of the Janssen Settlement Agreement, Connecticut has instructed the Directing Administrator to calculate the intrastate allocations pursuant to the national default. Using the default provisions, the Directing Administrator has allocated the Annual Payment as follows: (i) 15% to the State Fund, (ii) 70% to the Abatement Accounts Fund, and (iii) 15% to the Subdivision Fund, to be paid directly to the Subdivisions per the allocation percentages provided in Exhibit G of the Janssen Settlement Agreement. Connecticut has further instructed the Directing Administrator to allocate the Additional Restitution Amount in full to the State Fund. The intrastate allocations are included as Attachment 1 to this Allocation Notice.

Undisputed amounts allocated to the State Fund, the Abatement Accounts Fund, and Subdivision Fund for Participating Subdivisions will be paid no later than the date that is 50 days after the date of this Allocation Notice.

### II. YOUR RIGHT TO DISPUTE

Section V.B.5 of the Janssen Settlement Agreement provides that within twenty-one (21) calendar days of receiving notice any party may dispute the calculation of the amount to be received by a Settling State or its Participating Subdivisions listed on Exhibit G as inconsistent with the terms of the Agreement. Written notice must be provided to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

A party has until the Deadline to Dispute Allocation listed at the top of this Allocation Notice to deliver a written notification of dispute. The amounts listed in this Allocation Notice will be deemed accepted if the Directing Administrator has not received a party's dispute before midnight Eastern Time on the deadline date. Submit your written request by email to [DirectingAdministrator@NationalOpioidOfficialSettlement.com](mailto:DirectingAdministrator@NationalOpioidOfficialSettlement.com).

Any party affected by the dispute may object to the notification of dispute. Depending on the nature of the dispute, contested disputes must be resolved in either the court that entered a state's Consent Judgment or the National Arbitration Panel. The Directing Administrator will not disburse any funds potentially affected by a contested dispute until the dispute is resolved by the court or the National Arbitration Panel.

### III. TO ACCEPT PAYMENT

If you do not dispute the payment and you have previously created a Portal Account and completed your Payment Election Forms and W-9 Forms for purposes of the Distributor Settlement Agreement, no further action is needed. The Directing Administrator will begin issuing payments after the applicable deadlines have passed using the existing payment instructions. If you have not previously created a Portal Account, please do so and complete the Payment Election Forms and W-9 Forms to create payment instructions for any Settlement Payments. If you wish to use different Payment Election Form or W-9 Form data for the Janssen Settlement Agreement, you may log in to the Portal and complete new forms. **Keep your payment instructions current in the Portal as the Directing Administrator will use these forms to issue settlement payments.**

### IV. TO REALLOCATE PAYMENT

If you wish to reallocate your portion of the allocation to another Participating Subdivision or the Abatement Accounts Fund, you may do so by completing the Direct Payment and Allocation Election screen on the Portal or by emailing [DirectingAdministrator@NationalOpioidOfficialSettlement.com](mailto:DirectingAdministrator@NationalOpioidOfficialSettlement.com) before the Deadline to Dispute Allocation included on the Allocation Notice. The Directing Administrator will not treat a reallocation request as a dispute.

Sincerely,

Dear Ms. Mansfield:

The Town of Ledyard is a party to the National Opioid Settlement for the abatement of the opioid epidemic which began in 1990's and has taken countless lives in Connecticut during the past two decades.

Recently the town began to receive payments from the Distributor Settlement. Per the terms of the Settlement these funds must be used for specific opioid abatement purposes, including, but not limited to expanding access to opioid use disorder prevention, intervention, treatment, and recovery options, to name a few.

The Town Council's Finance Committee has begun to discuss options for the use and/or distribution of these funds and we are seeking your guidance and input to help us determine the best value in terms of helping individuals and their families who are struggling with addiction.

Many families in our community have been devastated by the needless loss of a child, parent, or friend who became addicted to either prescription opioids and/or street drugs that may have been laced with fentanyl or other dangerous and harmful types of synthetic narcotics.

The Finance Committee plans to continue this discussion at our May 3, 2023 meeting and look forward receiving your ideas and recommendations; and welcome you to attend our meeting.

It is our hope that these Settlement Funds will help our community make a difference in engaging and building trust with people who use drugs in order to save lives, help them seek treatment, and find a productive path forward.

Should you have any questions regarding this request, please do not hesitate to contact me at (860) 572-7181 or email at [wsaums@ledyardct.org](mailto:wsaums@ledyardct.org).

AGENDA REQUEST  
GENERAL DISCUSSION ITEM

**Subject:**

Continued discussion regarding potential uses of the revenue received from Public Act No.21-58 “*An Act Concerning Solid Waste Management*” in accordance with “*Resolution Regarding Revenues Received from Beverage Container Surcharges*” (Nip Bottle Revenue) adopted on June 8, 2022.

**Background:**

The “Bottle Bill” (Public Act No. 21-58 - *An Act Concerning Solid Waste Management*”) implemented a five-cent surcharge on any beverage container containing a spirit or liquor of fifty milliliters. Each quarter the surcharge fee is dispersed to the town in which the beverages were sold.

The funds could only be used for the following purposes:

- (1) environmental measures intended to reduce the generation of solid waste;
- (2) reduce the impact of litter caused by such solid waste, including, but not limited to, the hiring of a recycling coordinator
- (3) the installation of storm drain filters designed to block solid waste and beverage container debris or
- (4) The purchase of a mechanical street sweeper, vacuum or broom that removes litter, including, but not limited to, such beverage containers and other debris from streets, sidewalks and abutting lawn and turf

Mayor Allyn, III, stated that Montville recently implemented a program that local non-profit organizations could participate in to use some of the Opioid Settlement Funding for roadside cleanup. He stated he spoke to Montville Mayor Ronald McDaniel this afternoon about their program, noting that it was similar to the "*Adopt a Highway*" program. He stated Mayor McDaniel sent him some information regarding on how Montville was going to organize/structure the program. He explained that Montville was asking groups to "Adopt a Highway" which involved a roadside clean-up to pick-up liter as well as the nip bottles. He stated that Montville was asking the Groups/Organizations to keep the nip bottle separate, explaining that they would be compensated for the collection of the nip bottles. He stated if Montville finds the program to be effective that he would share the Montville's Program with the Finance Committee to consider for implementation.

**Minute Note:**

Councilor Saums stated unfortunately this year Earth Day was a wash-out rainy weekend. However, he stated that he along with some neighbors did do some roadside clean-up and that he was aware of other residents who did the same, noting that one family picked-up 500 nip bottles. He stated he delivered a total of about 600 nip bottles to Resident Mrs. Betsy Graham and he noted that Mrs. Graham has asked that they get the word out either through the Ledyard Beautification Committee or social media that those who were picking up the nip bottles to drop the bags off to her. Councilor Saums stated that Mrs. Graham was planning to bring the nip bottles to the State Capital in Hartford to bring awareness of this issue. He stated residents can obtain clear plastic bags from Southeastern Connecticut Regional Resource Recovery Authority (SCRRRA).

Councilor Ingalls stated that she and Deb Vessels do roadside clean-up in the area from the Ledyard sign coming into town from Preston and that they typically collect at least 100 nip bottles in that area. She stated she liked the idea of delivering the nip bottles to Hartford. She stated although they could coordinate a town-wide community event roadside clean-up that it did not address the root of the nip bottle problem. Councilor Saums stated he agreed with Councilor Ingalls, noting that it was a complex problem, stating that the Liquor Lobby was successful because there was not mechanism or stream to redeem the nip bottles. He stated the current return bottle/can machines do not take the small nip bottles. He stated the whole intent of the nip bottle was to buy it, drink it, and throw it out the window while driving. Therefore, he stated it was his opinion that the liquor nip bottles should be out lawed.

Mayor Allyn, III, stated that the Liquor Lobbyists were successful in blocking the nip bottle deposit proposal; with the State Legislature instead approving Public Act No. 21-58 “*An Act Concerning Solid Waste Management*” in accordance with “*Resolution Regarding Revenues Received from Beverage Container Surcharges*” - Nip Bottle Surcharge Disbursement. He reported that Ledyard received \$13,048.20 from the Nip Bottle Surcharge, noting that this equated to 260,964 nip bottles (17 nips bottles per capita) sold in Ledyard during the past six-months.

Mayor Allyn went on to state unfortunately Public Act No. 21-58 which imposed a .05 cent surcharge on each nip bottle sold has not addressed the Municipalities concerns regarding the littering of nip bottles on the roadways and more importantly it has not deterred motorists from drinking, and driving, and throwing the nip bottles out of their car windows. He explained that the Municipalities were looking for a .25 cent returnable deposit on each nip bottle sold to provide an incentive for people to return the nip bottles, noting that you see people cleaning up the roads collecting other beverage containers to return them to the store for the refund. He stated the reason nip bottles were not picked-up was because there was not a bottle return and, as Councilor Saums noted, there were no bottle collection machines for nip bottles, noting their irregular sizes.

The Finance Committee reviewed the data sheet which listed the Nip Bottle Surcharge Disbursement for each of the state’s 169 towns noting the following towns:

<b>Municipality</b>	<b>Surcharge Disbursement</b>
East Lyme	\$12,835.80
Essex	\$4,925.60
Griswold	\$17,720.20
Groton	\$46,199.35
Hartford	\$78,448.85
Ledyard	\$13,048.20
Lisbon	\$3,577.20
New Haven	\$115,073.05
New London	\$35,838.20
<b>Municipality</b>	<b>Surcharge Disbursement</b>
Preston	\$4,845.00
Stonington	\$12,653.20
East Lyme	\$12,835.80

Councilor Ryan noted based on the data sheet that 231 nip bottles were being sold every day, per liquor/package store or 7,000 per month per package store.

They Finance Committee discussed the importance to bring awareness to their State Legislators regarding this issue and other ideas for the use of Nip Bottle Surcharge Funding noting the following:

- Try to engage Package Stores in a positive way to collect nip bottles, in an incentive type of way.
- Support local non-profit groups such as Booster Clubs by having them use the collection of nip bottles as a fund raiser and the Town could provide a monitory donation to the non-profit organization for the nip bottles using the Surcharge Funding.

Councilor Saums stated that he would like to see the Beautification Committee be involved in the nip bottle collection to bring this issue to Hartford. However, he stated the roadside clean-up needed to be done either in the Spring before the brush begins to grow, or in the Fall. Councilor Ingalls stated that she was the Liaison to the Beautification Committee and that she would email their Chairman Jen Eastbourne and that she would include Councilor Saums to get the conversation started.

**Minute Note:**

Councilor Saums stated during the Finance Committee’s April 5, 2023 discussion they noted that there was not enough time to organize a town-wide clean-up day for this year’s April 22, 2023 Earth Day, for a variety of reasons which included that the Beautification Committee had a number of new members and were working to get their feet under them. However, he stated his road (Pumpkin Hill Road) was organizing a clean-up which would include picking-up nip bottles. He stated that he sent the Pumpkin Hill Road’s Plan to the Beautification Committee to ask if there were other groups in town who were doing a roadside clean up that they put the nip bottles in clear plastic bags, which Southeastern Connecticut Regional Resource Recovery Authority (SCRRA) would provide and mark the number of nip bottles in the bags and leave the nip bottle bags on the side of the road. He stated if other groups wanted to do the same that they could possibly collect quite a few bags of nip bottles and bring them to the State Capital in Hartford.

Action: Discussed/Continued

**Minute Note:**

Councilor Saums provided some background noting that the “*Bottle Bill*” (Public Act No. 21-58 - *An Act Concerning Solid Waste Management*”) implemented a five-cent surcharge on any beverage container containing a spirit or liquor of fifty milliliters. He explained that the State’s initial proposal was to place a .25

cent deposit on nip bottles. However, he stated the .25 cent nip bottle deposit failed because the Liquor Lobbyists successfully convinced the State to instead give money the towns to pay for the clean-up of the nip bottles that litter the sides of the roads.

Councilor Saums went on to explain that based on the “*Bottle Bill*” (Public Act No. 21-58 - *An Act Concerning Solid Waste Management*”) the State approved 0.5 cent surcharge on each bottle noting that every six-months the State would disburse the surcharge fee to the town in which the beverages were sold. He stated the last disbursement Ledyard received was in the amount of \$13,027.06 which was for the sale of 260,541 nip bottles during that period. He stated in accordance with *Public Act No.21-58* and Ledyard’s *Resolution #003-2022-June 8* the surcharge funds could only be used for the following purposes:

- (1) Environmental measures intended to reduce the generation of solid waste;
- (2) Reduce the impact of litter caused by such solid waste, including, but not limited to, the hiring of a recycling coordinator
- (3) The installation of storm drain filters designed to block solid waste and beverage container debris or
- (4) The purchase of a mechanical street sweeper, vacuum or broom that removes litter, including, but not limited to, such beverage containers and other debris from streets, sidewalks and abutting lawn and turf.

Councilor Saums went on to explain that the surcharge revenue was being appropriated to Account 21040101-57316 (*Beverage Container Surcharges*) and that the funds could accumulate in the Account until the town decided on a plan to spend the funds. He stated the purpose for tonight’s discussion was to discuss ideas on how to spend the funds.

The Committee discussed the following ideas for the use of the Bottle Bill Revenues:

- Collect the nip bottle and deposit them on the steps of the Capital in Hartford.
- Offer Residents 0.25 cents per nip bottle they pick-up from the roads, until the money was used up. The following was discussed regarding this idea:
  - Ask Southeastern Connecticut Regional Resource Recovery Authority (SCRRA) to provide the clear plastic bags for the town’s roadside clean-up; which SCRRA has done in past years.
  - Ask Residents to put the nip bottles in the clear plastic bags.
  - Who would count the bottles, it’s a dirty job.
- Street Sweeping - Public Works Director/Town Engineer Steve Masalin stated in consultation with Finance Director Matthew Bonin that some of the Bottle Bill revenues were already being spent to rent a Street Sweeper, noting that this was one of the state statutory eligible uses. He stated it would take them about one month to sweep the entire town and the cost would use about one-third of the annual accrual Bottle Bill revenues. He stated in December, 2022 the town sold the 2000 Mobil Athey Sweeper for \$15,000 using the GovDeals on-line auction site. He addressed the cost to house and maintain a piece of equipment that the town only used for one month out of the year, noting that it may be more cost effective to rent a sweeper. However, he stated that this opinion may change now that the State Legislation would allow the town to use the Bottle Bill Revenue to purchase a sweeper. He stated with availability of an annual \$30,000 from the Bottle Bill Revenues that they may be able to finance a sweeper well within its replacement cycle along with the associated maintenance costs.

Councilor Saums stated that he liked spending the funding to pay for roadside sweeping, however, he stated that sweeping the streets did not fix the problem of nip bottles littering their roads.

- Town Sanctioned Community Roadside Clean-up Day - Councilor Ingalls stated a few years ago the Beautification Committee organized a Community Roadside Clean-up Event, noting that they asked for Street Captains, Neighborhood Captains, trash bags were provided, etc. She stated they had a great response noting the tremendous number of residents that turned out to participate in the event. She suggested the Community Clean-Up Day could be concluded on the Town Green where prizes would be awarded for a variety of categories such as: Strangest Item Picked Up; the Most Number of Nip Bottles, etc. She stated the Event could be funded by the Bottle Bill Revenues. She stated that they could ask the Beautification Committee if they would like to organize this type of event.

Councilor Saums stated Earth Day was April 22, 2023, noting that they would not have enough time this year to organize a Community Clean-Up Day to happen on Earth Day. Councilor Ingalls stated the Beautification Committee had a lot of new members and that they were working to get themselves organized. She stated although Spring was a good time of year to have a Community Clean-Up Day because vegetation has not grown in yet, that the Community Clean-Up Day could be scheduled for any time noting that maybe it could be held in the Fall for this year.

Councilor Saums thanked Mr. Masalin for attending tonight's meeting.

Public Works Director/Town Engineer Steve Masalin left the meeting at 5:52 p.m.

**Action:** Discussed/Continued

The Town of Ledyard sold its 2-year-old sweeper in 2022 with the thought that the Department could better and more economically cover the Town's annual sweeping needs through a rental. The Town rented a sweeper to this end in 2023 and 2024, using Beverage ("Nip") Container Surcharges revenue. The results substantially failed to meet our expectations for a number of reasons. We also learned that availability of rental units of a nature needed to sweep roads has declined significantly, with no prospects of increasing.

In light of this predicament, we now feel owning a sweeper will be the best (and most economical) way to meet our needs. Additionally, the Town of Preston is coincidentally in need of replacing its sweeper, which has reached the end of its service life. This has offered the opportunity to purchase a shared unit that will easily cover the annual scope of work for each town and also be available for spot needs throughout the year. The cost share would be allocated proportionally on the basis of paved road mileage.

Though both towns have shifted to treated salt for winter operations, eliminating the accumulation of sand that used to accompany road treatment, there remains a considerable amount of debris that collects along the road edges from other sources. For the 2024 sweeping season, thirty-two (32) large dump truck loads (about 100 tons) of debris were collected off our roads. Also, annual sweeping is a requirement of the Municipal Separate Storm Sewer System (MS4) program.

I have provided cost information for a new sweeper, including for a 5-year lease-purchase financing arrangement. The purchase of a new sweeper would explicitly meet the terms of the authorizing legislation for the funding derived "Nip" revenues. Based on the historical income derived from these revenues to date, they would cover an appreciable portion of the purchase for both towns, if they were devoted to this purpose.

## **AN ACT CONCERNING SOLID WASTE MANAGEMENT**

**SUMMARY:** This act revamps the state’s beverage container redemption law (i.e., “bottle bill,” see BACKGROUND) by doing the following:

1. expanding the list of beverages subject to the bottle bill’s requirements and exempting containers of less than 150mL (§§ 1 & 5);
2. increasing, beginning January 1, 2024, the minimum beverage container deposit amount from five to 10 cents (§ 2);
3. increasing the handling fee that distributors must pay to dealers (e.g., and hereafter, “retailers”) and redemption centers, (§ 3);
4. incrementally reduces the amount of unclaimed deposits that distributors must remit to the General Fund from 100% to 45% by FY 26, and allows the distributors to keep the remainder (§ 4);
5. requiring certain retailers to install and maintain at least two reverse vending machines (RVMs) at their place of business or have dedicated areas for redeeming beverage containers (§ 7); and
6. requiring, beginning January 1, 2024, (a) all refundable beverage containers sold in Connecticut to have a Universal Product Code (UPC) and barcode and (b) deposit initiators (i.e., the first distributor to collect the deposit) to provide them, with packaging information, to the RVM system administrators and other system operators at least 30 days before placing the beverage containers on the market (§ 2).

The act requires the Department of Energy and Environmental Protection (DEEP) to approve a stewardship organization for beverage containers (§ 9). It also requires DEEP to develop terms for a memorandum of agreement (MOA) that provides for in-state processing of at least 80% of the wine and liquor beverage containers sold in-state (§ 8).

The act establishes a five-cent surcharge on the sale of spirit or liquor beverage containers of 50mL or less (commonly referred to as “nips”). It requires (1) wholesalers to remit the surcharges to the municipalities in which the containers were sold and (2) the municipalities to use the remitted funds for environmental measures aimed at reducing solid waste or reducing the impact of litter (§ 10).

The act requires the DEEP commissioner, by July 1, 2022, to develop an incentive program to help municipalities that want to adopt a unit-based pricing program for solid waste disposal (e.g., “pay-as-you-throw”). She must also identify funding sources to provide the incentives (§ 6).

Lastly, the act makes technical and conforming changes.

**EFFECTIVE DATE:** July 1, 2021, except the handling fee increase, RVM requirement, and nip surcharge take effect October 1, 2021; the bottle bill’s

## OLR PUBLIC ACT SUMMARY

expansion takes effect January 1, 2023; the deposit increase takes effect January 1, 2024; and the MOA and stewardship organization provisions are effective upon passage.

### §§ 1 & 5 — COVERED BEVERAGE CONTAINERS

Under prior law, the bottle bill applied to the following beverage containers: beer, other malt beverages, mineral or soda water, carbonated soft drinks, and water, including flavored or nutritionally enhanced water.

Beginning January 1, 2023, the act generally expands the bottle bill to include beverage containers for hard cider, plant water or plant infused drink, juice or juice drink, tea, coffee, kombucha, and sports or energy drink. It explicitly includes hard seltzer in the bottle bill's scope, which existing law covers as a "beer or other malt beverage." It also includes beverages identified as juice, tea, coffee, kombucha, plant infused drink, or a sports or energy drink, with letters, words, or symbols on the beverages' labels. Existing law covers containers identified as water this way.

#### *Exempt Containers*

The bottle bill previously exempted from its requirements (1) noncarbonated beverages of at least three liters in size or (2) containers made of high-density polyethylene (i.e., with an HDPE designation or #2 recycling symbol). It also exempts containers provided on interstate passenger carriers (e.g., planes or trains). The act modifies some of these exemptions and creates new ones.

First, the act generally (1) eliminates the exemption for high-density polyethylene containers, (2) reduces the size threshold for noncarbonated beverage containers to be exempt, and (3) creates a new exemption for carbonated beverages. Specifically, it now exempts containers (1) over three liters for carbonated beverages, (2) over two and one-half liters for noncarbonated beverages, and (3) of less than 150mL for either carbonated and noncarbonated beverages.

Additionally, by law, manufacturers that annually bottle and sell up to 250,000 noncarbonated beverages of 20 ounces or less in size may apply to the DEEP commissioner for an exemption from the bottle bill's requirements (CGS § 22a-245b). The act extends this exemption, beginning July 1, 2021, to manufacturers of the new noncarbonated beverages covered by the act (e.g., juice, coffee, tea, or sport or energy drink). And it creates a new exemption for juice manufacturers that annually bottle and sell up to 100,000 gallons of juice in beverage containers. These juice manufacturers must also apply for the exemption.

### § 3 — HANDLING FEES

Beginning October 1, 2021, the act increases the handling fees for beverage containers redeemed under the bottle bill by setting the minimum handling fee at

OLR PUBLIC ACT SUMMARY

either two and one-half cents or three and one-half cents, depending on the container involved (see table below). It applies the increased fee to the act’s newly covered beverage containers.

**Bottle Bill Handling Fees, Prior Law vs. the Act**

	<i>Prior Law</i>	<i>The Act</i>
Beer or other malt beverages, including hard seltzer	\$0.015	\$0.025
Hard cider	N/A	0.025
Noncarbonated beverages, mineral or soda water, and carbonated soft drinks	0.02	0.035

§ 4 — UNCLAIMED DEPOSITS

Under prior law, unclaimed deposits were paid quarterly by the distributors to the revenue services commissioner for deposit into the state’s General Fund. The act incrementally reduces the amount of unclaimed funds deposited to the General Fund to 45% by FY 26, as shown in the table below, and correspondingly allows the distributors to keep the remainder.

**Percentage Distribution of Unclaimed Deposits**

	<i>General Fund</i>	<i>Distributors</i>
Through FY 22	100%	0%
FY 23	95	5
FY 24	65	35
FY 25	55	45
FY 26 and beyond	45	55

§§ 1 & 7 — RETAILER RVMS AND REDEMPTION AREAS

The act generally requires certain retailers, beginning October 1, 2021, to install and maintain at least two RVMS at their place of business. Under the act, an RVM is a mechanical device that (1) accepts used beverage containers from consumers and (2) provides a way of refunding the containers’ refund value (deposit amount) to the device user.

The requirement to have the RVMS applies to retailers whose place of business (1) is part of a chain engaged in the same general type of business that operates at least 10 units in Connecticut under common ownership and (2) uses at least 7,000 square feet of space to display merchandise for sale to the public.

The act also requires retailers exempt from the RVM requirement (see below), whose place of business is at least 40,000 square feet and does not use RVMS, to maintain a dedicated area at the business to accept and redeem beverage containers. It requires these areas to be adequately staffed so that containers can be efficiently accepted and processed during business hours. There must also be at

## OLR PUBLIC ACT SUMMARY

least one conspicuous sign posted at each public entrance describing how to find the redemption area.

### *Exemptions*

The act exempts from the RVM requirement retailers that do the following:

1. sell only beverage containers of 20 ounces or less that are packaged in quantities of less than six;
2. sell beverage containers, but use no more than 5% of their floor space to display and sell consumer products; or
3. get a waiver from the DEEP commissioner allowing them to use an alternative technology to redeem the containers.

For the waiver, the alternative technology must be able to:

1. determine a beverage container's redeemability;
2. protect against fraud by reading a container's UPC and, except for refillable containers, renders the container unredeemable;
3. collect information about the redeemed containers; and
4. issue legal tender or a scrip, receipt, or other credit for the refund value that can be exchanged for legal tender for at least 60 days without needing to purchase other goods.

If the alternative technology does not allow a consumer to immediately obtain the refund value, a retailer can only use it if the retailer also allows a consumer to conveniently and immediately obtain the refund value through an RVM or another method.

### *Penalty*

The act subjects retailers who violate these requirements to a civil fine of up to \$1,000, with an additional \$1,000 for each day the violation continues. It requires a hearing held according to the Uniform Administrative Procedures Act before the DEEP commissioner can assess the fine.

## § 8 — MOA: WINE AND LIQUOR CONTAINERS

Under the act, DEEP must develop the terms for a MOA that, by January 1, 2023, provides for in-state processing of at least 80% of the wine and liquor beverage containers sold in the state. The processing must turn the containers into furnace-ready cullet or by-product that is melted or otherwise used in cement, glass, or fiberglass products.

The act requires DEEP, when developing the terms, to (1) identify the parties that must be part of the agreement and (2) engage them in ongoing discussions about establishing systems and methods under the agreement for statewide, cost-effective, and consumer-oriented collection of the wine and liquor beverage containers. The collected materials must also be sufficiently clean and acceptable for use at a facility that produces the glass cullet or byproduct.

Under the act, the MOA must include provisions, with responsibilities assigned among the parties, for the following:

## OLR PUBLIC ACT SUMMARY

1. establishing and implementing the collection systems and methods;
2. transporting collected containers to a processing facility;
3. properly recycling and managing containers not accepted by a facility;
4. executing financial obligations among the parties according to the agreement;
5. recordkeeping of the volume, tonnage, and categories of containers annually processed under the agreement; and
6. auditing costs, efficiencies, and benefits of the agreement.

The DEEP commissioner must submit a draft of the MOA to the Environment Committee by January 15, 2022.

### § 9 — BEVERAGE CONTAINER STEWARDSHIP ORGANIZATION

The act requires the DEEP commissioner to approve an application for the formation of a beverage container stewardship organization by deposit initiators if the organization meets the following requirements:

1. is a 501(c)(3) federally tax-exempt organization;
2. has a governing board of deposit initiators that represents the range of beverages and container materials covered by the state's bottle bill; and
3. shows that it has adequate financial responsibility and controls, including fraud prevention and an audit schedule, to properly manage funds.

It also requires each deposit initiator to join and register with an approved beverage container stewardship organization within three months after DEEP approves the organization. Deposit initiators seeking to sell beverage containers in the state after this period must register and join the organization at least 90 days before selling them.

Under the act, any approved organization must submit a plan for the DEEP commissioner's review and approval to operate a statewide beverage container stewardship program by July 1, 2022. The act requires the plan to provide detailed information about how the organization will operate and finance a program to redeem and recycle beverage containers. The information must at least include the following:

1. 80% annual redemption rate by a specified timeline;
2. financial self-sustainability;
3. verifiable performance metrics for enhanced customer satisfaction;
4. policies and investments to ensure that recovered materials are returned for their highest and best use;
5. detailed descriptions for how existing collection and redemption centers will be used;
6. redemption rates as of the date of the plan and projected for the next five years, along with a recommended refund value for the containers to achieve these rates;
7. how the plan will cost the state or any other participants;
8. revenues that will be returned to the state and projected loss in the state's revenue use or collection in the five fiscal years beginning with FY 22;
9. legislative changes needed to carry out the plan; and

10. other parameters or requirements the commissioner requires.

When developing the plan, the stewardship organization must obtain input from members of the independent redemption center community, municipal resource recovery facilities, municipal leaders, wine and spirits distributors, and RVM operators. The act prohibits the DEEP commissioner from approving a plan without verification of receiving this input.

The DEEP commissioner, by October 1, 2022, must submit recommendations on any plan for a proposed stewardship program to the Environment Committee.

## § 10 — NIP SURCHARGE

Beginning October 1, 2021, the act requires wholesalers of spirit or liquor beverage containers of 50mL or less to assess a five-cent surcharge on each of these containers to retailers. The retailers must then impose the same surcharge on the customers who purchase the containers. The act specifies that paying the surcharge is a debt by retailers, upon their purchase from the wholesaler, and is subject to posting requirements for delinquencies. Under the Liquor Control Act, a notice of delinquency identifies the delinquent retailer and prohibits manufacturers or wholesalers from crediting the retailer until the notice is satisfied (CGS § 30-48(b)).

Under the act, the surcharge must be distinct and clearly identified from the container's price. The act exempts it from sales tax or being treated as income.

Beginning April 1, 2022, and then every six months, each wholesaler must remit to each municipality where these beverage containers were sold during the prior six-month period, five-cents per container sold by the wholesaler. At the same time as the payment, the wholesaler must file a report with the Department of Revenue Services and the Department of Consumer Protection's Liquor Control Division stating how many beverage containers it sold in each municipality during the prior six months.

The act requires municipalities receiving the surcharge funds to only use the funds for environmental measures to reduce solid waste generation in the municipality or the impact of litter from the solid waste. These measures include things like hiring a recycling coordinator; installing storm drain filters to block solid waste (including beverage container debris); or purchasing a mechanical street sweeper, vacuum, or broom to remove litter and other debris from streets, sidewalks, and abutting lawn and turf areas.

## BACKGROUND

### *General Bottle Redemption Process*

Connecticut's bottle bill redemption process generally works as follows:

1. a retailer pays a beverage container distributor a deposit for each eligible beverage container that the distributor delivers;
2. a consumer pays the retailer the deposit for each beverage container that he or she purchases from the retailer;

## OLR PUBLIC ACT SUMMARY

3. the retailer or a redemption center pays the consumer the deposit amount for each beverage container that he or she returns (i.e., refunding the deposit);
4. the distributor reimburses the retailer or redemption center the deposit for each beverage container returned, plus a handling fee; and
5. the distributor pays the state the required percentage of unclaimed deposits, which are deposited into the General Fund (CGS § 22a-243 et seq.).
