RE: IWWC Application
1947 Center Groton Road
Ledyard, Connecticut

Dear Commissioners:

As agent for the Applicant for the above-referenced Application, EG Home LLC, I hereby certify to the following, as required by the Ledyard Inland Wetlands & Watercourses Regulations:

The Applicant is familiar with all the information provided in the Application and is aware of the penalties for obtaining a permit through deception or through inaccurate or misleading information. The Applicant authorizes the members and agents of the IWWC to inspect the subject land, at reasonable times, during the pendency of the Application and for the life of any permit granted. The Applicant further certifies that:

No portion of the property on which the regulated activity is proposed is located within 500 feet of the boundary of an adjoining municipality; and

No water drainage from the project site will flow through and impact the drainage system within the adjoining the municipality; and

No water runoff from the improved site will impact streets or other municipal or private property within the adjoining municipality.

Please do not hesitate to contact me if you have any questions.

Very truly yours,
