Esteemed members of the Town Council,

It takes a village, they say, to raise a child...and each one of you is part of our village. Accordingly, you are all formally invited, whether or not you have a cap and gown, to line up and process with us on Friday, June 13, to sit on the field with the graduates to help us celebrate this milestone.

There is one caveat. In the event of an indoor graduation ceremony due to inclement weather, we will not have room to seat you in the gymnasium. If we have an indoor ceremony, you are welcome to view from the auditorium.

Please let Jennifer Hepburn know via email at [jhepburn@ledyard.net](mailto:jhepburn@ledyard.net) if you plan to be there. The ceremony begins at 4:00pm, and the line-up is at 3:30pm. You can expect the ceremony to last about an hour-and-a-half.
