

Summary Changes to Parking Regulations (9.5)

1. 9.5A-D make multiple references to 9.4 (landscaping), there appear to be self-referential to 9.5
2. The formatting is unclear in the beginning of 9.5. The section starts with A-E before switching to numeric bullet 1.
3. Added 9.5F which adds rules for shared on-site parking.
4. Add 9.5G which adds rules for shared parking for residential parking
5. Removed existing shared and on-street parking paragraphs
6. Added 9.5.1.22 for large multi-family units with the specifications as specified in CGS
7. Added 9.5.1.23 for middle housing with the specifications as specified in CGS
8. Moved Uses not listed to 9.5.1.24 deleted most of it and replaced it with 2 options.
9. 9.5.4.E - Removed and replaced with a reference to Parking Needs Assessment.
10. Added 9.5.7 - Parking needs assessment
