The Releasor hereby reserves (i) an easement for ingress and egress by foot and by vehicle and for all purposes and (ii) the perpetual right to construct, maintain, replace, relocate, remove and rebuild on, across, over and under the land hereinafter described (Easement Areas), an electric distribution system consisting of poles, guys, braces, wires, cables, conduits, transformers, transformer pads, pedestals, meters, structures for street lights and traffic signals, fixtures and other appurtenances useful for providing electric, communication, signal and street lighting service (including wires, cables and conduits running from the poles, transformers and pedestals to any structures erected on the Releasor's lands); the right to provide electric, communication, signal and street lighting service by means of the same; and the right to enter the Releasee's lands for the purpose of inspecting, maintaining or removing same and the right, after

consultation with the Releasee when practicable, to trim and keep trim, cut and remove such trees or shrubbery as in the judgment of the Releasor are necessary to maintain such services over, under and across the hereinafter described "Easement Areas".

Said Easement Areas are more particularly shown and designated as (i) "Easement in favor of 13 and 15 Marty's Way Over Town of Ledyard Open Space (See Detail)" and (ii) "Easement in Favor of 25 and 27 Marty's Way Over Town of Ledyard Open Space (See Detail)" on a certain map or plan entitled "Plan Showing Eagles Landing An Open Space Subdivision Property of Mr G 1 LLC 79 Vinegar Hill Road Ledyard, Connecticut Scale: 1" = 40' July 2018 Revised: December 3, 2018 Revised: December 12, 2018 Revised: December 28, 2018 Sheet 3 of 15 Dieter & Gardner Land Surveyors - Planners P.O. Box 335 1641 Route 12 Gales Ferry, CT. 06335 (860) 464-7455 Fax (860) 464-5028 Email: dieter.gardner@snet.net".

The Releasee agrees, that except with the written permission of the Releasor, that (i) no building, structure, or other improvement or obstruction shall be located upon, there shall be no excavation, filling, flooding or grading of, and there shall be no parking of vehicles or planting of trees or shrubbery upon the Easement Area or outside the Easement Area within five (5) feet from any facilities or appurtenances installed to provide services to any structures erected on the Releasor's premises and (ii) nothing shall be attached, temporarily or permanently to any property of the Releasor installed by virtue of this Easement. The Releasor may, without liability to the Releasee, and at the expense of the Releasee, remove and dispose of any of the aforesaid made or installed in violation of the above and restore said land to its prior condition. In the event of the damage to or destruction of any of said facilities of the Releasor by the Releasee or agents or employees thereof, all costs of repair or replacement shall be borne by the Releasee.

The Releasor further agrees that as long as and to the extent that the electric distribution system, together with all appurtenances, located on said land pursuant to this reservation of easement are used to provide electric, communication, signal or street lighting service, the Releasor will repair, replace and maintain such facilities at its own expense (except as otherwise provided herein) and in connection with any repair, replacement or maintenance of said system, the Releasor shall promptly restore the premises to substantially the same condition as existed prior to such repair, replacement or maintenance, provided, however, that such restoration shall not include any structures, other improvements or plantings made by the Releasee contrary to the provisions of this easement.

If any portion of the above-described land upon or under which said facilities or appurtenances thereto shall be located is now or hereafter becomes a public street or highway or a part thereof, permission, as set forth in Section 16-234 of the General Statutes of the State of Connecticut relating to adjoining landowners is hereby given to the Releasor and to its successors and assigns to use that portion of the land for purposes and in the manner above described.

The Releasor herein expressly reserves the right to assign or convey the above-described reservation of easement to The Connecticut Light and Power Company d/b/a Eversource Energy,

a specially chartered Connecticut corporation, its successors and assigns, together with the further right of assignment to any communication or signal company, and the Releasee herein hereby agrees to and ratifies any such assignment and agrees that the interest so assigned may be used for the purposes described herein and therein for electric distribution, communication or signal purposes.

The Releasee, in consideration of the conveyance of the hereinbefore described real property, herein hereby agrees to execute any easement or ancillary document required by any public utility company to give full force and effect to the covenants herein contained.

The hereinbefore described premises are further conveyed subject to the following covenants and conditions:

1. The Releasee, for itself, its successors and assigns, hereby agrees that it shall retain the afore-described premises in its natural, scenic and open condition and that it shall be used only for passive uses which will keep the area located thereon in a natural state; provided, however, that with the approval of the Ledyard Inland Wetlands and Watercourses Commission and the Ledyard Planning and Zoning Commission, said premises may be utilized for active recreational purposes. Without limiting the generality of the foregoing, the Releasee, for itself, its successors and assigns, hereby agrees that the following activities shall be prohibited on the conveyed premises:
 - (a) The construction and placing of buildings, camping accommodations, mobile homes or sanitary waste disposal systems.
 - (b) The placing or erecting of signs, billboards or similar advertising materials or structures of any kind or nature whatsoever.

- (c) The making of any topographic changes thereon other than changes as may hereafter be approved by the Ledyard Inland Wetlands and Watercourses Commission and the Ledyard Planning and Zoning Commission for the use of any portion of said premises for active recreation purposes. Topographic changes shall include, without limiting the generality of the foregoing, the cutting of trees (except as may be required by good tree husbandry and maintenance practices), filling, excavating, dredging, mining or drilling, removal of top soil, sand, gravel, rocks or minerals or alteration of the natural or existing watercourses or drainage and such changes are required pursuant to the hereinbefore delineated excepted and reserved rights.
- (d) The use or application on said premises of any pesticides, electronic pest control devices, poisons, biocides or fertilizers.
- (e) The draining of wetlands, burning of marshlands, or disturbance and/or change in the natural habitat of said premises.
- (f) The manipulation or alteration of natural watercourses, stream beds, stream shores, marshes or other water bodies, or any uses or activities upon said premises which could be detrimental to water purity or to any vegetative wildlife or hydrological function.
- (g) The operation of bicycles, snowmobiles, dune buggies, motorcycles, mini bikes, go-karts, all-terrain vehicles, golf carts or any other type of motorized vehicles upon or within said premises, except as are authorized pursuant to the terms and provisions of the hereinbefore excepted and reserved rights.
- (h) The dumping or placing of trash, ashes, leaves, waste, rubbish, garbage, junk, grass clippings or unsightly or offensive materials within or upon said premises. In the event that any such materials shall be deposited within or upon said premises, the Releasee shall cause the removal of any such materials from said premises within sixty (60) days of the date that the Releasee receives notice of the deposition of any such materials within the limits of the hereinbefore conveyed premises. Notice shall be provided in writing and directed to the Town Clerk of the Town of Ledyard, with a copy to be provided to the Mayor of the Town of Ledyard, each by United States first class mail, certified, return receipt requested.
- (i) The removal or destruction of trees, shrubs, natural vegetation, the killing of wildlife, spraying pesticides or any other activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, wildlife, habitat or the maintenance of the land and water areas on the hereinbefore conveyed premises, except as are authorized pursuant to the terms and provisions of the hereinbefore excepted and reserved rights.

2. The covenants contained herein shall be deemed conservation easements pursuant to the provisions of Connecticut General Statutes §§47-42a through 47-42c, inclusive, and shall be construed as a benefit running with the land in perpetuity, and shall be binding upon the Releasor, the Releasee and their respective successors and assigns.
3. Invalidity of any one of the restrictions or covenants contained herein shall not affect any other restrictions, conditions or covenants, which other restrictions, conditions or covenants shall remain in full force and effect.

Said premises is conveyed subject to easements, restrictions and agreements as of record appear, building and building line restrictions, any and all provisions of municipal ordinances including planning, zoning and inland wetland regulations of the Town of Ledyard, Connecticut, public or private law, and taxes to the Town of Ledyard, Connecticut on the List of October 1, 2018 and thereafter coming due.

Reference is hereby made to a deed from Martin Gottesdiener to Mr. G. 1., LLC dated December 31, 1996 and recorded in Volume 265, Page 649 of the Ledyard Land Records

TO HAVE AND TO HOLD the premises, with all the appurtenances, unto it, the said Releasee, its successors and assigns, to its and their proper use and behoof forever, so that neither it, the said Releasor, nor its successors nor any other person under it or them shall hereafter have any claim, right or title in or to the premises, or any part thereof, but therefrom it and they are by these presents forever barred and excluded.

IN WITNESS WHEREOF, Mr. G. 1., LLC, acting herein by Amy Gottesdiener, its Member, has hereunto set its hand and seal this 26th day of November, 2019.

Box 335 1641 Route 12 Gales Ferry, CT. 06335 (860) 464-7455 Email: dieter.gardner@yahoo.com" (hereinafter collectively referred to as the "Plan"); and

WHEREAS, the Declarant did execute and record in Volume 582, Page 461 of the Ledyard Land Records a certain "Declaration of Joint Driveway Easement and Maintenance Agreement Lots 11, 13, 15, 17 and Open Space Area Eagles Landing Open Space Subdivision" (the "Original Declaration"); and

WHEREAS, the design of the subdivision of the Eagles Landing has been revised, and in conjunction therewith, the Declarant desires to amend and entirely restate the Original Declaration to accommodate the easements and rights required for the appropriate functioning of the redesigned Eagles Landing Open Space Subdivision; and

WHEREAS, said Lots 11, 13, 15 and 17 as delineated on the Plan are situated on the southeasterly side of and southeasterly of Marty's Way in the Town of Ledyard, County of New London and State of Connecticut; and

WHEREAS, a stormwater quality basin, stormwater detention basin and appurtenant facilities are located on portions of Lots 13 and 15 as delineated on the Plan; and

WHEREAS, the subdivision of the Eagles Landing Open Space Subdivision contemplates that Lots 13 and 15 as delineated on the Plan will obtain access and utilities from Marty's Way by virtue of an easement over and across portions of Lots 11, 13, 15, 17 and the Open Space Area as shown on the Plan; and

WHEREAS, the subdivision of the Eagles Landing Open Space Subdivision contemplates that the Town of Ledyard, Connecticut will have easement rights for the installation of stormwater culverts, pipes, manholes and appurtenant facilities and for access by foot and by vehicle over and across portions of Lots 11, 13, 15, 17 and the Open Space Area as shown on the Plan; and

WHEREAS, the subdivision of the Eagles Landing Open Space Subdivision contemplates that the Town of Ledyard, Connecticut will have a permanent easement for the purpose of installing, utilizing, maintaining, repairing and replacing a water quality basin and stormwater detention basin on a portion of Lot 13 as delineated on the Plan; and

WHEREAS, the Declarant desires to establish a joint driveway for access to Lots 13 and 15 as delineated on the Plan over and across portions of Lots 11, 13, 15, 17 and the Open Space Area as shown on the Plan, for the provision for the extension of utilities from Marty's Way for the benefit of Lots 13 and 15 over and across portions of Lots 11, 13, 15, 17 and the Open Space Area as shown on the Plan, and an easement for the purpose of installing, utilizing, maintaining, repairing and replacing stormwater culverts, manholes, pipes and appurtenant facilities over and across portions of Lots 11, 13, 15, 17 and the Open Space Area as shown on the Plan and for purposes of installing, utilizing, maintaining, repairing and replacing a stormwater quality basin and a stormwater detention basin over and across a portion of Lot 13 as delineated on the Plan and to provide access by foot and by vehicle to said stormwater facilities; and

WHEREAS, the Declarant desires to allocate the responsibility by and between the Owners of Lots 13 and 15 as delineated on the Plan for the improvement and maintenance of the joint driveway (the owners of Lots 11, 17, and the Town of Ledyard, as the owner of the Open Space Area and as the beneficiary of the stormwater drainage easement, not bearing any responsibility for the maintenance and upkeep of the joint driveway or the utilities located within the limits of the joint driveway); provided, however, that the Town of Ledyard, as the owner of an easement right to access the detention basin area on Lot 13 as delineated on the Plan shall be responsible for any damage caused to the joint driveway or the utilities installed within the limits of the joint driveway as a result of its utilization of the joint driveway);

NOW, THEREFORE, in consideration of the recitals hereinbefore set forth, and the mutual covenants contained herein, the said Declarant does hereby declare as follows:

1. A right of way for all purposes partially twenty-five (25') feet in width is hereby granted, bargained, sold and conveyed to the owner of Lot 13, as delineated on the Plan, their heirs and assigns, over and across portions of Lots 11, 15, 17 and the Open Space Area as delineated on the Plan, which easement area is more particularly bounded and described as follows:

TO HAVE AND TO HOLD THE SAME to the owner of Lot 15 as shown on the Plan, their heirs and assigns forever.

3. A right of way for purposes of (i) installing, utilizing, maintaining, repairing and replacing stormwater structures and appurtenances including culverts, pipes, manholes, appurtenant facilities, a stormwater quality basin and a stormwater detention basin and (ii) for purposes of ingress to and egress from said facilities by foot and by vehicle is hereby granted, bargained, sold and conveyed to the **TOWN OF LEDYARD, CONNECTICUT**, its successors and assigns, over and across portions of Lots 11, 13, 15, 17 and an Open Space Area as delineated on the Plan, which easement area is more particularly bounded and described as follows:

Beginning at a monument or drill hole to be set in the southeasterly line of Marty's Way on the division line between Lots 11 and 17 as delineated on the Plan; thence running North 24°50'28" East for a distance of 12.50 feet bounded northwesterly by Marty's Way to a point; thence running South 65°09'32" East for a distance of 205.19 feet to a point on the division line between Lot 11 and an Open Space Area as delineated on the Plan; thence running South 65°09'32" East for a distance of 25.02 feet to a point on the division line between an Open Space Area and Lot 13 as delineated on the Plan; thence continuing South 65°09'32" East for a distance of 55.74 feet to an angle point; thence running South 54°43'41" East for a distance of 200.14 feet to a point; thence running North 45°16'12" East for a distance of 113.00 feet to a point; thence running North 70°56'09" East for a distance of 98.00 feet to a point; thence running South 24°58'49" East for a distance of 99.46 feet to a point; thence running South 50°21'57" West for a distance of 65.00 feet to a point; thence running South 73°59'54" West for a distance of 101.00 feet to a point; thence running South 35°16'19" West for a distance of 12.50 feet to a point; thence continuing South 35°16'19" West for a distance of 12.50 feet to a point; thence running North 54°43'41" West for a distance of 197.86 feet to a point; thence running North 65°09'32" West for a distance of 54.43 feet to the easterly line of an Open Space Area; thence continuing North 65°09'32" West for a distance of 25.02 feet through and across an Open Space Area to a point; thence continuing North 65°09'32" West for a distance of 204.21 feet to a point in the southeasterly line of

Marty's Way; thence running North 24°50'28" East for a distance of 12.50 feet bounded northwesterly by Marty's Way to the monument or drill hole to be set at the point and place of beginning of said easement area.

Said easement is conveyed together with the right to discharge and flow stormwater collected and treated within the easement area hereinbefore described over and across remaining portions of Lot 13 as delineated on the Plan in the natural drainage pattern as the same exists as of the date of this conveyance, which right to drain is in the location delineated as "Right to Drain in Favor of the Town of Ledyard" on Sheet 5 of 15 of the hereinbefore referenced plan.

TO HAVE AND TO HOLD the same to the Town of Ledyard, its successors and assigns forever.

4. The Declarant shall be responsible for the cost of construction of the joint driveway and the stormwater drainage structures, including culverts, pipes, manholes, the stormwater quality basin and the stormwater detention basin as delineated on the Plan, from the southeasterly line of Marty's Way to their easterly termini as delineated on the Plan. The joint driveway shall be constructed to a minimum width of eighteen (18') feet and shall be constructed in accordance with the "Typical Shared Driveway Cross-Section" detail delineated on a plan entitled "Plan Showing Construction Details Eagles Landing An Open Space Subdivision Property of Mr G 1 LLC 79 Vinegar Hill Road Ledyard, Connecticut June 2022 Sheet 14 of 15 Dieter & Gardner Land Surveyors – Planners P.O. Box 335 1641 Route 12 Gales Ferry, CT. 06335 (860) 464-7455 Email: dieter.gardner@yahoo.com".
5. The deed of conveyance of each of Lots 13 and 15 and of the infrastructure for the Eagles Landing Open Space Subdivision, each as delineated on the Plan shall be made together with and subject to the rights of way herein set forth by reference to this Restatement, and such reference shall be deemed to incorporate the rights and obligations set forth herein into each such deed of conveyance.
6. The deed of conveyance of each of Lots 11, 13, 15, 17 and the Open Space Area as delineated on the Plan shall be made subject to the rights of way herein set forth by reference to this Restatement, and such reference shall be deemed to subject the title to Lots 11, 13, 15, 17 and the Open Space Area as delineated on the Plan to the rights of way granted in favor of Lots 13 and 15 and the Town of Ledyard as shown on the Plan as provided in this Restatement.
7. All grants of rights of way in favor of Lots 13 and 15 and the easement in favor of the Town of Ledyard as delineated on the Plan shall be deemed to include the non-exclusive right and privilege to pass and re-pass, by foot or by vehicle, and for any lawful purpose, over, upon and across the right of way areas herein described; and the right to install and connect to utility lines located under or within the joint driveway; and the right to install a private driveway serving each of Lots 13 and 15 connecting to the joint driveway, and with respect to the Town of Ledyard, the right

to utilize, maintain, repair and replace stormwater facilities within the limits of the easement granted in Paragraph 3 above.

8. Each owner of Lots 11, 13, 15, 17 and the Open Space Area shall cooperate fully in granting any easements required by public utility companies to effect the installation of telephone, electric and cable television service lines to provide utility service to Lots 13 and 15 as delineated on the Plan. The obligations contained in this paragraph shall include, but shall not be limited to, the obligation to execute an "Electric Distribution Easement" in standard Connecticut Light and Power Company d/b/a Eversource form in favor of the Connecticut Light and Power Company d/b/a Eversource in order to effect the installation of such utilities.
9. Each owner of Lots 13 and 15 as delineated on the Plan shall be responsible for the maintenance and upkeep of the joint driveway, including the utilities installed within the same, in accordance with his "Pro Rata Share" as hereinafter set forth. Upkeep and maintenance shall include, but is not limited to, snow removal, removal of all trees or other obstructions, pothole repair and resurfacing. Decisions as to the necessity of maintenance and upkeep, and the cost to be incurred with respect thereto, shall be made by a majority vote of the Pro Rata Shares attributable to each of Lots 13 and 15 as delineated on the Plan.
10. Any damage to the joint driveway, or utilities installed within the joint driveway, including, but not limited to, the stormwater facilities of the Town of Ledyard, caused by construction on either of Lots 13 or 15 or as a result of the maintenance, repair or replacement of stormwater facilities by the Town of Ledyard as delineated on the Plan, including damage caused by construction of a private driveway serving either of Lots 13 and 15 from the joint driveway, or by reason of the installation of, or connection to utility lines, shall be repaired by and at the sole expense of the owner of the lot causing such damage.
11. "Pro Rata Share", as defined herein, shall mean:
 - (a) With respect to Lot 13 – 50%
 - (b) With respect to Lot 15 – 50%
12. In the event that any action is taken to enforce the provisions of this Restatement, the party prevailing in such action shall be entitled to an award of costs and reasonable attorney's fees.
13. This Restatement is intended to create real covenants which are intended to run with the title to Lots 11, 13, 15, 17, the Open Space Area and the easements granted to the Town of Ledyard as delineated on the Plan and as hereinbefore set forth. This Restatement may be modified or changed only by an agreement in writing between the owners of Lots 13 and 15 as delineated on the Plan and the Town of Ledyard, but may not be modified in size or scope except by an agreement in writing among

the owners of Lots 11, 13, 15, 17, the Open Space Area and the Town of Ledyard, as delineated on the Plan, each duly executed and recorded in the Ledyard Land Records.

IN WITNESS WHEREOF, Mr. G. 1., LLC, acting herein by Amy Gottesdiener, its Member, has hereunto set its hand and seal the day and year first above written.

the cul-de-sac at the southwesterly end of Marty's Way; thence running along the arc of a curve to the left with a radius of 60.00 feet a central angle of 09°35'39" for a distance of 10.05 feet bounded northwesterly by Marty's Way to the monument or drill hole to be set at the point and place of beginning.

TO HAVE AND TO HOLD the same to the owner of Lot 27 as shown on the Plan, their heirs and assigns forever.

2. A right of way for all purposes, partially twenty (20') feet in width, is hereby granted, bargained, sold and conveyed to the owner of Lot 25 as delineated on the Plan, their heirs and assigns, over and across portions of Lots 23, 27, 29 and the Open Space Area as delineated on the Plan, which easement area is more particularly bounded and described as follows:

Beginning at a monument or drill hole to be set in the southerly line of the cul-de-sac at the southwesterly end of Marty's Way on the division line between Lots 23 and 29 as delineated on the Plan; thence running along the arc of a curve to the left with a radius of 60.00 feet, a central angle of 09°35'39" for a distance of 10.05 feet bounded northwesterly by the cul-de-sac at the southwesterly end of Marty's Way to a point; thence running South 36°34'50" East for a distance of 32.00 feet to a point; thence running South 36°34'50" East for a distance of 171.92 feet to a point; thence running South 36°34'50" East for a distance of 28.91 feet to a point on the division line between Lot 25 and the Open Space Area as delineated on the Plan; thence running South 23°16'10" West for a distance of 11.56 feet to a rebar or drill hole to be set on the division line between Lots 25 and 27 as delineated on the Plan; thence running South 36°34'50" East for a distance of 64.93 feet along the division line between Lots 25 and 27 as delineated on the Plan to a rebar or drill hole to be set; thence running South 55°52'53" East for a distance of 370.00 feet along the division line between Lots 25 and 27 as delineated on the Plan to a point; thence running South 34°07'07" West for a distance of 10.00 feet to a point; thence running North 55°52'53" West for a distance of 371.70 feet to a point; thence running North 36°34'50" West for a distance of 60.83 feet to a point on the division line between Lot 27 and the Open Space Area as delineated on the Plan; thence running North 36°34'50" West for a distance of 28.91 feet to a point on the division line between the Open Space Area and Lot 29 as delineated on the Plan; thence running North 36°34'50" West for a distance of 183.54 feet to a point; thence continuing North 36°34'50" West for a distance of 32.00 feet to a point on the southeasterly line of the cul-de-sac at the southwesterly end of Marty's Way; thence running along the arc of a curve to the left with a radius of 60.00 feet, a central angle of 09°35'39" for a distance of 10.05 feet bounded northwesterly by Marty's Way to the monument or drill hole to be set at the point and place of beginning of said easement area.

TO HAVE AND TO HOLD THE SAME to the owner of Lot 25 as shown on the Plan, their heirs and assigns forever.

3. A right of way for all purposes, ten (10') feet in width, is hereby granted, bargained, sold and conveyed to the owner of Lot 29 as delineated on the Plan, their heirs and assigns, over and across a portion of Lot 23 as delineated on the Plan, which easement area is more particularly bounded and described as follows:

Beginning at a monument or drill hole to be set in the southerly line of the cul-de-sac at the southwesterly end of Marty's Way on the division line between Lots 23 and 29 as delineated on the Plan; thence running along the arc of a curve to the left with a radius of 60.00 feet, a central angle of 09°35'39" for a distance of 10.05 feet bounded northwesterly by Marty's Way to a point; thence running South 36°34'50" East for a distance of 32.00 feet to a point; thence running South 53°25'10" West for a distance of 10.00 feet to a point on the division line between Lots 23 and 29 as delineated on the Plan; thence running North 36°34'50" West for a distance of 31.16 feet along the division line between Lots 23 and 29 as delineated on the Plan to the monument or drill hole to be set at the point and place of beginning of said easement area.

TO HAVE AND TO HOLD THE SAME to the owner of Lot 29 as shown on the Plan, their heirs and assigns forever.

4. The Declarant shall be responsible for the cost of construction of the joint driveway from the southerly side of the cul-de-sac at the southwesterly end of Marty's Way to its southerly terminus as delineated on the Plan. The joint driveway shall be constructed to a minimum width of eighteen (18') feet and shall be constructed in accordance with the "Typical Shared Driveway Cross-Section" detail delineated on a plan entitled "Plan Showing Construction Details Eagles Landing An Open Space Subdivision Property of Mr G 1 LLC 79 Vinegar Hill Road Ledyard, Connecticut July 2018 As Amended Sheet 14 of 15 Dieter & Gardner Land Surveyors – Planners P.O. 5. The deed of conveyance of each of Lots 25, 27 and 29 as delineated on the Plan shall be made together with and subject to the rights of way herein set forth by reference to this Declaration, and such reference shall be deemed to incorporate the rights and obligations set forth herein into each such deed of conveyance.
6. The deed of conveyance of each of Lots 23, 25, 27, 29 and the Open Space Area as delineated on the Plan shall be made subject to the rights of way herein set forth by reference to this Declaration, and such reference shall be deemed to incorporate the rights and obligations set forth herein into each such deed of conveyance.
7. All grants of rights of way in favor of Lots 25, 27 and 29 as delineated on the Plan shall be deemed to include the non-exclusive right and privilege to pass and re-pass, by foot or by vehicle, and for any lawful purpose, over, upon and across the right of way areas herein described; and the right to install and connect to utility

lines located under or within the joint driveway; and the right to install a private driveway serving each of Lots 25, 27 and 29 connecting to the joint driveway.

8. Each owner of Lots 23, 25, 27, 29 and the Open Space Area shall cooperate fully in granting any easements required by public utility companies to effect the installation of telephone, electric and cable television service lines to provide utility service to Lots 25, 27 and 29 as delineated on the Plan. The obligations contained in this paragraph shall include, but shall not be limited to, the obligation to execute an "Electric Distribution Easement" in standard Connecticut Light and Power Company d/b/a Eversource form in favor of the Connecticut Light and Power Company d/b/a Eversource in order to effect the installation of such utilities.
9. Each owner of Lots 25, 27 and 29 as delineated on the Plan shall be responsible for the maintenance and upkeep of the joint driveway, including the utilities installed within the same, in accordance with his "Pro Rata Share" as hereinafter set forth. Upkeep and maintenance shall include, but is not limited to, snow removal, removal of all trees or other obstructions, pothole repair and resurfacing. Decisions as to the necessity of maintenance and upkeep, and the cost to be incurred with respect thereto, shall be made by a majority vote of the Pro Rata Shares attributable to Lots 25, 27 and 29 as delineated on the Plan.
10. Any damage to the joint driveway caused by construction on either of Lots 25, 27 or 29 as delineated on the Plan, including damage caused by construction of a private driveway serving either of Lots 25, 27 and 29 from the joint driveway, or by reason of the installation of, or connection to utility lines, shall be repaired by and at the sole expense of the owner of the lot causing such damage.
11. "Pro Rata Share", as defined herein, shall mean:
 - (a) With respect to Lot 25 – 48%
 - (b) With respect to Lot 27 – 48%
 - (c) With respect to Lot 29 – 4%
12. In the event that any action is taken to enforce the provisions of this Declaration, the party prevailing in such action shall be entitled to an award of costs and reasonable attorney's fees.

TO HAVE AND TO HOLD THE SAME to the owner of Lot 24 as shown on the Plan, their heirs and assigns forever.

3. The Declarant shall be responsible for the cost of construction of the joint driveway from the southerly end of the cul-de-sac at the southwesterly end of Marty's Way to the intersection of the joint driveway with the division line between Lots 26 and 24 as shown on the Plan. The joint driveway shall be constructed to a minimum width of eighteen (18') feet and shall be constructed in accordance with the "Typical Shared Driveway Cross-Section" detail delineated on a plan entitled "Plan Showing Construction Details Eagles Landing An Open Space Subdivision Property of Mr G 1 LLC 79 Vinegar Hill Road Ledyard, Connecticut July 2018 As Revised Sheet 14 of 15 Dieter & Gardner Land Surveyors – Planners P.O. Box 335 1641 Route 12 Gales Ferry, CT. 06335 (860) 464-7455 Fax (860) 464-5028 Email: dieter.gardner@snet.net".
4. The deed of conveyance of each of Lots 28, 26 and 24 as delineated on the Plan shall be made together with and subject to the rights of way herein set forth by reference to this Declaration, and such reference shall be deemed to incorporate the rights and obligations set forth herein into each such deed of conveyance.
6. All grants of rights of way in favor of Lots 26 and 24 as delineated on the Plan shall be deemed to include the non-exclusive right and privilege to pass and re-pass, by foot or by vehicle, and for any lawful purpose, over, upon and across the right of way areas herein described; and the right to install and connect to utility lines located under or within the joint driveway; and the right to install a private driveway serving a lot connecting to the joint driveway.
7. Each owner of Lots 28, 26 and 24 shall cooperate fully in granting any easements required by public utility companies to effect the installation of telephone, electric and cable television service lines to provide utility service to Lots 28, 26 and 24 as delineated on the Plan. The obligations contained in this paragraph shall include, but shall not be limited to, the obligation to execute an "Electric Distribution Easement" in standard Connecticut Light and Power Company d/b/a Eversource form in favor of the Connecticut Light and Power Company d/b/a Eversource in order to effect the installation of such utilities.
8. Each owner of Lots 28, 26 and 24 as delineated on the Plan shall be responsible for the maintenance and upkeep of the joint driveway, including the utilities

installed within the same, in accordance with his "Pro Rata Share" as hereinafter set forth. Upkeep and maintenance shall include, but is not limited to, snow removal, removal of all trees or other obstructions, pothole repair and resurfacing. Decisions as to the necessity of maintenance and upkeep, and the cost to be incurred with respect thereto, shall be made by a majority vote of the Pro Rata Shares attributable to each of Lots 28, 26 and 24 as delineated on the Plan.

9. Any damage to the joint driveway caused by construction on any of Lots 28, 26 and 24 as delineated on the Plan, including damage caused by construction of a private driveway serving any of Lots 28, 26 or 24 from the joint driveway, or by reason of the installation of, or connection to utility lines, shall be repaired by and at the sole expense of the owner of the lot causing such damage.
10. "Pro Rata Share", as defined herein, shall mean:
 - (a) With respect to Lot 28 – 14%
 - (b) With respect to Lot 26 – 42%
 - (c) With respect to Lot 24 – 44%
11. In the event that any action is taken to enforce the provisions of this Declaration, the party prevailing in such action shall be entitled to an award of costs and reasonable attorney's fees.
12. This Declaration is intended to create real covenants which are intended to run with the title to each of Lots 28, 26 and 24 as delineated on the Plan. This Declaration may be modified or changed by an agreement in writing among the owners of Lots 28, 26 and 24 as delineated on the Plan, duly executed and recorded in the Ledyard Land Records.

IN WITNESS WHEREOF, Mr. G. 1., LLC, acting herein by Amy Gottesdiener, its Member, has herunto set its hand and seal the day and year first above written.
