Ledyard Planning and Zoning Commissioners
Liz Burdick, Ledyard Director Land Use & Planning
Ledyard, CT.

Dear Commissioners and Ms. Burdick,

We are respectfully writing in strong opposition to the Cashman/GFI proposed implementation of a quarry in the middle of our town, Gales Ferry.

Our specific concerns are:

1. The adverse effect to property values and historic features of the immediate neighborhood.
2. The emitting of silica dust, noise, vibration and the potential danger to the public health, safety, and general welfare of the community.
3. The increased truck traffic on route 12.
4. The destruction of the Historic Site Mount DeCator.

I would like to cite the following regulations as they pertain to our concerns:

1. Zoning Regulations 11.3.4.D
2. Zoning Regulations 9.2.C.1 and 11.3.4.C
3. Zoning Regulations 11.3.4.B
4. Zoning Regulations 11.3.4.E

Thank you for your time!

Charles Duzy and Mary Duzy
