Ledyard Planning and Zoning Commissioners Liz Burdick, Ledyard Director Land Use & Planning Ledyard, CT.

Dear Commissioners and Ms. Burdick,

I am respectfully writing in strong opposition to the Cashman/GFI proposed implementation of a quarry in the middle of Gales Ferry.

This project will be within one mile of my home at 50 Military Highway. Blasting could cause damage to my home from vibrations along with health complications due to silica dust. We also have 3 schools a mile away with athletic fields that will be contaminated with silica as the prominent North East wind is in its direct path. The town has orders in place to stop this type of thing from happening this should be a unanimous NO for the health and well being of our community.

Thank you for your time
Joshua Brouwer
