To Whom it May Concern,

As a Registered Nurse who also holds a second Bachelors Degree in Public Health, I am very concerned about a quarry being proposed in Gales Ferry/Ledyard by GFI. Please respectfully receive this, my request, for you to hire and assist the Town of Ledyard and Ledyard P & Z, AT THE EXPENSE OF THE APPLICANT, an expert in the field of Environmental Health and Safety, Acoustics, Stormwater Runoff, River Ecology, Traffic, and Carcinogenic Dust in their deliberations regarding approving or denying this application.

Yours sincerely,
Danielle La Casse
