Please print out and put with the application. I think we should put this as FD#3 I believe.

Thanks,

Thank you, Liz.

Here is the email authorizing the application. I will stop by the office Monday when we get back from Boston to sign the application for the Tuesday IWCC meeting.

Good morning, Dennis & Toby, The Public Works Director is filing an after the fact permit for emergent work this past spring/summer to relieve flooding by cutting a small trench in a berm with beaver dam between your property and Klewin's. Would you kindly send an email authorizing the application. I can be reached only on my cell at 860-861-4069 with questions as I'm out of the office. Thanks.

Here is the updated version with correct addresses we have on file. Also I converted the pdf to word using this link [Stirling PDF](#) that Kirk gave me just to let you know. It is super helpful.
