

Please Join Us at the Ledyard Farmers' Market on June 18, 2025

To Showcase Our Amazing Town

The Community Relations Committee has been using the Farmers' Market as a forum to conduct Outreach Events to bring important information to our community regarding the many services and programs Ledyard has available for our residents.

Our Town's Committees, Commissions, and Board are the dedicated volunteers who work to oversee that Ledyard is complying with regulations to protect our environment and our community; while ensuring responsible development making our town a welcoming and beautiful place to live.

We invite you to join us at the **Farmers Market on June 18, 2025** from 4:00 p.m. - 7:00 p.m. under our **Town of Ledyard Tent** where you can provide information regarding the important initiatives your Committee, Commission, or Board is championing, such as working to maintain the beautiful rural character of our community with its rolling hills, local farms, picturesque hiking trails, conserving open spaces, protecting our wetlands, mobilizing volunteers to plant flowers, and design creative streetlight banners, caring for historic & abandoned cemeteries and making sure our veterans are remembered and honored with placing flags at their gravesites, providing lovely, safe parks for both our adults and kids alike to enjoy; all while working to improve infrastructure and attract and plan for responsible development.

The Community Relations Committee will be providing information regarding the many opportunities available for residents to become engaged and volunteer to support our community, and how they could apply on-line using our new portal.

Your participation in this Outreach Event would be of great value in recruiting new members to help support your Committee, as residents would have an opportunity to talk to you first-hand about what your Committee/Commission/Board does and how their talents could be of use.

We value what you do for our community!

Hope to See You at the Market!

Community Relations Committee for Diversity, Equity and Inclusion
