VIII. OLD BUSINESS

1. Any other Old Business to come before the Commission.

Chairman Garstka met with Mayor Allyn III regarding Clark Farm. Mayor Allyn III suggested that the Commission writes a letter to Town Council with what the Commission would like to see happen to the parcel. Having the fields mowed, even to a farmer for a no cost lease, would save the Town money in maintenance costs and help maintain the property. Its possible Bill Geer will take over part of the haying to assist with the current lease.

The Commission could suggest to Town Council that the Commission takes the lead on this property and would need to develop criteria for eligibility. Ideally the Commission would have a lease in place by next spring. Chairman Garstka suggested a 5-year lease agreement, insurance required, to a Ledyard resident with the highest bid.

Mr. Thorne clarified that there are two parcels and asked about the easement for the power lines. It is prime agricultural property.

Chairman Garstka said he would reach out to Town Council. Chairman Marelli suggested reaching out to Councilor Dombrowski. The next Town Council meeting is next week (August 27).

RESULT: DISCUSSED

IX. NEW BUSINESS

1. Any other New Business to come before the Commission.

Chairman Garstka asked if anyone on the AG Committee would like to be a representative on the Ledyard 250 Committee? It meets on the second Tuesday of the month during the afternoon. Mr. Thorne said he is potentially interested and will talk to the Kristen Chapman, Executive Assistant to the Mayor.
