You don't often get email from fostert@ledyard.net. [Learn why this is important](#)

Dear Mayor Fred and Representatives of Town Council,
I was in your group for the roundtable. I'm Terri Foster and my project is on pedestrian safety, specifically creating safer walkways for pedestrians and cyclists in Ledyard, Connecticut. I want to thank you for your time and information on the problem with property lines and the issues regarding pedestrian safety. Thank you for your time and I hope to stay in contact throughout this project.
