Hello, Roxanne -

We would be most appreciative if you could forward this email to Mayor Allyn and the Town Council. Thanks so much.

Regards,

Steve

Dear Mayor Allyn and Members of the Ledyard Town Council,

As longtime residents of the Long Pond neighborhood, we enthusiastically support plans to establish a park on Lantern Hill Road on property between Long Pond and Bush Pond.

Public access to this parcel would give more people the opportunity to appreciate a beautiful natural setting – a place to have a picnic, launch a kayak or canoe on Bush Pond, or simply sit on a bench and enjoy the view.

The recent demolition of dilapidated structures at 596, 598, and 602 Lantern Hill Road have left a wonderful open area of about half an acre that would be perfect for just such a haven.

We, along with many of our neighbors, are eager to work with the Parks & Recreation Department and any other town agencies to help see this project through. For a very modest local investment, this park will yield longtime benefits for all residents.

Thank you for your consideration.

Sincerely,

Lisa Brownell and Steve Fagin
