Dear Town Planner,

Cashman Dredging & Marine is a new company at Allyn Point on Route 12. We have worked at Amsty for several years, with knowing that, Chase from Cashman reached out to us asking about local contractors. We supplied them with several contacts i.e. Trainor Plumbing, Scrubs Building Service LLC and TDC Excavating.

I feel that Cashman is and will be a positive impact on the local economy with their willingness to work with local companies.

Thank you for your consideration
Ed Belli
